Proxy Statement

Prospectus

Dear Shareholder,

You are cordially invited to attend the annual meeting of shareholders of Ethyl Corporation to be held in the restored gun foundry building of the Tredegar Iron Works, 500 Tredegar Street, Richmond, Virginia, on Thursday, May 27, 2004, at 11:00 a.m., Eastern Daylight Time.

This year's meeting has added importance to you as a shareholder of Ethyl. The board of directors is recommending that you vote to adopt, among other things, a new holding company structure for the company. In order to accomplish this restructuring, the board of directors has adopted an agreement and plan of merger and a related plan of merger, collectively referred to as the merger agreement, by and among Ethyl, NewMarket Corporation, a wholly owned subsidiary of Ethyl ("NewMarket"), and Ethyl Merger Sub, Inc., a wholly owned subsidiary of NewMarket ("Merger Sub"). The merger agreement provides for the merger of Merger Sub with and into Ethyl with Ethyl as the surviving corporation following the merger. Upon the completion of the merger, each outstanding share of Ethyl common stock will automatically be converted into one share of NewMarket common stock. As a result of the merger, Ethyl will become a wholly owned subsidiary of NewMarket and the current shareholders of Ethyl will become the new shareholders of NewMarket in the same proportions.

We expect that NewMarket common stock will be listed on the New York Stock Exchange under the ticker symbol NEU.

At the annual meeting, you will also be asked to elect seven directors, approve the Ethyl Corporation 2004 Incentive Compensation and Stock Plan and ratify the appointment of PricewaterhouseCoopers LLP as independent public accountants for the fiscal year ending December 31, 2004. Whether or not you plan to attend the annual meeting, please take the time to vote by completing, signing, dating and returning the enclosed proxy card.

Information about the merger, which will establish the holding company structure, and the other matters to be voted on at the annual meeting is contained in the accompanying proxy statement/prospectus. **We urge you to read the entire proxy statement/prospectus and the documents to which this proxy statement/prospectus refers you.**

Sincerely,

QUESTIONS AND ANSWERS ABOUT THE MERGER AND HOLDING COMPANY FORMATION

The following questions and answers are intended to address briefly some commonly asked questions regarding the merger, which will establish the holding company structure for Ethyl. These questions and answers do not address all questions that may be important to you, as an Ethyl shareholder. Please refer to the more detailed information contained elsewhere in this proxy statement/prospectus, the annexes to this proxy statement/prospectus and the documents referred to or incorporated by reference into this proxy statement/prospectus.

Q. What is the proposed transaction?

A. We are proposing to reorganize our corporate structure so that Ethyl will become a separate wholly owned subsidiary of a new parent holding company, with the current holders of Ethyl common stock becoming the holders of the common stock of Ethyl's new parent in the same proportions. Under the terms of the agreement and plan of merger and the related plan of merger by and among Ethyl, NewMarket, a wholly owned subsidiary of Ethyl, and Ethyl Merger Sub, a wholly owned subsidiary of NewMarket, Ethyl Merger Sub will merge with and into Ethyl with Ethyl being the surviving corporation and becoming a wholly owned subsidiary of NewMarket. We refer to this series of transactions in this proxy statement/prospectus as the merger.

Q. If the merger is completed, what will happen to my shares of Ethyl common stock?

A. Upon completion of the merger, each outstanding share of Ethyl common stock will automatically be converted into one share of NewMarket common stock, with the former Ethyl shareholders becoming the holders of all of the outstanding shares of NewMarket common stock in the same proportions. The holders of NewMarket common stock will have the same voting rights as the current holders of Ethyl common stock.

Q. Why is the board of directors recommending the approval of the merger agreement?

A. We currently engage in (1) the development, manufacture, blending, marketing, sale and distribution of fuel and lubricant additives and (2) the marketing, sale and distribution of tetraethyl lead. We operate our business through direct and indirect wholly owned subsidiaries of our company. Following the establishment of the holding company structure, we intend to realign our subsidiaries based on these lines of business. We believe that this realignment will permit the management of each of these lines of business to focus on its respective business and to adopt strategies and pursue opportunities appropriate to each of the respective lines of business, taking into account differences in their product lines, risk and return profiles, and growth potentials. Although we are not actively pursuing any acquisitions or joint ventures, we also believe that the holding company structure and realignment of our subsidiaries will facilitate the future expansion of our business by providing a more flexible structure for acquiring businesses or entering into joint ventures.

Q. When is the holding company structure expected to be implemented?

A. We hope to complete the merger and implement the holding company structure by July 1, 2004. The merger cannot be completed and the holding company structure cannot be implemented until a number of conditions are satisfied. The most important condition is the approval of the merger agreement by Ethyl shareholders at the annual meeting.

Q. Who is entitled to vote at the annual meeting?

A. Holders of record of Ethyl common stock as of the close of business on March 25, 2004, are entitled to vote at the annual meeting. Each Ethyl shareholder is entitled to one vote for each share of Ethyl common stock owned.

Table of Contents

Q. What vote is required for Ethyl shareholders to approve the merger agreement?

- A. The affirmative vote of the holders of more than two-thirds of all outstanding shares of Ethyl common stock is required to approve the merger agreement.

Q. What do I need to do now?

- A. After carefully reading and considering the information contained in this proxy statement/prospectus, please vote your shares of Ethyl common stock as soon as possible. Please complete, sign, date and return the enclosed proxy card as soon as possible, even if you plan to attend the annual meeting, to ensure that your shares are voted. Your proxy materials include detailed information on how to vote.

Please do not send in your stock certificates with your proxy card. If the merger is completed, your shares of Ethyl common stock will automatically be converted into the same number of shares of NewMarket common stock. Following the completion of the merger, you may, but you are not required to, surrender your Ethyl stock certificates to Computershare Investor Services, LLC, NewMarket's transfer agent, in exchange for NewMarket stock certificates. Until you exchange your Ethyl stock certificates, they will be treated for all purposes to represent the same number of shares of NewMarket common stock as though such exchange had taken place.

If you hold your shares of Ethyl common stock in book-entry form through the direct registration system in the account maintained by Computershare, your shares of Ethyl common stock will automatically be converted into an equal amount of shares of NewMarket common stock at the effective time of the merger.

Q. If my shares are held for me in street name by my broker, will my broker vote these shares for me on the merger agreement?

- A. Your broker will vote your shares on the merger agreement only if you provide instructions to your broker on how to vote. You should instruct your broker on how to vote your shares on the merger agreement, using the instructions provided by your broker.

Q. Can I change my vote after I have mailed my proxy card?

- A. Yes. You can change your vote at any time before your proxy is voted at the annual meeting. You may revoke your proxy by notifying us in writing at Ethyl Corporation, 330 South Fourth Street, Richmond, Virginia 23219, Attention: Corporate Secretary, or by submitting a new proxy, in either case, dated after the date of the proxy being revoked. In addition, you may revoke your proxy by attending the annual meeting and voting in person. However, simply attending the annual meeting without voting will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow the instructions received from your broker to change your vote.

Q. Do I need to attend the annual meeting in person?

- A. No. It is not necessary for you to attend the annual meeting in order to vote your shares.

Q. May I exercise appraisal or dissenters' rights in the merger?

- A. Under Virginia law, Ethyl shareholders will not have appraisal or dissenters' rights in connection with the merger.

Q. Where can I find more information about Ethyl?

A. We file periodic reports and other information with the Securities and Exchange Commission. You may read and copy this information at the Securities and Exchange Commission's public reference rooms.

Ethyl Corporation. Ethyl Corporation is a specialty chemicals company that provides highly formulated packages of lubricant and fuel additives. We develop, manufacture and blend fuel and lubricant additive products and sell these products worldwide. We are one of the largest producers of lubricant additives worldwide and offer the broadest line of fuel additives worldwide. We are one of the primary marketers of tetraethyl lead, or TEL, in North America and, through our marketing agreements with The Associated Ocel Company and its affiliates, we are the only marketer of TEL outside of North America. Our principal executive offices are located at 330 South Fourth Street, Richmond, Virginia 23219 and our telephone number is (804) 788-5000.

Unless the context otherwise indicates, the terms Ethyl, we, our or our company mean Ethyl Corporation and its consolidated subsidiaries.

NewMarket Corporation. NewMarket Corporation, which we refer to in this proxy statement/prospectus as NewMarket, is currently a wholly owned subsidiary of Ethyl and was incorporated on March 3, 2004 in the Commonwealth of Virginia for the purpose of implementing the proposed holding company restructuring. NewMarket has not conducted any business activities since its formation and does not own any assets other than all of the outstanding capital stock of Merger Sub. NewMarket's principal executive offices are located at 330 South Fourth Street, Richmond, Virginia 23219 and its telephone number is (804) 788-5000.

Ethyl Merger Sub, Inc. Ethyl Merger Sub, Inc., which we refer to in this proxy statement/prospectus as Merger Sub, is currently a wholly owned subsidiary of NewMarket and was incorporated on March 3, 2004 in the Commonwealth of Virginia for the purpose of merging into Ethyl in the proposed holding company restructuring. Merger Sub has not conducted any business activities since its formation and does not own any assets. The Merger and Holding Company Formation

(see page 12)

The agreement and plan of merger and the related plan of merger by and among Ethyl, NewMarket and Merger Sub are attached as Annex A and Annex B, respectively, to this proxy statement/prospectus. These are the legal documents that govern the merger. We encourage you to read these documents carefully. In this proxy statement/prospectus, we refer to the agreement and plan of merger and the related plan of merger collectively as the merger agreement.

Table of Contents

The following charts show (1) our current corporate structure and (2) the proposed corporate holding company structure following the completion of the merger. Under the terms of the merger agreement, Merger Sub will be merged with and into Ethyl, with Ethyl being the surviving corporation and becoming a wholly owned subsidiary of NewMarket. At the effective time of the merger, each outstanding share of Ethyl common stock will automatically be converted into one share of NewMarket common stock. As a result, upon completion of the merger, the current shareholders of Ethyl will become the new shareholders of NewMarket in the same proportions.

The Annual Meeting

(see page 10)

The annual meeting of shareholders of Ethyl will be held in the restored gun foundry building of the Tredegar Iron Works, 500 Tredegar Street, Richmond, Virginia, on Thursday, May 27, 2004, at 11:00 a.m., Eastern Daylight Time. At the annual meeting, Ethyl shareholders will be asked, among other things, to consider and vote on a proposal to approve the merger agreement, which will establish the holding company structure for Ethyl.

You can vote at the annual meeting if you owned shares of Ethyl common stock on the record date, March 25, 2004.

Under Virginia law, approval of the merger agreement requires the affirmative vote of more than two-thirds of all outstanding shares of Ethyl common stock. **Abstentions, failures to vote and broker non-votes will have the same effect as a vote against the proposal to approve the merger agreement.**

For additional information regarding the procedure for delivering your proxy, see **The Annual Meeting Voting and Revocation of Proxies**. If you have additional questions about the merger or how to submit your proxy, or if you need additional copies of this proxy statement/prospectus or the enclosed proxy card or voting instructions, please call our proxy solicitor, The Altman Group, Inc., toll-free at (800) 870-0122 (banks and brokerage firms call collect at (201) 460-1200), or contact Ethyl in writing at our principal executive offices at 330 South Fourth Street, Richmond, Virginia 23219, Attention: Corporate Secretary, or by telephone at (804) 788-5000.

Recommendation of Our Board of Directors

(see page 13)

After careful consideration, our board of directors unanimously:

determined that the merger is in the best interests of Ethyl and its shareholders;

adopted the merger agreement; and

recommends that Ethyl's shareholders vote to approve the merger agreement.

Our board of directors recommends that you vote FOR the proposal to approve the merger agreement at the annual meeting.

Comparative Rights of Shareholders of Ethyl and NewMarket

Edgar Filing: NEWMARKET CORP - Form 424B3

(see page 19)

As Virginia corporations, both Ethyl and NewMarket are governed by Virginia law. As a result of the merger, holders of Ethyl common stock, whose rights are currently governed by the restated articles of incorporation and the amended bylaws of Ethyl, will become shareholders of NewMarket, whose rights will be governed by the articles of incorporation and the bylaws of NewMarket. The articles of incorporation and bylaws of NewMarket differ from the restated articles of incorporation and amended bylaws of Ethyl in the following areas:

preemptive rights;

vote required for certain extraordinary transactions, such as the amendment of the NewMarket articles of incorporation, mergers, share exchanges, sales of all or substantially all of NewMarket's assets not in the ordinary course of business and the dissolution of NewMarket; and

conflict of interests transactions.

Table of Contents

Material U.S. Federal Income Tax Consequences

(see page 15)

We have received a private letter ruling from the Internal Revenue Service, which is referred to in this proxy statement/prospectus as the IRS, that the proposed merger will constitute a tax-free exchange for federal income tax purposes and that holders of Ethyl common stock will not recognize gain or loss on the conversion of Ethyl common stock into NewMarket common stock.

