Item 2.02 Results of Operations and Financial Condition.

On January 25, 2012, United Community Banks, Inc. (the “Registrant”) issued a news release announcing its financial results for the quarter and year ended December 31, 2011 (the “News Release”). The News Release, including financial schedules, is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference. In connection with issuing the News Release, on January 26, 2012 at 11:00 a.m. EST, the Registrant intends to hold a conference call/webcast to discuss the News Release. In addition to the News Release, during the conference call the Registrant intends to discuss certain financial information contained in the December 31, 2011 Investor Presentation (the “Investor Presentation”), which will be posted to the Registrant’s website at [www.ucbi.com](http://www.ucbi.com). The Investor Presentation is attached as Exhibit 99.2 to this Current Report on Form 8-K and incorporated herein by reference.

The presentation of the Registrant’s financial results includes operating performance measures and core earnings measures, which are measures of performance determined by methods other than in accordance with generally accepted accounting principles, or GAAP. Management included non-GAAP operating performance and core earnings measures because it believes they are useful for evaluating the Registrant’s operations and performance over periods of time, and uses operating performance and core earnings measures in managing and evaluating the Registrant’s business and intends to refer to them in discussions about the Registrant’s operations and performance. Operating performance measures for the fourth quarter of 2010 exclude the effects of an \$11.75 million pre-tax partial recovery of a 2007 fraud loss and third quarter 2010 operating performance measures exclude the effects of a \$210.6 million non-cash goodwill impairment charge. These items have been excluded from operating performance measures because management believes the items are non-recurring in nature and do not reflect overall trends in the Registrant’s earnings. Additionally, core earnings measures exclude credit related costs such as the provision for loan losses, certain expenses and charges related to the Registrant’s 2011 asset disposition plans in the first quarter of 2011, the loss from the sale of nonperforming assets to Fletcher International, Ltd. in the second quarter of 2010 and foreclosed property expense, securities gains and losses, income taxes and other items of a non-recurring nature. Core earnings are useful in evaluating the underlying earnings performance trends of the Registrant. Management believes these non-GAAP performance measures may provide users of the Registrant’s financial information with a meaningful measure for assessing the Registrant’s financial results and comparing those financial results to prior periods.

Operating performance and core earnings measures should be viewed in addition to, and not as an alternative or substitute for, the Registrant’s performance measures determined in accordance with GAAP, and are not necessarily comparable to non-GAAP performance measures that may be

presented by other companies.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors;  
Appointment of Certain Officers; Arrangements of Certain Officers.

On January 19, 2012, Peter E. Raskind resigned as a director of the Registrant and the Registrant's wholly-owned subsidiary, United Community Bank (the "bank"), so he could pursue another opportunity as a director of a large financial institution. On that same date, the Registrant's board of directors appointed Clifford V. Brokaw, Managing Director of Corsair Capital LLC and a director of Torus Insurance Holdings, to serve as a director of the Registrant following regulatory approval and the bank effective immediately. Mr. Brokaw was appointed to replace Mr. Raskind under the terms of an investment agreement the Registrant entered into with Corsair Georgia, L.P. as part of the Registrant's previously announced \$380 million private placement.
