Item 1.01 Entry Into a Material Definitive Agreement

Effective July 11, 2012, the Registrant executed an amendment to the Taber Mine Option Agreement (the "Option", or the "Agreement"), dated November 1, 2011, whereby the term of the Option giving the Company the exclusive right to lease or acquire the Taber Mine has been extended for one additional year.

Under the terms of the Agreement, and as set forth in the Company's Current Report on Form 8-K filed with the United States Securities and Exchange Commission ("SEC") on November 1, 2011, the Registrant has acquired the exclusive, unrestricted, and irrevocable option to lease the Taber Mine (the "Property") in Sierra County, California. The Property covers approximately 650 acres, and is located near the town of La Porte, California. The duration of the Agreement was originally set as nine (9) months from the original effective date. With this one year extension, the duration of the Agreement is now set at twenty one (21) months from the original effective date. The consideration to be paid is \$2,000 per month for the duration of the Agreement, including the aforementioned Option extension, during which time the Registrant may elect to exercise its option and enter into a definitive agreement to lease or acquire the Property. As of the date of this report, the Registrant is current in its payments and obligations.

This is an arms-length transaction, and there is no family or other relationship with any affiliate of the Property owner with any officer, director, or affiliate of the Registrant. No shares of the Registrant's stock have been or will be issued in connection with this Agreement.

The above described executed Amendment is attached hereto and incorporated by reference as Exhibit 10.2