Conditions to the Merger

(see page 14)

The completion of the merger will depend on the following conditions:

the merger agreement has been approved by the affirmative vote of the holders of more than two-thirds of the outstanding shares of Ethyl common stock at the annual meeting;

all necessary orders, consents, authorizations, approvals or waivers from regulatory bodies, boards or agencies or other third parties have been received, remain in full force and effect, and do not include, in the sole judgment of the board of directors of Ethyl, unacceptable conditions;

no stop order issued by the Securities and Exchange Commission suspending the effectiveness of the registration statement relating to the shares of NewMarket common stock to be issued in the merger is in existence;

the shares of NewMarket common stock to be issued in connection with the merger have been listed, subject to official notice of issuance, by the New York Stock Exchange; and

no temporary restraining order, preliminary or permanent injunction or other order or decree issued by any court, administrative agency or commission or other governmental authority enjoining or otherwise preventing the completion of the merger is in effect.

Accounting Treatment

(see page 15)

For accounting purposes, the holding company formation will be treated as a merger of entities under common control. The accounting treatment for such events is similar to the former pooling of interests method. Accordingly, the financial position and results of operations of Ethyl will be included in the consolidated statements of NewMarket on the same basis.

Directors and Officers of NewMarket

(see page 16)

The directors of Ethyl will become the directors of NewMarket at the effective time of the merger. If you elect the nominees for election to the Ethyl board of directors in Proposal 2, the board of directors of NewMarket will initially be as follows:

William W. Berry
Phyllis L. Cothran
Bruce G. Gottwald
Thomas E. Gottwald

James E. Rogers
Sidney Buford Scott
Charles B. Walker

Table of Contents

By approving the merger agreement, you will be considered to have ratified the election of these people as directors of NewMarket. After the merger, the composition of the NewMarket board of directors may change.

The principal executive officers of Ethyl also serve as the principal executive officers of NewMarket and are expected to continue as principal executive officers of Ethyl and NewMarket after the completion of the merger.

Appraisal or Dissenters' Rights

(see page 17)

Under Virginia law, Ethyl shareholders will not have appraisal or dissenters' rights in connection with the merger.

Markets and Market Prices

Ethyl common stock is traded under the ticker symbol "EY" on the New York Stock Exchange and the Pacific Stock Exchange. On February 26, 2004, the last trading day before the public announcement of the proposed merger, the closing price per share of Ethyl common stock was \$20.56. On April 21, 2004, the most recent trading day for which prices were available before the printing of this proxy statement/prospectus, the closing price per share of Ethyl common stock was \$18.81.

NewMarket common stock is not currently traded on any stock exchange; however, NewMarket will apply to have its common stock listed on the New York Stock Exchange. We expect this listing to become effective at the effective time of the merger. NewMarket expects its common stock to trade under the ticker symbol "NEU".

Certain Financial Information

We have not included pro forma financial comparative per share information concerning Ethyl that gives effect to the merger because, immediately after the completion of the merger, the consolidated financial statements of NewMarket will be the same as Ethyl's financial statements immediately before the merger, and the merger will result in the conversion of each share of Ethyl common stock into one share of NewMarket common stock. In addition, we have not provided financial statements of NewMarket because, before the merger, it will have no assets, liabilities or operations other than incident to its formation and the shares of Merger Sub.

FORWARD-LOOKING STATEMENTS

The following discussion contains statements about future events and expectations, or forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. We have based these forward-looking statements on our current expectations and projections about future results. When we use words in this document, such as anticipates, intends, plans, believes, estimates, expects, and similar expressions, we do so to identify forward-looking statements. Examples of forward-looking statements include, but are not limited to, statements we make regarding our ability to complete the holding company restructuring, future results of operations of NewMarket, Ethyl and their subsidiaries, future prospects of growth in the petroleum additives market, the level of future declines in the market for TEL and other trends in the petroleum additives market, our ability to maintain or increase our market share and our future capital expenditure levels.

We believe our forward-looking statements are based on reasonable expectations and assumptions, within the bounds of what we know about our business and operations. However, we offer no assurance that actual results will not differ materially from our expectations due to uncertainties and factors that are difficult to predict and beyond our control.

These factors include, but are not limited to, timing of sales orders, gain or loss of significant customers, competition from other manufacturers, a significant rise in interest rates, resolution of environmental liabilities, or changes in the demand for our products. Other factors include significant changes in new product introduction, increases in product cost, the impact of fluctuations in foreign exchange rates on reported results of operations, changes in various markets, geopolitical risks in certain of the countries in which we conduct business, and the impact of consolidation of the petroleum additives industry. In addition, we also discuss certain risk factors in Item 7A, Quantitative and Qualitative Disclosures About Market Risk of our Annual Report on Form 10-K for the fiscal year ended December 31, 2003 and incorporate the same into this proxy statement/prospectus by reference.

You should keep in mind that any forward-looking statement made by us in this discussion or elsewhere speaks only as of the date on which we make it. New risks and uncertainties come up from time to time, and it is impossible for us to predict these events or how they may affect us. We have no duty to, and do not intend to, update or revise the forward-looking statements in this discussion after the date hereof, except as may be required by law. In light of these risks and uncertainties, you should keep in mind that the events described in any forward-looking statement made in this discussion, or elsewhere, might not occur.

ANNUAL MEETING OF SHAREHOLDERS

Date, Time and Place of Annual Meeting

The annual meeting of Ethyl shareholders is scheduled to be held as follows:

Date: Thursday, May 27, 2004

Time: 11:00 a.m., EDT

Place: Tredegar Iron Works

500 Tredegar Street

Richmond, Virginia

Proposals to be Considered at the Annual Meeting

At the annual meeting, you will be asked to consider and vote on the following proposals:

to approve the merger agreement, which will establish the holding company structure;

to elect seven directors;

to approve the Ethyl Corporation 2004 Incentive Compensation and Stock Plan, which we refer to in this proxy statement/prospectus as the 2004 Incentive Plan;

to ratify the appointment of PricewaterhouseCoopers LLP as independent public accountants for the fiscal year ending December 31, 2004; and

to transact such other business as may properly come before the annual meeting.

You may also be asked to vote upon a proposal to adjourn or postpone the annual meeting to permit further solicitations of additional votes to approve the merger agreement.

Record Date

Our board of directors has fixed the close of business on March 25, 2004 as the record date for the annual meeting and only holders of record of Ethyl common stock on the record date are entitled to vote at the annual meeting. On the record date, there were outstanding 16,831,509 shares of Ethyl common stock.

Voting Rights and Quorum

Each share of Ethyl common stock is entitled to one vote. The presence in person or representation by proxy of holders of a majority of the shares of Ethyl common stock issued and outstanding as of the close of business on March 25, 2004 will constitute a quorum at the annual meeting. If a share is represented for any purpose at the meeting, it is deemed to be present for the transaction of all business. Abstentions, withheld votes and shares held of record by a broker or its nominee that are voted on any matter are included in determining the number of votes present. Broker shares that are not voted on any matter at the meeting will not be included in determining whether a quorum is present. In the event that a quorum is not present at the annual meeting, it is expected that the annual meeting will be adjourned or postponed to solicit additional proxies.

Vote Required

The approval of the merger agreement requires the affirmative vote of the holders of more than two-thirds of all outstanding shares of Ethyl common stock. Abstentions and failures to vote will have the same effect as a vote against the proposal to approve the merger agreement.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of Ethyl common stock voted in the election of directors. Withheld votes will have no effect in the election of nominees for directors.

Table of Contents

The approval of the 2004 Incentive Plan requires the affirmative vote of the holders of a majority of the shares of Ethyl common stock cast on the plan, provided that the total vote cast on the plan represents over 50% of the outstanding shares of Ethyl common stock. Abstentions will have the same effect as a vote against the proposal to approve the 2004 Incentive Plan.

The appointment of PricewaterhouseCoopers LLP will be ratified if the votes cast in favor of ratification exceed the number of votes cast against ratification. Abstentions will have no effect on the proposal to ratify the appointment of PricewaterhouseCoopers LLP.

If you hold your shares of Ethyl common stock in street name through a brokerage account, your broker may or may not vote your shares in its discretion depending on the proposals before the meeting in the absence of your voting instructions. Under the rules of the New York Stock Exchange, your broker may vote your shares in its discretion on routine matters. We believe that the election of directors and the ratification of the appointment of independent accountants are routine matters on which brokers will be permitted to vote on behalf of their clients if no voting instructions are furnished. Under the rules of the New York Stock Exchange, however, your broker may not be able to vote your shares on proposals that are not considered routine. When a proposal is not a routine matter and your broker has not received your voting instructions with respect to that proposal, your broker cannot vote your shares on that proposal. This is called a broker non-vote. We believe that the proposals relating to the approval of the merger agreement and the 2004 Incentive Plan are non-routine matters. As such, broker non-votes will have no effect on the proposal to approve the 2004 Incentive Plan, provided that the total vote cast on the plan represents over 50% of the outstanding shares of Ethyl common stock. **Broker non-votes will have the same effect as a vote against the proposal to approve the merger agreement.**

Voting by Directors and Executive Officers

As of the record date, our directors and executive officers owned and were entitled to vote approximately 2,042,434 shares of Ethyl common stock, or approximately 12.13% shares of Ethyl common stock outstanding on that date. Currently, we expect that each of our directors and executive officers will vote, or cause to be voted, the shares of Ethyl common stock owned by him or her in favor of approval of the merger agreement.

Voting and Revocation of Proxies

After carefully reading and considering the information contained in this proxy statement/prospectus, you should complete, date and sign your proxy card and mail it in the enclosed return envelope as soon as possible so that your shares are represented at the annual meeting. You can also vote in person at the meeting, but we encourage you to submit your proxy now in any event. Unless you specify to the contrary on your proxy card, all of your shares represented by valid proxies will be voted **FOR** the proposal to approve the merger agreement, **FOR** all director nominees, **FOR** the 2004 Incentive Plan, **FOR** the appointment of PricewaterhouseCoopers LLP as independent public accountants and in the discretion of the proxy holders on any other matters that properly come before the annual meeting and any adjournments or postponements of the annual meeting.

The persons you name as proxies may propose and vote for one or more adjournments or postponements of the annual meeting, including adjournments or postponements to permit further solicitations of proxies. No proxy voted against the proposal to approve the merger agreement will be voted in favor of any adjournment or postponement.

PLEASE DO NOT SEND IN YOUR STOCK CERTIFICATES WITH YOUR PROXY CARD. If the merger is completed, your shares of Ethyl common stock will automatically be converted into the same number of shares of NewMarket common stock.

Table of Contents

Until exercised at the annual meeting, you can revoke your proxy and change your vote in any of the following ways:

by delivering written notification to Ethyl at its principal executive offices at 330 South Fourth Street, Richmond, Virginia 23219, Attention: Corporate Secretary;

by delivering a proxy of a later date by mail in the manner described in this proxy statement;

by attending the annual meeting and voting in person (your attendance at the meeting will not, by itself, revoke your proxy; you must vote in person at the meeting); or

if you have instructed a broker or bank to vote your shares, by following the directions received from your broker or bank to change those instructions.

Solicitation of Proxies

The accompanying proxy is being solicited by our board of directors, and we will pay for the entire cost of the solicitation. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding the solicitation material to the beneficial owners of Ethyl common stock held of record by those persons, and we may reimburse them for reasonable transaction and clerical expenses. In addition to the use of the mail, proxies may be solicited personally or by telephone, facsimile or other means of communication by our officers and regular employees. These people will receive no additional compensation for these services, but will be reimbursed for any expenses incurred by them in connection with these services. We have engaged The Altman Group, Inc., a proxy solicitation firm, to assist in the solicitation of proxies. We will pay that firm \$5,000 for its services and reimburse its out-of-pocket expenses for such items as mailing, copying, phone calls, faxes and other related matters, and will indemnify The Altman Group, Inc. against any losses arising out of that firm's proxy soliciting services on our behalf.

PROPOSAL 1:

APPROVAL OF MERGER AGREEMENT;

FORMATION OF HOLDING COMPANY STRUCTURE

General

Our board of directors believes that it is in the best interests of Ethyl and its shareholders to reorganize Ethyl's corporate structure so that Ethyl will become a separate wholly owned subsidiary of a new parent holding company, with the current holders of Ethyl common stock becoming the holders of the common stock of Ethyl's new parent in the same proportions.

To accomplish this reorganization, we have incorporated two Virginia corporations, NewMarket Corporation and Ethyl Merger Sub, Inc. Each of these corporations has a nominal amount of stock outstanding and no present business or operations of its own. All of the currently outstanding shares of NewMarket common stock are owned by Ethyl and all of the currently outstanding shares of Merger Sub common stock

Edgar Filing: NEWMARKET CORP - Form 424B3

are owned by NewMarket. Ethyl, NewMarket and Merger Sub have entered into the merger agreement, which will establish the holding company structure.

