VOTE OBTAINED - SECTION 228 OF THE DELAWARE GENERAL CORPORATION LAW

Section 228 of the Delaware General Corporation Law ("Delaware Law") provides that the written consent of the holders of the outstanding shares of voting stock, having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a special meeting. Pursuant to Section 242 of the Delaware Law and our bylaws, a majority of the outstanding shares of common stock entitled to vote thereon is required in order to amend our certificate of incorporation. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the Name Change Amendment as early as possible in order to accomplish the purposes as hereafter described, our Board of Directors voted to utilize, and did in fact obtain, the written consent of the holders of a majority in the interest of our common stock.

Pursuant to Section 228 of the Delaware Law, we are required to provide prompt notice of the taking of the corporate action without a meeting to the stockholders of record who have not consented in writing to such action. This Information Statement is intended to provide such notice.

Stockholders who were not afforded an opportunity to consent or otherwise vote with respect to the actions taken have no right under Delaware Law to dissent or require a vote of all stockholders.

STOCKHOLDER ACTION

Introduction

On July 8, 2003, our Board of Directors unanimously approved the Name Change Amendment and submitted such matter for stockholder approval. On August 4, 2003, stockholders holding approximately 80.0% of our outstanding voting stock, acting by majority written consent, approved and ratified the Name Change Amendment.

3

Purpose of the Name Change

Our Board of Directors has determined that it is in our best interests to adopt a name more readily identifiable with our current strategic focus as a

biotechnology business engaged in research and development of applications utilizing modified Substance P, a naturally occurring immunomodulator. Consequently, the Board of Directors has recommended changing our name from "GPN Network, Inc." to "IR Biosciences Holdings, Inc."

Effects of the Name Change

Changing our name will not have any effect on our corporate status, the rights of stockholders or the transferability of outstanding stock certificates. Outstanding stock certificates bearing the name "GPN Network, Inc." will continue to be valid and represent shares of "IR Biosciences Holdings, Inc." following the name change. In the future, new stock certificates will be issued bearing our new name, but this will in no way affect the validity of your current stock certificates.

Vote Required

The affirmative vote of the holders of a majority of our outstanding common stock is required to change our name from "GPN Network, Inc." to "IR Biosciences Holdings, Inc.," which vote was obtained by majority written consent. As a result, the Name Change Amendment was approved and no further votes will be needed.

Effective Date

Under applicable federal securities laws, the Name Change Amendment cannot be effective until at least 20 calendar days after this Information Statement is sent or given to our stockholders.

Dissenters' Rights of Appraisal

The Delaware Law does not provide for appraisal rights in connection with our name change.
