To All SureWest Communications Employees,

We were very pleased to announce the merger agreement reached between SureWest Communications and Consolidated Communications. With each company having a century of experience, there are parallel histories of rich tradition, growth and investments in technology.

In the joint news release distributed yesterday, we communicated many reasons why we found SureWest Communications attractive and a good fit for Consolidated. You have built a strong reputation with your customers and the communities you serve and this is something of which you should be proud.

With your investment in an advanced fiber network, you have positioned the company well as a leading provider of high-quality telecommunications and broadband services. Overall, SureWest Communications has a solid base and as a combined company we can better compete and achieve the business' full growth potential.

Let me congratulate you on your success as a company to date. We hope to build on this foundation by continuing the same superior customer focus and commitment, while offering new innovative services.

Undoubtedly, you have many questions about Consolidated Communications. To help answer some of those questions my team and I will be traveling to Roseville as soon as possible to meet with all employees. You will be receiving an invitation as soon as the logistics are finalized.

---

Over the course of the next weeks and months, we will work through the necessary regulatory approvals and plan to close on the transaction by third quarter of 2012.

In the meantime, I look forward to meeting with you and sharing more about Consolidated Communications and the exciting possibilities that lie ahead.

Sincerely,

Bob Currey
