Item 8.01. Other Events

On May 20, 2010, the Board of Directors of Servotronics, Inc. (the "Company") adopted amendments to certain stock option agreements not issued pursuant to the Company's 2000 Employees Stock Option Plan or the Company's 2001 Long-Term Stock Incentive Plan to provide that prior to the expiration date for each stock option, the optionee may surrender some or all of the unexercised options to the Company and, if the optionee's proposal is accepted by the Company, receive a payment from the Company equal to the increase in the value of the option on the date of surrender with certain adjustments. The adjustments insured that, consistent with the above-referenced 2000 Employees Stock Option Plan and 2001 Long-Term Stock Incentive Plan, the payment received by an optionee who surrendered options in lieu of exercise would receive a payment which would not exceed the economic benefit to the optionee if the options were contemporaneously exercised. The Company retains the right to reject the optionees' offer to surrender their options at the Company's discretion.

The foregoing summary description of the amendments to the stock option agreements does not purport to be complete and is qualified in its entirety by reference to the amendments which will be filed as exhibits to the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2010.
