- (4) Forward Transaction, dated as of June 6, 2012, by and between Deutsche Bank AG, London Branch ("DB"), with Deutsche Bank Securities Inc. as agent, and Master Account (the "DB Master Account Forward Transaction").
- (5) Forward Transaction, dated as of June 6, 2012, by and between DB, Deutsche Bank Securities Inc. as agent, and Capital Partners (100) (the "DB Capital Partners (100) Forward Transaction").
- (6) Amended and Restated Forward Transaction, dated as of June 12, 2012, by and between DB, Deutsche Bank Securities Inc. as agent, and Institutional Partners III (the "DB Institutional Partners III Forward Transaction" and, together with the Master Account Forward Transaction and the Capital Partners (100) Forward Transaction, the "DB Forward Transactions").
- (7) Each of the DB Master Account Forward Transaction and the DB Capital Partners (100) Forward Transaction may be settled at any time, at the election of Master Account or Capital Partners (100), as the case may be, in cash or by delivery of Common Stock.
The DB Institutional Partners III Forward Transaction may be settled at any time at the election of Institutional Partners III in cash. In addition, the DB Institutional Partners III Forward Transaction may be settled at any time, at the election of Institutional Partners III, following the date that all required filings and any applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 have been made or have expired (the "HSR Act Condition"), by delivery of Common Stock.
- (9) The shares of Common Stock underlying the DB Forward Transactions generally must be settled in either cash or physical delivery of such shares of Common Stock (subject, in the case of the DB Institutional Partners III Forward Transaction, to satisfaction of the HSR Act Condition) by June 12, 2013 or at such earlier date at the election of Master Account, Capital Partners (100) or Institutional Partners III, as the case may be. If the relevant MHR fund elects physical settlement, the settlement date will occur on the fifth business day following the date of such election. If the relevant MHR fund elects cash settlement, the cash settlement date will occur three business days following the expiration of a fifteen (15) business day price averaging period commencing two business days following the date of such election.
- (10) In the event that Master Account, Capital Partners (100) or Institutional Partners III elect to physically settle their respective DB Forward Transactions, such MHR entity is required to pay the DB Forward Price per Share to DB in exchange for each share of Common Stock underlying the DB Forward Transaction. The "DB Forward Price per Share" is initially \$25.5399 and increases each day based on a formula that generally equals the initial DB Forward Price per Share multiplied by an interest rate generally equal to one-month LIBOR plus 0.85% per annum compounded monthly. If any DB Forward Transaction is settled in cash, Master Account, Capital Partners (100) or Institutional Partners III will generally obtain the gain from any positive price performance and suffer the loss from any negative price performance when compared to the DB Forward Price per Share on the notional number of shares of Common Stock subject to the DB Forward Transactions, subject to certain fees payable to DB.