Table of Contents

Merger Agreement

The following summary of the material provisions of the agreement and plan of merger, a copy of which is attached as Annex A to this proxy statement/prospectus and incorporated by reference into this proxy statement/prospectus, and the related plan of merger, a copy of which is attached as Annex B to this proxy statement/prospectus and incorporated by reference into this proxy statement/prospectus, is subject to, and is qualified in its entirety by reference to, the complete text of the agreement and plan of merger and the related plan of merger. We urge you to read the full text of these documents carefully as they are the legal documents that govern the merger. In this proxy statement/prospectus, we refer to the agreement and plan of merger and the related plan of merger collectively as the merger agreement.

The boards of directors of Ethyl, NewMarket and Merger Sub have unanimously adopted the merger agreement, which is subject to approval by Ethyl shareholders at the annual meeting. Under the terms of the merger agreement, at the effective time of the merger,

Merger Sub, a wholly owned subsidiary of NewMarket, will merge with and into Ethyl with Ethyl being the surviving corporation,

each outstanding share of Ethyl common stock (or fraction of a share) will automatically be converted into one share (or equivalent fraction of a share) of NewMarket common stock and

each share of NewMarket common stock held by Ethyl will be cancelled.

As a result, upon completion of the merger,

NewMarket will become a holding company that will have as its subsidiaries Ethyl and Ethyl's present subsidiaries,

NewMarket will own all of the outstanding shares of common stock of Ethyl and

all of the shares of NewMarket common stock outstanding immediately after the merger will be owned by the former holders of Ethyl common stock. Each Ethyl shareholder will receive full and fractional shares of NewMarket common stock equal to and in exchange for the number of full and fractional shares of Ethyl common stock held immediately before the effective time of the merger.

Reasons for the Holding Company Structure

We currently engage in (1) the development, manufacture, blending, marketing, sale and distribution of fuel and lubricant additives and (2) the marketing, sale and distribution of TEL. We operate our business through direct and indirect wholly owned subsidiaries of our company. Following the establishment of the holding company structure, we intend to realign our subsidiaries based on these lines of business. We believe that this realignment will permit the management of each of these lines of business to focus on its respective business and to adopt strategies and pursue opportunities appropriate to each of the respective lines of business, taking into account differences in their product lines, risk and return profiles, and growth potentials. Although we are not actively pursuing any acquisitions or joint ventures, we also believe that the holding company structure and realignment of our subsidiaries will facilitate the future expansion of our business by providing a more flexible structure for acquiring businesses or entering into joint ventures.

Recommendation of Our Board of Directors

After careful consideration, our board of directors unanimously:

determined that the merger is in the best interests of Ethyl and its shareholders;

adopted the merger agreement; and

recommends that Ethyl shareholders vote to approve the merger agreement.

Table of Contents

Our board of directors recommends that you vote FOR the proposal to approve the merger agreement at the annual meeting.

Conditions to Effectiveness of the Merger

Besides approval by Ethyl shareholders, the merger is subject to the satisfaction of the following conditions:

all necessary orders, consents, authorizations, approvals or waivers from regulatory bodies, boards or agencies or other third parties have been received, remain in full force and effect, and do not include, in the sole judgment of the board of directors of Ethyl, unacceptable conditions;

no stop order issued by the Securities and Exchange Commission suspending the effectiveness of the registration statement relating to the shares of NewMarket common stock to be issued in the merger is in existence;

the shares of NewMarket common stock to be issued in connection with the merger have been listed, subject to official notice of issuance, by the New York Stock Exchange; and

no temporary restraining order, preliminary or permanent injunction or other order or decree issued by any court, administrative agency or commission or other governmental authority enjoining or otherwise preventing the completion of the merger is in effect.

Following satisfaction or waiver of these conditions, the merger will become effective at the time specified in the articles of merger that will be filed with the State Corporation Commission of the Commonwealth of Virginia. We cannot predict when all conditions will be satisfied, but we intend that the merger will become effective by July 1, 2004.

No Exchange of Stock Certificates Needed

If the merger is effected, it will not be necessary for holders of Ethyl common stock to exchange their existing stock certificates for certificates of NewMarket common stock. The certificates that represent shares of Ethyl common stock outstanding immediately before the effective time of the merger will automatically represent an equal number of shares of NewMarket common stock immediately after the effective time and will no longer represent Ethyl common stock. New certificates bearing the name of NewMarket will be issued after the merger, if and as certificates representing shares of Ethyl common stock outstanding immediately before the merger are presented to Computershare Investor Services, LLC, NewMarket's transfer agent, for exchange or transfer.

If you hold your shares of Ethyl common stock in book-entry form through the direct registration system in the account maintained by Computershare, your shares of Ethyl common stock will automatically be converted into an equal amount of NewMarket common stock at the effective time of the merger. Shareholders may at any time following the effective time of the merger surrender their certificates to Computershare and elect to have their shares of NewMarket common stock held in book-entry form through the account maintained by Computershare. Shareholders who choose this option will periodically receive account statements from Computershare after they have surrendered their certificates. Shares held in book-entry form have all of the traditional rights and privileges as shares held in certificate form. The direct registration system eliminates the risk and expense of replacing lost certificates and allows shareholders to sell their shares or have their shares delivered to their broker without having to retrieve paper certificates. Shareholders who choose this option may at any time convert

Edgar Filing: NEWMARKET CORP - Form 424B3

their shares of NewMarket common stock held in book-entry form to a certificate representing these shares by contacting Computershare at 2 North LaSalle Street, P.O. Box 3504, Chicago, Illinois 60602, or by telephoning (800) 625-5191. Questions about the direct registration system should be directed to Computershare at (800) 625-5191.

Amendment or Termination of the Merger Agreement

The boards of directors of Ethyl, NewMarket and Merger Sub may amend any of the terms of the merger agreement at any time before or after its approval by the holders of Ethyl common stock and before the effective time, but no amendment of the merger agreement may materially and adversely affect the rights of Ethyl shareholders.

The Ethyl board of directors may terminate the merger agreement and abandon the merger at any time before or after approval by Ethyl shareholders if the board determines, in its sole judgment, that consummation of the merger would, for any reason, be inadvisable or not be in the best interests of Ethyl or its shareholders.

Stock Exchange Listing of NewMarket Common Stock

NewMarket will apply to have its common stock listed on the New York Stock Exchange. We expect this listing to become effective at the effective time of the merger. NewMarket expects its common stock to trade under the ticker symbol `NEU` on the New York Stock Exchange. NewMarket does not intend to list its common stock on the Pacific Stock Exchange. Following the merger, Ethyl common stock will no longer trade on the New York Stock Exchange and the Pacific Stock Exchange and will be delisted and no longer registered under Section 12 of the Securities Exchange Act of 1934, which we refer to in this proxy statement/prospectus as the Exchange Act.

Material U.S. Federal Income Tax Consequences

This section summarizes the material U.S. Federal income tax consequences of the merger to holders of Ethyl common stock. This summary is based on current law, which is subject to change at any time, possibly with retroactive effect. This summary is not a complete description of all tax consequences of the merger and, in particular, may not address U.S. Federal income tax consequences applicable to holders of Ethyl common stock subject to special treatment under U.S. Federal income tax law. In addition, this summary does not address the tax consequences of the merger under applicable state, local or foreign laws. **You should consult with your own tax advisor about the tax consequences of the merger in light of your particular circumstances, including the application of any state, local or foreign law.**

We have received a private letter ruling from the IRS to the effect that the merger will qualify as a transaction described in Section 351(a) of the Internal Revenue Code of 1986, which we refer to in this proxy statement/prospectus as the Internal Revenue Code, and consequently:

no gain or loss will be recognized by Ethyl or NewMarket upon consummation of the merger;

no gain or loss will be recognized by a holder of Ethyl common stock upon the exchange of Ethyl common stock for NewMarket common stock in the merger;

the basis of the shares of NewMarket common stock received by a holder of Ethyl common stock in the merger will equal the basis of the shares of Ethyl common stock surrendered in the merger; and

Edgar Filing: NEWMARKET CORP - Form 424B3

the holding period of the shares of NewMarket common stock received by a holder of Ethyl common stock in the merger will include the period during which such holder held the shares of Ethyl common stock surrendered in the merger, if they are held as a capital asset at the effective time of the merger.

This private letter ruling is generally binding on the IRS, subject to the continuing accuracy of the factual representations and warranties contained in our letter to the IRS requesting the private letter ruling.

Accounting Treatment

For accounting purposes, the holding company formation will be treated as a merger of entities under common control. The accounting treatment for such events is similar to the former pooling of interests method. Accordingly, the financial position and results of operations of Ethyl will be included in the consolidated statements of NewMarket on the same basis.

Table of Contents

Shares Held in the Ethyl Dividend Reinvestment Plan

Shares of Ethyl common stock held in the Ethyl dividend reinvestment plan, including uncertificated whole and fractional shares, will automatically become a like number of shares of NewMarket common stock at the effective time of the merger. At the effective time, NewMarket will succeed to this plan as in effect immediately before the effective time, and shares of NewMarket common stock will be issued under this plan on and after the effective time.

Ethyl Employee and Director Stock-Based Plans

The merger agreement provides that all employee and director plans that use Ethyl common stock will be amended to provide for NewMarket to assume responsibility for these plans upon completion of the merger. Shares of Ethyl common stock issuable or held under these plans will automatically become a like number of shares of NewMarket common stock.

At the effective time of the merger, all outstanding stock options under the Ethyl Corporation 1982 Incentive Stock Option Plan, as amended, which we refer to in this proxy statement/prospectus as the 1982 Option Plan, will be converted into options to purchase an equivalent number of shares of NewMarket common stock with the same exercise price and upon the same terms. NewMarket will file a post-effective amendment to Ethyl's registration statement for the 1982 Option Plan shortly after the effective time of the merger.

All shares of Ethyl common stock held in the Savings Plan for the Employees of Ethyl Corporation will be converted into shares of NewMarket common stock at the effective time of the merger. NewMarket will file a post-effective amendment to Ethyl's registration statement for this plan shortly after the effective time of the merger.

At the annual meeting, our board of directors is proposing that Ethyl shareholders approve the 2004 Incentive Plan, which will permit the award of options, stock appreciation rights, stock awards and incentive awards. If Ethyl shareholders approve the merger agreement and the 2004 Incentive Plan, which will become effective upon shareholder approval, the 2004 Incentive Plan will be amended to provide for NewMarket to assume responsibility for the 2004 Incentive Plan upon completion of the merger. Shares of Ethyl common stock issuable under the 2004 Incentive Plan will become a like number of shares of NewMarket common stock. See Proposal 3: Approval of 2004 Incentive Compensation and Stock Plan beginning on page 37.

Directors and Executive Officers of NewMarket

The directors of Ethyl will become the directors of NewMarket at the effective time of the merger. If you elect the nominees for election to the Ethyl board of directors in Proposal 2, the board of directors of NewMarket will initially be as follows:

William W. Berry

James E. Rogers

Phyllis L. Cothran

Sidney Buford Scott

Edgar Filing: NEWMARKET CORP - Form 424B3

Bruce G. Gottwald

Charles B. Walker

Thomas E. Gottwald

By approving the merger agreement, you will be considered to have ratified the election of these individuals as directors of NewMarket. After the merger, the composition of the NewMarket board of directors may change. NewMarket will have the same committees of the board of directors as Ethyl currently has, and those directors who serve on committees of the Ethyl board of directors will assume corresponding positions on the committees of the NewMarket board of directors in substitution for their current assignments.

Table of Contents

The principal executive officers of Ethyl also serve as the principal executive officers of NewMarket and are expected to continue as principal executive officers of Ethyl and NewMarket after the completion of the merger.

For further information concerning the persons who are directors and principal executive officers of NewMarket, see Proposal 2: Election of Directors in this proxy statement/prospectus and Directors and Executive Officers of the Registrant in Item 10 of Part III of Ethyl's Annual Report on Form 10-K for the year ended December 31, 2003, which is incorporated by reference into this proxy statement/prospectus.

Appraisal or Dissenters' Rights

Under Virginia law, Ethyl shareholders will not have appraisal or dissenters' rights in connection with the merger.

DESCRIPTION OF NEWMARKET CAPITAL STOCK

The following summary of the capital stock of NewMarket is not complete and is subject to, and qualified in its entirety by reference to, applicable provisions of Virginia law and the articles of incorporation and bylaws of NewMarket. Copies of the NewMarket articles of incorporation and NewMarket bylaws are attached to this proxy statement/prospectus as Annex C and Annex D, respectively, and incorporated by reference into this proxy statement/prospectus.

General

NewMarket's authorized equity capitalization consists of 80,000,000 shares of NewMarket common stock, without par value, and 10,000,000 shares of NewMarket preferred stock, without par value. As of the date of this proxy statement/prospectus, there were 100 shares of NewMarket common stock issued and outstanding, all of which were owned by Ethyl, and no shares of NewMarket preferred stock were issued and outstanding. The shares of NewMarket common stock into which shares of Ethyl common stock will be converted upon the completion of the merger will be all of the shares of NewMarket common stock issued and outstanding after the merger. No shares of NewMarket preferred stock will be issued and outstanding.

