OGS has equity securities traded on the London Stock Exchange and NASDAQ. The Panel wishes to draw the attention of member firms of NASDAQ to certain UK dealing disclosure requirements during the offer period.

The above disclosure requirements are set out in more detail in Rule 8 of the City Code. In particular, Rule 8 requires public disclosure of dealings during the offer period by persons who own or control, or who would as a result of any transaction own or control, one per cent. or more of any class of relevant securities of the offeree company. Relevant securities include OGS Shares, OGS ADSs and instruments convertible into OGS Shares or OGS ADSs. This requirement will apply until the first closing date or, if this is later, the date when the Offer becomes or is declared unconditional or lapses.

Disclosure should be made on an appropriate form by no later than 12 noon (London time), 7 a.m. (New York City time) on the business day following the date of the dealing transaction. These disclosures should be published through a Regulatory Information Service.

The Panel requests that member firms advise those of their clients who wish to deal in the relevant securities of OGS, whether in the United States or in the United Kingdom, that they may be affected by these requirements. If there is any doubt as to their application the Panel should be consulted (telephone number: +44 (0) 20 7382 9026, fax number: +44 (0) 20 7638 1554).
