**Item 5.02**

**Changes in Control of Registrant.**

Effective on June 4, 2009, the Company's Chief Executive Officer, President, Chief Financial Officer, Treasurer, Secretary, Matthew Markin (the "*Seller*"), entered into an agreement for the sale and purchase of securities (the "*Agreement*") with Mr. Dave Clarke (the "*Purchaser*"), a newly appointed member of the Board of Directors. In accordance with the terms and provisions of the Agreement, the Seller sold an aggregate of 4,000,000 shares of the Company's common stock, par value \$.001 per share (the "*Common Stock*") held of record, representing approximately 8.33% of the issued and outstanding Common Stock of the Company, to the Purchaser in a private transaction under Section 4 1/2 of the *Securities Act of 1933*, for aggregate consideration of \$150,000. The shares of Common Stock are restricted securities. The Seller will retain his interest in the balance of 22,000,000 shares of Common Stock. The source of funds used by Purchaser was personal funds.

As a result, there has been a change in control of the Company. As of the date of this Form 8-K Current Report, there are 48,000,000 shares of Common Stock issued and outstanding. Thus, the acquisition by Purchaser of the 4,000,000 shares of Common Stock represents an equity interest of approximately 8.33% in the Company. Other than as disclosed above, there are no arrangements or understandings between the Seller and the Purchaser and their respective agents and associates with respect to election of directors or other matters.

There are no arrangements, known to the Company, including any pledge by any person of the Company's securities, the operation of which may at a subsequent date result in a change of control.

The information required by Item 5.01(a)(8) was previously reported by the Company on its Form 10-K for the period ended September 30, 2008 filed with the Securities and Exchange Commission on January 5, 2009 and the Form 10-K/A for the period ended September 30, 2008 filed with the Securities and Exchange Commission on March 12, 2009.