Common Stock

Dividends. Holders of NewMarket common stock are entitled to dividends as declared by the NewMarket board of directors from time to time after payment of, or provision for, full cumulative dividends on and any required redemptions of shares of NewMarket preferred stock then outstanding.

Voting. Holders of NewMarket common stock are entitled to one vote per share and may not cumulate votes for the election of directors.

Other Rights. In the event of the liquidation, dissolution or winding up of NewMarket, holders of NewMarket common stock are entitled to receive pro rata all the remaining assets of NewMarket available for distribution, after satisfaction of all of NewMarket's debts and liabilities and satisfaction of the prior preferential rights of the NewMarket preferred stock.

Holders of NewMarket common stock do not have preemptive or preferential rights to subscribe for NewMarket shares of any class, warrants, rights or options to purchase NewMarket shares of any class, or any securities or obligations convertible into or exchangeable for warrants, rights or options to purchase NewMarket shares of any class. Holders of NewMarket common stock have no liability for further calls or assessments.

Table of Contents

Preferred Stock

The NewMarket board of directors is authorized, without further shareholder action, to designate and issue from time to time one or more series of preferred stock. The NewMarket board of directors may fix and determine the preferences, limitations and relative rights of each series of preferred stock issued. Because the board has the power to establish the preferences and rights of each series of preferred stock, it may afford the holders of any series of preferred stock preferences and rights, voting or otherwise, senior to the rights of holders of NewMarket common stock. It is not possible to state the actual effect of the issuance of any shares of preferred stock upon the rights of holders of NewMarket common stock until the NewMarket board determines the specific rights of the holders of preferred stock. However, the effects might include:

restricting dividends on NewMarket common stock;

diluting the voting power of NewMarket common stock;

impairing liquidation rights of NewMarket common stock; or

delaying or preventing a change in control of NewMarket without further action by shareholders of NewMarket.

Certain Anti-Takeover Provisions of Virginia law, the NewMarket Articles of Incorporation and NewMarket Bylaws

Although it is not the intention of the NewMarket board of directors to discourage legitimate offers to enhance shareholder value, Virginia law, the NewMarket articles of incorporation and the NewMarket bylaws contain provisions that may have the effect of impeding the acquisition of control of NewMarket by means of a tender offer, a proxy contest, open market purchases or otherwise in a transaction not approved by the NewMarket board. You should also read *Comparison of Rights of Shareholders of Ethyl and NewMarket* beginning on page 19.

Virginia Law

For a discussion of the provisions of Virginia law governing affiliated transactions and control share acquisitions, see *Comparison of Rights of Shareholders of Ethyl and NewMarket Anti-Takeover Statutes* on page 21.

Articles of Incorporation and Bylaw Provisions

Vacancies. Vacancies on the NewMarket board of directors, including any vacancy created by an increase in the number of directors, may be filled only by the NewMarket board of directors, unless the vacancy is to be filled at an annual meeting of shareholders.

Edgar Filing: NEWMARKET CORP - Form 424B3

Shareholder Meetings. Under the NewMarket bylaws, only the chairman of the board, the chief executive officer or a majority of the board may call a special meeting of shareholders.

Advance Notice of Nominations and Shareholder Business. The NewMarket bylaws establish advance notice procedures with respect to shareholder proposals and the nomination of persons for election as directors, other than nominations made by or at the direction of the board. These notice procedures are identical to the notice procedures contained in the Ethyl amended bylaws. See *Shareholder Proposals* beginning on page 42.

Issuance of Preferred Stock. The NewMarket articles of incorporation authorize the NewMarket board to establish one or more series of preferred stock and to determine, with respect to any series of preferred stock, the

Table of Contents

preferences, rights and other terms of such series. See Preferred Stock above. Under this authority, the NewMarket board could create and issue a series of preferred stock with rights, preferences or restrictions that have the effect of discriminating against an existing or prospective holder of NewMarket capital stock as a result of such holder beneficially owning or commencing a tender offer for a substantial amount of NewMarket common stock. One of the effects of authorized but unissued and unreserved shares of preferred stock may be to render more difficult for, or discourage an attempt by, a potential acquiror to obtain control of NewMarket by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of NewMarket's management. The issuance of shares of preferred stock may have the effect of delaying, deferring or preventing a change in control of NewMarket without any action by shareholders of NewMarket.

Limitation of Liability and Indemnification Matters. As permitted by Virginia law, the NewMarket articles of incorporation provide that, to the full extent that Virginia law permits the limitation or elimination of the liability of directors and officers, no director or officer shall be liable to NewMarket or its shareholders for monetary damages. Under Virginia law, the liability of directors or officers may not be limited or eliminated where the liability results from willful misconduct or a knowing violation of the criminal law or of any Federal or state securities laws.

The NewMarket articles of incorporation require NewMarket, to the full extent permitted by Virginia law, to indemnify any director or officer who was or is a party to a proceeding due to his or her status as a director or officer or who was or is serving at the request of NewMarket as a director, trustee, partner or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise. This indemnification covers all expenses reasonably incurred by a director or officer. Under Virginia law, either

the NewMarket board of directors, by a majority vote of a quorum of disinterested directors,

if there is not a quorum of disinterested directors, by a majority vote of a committee, consisting of two or more disinterested directors, duly designated by the board,

special legal counsel or

the shareholders

must determine that the director or officer seeking indemnification was not guilty of willful misconduct or a knowing violation of the criminal law or of any Federal or state securities laws.

Under the NewMarket articles of incorporation, in the event there has been a change in the composition of a majority of the board of directors after the date of the alleged act or omission with respect to which indemnification is claimed, any determination as to indemnification will be made by special legal counsel agreed upon by the board of directors and the director or officer seeking indemnification. If the board of directors and the director or officer seeking indemnification cannot agree upon a special legal counsel, the board of directors and the director or officer will each select a nominee and the nominees will select the special legal counsel. We have been informed that in the opinion of the Securities and Exchange Commission indemnification for liabilities under the Securities Act of 1933 is against public policy and is unenforceable.

Transfer Agent and Registrar

Computershare Investor Services, LLC is the transfer agent and registrar for NewMarket common stock.

COMPARISON OF RIGHTS OF SHAREHOLDERS OF ETHYL AND NEWMARKET

As Virginia corporations, both Ethyl and NewMarket are governed by Virginia law. As a result of the merger, holders of Ethyl common stock, whose rights are currently governed by the Ethyl restated articles of incorporation and the Ethyl amended bylaws, will become shareholders of NewMarket, whose rights will be governed by the NewMarket articles of incorporation and the NewMarket bylaws.

Table of Contents

The following description summarizes the material differences between the Ethyl restated articles of incorporation and the NewMarket articles of incorporation and the Ethyl amended bylaws and the NewMarket bylaws. Unless noted below, the rights of holders of Ethyl common stock will not change upon the conversion of their shares of Ethyl common stock into shares of NewMarket common stock in the merger. The following summary is not complete and is subject to, and qualified in its entirety by reference to, applicable provisions of Virginia law, the Ethyl restated articles of incorporation, the Ethyl amended bylaws, the NewMarket articles of incorporation and the NewMarket bylaws. The Ethyl restated articles of incorporation and the Ethyl amended bylaws have been filed as exhibits to the materials filed by Ethyl with the Securities and Exchange Commission. See *Where You Can Find More Information* beginning on page 44. Copies of the NewMarket articles of incorporation and the NewMarket bylaws are attached to this proxy statement/prospectus as [Annex C](#) and [Annex D](#), respectively, and incorporated by reference into this proxy statement/prospectus.

Capitalization

Ethyl. Ethyl is authorized to issue 80,000,000 shares of common stock, \$1.00 par value per share. As of March 25, 2004, 16,831,509 shares of common stock were issued and outstanding.

Ethyl is authorized to issue 10,000,000 shares of preferred stock, with a par value, if any, to be determined with respect to each series of preferred stock. As of the date of this proxy statement/prospectus, no shares of preferred stock were issued and outstanding.

NewMarket. NewMarket is authorized to issue 80,000,000 shares of common stock, without par value. As of the date of this proxy statement/prospectus, 100 shares of common stock were issued and outstanding.

Preemptive Rights

Ethyl. Holders of Ethyl common stock have preemptive or preferential rights to subscribe for shares of Ethyl common stock.

NewMarket. Holders of NewMarket common stock do not have preemptive or preferential rights to subscribe for shares of NewMarket common stock.

Amendments of Articles of Incorporation, Mergers, Share Exchanges and Sales of Assets

Under Virginia law, unless a corporation's articles of incorporation provide for a greater or lesser vote, certain actions such as the amendment of the articles of incorporation, mergers, share exchanges, sales of all or substantially all of a corporation's assets not in the ordinary course of

Edgar Filing: NEWMARKET CORP - Form 424B3

business and the dissolution of the corporation, must be approved by each voting group entitled to vote on the transaction by more than two-thirds of all the votes entitled to be cast by that voting group. However, the vote specified in the articles of incorporation may not be reduced to less than a majority of all votes cast by the voting group at a meeting at which a quorum of the voting group exists.

Ethyl. The Ethyl restated articles of incorporation do not contain any provisions regarding the amendment of the Ethyl articles of incorporation, mergers, share exchanges, sales of all or substantially all of Ethyl's assets not in the ordinary course of business or the dissolution of Ethyl. Therefore, these actions must be approved by each voting group entitled to vote on the transaction by more than two-thirds of all the votes entitled to be cast by that voting group.

NewMarket. The NewMarket articles of incorporation provide that the amendment of the NewMarket articles of incorporation, mergers, share exchanges, sales of all or substantially all of NewMarket's assets not in

Table of Contents

the ordinary course of business and the dissolution of NewMarket must be approved by each voting group entitled to vote on the transaction by a majority of all the votes entitled to be cast by that voting group.

Anti-Takeover Statutes

Virginia law contains provisions governing affiliated transactions. In general, these provisions prohibit a Virginia corporation from engaging in material acquisition transactions with any holder of more than 10% of any class of its outstanding voting shares (an interested shareholder) for a period of three years following the date that such person became an interested shareholder unless:

the board of directors of the corporation and the holders of two-thirds of the voting shares, other than the shares beneficially owned by the interested shareholder, approve the affiliated transaction, or

before the date the person became an interested shareholder, the board of directors approved the transaction that resulted in the shareholder becoming an interested shareholder.

Affiliated transactions subject to this approval requirement include mergers, share exchanges, material dispositions of corporate assets not in the ordinary course of business, any dissolution of the corporation proposed by or on behalf of an interested shareholder or any reclassification, including reverse stock splits, recapitalizations or mergers of the corporation with its subsidiaries, which increases the percentage of voting shares owned beneficially by an interested shareholder by more than 5%.

A Virginia corporation may include in its articles of incorporation initially filed with the State Corporation Commission of the Commonwealth of Virginia a provision opting out of the affiliated transactions statute. The shareholders of a Virginia corporation may also adopt an amendment to the corporation's articles of incorporation or bylaws opting out of the affiliated transactions statute.

Ethyl. Neither the Ethyl restated articles of incorporation nor the Ethyl amended bylaws contain any provisions opting out of the affiliated transactions statute.

NewMarket. The NewMarket articles of incorporation initially filed with the State Corporation Commission of the Commonwealth of Virginia include a provision opting out of the affiliated transactions statute.

Virginia law also contains provisions relating to control share acquisitions, which are transactions causing the voting strength of any person acquiring beneficial ownership of shares of a Virginia public corporation to meet or exceed certain threshold percentages (20%, 33 1/3% or 50%) of the total votes entitled to be cast for the election of directors. Shares acquired in a control share acquisition have no voting rights unless:

the voting rights are granted by a majority vote of all outstanding shares other than those held by the acquiring person or any officer or employee director of the corporation, or

Edgar Filing: NEWMARKET CORP - Form 424B3

the articles of incorporation or bylaws of the corporation provide that these Virginia law provisions do not apply to acquisitions of its shares. The acquiring person may require that a special meeting of the shareholders be held to consider the grant of voting rights to the shares acquired in the control share acquisition.

A Virginia corporation may include in its articles of incorporation or bylaws a provision opting out of the control share acquisition statute.

Ethyl. The Ethyl amended bylaws contain a provision opting out of the control share acquisition statute.

NewMarket. The NewMarket articles of incorporation include a provision opting out of the control share acquisition statute.

PROPOSAL 2:

ELECTION OF DIRECTORS

The nominating and corporate governance committee has recommended to our board of directors, and our board of directors has approved, the persons named below as nominees for election to our board of directors. Board of Directors

Our company is managed under the direction of our board of directors, which has adopted Corporate Governance Guidelines to set forth certain corporate governance practices. The Corporate Governance Guidelines are available on our Internet website at <http://www.ethyl.com> under Investor Information, Corporate Governance.

