Compugen Ltd.

On April 2, 2018, Compugen Ltd. (the “Company”) issued a press release announcing the entering into of an exclusive license agreement with MedImmune, Limited and attached such press release as Exhibit 99.1 to a Form 6-K filed with the Securities and Exchange Commission on April 2, 2018. A redacted copy of the agreement is filed as Exhibit 10.1 to this Form 6-K and incorporated by reference herein.

As previously reported on April 2, 2018, the Company entered into an exclusive license agreement with MedImmune, the global biologics research and development arm of AstraZeneca, to enable the development of bi-specific and multi-specific immuno-oncology antibody products. Under the terms of the agreement, Compugen will provide an exclusive license to MedImmune for the development of bi-specific and multi-specific antibody products derived from a Compugen pipeline program. MedImmune has the right to create multiple products under this license and will be solely responsible for all research, development and commercial activities under the agreement. Compugen will receive a \$10 million upfront payment and is eligible to receive up to \$200 million in development, regulatory and commercial milestones for the first product as well as tiered royalties on future product sales. If additional products are developed, additional milestones and royalties would be due to Compugen. Compugen will retain all other rights to its entire pipeline of programs as monotherapies and in combination with other products.

On May 9, 2018, the Company issued a press release, a copy of which is filed as Exhibit 99.1 to this Form 6-K and incorporated by reference herein.

The information contained in this Report on Form 6-K is hereby incorporated by reference into the Company’s Registration Statement on Form F-3, File No. 333-213007.
