Item  
2.02 Results of Operations and Financial Condition.

On October 25, 2012, United Community Banks, Inc. (the “Registrant”) issued a news release announcing its financial results for the quarter ended September 30, 2012 (the “News Release”). The News Release, including financial schedules, is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference. In connection with issuing the News Release, on October 25, 2012 at 11:00 a.m. EDT, the Registrant intends to hold a conference call/webcast to discuss the News Release. In addition to the News Release, during the conference call the Registrant intends to discuss certain financial information contained in the September 30, 2012 Investor Presentation (the “Investor Presentation”), which will be posted to the Registrant’s website at [www.ucbi.com](http://www.ucbi.com). The Investor Presentation is attached as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated herein by reference.

The presentation of the Registrant’s financial results includes core earnings measures, which are measures of performance determined by methods other than in accordance with generally accepted accounting principles, or GAAP. Management included non-GAAP core earnings measures because it believes they are useful for evaluating the Registrant’s operations and performance over periods of time, and uses core earnings measures in managing and evaluating the Registrant’s business and intends to refer to them in discussions about the Registrant’s operations and performance. Core earnings measures exclude credit related costs such as the provision for loan losses, certain expenses and charges related to the Registrant’s 2011 asset disposition plans in the first quarter of 2011 and foreclosed property expense, securities gains and losses, income taxes and other items of a non-recurring nature. Core earnings measures are useful in evaluating the underlying earnings performance trends of the Registrant. Management believes these non-GAAP performance measures may provide users of the Registrant’s financial information with a meaningful measure for assessing the Registrant’s financial results and comparing those financial results to prior periods.

Core earnings measures should be viewed in addition to, and not as an alternative to or substitute for, the Registrant’s performance measures determined in accordance with GAAP, and are not necessarily comparable to non-GAAP performance measures that may be presented by other companies.