Independence of Directors

Upon the recommendation of our nominating and corporate governance committee, our board of directors has affirmatively determined that each of the following directors is independent under the general listing standards of the New York Stock Exchange, the exchange on which shares of Ethyl common stock are listed, and our Corporate Governance Guidelines: Messrs. Berry, Rogers, Walker and Scott and Ms. Cothran. Our board has

Table of Contents

adopted categorical standards, as part of our Corporate Governance Guidelines, to assist it in making determinations of independence. Each of the directors identified as independent in this proxy statement/prospectus meets these standards. A copy of these standards is attached to our Corporate Governance Guidelines, which are attached to this proxy statement/prospectus as [Annex E](#).

Board Meetings

Our board of directors meets on a regularly scheduled basis during the year to review significant developments affecting Ethyl and to act on matters requiring board approval, and may hold special meetings between scheduled meetings when appropriate. During 2003, our board held eight meetings. During 2003, each of the directors attended at least 75% of the aggregate of (1) the total number of meetings of all committees of our board on which the director then served and (2) the total number of meetings of our board of directors.

Meetings of Non-Management Directors; Presiding Director

Our Corporate Governance Guidelines require that the non-management members of our board of directors meet in executive session at each regularly scheduled board meeting. Our board of directors has determined that a presiding director should chair all meetings of non-management directors, as provided in our Corporate Governance Guidelines. The presiding director position will rotate among the chairs of each of the independent board committees in the following order: audit committee, bonus, salary and stock option committee, and nominating and corporate governance committee. During those meetings, the presiding director has the responsibilities to lead the meeting, set the agenda and determine the information to be provided to the other non-management directors at the meeting. Shareholders and other interested persons may contact any of the non-management directors through the method described in [Communications with Our Board](#) below. Our Corporate Governance Guidelines also require that the independent members of our board of directors meet in executive session at each regularly scheduled board meeting.

Director Attendance at Annual Meeting

Our policy is that directors attend the annual meeting of shareholders each year. All directors attended last year's annual meeting of shareholders.

Communications with Our Board

Our board of directors unanimously has approved a process for shareholders to send communications to the board and individual directors. Shareholders and other interested persons may communicate with the full board of directors, a specified committee of our board, the non-management directors or a specified individual member of our board in writing by mail c/o Ethyl Corporation, 330 South Fourth Street, Richmond, Virginia 23219, Attention: Chief Legal Officer. Our board of directors has established various committees to assist it with the performance of its responsibilities. These committees and their current members are described below.

Executive Committee

The executive committee currently consists of Messrs. Bruce C. Gottwald, Berry, Thomas E. Gottwald and Scott. The audit committee reviews our internal audit and financial reporting functions and the scope and results of the audit performed by our independent accountants and matters relating thereto and reports thereon to our board of directors. The audit committee also approves the engagement of our independent accountants. Upon the recommendation of our nominating and corporate governance committee, our board of directors has determined that each of the members of the audit committee is independent, as that term is defined under the enhanced independence standards for audit committee members in the Exchange Act and the rules thereunder, as incorporated into the listing standards of the New York Stock Exchange, and in accordance with our audit committee charter. Our board of directors has also determined that each of Ms. Cothran and Messrs. Berry and Scott is an audit committee financial expert, as that term is defined in the rules promulgated by the Securities and Exchange Commission under the Sarbanes-Oxley Act of 2002. Our board has further determined that each of the members of the audit committee is financially literate and that each of the members of the audit committee has accounting or related financial management expertise, as such terms are interpreted by our board in its business judgment.

Bonus, Salary and Stock Option Committee

Messrs. Berry (Chairman), Rogers and Scott and Ms. Cothran currently serve on the bonus, salary and stock option committee, which operates under a written charter adopted by our board of directors, a copy of which is attached as [Annex G](#) to this proxy statement/prospectus. Our board of directors has determined that each of the members of the bonus, salary and stock option committee is independent under the general independence standards of the listing standards of the New York Stock Exchange and our Corporate Governance Guidelines. During 2003, the bonus, salary and stock option committee met on six occasions. This committee approves the compensation of management-level employees and, together with all of our independent directors, approves the compensation of our chief executive officer. It also approves all bonus awards, certain consultant agreements and initial salaries of new management-level personnel and granted awards under the 1982 Option Plan, which terminated on March 2, 2004, and will perform the same function under the 2004 Incentive Plan, subject to the approval of that plan by Ethyl shareholders.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee currently consists of Messrs. Scott (Chairman), Berry and Rogers, and operates under a written charter adopted by the board of directors, a copy of which is attached as [Annex H](#) to this proxy statement/prospectus. Our board of directors has determined that each of the members of the nominating and corporate governance committee is independent under the general independence standards of the listing standards of the New York Stock Exchange and our Corporate Governance Guidelines. The nominating and corporate governance committee met once during 2003. This committee develops and recommends to our board of directors appropriate corporate governance guidelines and policies, monitors and evaluates the implementation of such guidelines and policies, identifies individuals qualified to act as directors and recommends director candidates to our board for nomination by our board.

Nominating and Corporate Governance Committee Process for Identifying and Evaluating Director Candidates. The nominating and corporate governance committee evaluates all director candidates in accordance with the director qualification standards described in our Corporate Governance Guidelines. The nominating and corporate governance committee evaluates any candidate's qualifications to serve as a member of our board based on the skills and experience of individual board members as well as the skills and experience of our board as a whole. In addition, the nominating and corporate governance committee will evaluate a candidate's independence, skills and experience in the context of our board's needs.

Table of Contents

Director Candidate Recommendations and Nominations by Shareholders. The nominating and corporate governance committee's charter provides that the nominating and corporate governance committee will consider director candidate recommendations by shareholders. Shareholders should submit any such recommendations for the nominating and corporate governance committee through the method described under *Communications with Our Board* above. In addition, in accordance with our amended bylaws, any shareholder entitled to vote for the election of directors may nominate persons for election to our board of directors so long as such shareholder complies with the procedures set forth in our amended bylaws and summarized in *Shareholder Proposals* beginning on page 42. There are no differences in the manner in which the committee evaluates director candidates based on whether the candidate is recommended by a shareholder. The nominating and corporate governance committee did not receive any director candidate recommendations from any shareholders in connection with the annual meeting.

Certain Relationships and Related Transactions

Thomas E. Gottwald, Chief Executive Officer and director of our company, is a son of Bruce C. Gottwald, Chairman of the Board of Directors of our company. The members of the family of Bruce C. Gottwald may be deemed to be control persons of our company.

On February 1, 2002, Bruce C. Gottwald made a loan to our company in the amount of \$18,640,000 for a three-year term at an interest rate of 8.5%. The monthly payments were interest only during the term of the loan, with the principal amount coming due at maturity. We used the proceeds of the loan to pay down existing debt. The loan was non-recourse to our company and was secured by a first deed of trust on the three buildings at 330 South Fourth Street, Richmond, Virginia, that constitute our principal offices. An independent appraiser valued the three buildings at \$18,640,000. On April 30, 2003, we completed an offering of \$150 million of 8 7/8% senior notes due 2010 and entered into a bank credit facility consisting of a \$115 million bank term loan due 2009 and a \$50 million revolving credit facility. We used the proceeds from the senior notes and the bank term loan to repay our previous credit facility and the loan made by Bruce C. Gottwald.

In 2001, Old Town, LLC, which is owned by Bruce C. Gottwald and his brother Floyd D. Gottwald, Jr., each a beneficial owner of more than 5% of Ethyl common stock, purchased Old Town Farm, consisting of approximately 1,600 acres of real property and related personal property, from our company. We manage and maintain Old Town Farm in exchange for the right to use and make available for use by others the farm's facilities, primarily for customer meetings and other business related activities. We retain all revenue generated through the use of the farm. Old Town, LLC, pays all costs of capital improvements to Old Town Farm.

Beneficial Ownership Reporting Compliance

* Assumes attainment of age 65 in 2003 and Social Security Covered Compensation of \$43,968.

The benefit formula under the pension plans is based on the participant's final-average earnings, which are defined as the average of the highest three consecutive calendar years' earnings (base pay plus 50% of incentive bonuses paid in any fiscal year) during the 10 consecutive calendar years immediately preceding the date of determination. The years of pension benefit service for each of our named executive officers as of December 31, 2003, are: Thomas E. Gottwald, 12; Warren Huang, 24; Newton A. Perry, 35; David A. Fiorenza, 29; and Alexander McLean, 15. Benefits under the pension plans are computed on the basis of a life annuity with 60 months guaranteed payments. The benefits listed in the above compensation table are not subject to deduction for Social Security. On December 31, 2000, we terminated our tax qualified defined benefit plan for our salaried employees in the United States and implemented a new tax-qualified defined benefit plan with an identical formula on January 1, 2001. Benefits under the new plan are offset by benefits that were paid or payable under the old plan. For purposes of determining pension benefit service under the new plan, participants receive credit for years of pension benefit service earned under the old plan.

Mr. McLean, who was previously employed by Ethyl Petroleum Additives Limited, a subsidiary of our company located in the United Kingdom, also participated in the Ethyl Petroleum Additives Limited Pension Plan, which we refer to in this proxy statement/prospectus as the Additives Plan. The formula under the Additives Plan is equal to 1.6667% times pensionable salary times years of service. Mr. McLean has 7.833 years of service under that plan. This accrued benefit as of April 30, 1997, is \$57,751 per year, payable at age 65. This amount has been converted from British pounds to U.S. dollars at the conversion rate of 1£:\$1.7859 as of December 31, 2003. The amount payable under the Additives Plan is offset from the amount payable under the pension plan described above.

Excess Benefit Plans

We maintain excess benefit plans in the form of nonqualified pension plans that provide eligible individuals the difference between the benefits they actually accrue under our qualified employee pension and savings plans and the benefits they would have accrued under such plans but for the maximum benefit and annual addition limitations and the limitation on compensation that may be recognized thereunder under the Internal Revenue

Code. All benefits under the excess plans vest upon a change in control of our company, as defined in the excess benefit plans. Under our excess benefit plans, the merger will not result in a change in control of our company. Participants in the excess benefit plans receive their benefits in the form elected under our qualified employee pension plans or under certain circumstances in a lump sum payment.

Mr. Walker, who retired as an officer and employee of our company on January 31, 1998, received a series of payments that were equivalent to the present value of his accrued benefits under the excess benefit plans plus any earnings on the funds designed for such payments. This arrangement is in lieu of any benefits under the excess benefit plans.

BONUS, SALARY AND STOCK OPTION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The bonus, salary and stock option committee of the board of directors, which performs the function of a compensation committee, consists of four independent directors. The committee is delegated the power to administer Ethyl's compensation program applicable to its executive officers, including the chief executive officer. Accordingly, the committee submits this report on executive compensation to Ethyl shareholders.

Overall Objectives

The objectives of Ethyl's executive compensation program are to:

provide balanced, competitive total compensation that will enable the company to attract, motivate and retain highly qualified executives;

provide incentives for enhancing the profitability of the company by rewarding executives for meeting individual and corporate goals; and

align the financial interests of the executives closely to those of Ethyl shareholders by encouraging executive ownership of Ethyl common stock.

Elements of the Program

The committee believes the interests of the shareholders will be best served if the compensation program consists of cash compensation and equity ownership, with a significant portion of compensation depending upon performance. The program currently includes: base salary, annual bonuses in cash or cash and stock, and stock options. Under the 2004 Incentive Plan, if approved, the committee will also have the opportunity to grant options, stock appreciation rights, stock awards and incentive awards. The committee considers all elements of the program when setting appropriate compensation.

Ethyl seeks to maintain its executive compensation packages around the mid-range of those offered generally in the job markets in which it competes for talent and experience. More recently Ethyl has been concentrating on streamlining operations with the focus of employment and compensation decisions directed at reducing costs.

Base Salaries

Edgar Filing: NEWMARKET CORP - Form 424B3

Base salaries have been based on evaluations of Ethyl's past and current operating profits and individual contribution to Ethyl's success, market data for comparable positions and salary levels of Ethyl's peer group companies and alignment of salary and organization within the company. The committee considers each of the individual factors but does not assign a specific value to each factor, and a subjective element is acknowledged in evaluating each executive's contribution. The committee believes that Ethyl's executive level compensation is within the range of compensation offered by peer group companies.

Annual Bonuses

The annual bonus program has been designed to motivate and reward performance measured against individual, division, department and corporate objectives. Annual bonus awards are determined by the committee in conjunction with senior management, and are based on evaluation of the performance, level of responsibility and leadership of the individual executive in relation to overall corporate results. Based on these criteria, annual bonuses were awarded to certain executive officers. See page 29.

Additionally, effective January 1, 2003, Ethyl adopted a Management Bonus Plan. This plan is intended to provide incentive and reward to employees who contribute to the success of Ethyl and its affiliates by their

Table of Contents

invention, ability, industry or exceptional services by making those employees participants in that success. Each of Ethyl's employees is eligible to participate in the plan and receive a cash bonus award based on rules established by the committee, which may include the satisfaction of certain criteria.

