Information to be included in the report

### Item 8.01. Other Events

On November 30, 2006, ScanSource, Inc. (the "Company") announced that, in response to the Company's request for a hearing before the NASDAQ Listing Qualifications Panel (the "Panel"), NASDAQ has scheduled a hearing for January 11, 2007. The Company requested the hearing in response to the receipt by the Company of a NASDAQ Staff Determination letter indicating that the Company is not in compliance with the filing requirements for continued listing as a result of the delayed filing of the Company's Form 10-Q for the quarter ended September 30, 2006. Under NASDAQ rules, pending a decision by the Panel, the Company's common stock will remain listed on the NASDAQ Stock Market.

The Company was notified on November 27, 2006 that a shareholder derivative action was filed on November 21, 2006 in the United States District Court for the District of South Carolina, Greenville Division by a purported shareholder of the Company, derivatively on behalf of the Company, against certain present or former directors or officers of the Company and, nominally, against the Company, asserting various causes of action in connection with alleged backdating of certain stock option grants.

As previously disclosed, the Company's Board of Directors has appointed a Special Committee to conduct a review of the Company's stock option grant practices and related accounting issues from the time of its initial public offering in 1994 to the present.

A copy of the Company's press release regarding these events is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
