Item 8.01. Other Events.

On February 23, 2012, in connection with the previously announced negotiations by Ampal-American Israel Corporation (the "Company") regarding the restructuring of the Company's debentures, the Company provided an undertaking (the "Undertaking") to the representatives (collectively, the "Debenture Representatives") of the holders (collectively, the "Holders") of the Company's Series B Debentures (collectively, the "Debentures"). As previously announced, the Company has proposed a postponement of certain principal payments under the Debentures. Through the Undertaking, the Company has agreed to certain restrictions on its operations. The Undertaking will remain in effect until the earlier of: (i) an agreement is reached with the Company's Series A, Series B and Series C debenture holders; (ii) seven days after the Company notifies the Series B Trustee (the "Trustee") that negotiations have ceased; (iii) upon the notification by any of the Trustee, the Holders or the Debenture Representatives to the Company that negotiations have ceased; (iv) upon the initiation of legal proceedings against the Company (including, without limitation, a notice to the Company demanding acceleration of the debt); or (v) upon the initiation of legal proceedings against the Company by the Trustee or anyone on its behalf in a proceeding not initiated by the Company. The Company has agreed to the following restrictions, including, without limitation:

For as long as the Undertaking is in effect,

- a. except in the ordinary course of their respective businesses, and only on arm's length terms and for consideration to be received by Ampal or by entities directly or indirectly controlled by Ampal ("Controlled Entities"), neither the Company nor any of the Controlled Entities will dispose of, provide options on or create liens on any of their respective material assets (including, without limitation, in its investments in East Mediterranean Gas Co. and the sugarcane ethanol production project in Colombia);
- b. neither the Company nor any of the Controlled Entities will be party to any new transactions with their respective controlling shareholders or any of their respective officers, or with any entity in which their respective controlling shareholders or officers have a personal interest (other than with respect to certain existing and ongoing transactions);
- c. the Company will not distribute any dividends and will not repay any shareholders' loan without the prior written consent of the Debenture Representatives;
- d. neither the Company nor any of the Controlled Entities will make any payments to the controlling shareholder of the Company, his relatives or any entities owned or controlled by him and/or by his relatives (other than with respect to certain existing and ongoing transactions), without the prior written consent of the Debenture Representatives;

- e. neither the Company nor any the Controlled Entities will make any payments to any third party, if such payments are secured by a direct or indirect guaranty of the controlling shareholder of the Company, without the prior written consent of the Debenture Representatives;
- f. neither the Company nor any of the Controlled Entities will make any payments to their respective financial creditors (other than with respect to certain payments to banks) without the prior written consent of the Debenture Representatives;
- g. neither the Company nor any of the Controlled Entities will repurchase, resell, transfer or pledge any of its debentures, or take any actions related to any of its repurchased debentures, other than any actions required to deregister such debentures from trade; and
- h. the Company will not make any payments on its debentures (other than interest payments).

The Company also agreed to bear certain expenses of the Trustee and the Debenture Representatives, and as security for the payment of such costs, the Company will deposit NIS250,000 (approximately \$66,500) with the Trustee. Additionally, the Company agreed to fully cooperate with the Trustee and the Debenture Representatives and provide them with all required information regarding the Company, its assets and its subsidiaries, subject to the Trustee and the Debenture Representatives entering into a non-disclosure agreement with the Company.

The Undertaking provides that nothing contained in the Undertaking limits any party's right to defend its interests and assert its legal rights as it may deem fit, including through the initiation of legal or similar proceedings.