Stock Options

Under Ethyl's existing incentive stock option plan, which was approved by Ethyl's shareholders and terminates on March 2, 2004, the committee, in its discretion, may grant options to purchase shares of Ethyl common stock (with or without related SARs) to any officer or key employee of Ethyl or any subsidiary who has contributed or can be expected to contribute to the company's profits and growth. The committee determines the amount of the grant, the term of the options and the requisite conditions for exercise.

CEO Compensation

In keeping with the objective of improving long-term performance and shareholder value, the chief executive officer, who is also a major shareholder, strongly advocates pay for performance. The committee increased Mr. Gottwald's salary for 2003 by 4.99% and awarded Mr. Gottwald a bonus of \$150,000 for 2003 based on his leadership as reflected in Ethyl's continued progress on improving earnings and reducing debt. The committee believes that the CEO's total compensation for 2003 is within the range of CEO compensation offered by peer group companies.

Section 162(m)

Section 162(m) of the Internal Revenue Code provides certain criteria for the tax deductibility of compensation in excess of \$1 million paid to Ethyl's executive officers. The 1982 Option Plan, which terminates on March 2, 2004, and the 2004 Incentive Plan, if approved, are designed to meet the criteria applicable to performance-based compensation (as defined in Section 162(m) of the Internal Revenue Code). The Management Bonus Plan, however, does not meet the criteria applicable to performance-based compensation and would have to be amended to limit the committee's discretion to determine individual awards based on individual performance factors and other factors as the committee may determine, from time to time, to be relevant. The committee currently does not anticipate that there will be any compensation awarded under the Management Bonus Plan subject to the loss of tax deductibility and intends that all compensation awarded under the Management Bonus Plan will comply with Section 162(m).

The committee believes, however, that it is important to retain the flexibility on awards under Ethyl's plans in order to serve the best interests of the company by allowing the committee to recognize and motivate individual executive officers as circumstances warrant.

AUDIT COMMITTEE REPORT

The audit committee of the board of directors is composed of three independent directors and operates under a written charter adopted by the board of directors. Management is responsible for Ethyl's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of Ethyl's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The audit committee's responsibility is to monitor and oversee these processes and to report thereon to the board of directors. The audit committee also approves the selection of Ethyl's independent accountants subject to shareholder ratification. In this context, the audit committee has met and held discussions with management and PricewaterhouseCoopers LLP, Ethyl's independent accountants.

Management represented to the audit committee that Ethyl's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the audit committee has reviewed and discussed the consolidated financial statements with management and PricewaterhouseCoopers.

The audit committee has discussed with PricewaterhouseCoopers the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Accounting Standards), including the scope of the independent accountants' responsibilities, significant accounting adjustments and any disagreements with management.

The audit committee also has received the written disclosures and the letter from PricewaterhouseCoopers relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with audit committees), and has discussed with PricewaterhouseCoopers that firm's independence from Ethyl.

Based upon the audit committee's discussions with management and PricewaterhouseCoopers and the audit committee's review of the representation of management and the report of PricewaterhouseCoopers to the audit committee, the audit committee recommended that the board of directors include the audited consolidated financial statements in Ethyl's Annual Report on Form 10-K for the year ended December 31, 2003 filed with the Securities and Exchange Commission.

Audit Committee Pre-Approval Policy

The audit committee has adopted an Audit Committee Pre-Approval Policy for the pre-approval of audit services and permitted non-audit services by Ethyl's independent accountants in order to assure that the provision of such services does not impair the independent accountants' independence from Ethyl. Unless a type of service to be provided by the independent accountants has received general pre-approval, it will require specific pre-approval by the audit committee. Any proposed services exceeding pre-approved cost levels also will require specific pre-approval by the audit committee. In all pre-approval instances, the audit committee will consider whether such services are consistent with the Securities and Exchange Commission's rules on auditor independence.

The audit committee has designated in the Audit Committee Pre-Approval Policy specific services that have the pre-approval of the audit committee and has classified these pre-approved services into one of four categories: Audit, Audit-Related, Tax and All Other. The term of any pre-approval is 12 months from the date of pre-approval, unless the audit committee specifically provides for a different period. The audit committee will revise the list of pre-approved services from time to time, based on subsequent determinations.

Pre-approval fee levels for all services to be provided by the independent accountants will be established periodically by the audit committee. Any proposed services exceeding these levels will require specific pre-approval by the audit committee. The audit committee recognizes the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services. For each fiscal year, the audit committee may determine the appropriate ratio between the total amount of fees for Audit, Audit-related, and Tax services, and the total amount of fees for services classified as permissible All Other services.

Table of Contents

The audit committee has designated the principal financial officer to monitor the performance of the services provided by the independent accountants and to determine whether such services are in compliance with the Audit Committee Pre-Approval Policy. Both the principal financial officer and management will immediately report to the chairman of the audit committee any breach of the Audit Committee Pre-Approval Policy that comes to the attention of the principal financial officer or any member of management.

PROPOSAL 3:

APPROVAL OF 2004 INCENTIVE COMPENSATION AND STOCK PLAN

The board of directors proposes that Ethyl shareholders approve the Ethyl Corporation 2004 Incentive Compensation and Stock Plan, unanimously adopted by our board on February 26, 2004, subject to the approval by Ethyl shareholders. The 2004 Incentive Plan permits the award of options (both incentive stock options and nonqualified stock options), stock appreciation rights, stock awards and incentive awards.

Until March 2, 2004, the termination date of the 1982 Option Plan, we provided stock-based compensation opportunities for our executives and key employees through the 1982 Option Plan. We cannot make any further grants or awards under the 1982 Option Plan. The 2004 Incentive Plan will succeed the 1982 Option Plan.

Our board believes that the 2004 Incentive Plan will benefit our company by (a) assisting us in recruiting and retaining employees with ability and initiative, (b) providing greater incentive for our employees and (c) enabling such employees to participate in our future success and to associate their interests with those of our company and Ethyl shareholders and, in turn, to create additional shareholder value.

If Ethyl shareholders approve the merger agreement and the 2004 Incentive Plan, which will become effective upon shareholder approval, the 2004 Incentive Plan will be amended to provide for NewMarket to assume responsibility for the 2004 Incentive Plan upon completion of the merger. Shares of Ethyl common stock issuable under the 2004 Incentive Plan will become a like number of shares of NewMarket common stock.

The following summary of the material features of the 2004 Incentive Plan is subject to, and qualified in its entirety by reference to, the complete text of the 2004 Incentive Plan, which is attached as [Annex I](#) to this proxy statement/prospectus and incorporated by reference into this proxy statement/prospectus. We urge you to read the full text of the 2004 Incentive Plan carefully.

Table of Contents

Administration

The bonus, salary and stock option committee will administer the 2004 Incentive Plan. The bonus, salary and stock option committee will have the authority to select the individuals who will participate in the 2004 Incentive Plan, who we refer to in this proxy statement/prospectus as participants, and to grant options, stock appreciation rights, stock awards and incentive awards upon such terms (not inconsistent with the terms of the 2004 Incentive Plan) as it considers appropriate. In addition, the bonus, salary and stock option committee will have complete authority to interpret all provisions of the 2004 Incentive Plan, to prescribe the form of notices or agreements evidencing awards under the 2004 Incentive Plan, to adopt, amend and rescind rules and regulations pertaining to the administration of the 2004 Incentive Plan and to make all other determinations necessary or advisable for the administration of the 2004 Incentive Plan.

The bonus, salary and stock option committee may delegate its authority to administer the 2004 Incentive Plan to an officer of our company. The bonus, salary and stock option committee, however, may not delegate its authority with respect to individuals who are subject to Section 16 of the Exchange Act. As used in this summary, the term administrator means the bonus, salary and stock option committee and any delegate, as appropriate.

Eligibility

Any employee of our company or an affiliate or a person who is a member of our board of directors or the board of directors of an affiliate is eligible to participate in the 2004 Incentive Plan if the administrator, in its sole discretion, determines that such person has contributed significantly or can be expected to contribute significantly to the profits or growth of our company or its affiliates. We are not able to estimate the number of individuals that the administrator will select to participate in the 2004 Incentive Plan or the type or size of awards that the administrator will approve. Therefore, the benefits to be allocated to any individual or to various groups of individuals are not presently determinable.

Awards

Options

Options granted under the 2004 Incentive Plan may be incentive stock options, which we refer to in this proxy statement/prospectus as ISOs, or nonqualified stock options. An option entitles the participant to purchase shares of Ethyl common stock from our company at the option price. The option price will be fixed by the administrator at the time the option is granted, but the price cannot be less than the shares' fair market value on the date of grant. Except for an adjustment in the case of a corporate reorganization, stock dividend, etc. as explained below, the option price cannot be reduced (by amendment, cancellation or otherwise) after the date of grant. The option price may be paid in cash, a cash equivalent acceptable to the administrator, with shares of Ethyl common stock, or a combination thereof.

Options may be exercised in whole or in part at such times and subject to such conditions as may be prescribed by the administrator. The maximum period in which an option may be exercised will be fixed by the administrator at the time the option is granted but, in the case of an ISO, cannot exceed 10 years. No employee may be granted ISOs (under the 2004 Incentive Plan or any other plan of our company) that are first exercisable in a calendar year for Ethyl common stock having an aggregate fair market value (determined as of the date the option is granted) exceeding \$100,000.

SARs

A stock appreciation right, which we refer to in this proxy statement/prospectus as a SAR, may only be granted with a related option. SARs generally entitle the participant to receive with respect to each share of Ethyl common stock encompassed by the exercise of the SAR, the lesser of (1) the excess of the fair market value of a share of Ethyl common stock on the date of exercise over the option price of the retired option and (2) the fair market value of a share of Ethyl common stock on the date of grant price per share of the related option. To exercise a SAR, the participant must surrender unexercised that portion of the option to which the SAR relates and vice versa.

Table of Contents

SARs may be exercised at such times and subject to such conditions as may be prescribed by the administrator. The maximum period in which a SAR may be exercised will be fixed by the administrator at the time the SAR is granted, except that no SAR shall have a term of more than 10 years from the date such related option was granted. The amount payable upon the exercise of a SAR may, in the administrator's discretion, be settled in cash, Ethyl common stock, or a combination of cash and Ethyl common stock.

Stock Awards

The 2004 Incentive Plan also permits the grant of stock awards (i.e., shares of Ethyl common stock). A participant's rights in the stock award may be nontransferable or forfeitable or both for a period of time or subject to conditions prescribed by the administrator. These conditions may include, for example, a requirement that the participant continue employment for a specified period, or that Ethyl or any of our subsidiaries or the participant achieve stated objectives. If the shares are not immediately vested and transferable, the period of restriction will be at least three years. However, the period may be reduced to one year if the transferability, vesting or both is subject to the satisfaction of one or more performance objectives based on the performance criteria described below. The requirements for vesting and transferability in all or part of the shares may be waived in connection with a participant's termination of employment if the administrator finds that the circumstances of the particular case justify doing so.

Incentive Awards

The 2004 Incentive Plan also allows the administrator to make incentive awards to participants on such terms and conditions as the administrator prescribes. To the extent that any incentive awards are granted, they may, in the administrator's discretion, be settled in cash, Ethyl common stock, or a combination of cash and Ethyl common stock.

Performance Objectives

A participant's rights under stock awards and incentive awards granted under the 2004 Incentive Plan may be subject to our company or a subsidiary or a business unit (individually or in any combination) of our company achieving stated performance objectives. The performance objectives may be stated with respect to (a) cash flow and/or free cash flow (before or after dividends), (b) earnings per share (including earnings before interest, taxes, depreciation and amortization) (diluted and basic earnings per share), (c) the price of Ethyl common stock, (d) return on equity, (e) total shareholder return, (f) return on capital (including return on total capital or return on invested capital), (g) return on assets or net assets, (h) market capitalization, (i) total enterprise value (market capitalization plus debt), (j) economic value added, (k) debt leverage (debt to capital), (l) revenue, (m) income or net income, (n) operating income, (o) operating profit or net operating profit, (p) operating margin or profit margin, (q) return on operating revenue, (r) cash from operations, (s) operating ratio, (t) commodity or operating revenue and (u) market share.

Change in Control

The 2004 Incentive Plan provides that outstanding options and SARs will become exercisable, outstanding stock awards will become transferable and nonforfeitable, and each incentive award will be earned following a change in control of our company in accordance with the terms of the applicable agreement.

Share Authorization

The maximum aggregate number of shares of Ethyl common stock that may be issued under the 2004 Incentive Plan is 1,500,000 shares. This limitation will be adjusted as the bonus, salary and stock option committee determines is appropriate in the event of a change in the number of outstanding shares of Ethyl common stock by reason of a stock dividend, stock split, combination, reclassification, recapitalization or other similar event. The terms of outstanding awards and the limitations on individual grants also will be adjusted as

Table of Contents

the bonus, salary and stock option committee determines is appropriate to reflect such changes. In addition, shares covered by an award that expires or is forfeited will again be available under the 2004 Incentive Plan.

