**Item 8.01. Other Events**

On January 30, 2008, the Board of Directors of Servotronics, Inc. (the "Company") adopted amendments to the 1989 Employees Stock Option Plan, the 2001 Long Term Incentive Plan as well as certain stand-alone stock option agreements issued on March 24, 1998 to Dr. Nicholas D. Trbovich, William H. Duerig and Donald W. Hedges to provide that prior to the expiration date for each stock option, the optionee may surrender some or all of the unexercised options to the Company and, if the optionee's proposal is accepted by the Company, receive a payment from the Company equal to the increase in the value of the option on the date of surrender with certain adjustments. The adjustments insured that the payment received by an optionee who surrendered options in lieu of exercise would receive a payment which would not exceed the economic benefit to the optionee if the options were contemporaneously exercised. The Company retains the right to reject the optionees' offer to surrender their options at the Company's discretion. If the Company accepts the offer, the net effect is anti-dilutive relative to the reporting of earnings per share.

The foregoing summary description of the amendments to the incentive plans and stock option agreements does not purport to be complete and is qualified in its entirety by reference to the amendments which will be filed as exhibits to the Company's Annual Report on Form 10-KSB for the year ended December 31, 2007.