Individual Limitations

No individual may be granted or awarded in any calendar year options or SARs covering more than 200,000 shares of Ethyl common stock in the aggregate. For purposes of this limitation and the individual limitation on the grant of options, an option and corresponding SAR are treated as a single award. In addition, no individual in any calendar year may be awarded stock awards covering more than 200,000 shares of Ethyl common stock. No participant may receive a payment greater than \$1,000,000 under an incentive award that is based on an annual performance cycle of one year.

Amendment and Termination

Our board of directors, without further action by Ethyl shareholders, may amend or terminate the 2004 Incentive Plan, provided that no such amendment by our board will be effective until approved by Ethyl shareholders if the amendment (a) increases the aggregate number of shares that may be issued under the 2004 Incentive Plan or (b) changes the class of individuals who are eligible to participate in the 2004 Incentive Plan.

U.S. Federal Income Tax Consequences

We have been advised by counsel regarding the U.S. Federal income tax consequences of the 2004 Incentive Plan. No income is recognized by a participant at the time an option or SAR is granted. If the option is an ISO, no income will be recognized upon the participant's exercise of the option (except that the alternative minimum tax may apply). Income is recognized by a participant when he or she disposes of shares acquired under an ISO. The exercise of a nonqualified stock option or SAR generally is a taxable event that requires the participant to recognize, as ordinary income, the difference between the shares' fair market value and the option price. If a participant disposes of shares acquired under an ISO before two years after the ISO was granted, or before one year after the ISO was exercised, this is a disqualifying disposition and the participant will recognize ordinary income equal to the excess of the amount received for the shares over the option price.

The U.S. Federal income tax consequences of stock awards depend on the restrictions imposed on the stock. Generally, the fair market value of the stock received will not be includible in the participant's gross income until the time the shares first become transferable or are no longer subject to a substantial risk of forfeiture. The participant may, however, make an election to recognize income currently under Section 83(b) of the Internal Revenue Code. At that time the participant recognizes income equal to the fair market value of the Ethyl common stock.

A participant will recognize ordinary income equal to any cash that is paid and the fair market value of Ethyl common stock (on the date that the shares are first transferable and not subject to a substantial risk of forfeiture) that is received in settlement of an incentive award.

Edgar Filing: NEWMARKET CORP - Form 424B3

We generally will be entitled to claim a U.S. Federal income tax deduction on account of the exercise of a nonqualified stock option or SAR or upon the taxability to the recipient of restricted stock, or the payment of an incentive award (subject to tax limitations on our deductions in any year that certain remuneration paid to certain executives exceeds \$1 million). The amount of the deduction is equal to the ordinary income recognized by the participant. We will not be entitled to a U.S. Federal income tax deduction on account of the grant or the exercise of an ISO unless the participant has made a disqualifying disposition of the shares acquired on exercise of the ISO, in which case we will be entitled to a deduction at the same time and in the same amount as the participant's recognition of ordinary income.

Our board of directors recommends that you vote FOR the proposal to approve the Ethyl Corporation 2004 Incentive Compensation and Stock Plan.

Table of Contents**PROPOSAL 4:****RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS**

The audit committee has appointed PricewaterhouseCoopers LLP, certified public accountants, as our independent accountants for the fiscal year ending December 31, 2004, subject to shareholder approval. Coopers & Lybrand, L.L.P., which was the predecessor of PricewaterhouseCoopers LLP, has audited our financial statements since 1962 and those of the former Ethyl Corporation (Delaware) from 1947 to 1962. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting with an opportunity to make a statement and to be available to respond to appropriate questions.

PricewaterhouseCoopers' principal function is to audit our consolidated financial statements and, in connection with that audit, to review certain related filings with the Securities and Exchange Commission and to conduct limited reviews of the financial statements included in our quarterly reports.

The audit committee and our board of directors recommend that you vote FOR the proposal to ratify the appointment of PricewaterhouseCoopers LLP as independent accountants for the fiscal year ending December 31, 2004.

Fees Billed by PricewaterhouseCoopers

The following table sets forth the fees billed to us for the audit and other services provided by PricewaterhouseCoopers to us for the fiscal years ended December 31, 2003 and 2002:

	2003	2002
Audit Fees	\$ 1,101,425	\$ 781,000
Audit-Related Fees	81,025	204,802
Tax Fees	288,975	239,030
All Other Fees	1,400	1,400
Total fees	\$ 1,472,825	\$ 1,226,232

Audit Fees include fees for services performed to comply with Generally Accepted Auditing Standards (GAAS), including the recurring audit of our consolidated financial statements. This category also includes fees for audits provided in connection with statutory filings or services that generally only the principal auditor reasonably can provide to a client, such as procedures related to audit of income tax provisions and related reserves, consents and assistance with and review of documents filed with the Securities and Exchange Commission.

Audit-Related Fees include fees associated with assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. The 2003 amount includes fees for services provided in connection with our planning and readiness to comply with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. The 2002 amount includes services rendered in connection

Edgar Filing: NEWMARKET CORP - Form 424B3

with our negotiations to extend our bank credit facility in 2002. Audit-Related Fees also include audits of pension and other employee benefit plans, as well as the review of information systems and general internal controls unrelated to the audit of the financial statements.

Tax Fees primarily include fees associated with tax audits, tax compliance, tax consulting, as well as domestic and international tax planning.

All Other Fees include licensing fees associated with our use of PricewaterhouseCoopers on-line information database containing accounting pronouncements and other authoritative guidance.

As a part of its deliberations, the audit committee has considered whether the provision of services described above under All Other Fees is compatible with maintaining the independence of PricewaterhouseCoopers.

SHAREHOLDER PROPOSALS

If the merger agreement is approved and the holding company structure implemented, the following information will also be applicable to the 2005 annual meeting of NewMarket shareholders.

Under the regulations of the Securities and Exchange Commission, any shareholder desiring to make a proposal to be acted upon at the 2005 annual meeting of shareholders must present such proposal to our company's corporate secretary at our principal executive offices at 330 South Fourth Street, Richmond, Virginia 23219 not later than December 23, 2004, in order for the proposal to be considered for inclusion in our proxy statement. We will consider such proposals in accordance with the Securities and Exchange Commission's rules governing the solicitation of proxies. We anticipate holding the 2005 annual meeting on April 28, 2005.

The Ethyl amended bylaws provide that an Ethyl shareholder entitled to vote for the election of directors may nominate persons for election to our board of directors by delivering written notice to our company's corporate secretary. With respect to an election to be held at an annual meeting of shareholders, such notice generally must be delivered not later than the close of business on the ninetieth day nor earlier than the close of business on the one-hundred twentieth day prior to the first anniversary of the preceding year's annual meeting. With respect to an election to be held at a special meeting of shareholders, such notice must be delivered not earlier than the close of business on the one-hundred twentieth day prior to such special meeting, and not later than the close of business on the later of the ninetieth day prior to such special meeting or the tenth day following the day on which public announcement is made of the date of the special meeting and of the nominees proposed by our board of directors to be elected at such special meeting.

The shareholder's notice must include:

as to each person whom the shareholder proposes to nominate for election as a director:

all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest or is otherwise required pursuant to Regulation 14A under the Exchange Act; and

such person's written consent to being named in the proxy statement as a nominee and to serving as such a director if elected; and

as to the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made:

Corporation as a director, trustee, partner or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against any liability incurred by him or her in connection with such proceeding. A person is considered to be serving an employee benefit plan at the Corporation's request if his or her duties to the Corporation also impose duties on, or otherwise involve services by, him or her to the plan or to participants in or beneficiaries of the plan. The Board of Directors is hereby empowered, by a majority vote of a quorum of the disinterested Directors, to enter into a contract to indemnify any Director or officer in respect of any proceeding arising from any act or omission, whether occurring before or after the execution of such contract.

(3) The Board of Directors is hereby empowered, by majority vote of a quorum of the disinterested Directors, to cause the Corporation to indemnify or contract to indemnify any person not specified in *subsection (a) or (b) of Section 2 of this Article V* who was, is or may become a party to any proceeding, by reason of the fact that he or she is or was an employee, agent or consultant of the Corporation, or is or was serving at the request of the Corporation as an employee, agent or consultant of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, to the same extent as if such person were specified as one to whom indemnification is granted in *subsection (b) of Section 2 of this Article V*.

(4) The provisions of this *Article V* shall be applicable to all proceedings commenced after the effective date hereof arising from any act or omission, whether occurring before or after such effective date. No amendment or repeal of this *Article V* shall have any effect on the rights provided under this *Article V* with respect to any act or omission occurring prior to such amendment or repeal. The Corporation shall promptly take all such actions, and make all such determinations, as shall be necessary or appropriate to comply with its obligation to make any indemnity under this *Article V* and shall pay or reimburse promptly all reasonable expenses, including attorneys' fees, incurred by such Director or officer in connection with such actions and determinations or proceedings of any kind arising therefrom.

(5) In the event there has been a change in the composition of a majority of the Board of Directors after the date of the alleged act or omission with respect to which indemnification is claimed, any determination as to indemnification and advancement of expenses with respect to any claim for indemnification made pursuant to this *Article V* shall be made by special legal counsel agreed upon by the Board of Directors and the applicant. If the Board of Directors and the applicant are unable to agree upon such special legal counsel, the Board of Directors and the applicant each shall select a nominee, and the nominees shall select such special legal counsel. The indemnification hereby provided and provided hereafter pursuant to the power hereby conferred by this *Article V* on the Board of Directors shall not be exclusive of any other rights to which any person may be entitled, including any right under policies of insurance that may be purchased and maintained by the Corporation or others, with respect to claims, issues or matters in relation to which the Corporation would not have the power to indemnify such person under the provisions of this section. Such rights shall not prevent or restrict the power of the Corporation to make or provide for any further indemnity, or provisions for determining entitlement to indemnity, pursuant to one or more indemnification agreements, bylaws, or other arrangements (including, without limitation, creation of trust funds or security interests funded by letters of credit or other means) approved by the Board of Directors (whether or not any of the Directors of the Corporation shall be a party to or beneficiary of any such agreements, bylaws or arrangements); *provided, however*, that any provision of such agreements, bylaws or other arrangements shall not be effective if and to the extent that it is determined to be contrary to this *Article V* or applicable laws of the Commonwealth of Virginia.

6. Each provision of this *Article V* shall be severable and an adverse determination as to any such provision shall in no way affect the validity of any other provision.

7. Unless otherwise defined, terms used in this *Article V* shall have the definitions assigned to them in the VSCA, as it exists on the date hereof or as hereafter amended.

If the requirements of this section have not been substantially complied with, the meeting shall, on the demand of any shareholder in person or by proxy, be adjourned until the requirements are complied with.

Section 8. Proposals.

(a) Annual Meetings of Shareholders.

(i) Nominations of persons for election to the Board of Directors of the Corporation and the proposal of business to be considered by the shareholders may be made at an annual meeting of shareholders only (A) pursuant to the Corporation's notice of meeting, (B) by or at the direction of the Board of Directors or (C) by any shareholder of the Corporation who was a shareholder of record of the Corporation who is entitled to vote at the meeting at the time the notice provided for in this section is delivered to the Secretary of the Corporation and who complies with the notice procedures set forth in this section.

To be timely a shareholder's notice shall be delivered to the Secretary at the principal office of the Corporation not later than the close of business on the ninetieth day nor earlier than the close of business on the one hundred twentieth day prior to the first anniversary of the preceding year's annual meeting (*provided, however*, that in the event that the date of the annual meeting is more than thirty days before or more than seventy days after such anniversary date, notice by the shareholder must be so delivered not earlier than the close of business on the one hundred twentieth day prior to such annual meeting and not later than the close of business on the later of the ninetieth day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made by the Corporation). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a shareholder's notice as described above. Such shareholder's notice shall set forth: (A) as to each person whom the shareholder proposes to nominate for election as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the *Exchange Act*) (and such person's written consent to being named in the proxy statement as a nominee and to serving as such a director if elected); (B) as to any other business that the shareholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the

text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the Bylaws of the Corporation, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such shareholder and for the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (1) the name and address of such shareholder, as they appear on the Corporation's books, and of such beneficial owner, (2) the class and number of shares of capital stock of the Corporation that are owned beneficially and of record by such shareholder and such beneficial owner, (3) a representation that the shareholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination, and (4) a representation whether the shareholder or the beneficial owner, if any, intends or is part of a group that intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (b) otherwise to solicit proxies from shareholders in support of such proposal or nomination. The foregoing notice requirements shall be deemed satisfied by a shareholder if the shareholder has notified the Corporation of his intention to present a proposal at an annual meeting in compliance with Rule 14a-8 (or any successor thereto) promulgated under the Exchange Act and such shareholder's proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

(iii) Notwithstanding anything in the second sentence of paragraph (a)(ii) of this section to the contrary, in the event that the number of directors to be elected to the Board of Directors of the Corporation at an annual meeting is increased and there is no public announcement by the Corporation naming the nominees for the additional directorships at least one hundred days prior to the first anniversary of the preceding year's annual meeting, a shareholder's notice required by this section shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the Secretary at the principal office of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(b) *Special Meetings of Shareholders.* Only such business shall be conducted at a special meeting of shareholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of shareholders at which directors are to be elected pursuant to the Corporation's notice of meeting (i) by or at the direction of the Board of Directors or (ii) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any shareholder of the Corporation who is a shareholder of record at the time the notice provided for in this section is delivered to the Secretary of the Corporation, who is entitled to vote at the meeting and upon such election and who complies with the notice procedures set forth in this section. (ii) For purposes of this section, public announcement shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

The shares of capital stock of the Corporation shall be evidenced by certificates in forms prescribed by the Board of Directors and executed in any manner permitted by law and stating thereon the information required by law. Transfer agents and/or registrars for one or more classes of the stock of the Corporation may be appointed by the Board of Directors and may be required to countersign certificates representing stock of such class or classes. In the event that any officer whose signature or facsimile thereof shall have been used on a stock certificate shall for any reason cease to be an officer of the Corporation and such certificate shall not then have been delivered by the Corporation, the Board of Directors may nevertheless adopt such certificate and it may then be issued and delivered as though such person had not ceased to be an officer of the Corporation.

Section 2. Lost, Destroyed and Mutilated Certificates. Holders of the stock of the Corporation shall immediately notify the Corporation of any loss, destruction or mutilation of the certificate therefore, and the Board of Directors may in its discretion cause one or more new certificates for the same number of shares in the aggregate to be issued to such shareholder upon the surrender of the mutilated certificate or upon satisfactory proof of such loss or destruction, and the deposit of a bond in such form and amount and with such surety as the Board of Directors may require.

The Corporation will recognize, however, the exclusive right of the person registered on its books as the owner of shares to receive dividends and to vote as such owner.

Section 4. Fixing Record Date. For the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or entitled to receive payment of any dividend, or in order to make a determination of shareholders for any other proper purpose, the Board of Directors may fix in advance a date as the record date for any such determination of shareholders, such date in any case to be not more than seventy (70) days prior to the date on which the particular action, requiring such determination of shareholders, is to be taken. If no record date is fixed for the determination of shareholders entitled to notice of or to vote at a meeting of shareholders, or shareholders entitled to receive payment of a dividend, the date on which notice of the meeting is mailed or the date on which the resolution of the Board of Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of shareholders. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this section such determination shall apply to any adjournment thereof.

ETHYL CORPORATION

CORPORATE GOVERNANCE GUIDELINES

The following shall constitute the Corporate Governance Guidelines (the "Corporate Governance Guidelines") of the Board of Directors of Ethyl Corporation (the "Company").

The Company is committed to conducting its business in accordance with ethical business principles. Integrity and ethical behavior are core values of the Company. The Board of Directors of the Company (the "Board") shall provide the best example of these values and shall reinforce their importance at appropriate times. The Nominating and Corporate Governance Committee of the Board (the "Nominating and Governance Committee") shall review the Company's Code of Ethics periodically, as well as the adequacy of the policies included in the Code of Ethics. The Nominating and Governance Committee shall confirm with Company's executive officers periodically that the officers understand and are implementing those policies.

I. Board Composition and Structure

1. Independence Standards

The Board will satisfy any independence requirements of the New York Stock Exchange as then in effect. The Board shall make an annual affirmative determination as to the independence of each director following a recommendation by the Nominating and Governance Committee and a review of all relevant information. The Board has established categorical standards to assist it in making such determinations. Such standards are set forth in Annex A attached hereto.

2. Annual Election of Directors

The Company's shareholders elect all directors annually. The Board recommends a slate of directors for election by shareholders at each Annual Meeting of Shareholders based on the recommendations of the Nominating and Governance Committee. Under the Bylaws, the Board generally may fill vacancies in existing or new director positions. Such directors elected by the Board shall serve only until the next Annual Meeting of Shareholders when they must stand for election by the shareholders.

3. Qualifications of Directors

Edgar Filing: NEWMARKET CORP - Form 424B3

The Nominating and Governance Committee shall review with the Board, on an annual basis, the skills and characteristics of new and current Board members, as well as the composition of the Board as a whole. This assessment will include members' qualification as independent, as well as consideration of skills and experience in the context of the Company's needs and the cohesiveness and effectiveness of the Board. The Nominating and Governance Committee will select nominees for directorship in accordance with the policies and principles in its charter. The invitation to join the Board should be extended by the Board itself, by the Chairman of the Nominating and Governance Committee and the Chairman of the Board.

4. Number of Directors

The Board presently has seven members. The Board believes that the range in the size of the Board from 5 to 12 is appropriate and most effective. The Board is willing to expand to a somewhat larger size, however, to accommodate the availability of an outstanding candidate.

5. Change in Principal Position

When a director no longer holds the principal position that he or she held when first elected to the Board, the Nominating and Governance Committee shall make a recommendation to the Board regarding the director's continued service on the Board.

Table of Contents

6. Service on Public Company Boards

No director may serve on more than four public company boards in addition to the Company unless approved by the Board upon recommendation of the Nominating and Governance Committee. Directors should advise the Chairman of the Board and the Chairman of the Nominating and Governance Committee in advance of accepting an invitation to serve on another public company board.

7. Term Limits

The Board does not believe it should establish term limits. Although term limits may help insure that there are fresh ideas and viewpoints available to the Board, they have the significant disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Company and its operations and, therefore, provide an increasing contribution to the Board as a whole. As an alternative to term limits, the Nominating and Governance Committee will review each director's continued services on the Board every three years.

II. Director Responsibilities

1. Basic Responsibilities

The director's basic responsibility is to exercise his or her good faith business judgment of the best interests of the Company. In fulfilling this responsibility directors shall:

approve major corporate decisions and oversee, develop and implement Board policies;

periodically review (at least annually) the Company's legal compliance programs and procedures;

monitor and assess performance and ask appropriate questions of management to address accountability with established goals;

stay well informed regarding the Company's businesses (management is responsible for providing accurate information to Board members who should carefully review that information in advance of Board meetings);

review and approve major capital allocation recommendations of management;

through the Audit Committee, oversee financial statements;

Edgar Filing: NEWMARKET CORP - Form 424B3

select, evaluate, terminate and, through the Bonus, Salary and Stock Option Committee and the Company's independent directors, set the compensation of, the Chief Executive Officer;

review and approve compensation of other executive officers through the Bonus, Salary and Stock Option Committee;

establish proper governance, which includes a periodic review of the Corporate Governance Guidelines by the Nominating and Governance Committee, the consideration by such Committee of other corporate governance issues and related matters and any resulting recommendation by such Committee as to the governance issues that should be addressed by the Board;

through the recruiting efforts of the Nominating and Governance Committee, recruit effective new members;

be a partner with the Chief Executive Officer on strategic issues by advising and consulting;

through the Audit Committee, oversee the Company's disclosure controls and internal controls;

oversee the Company's program for identifying, evaluating and controlling significant risks; and

be willing to be proactive in crisis situations.

E-2

Table of Contents

Each director shall be entitled to rely on the honesty and integrity of the Company's senior executives and its outside advisors and auditors absent evidence that makes such reliance unwarranted. The directors shall also be entitled (1) to have the Company purchase reasonable levels of directors' and officers' liability insurance on their behalf; (2) to the benefits of indemnification to the fullest extent permitted by law and the Company's Articles of Incorporation, Bylaws and any indemnification agreements; and (3) to exculpation as provided by Virginia law and the Company's Articles of Incorporation.

2. Board Meetings

The Board will meet at least quarterly per year. Directors are expected to attend all Board meetings and meetings of committees on which they serve, to spend the time needed and meet as frequently as necessary to discharge properly their responsibilities. Directors are also expected to attend the Annual Meeting of Shareholders.

3. Information

The Secretary will distribute information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting in writing before the meeting. Directors should review these materials in advance of the meeting. In addition, the Secretary will distribute various materials to the Board on a continuing basis from time to time to keep the Board informed of developments concerning the Company, its businesses and the industries and markets in which the Company competes.

4. Agenda

The Chairman will establish the agenda for each Board meeting. At the beginning of the year the Chairman will establish a schedule of significant agenda subjects to be discussed during the year (to the degree this can be foreseen). Each Board member is encouraged to suggest the inclusion of items on the agenda. Each Board member may raise at any Board meeting subjects that are not on the agenda for that meeting. The Board will review the Corporation's long-term strategic plans and the principal issues that the Corporation will face in the future during at least one Board meeting each year.

5. Executive Session

The non-management directors will meet in executive session at each regularly scheduled meeting of the Board. At these sessions the chair shall rotate from meeting to meeting among the Chairman of the Bonus, Salary and Stock Option Committee, the Audit Committee and the Nominating and Governance Committee. An agenda for the executive session shall be distributed before each meeting of the Board of Directors with the opportunity provided for each Director to request additions to the agenda. This process of designating the chairman of each executive session will be disclosed in the annual proxy statement together with the method for interested parties to communicate directly with the Company's non-management directors. The independent directors will meet in executive session at each regularly scheduled meeting of the Board. At these sessions the chair shall rotate from meeting to meeting among the Chairman of the Bonus, Salary and Stock Option Committee, the Audit Committee and the Nominating and Governance Committee.

6. Communications with the Public

The Board believes that the management speaks for the Company. Individual Board members may, from time to time, meet or otherwise communicate with various constituencies that are involved with the Company. It is expected that Board members will do this with the knowledge of the management and, absent unusual circumstances or as contemplated by the committee charters, only at the request of management.

7. Conflict of Interest

If a director develops an actual, apparent or potential conflict of interest, the director should report the matter immediately to the Nominating and Governance Committee for evaluation and appropriate resolution. If a

Table of Contents

director has a direct or indirect personal interest in a matter before the Board, the director shall disclose the interest to the full Board and withdraw from consideration of the matters. The matter shall not be approved unless it receives the affirmative vote of a majority of the directors or the appropriate committee who have no direct or indirect personal interest in the matter. At all times the director will conduct himself or herself in accordance with the Company's Code of Business Conduct and Ethics.

III. Board Committees

The Board will have at all times an Audit Committee, a Bonus, Salary and Stock Option Committee and a Nominating and Governance Committee. The members of these committees will comply with any requirements of the New York Stock Exchange and the Securities and Exchange Commission as then in effect. Committee members will be appointed by the Board upon recommendation of the Nominating and Governance Committee with consideration of the desires of individual directors. It is the sense of the Board that consideration should be given to rotating committee members periodically, but the Board does not feel that rotation should be mandated as a policy.

Each committee will have its own charter. The charters will set forth the purposes, goals and responsibilities of the committees as well as qualifications for committee membership, procedures for committee member appointment and removal, committee structure and operations and committee reporting to the Board. The charters will also provide that each committee will annually evaluate its performance.

The Chairman of each committee, in consultation with the committee members, will determine the frequency and length of the committee meetings consistent with any requirements set forth in the committee's charter. The Chairman of each committee, in consultation with the appropriate members of the committee and management, will develop the committee's agenda. At the beginning of the year each committee will establish a schedule of the principal agenda subjects to be discussed during the year (to the degree these can be foreseen).

The Board may, from time to time, establish or maintain additional committees as necessary or appropriate.

IV. Director Access to Officers and Employees

Directors have full and free access to officers and employees of the Company and, as necessary and appropriate, to the Company's independent advisors. Any meetings or contacts that a director wishes to initiate may be arranged through the CEO or the Secretary or directly by the director. The directors will use their judgment to ensure that any such contact is not disruptive to the business operations of the Company and will, to the extent not inappropriate, copy the CEO on any written communications between a director and an officer or employee of the Company, or advise the CEO of any such oral communications.

The Board welcomes regular attendance at each Board meeting of the Company's senior officers. If the CEO wishes to have additional Company personnel attend on a regular basis, this suggestion should be brought to the Board for approval.

V. Director Compensation

Edgar Filing: NEWMARKET CORP - Form 424B3

The form and amount of director compensation will be determined by the Board based on a recommendation of the Bonus, Salary and Stock Option Committee in accordance with the policies and principles set forth in its charter. The Bonus, Salary and Stock Option Committee will conduct an annual review of director compensation. The Bonus, Salary and Stock Option Committee will consider that directors' independence may be jeopardized if director compensation and perquisites exceed customary levels, if the Company makes substantial charitable contributions to organizations with which a director is affiliated, or if the Company enters into consulting contracts with (or provides other indirect forms of compensation to) a director or an organization with which the director is affiliated.

VI. Director Orientation and Continuing Education

All new directors must participate in the Company's Orientation Program, which shall be conducted within three months of the annual meeting at which new directors are elected. This orientation will include presentations by senior management to familiarize new directors with the Company's strategic plans, its significant financial, accounting and risk management issues, its compliance programs, these Guidelines, its Code of Business Conduct and Ethics, its principal officers and its internal and independent auditors. In addition, the Orientation Program will include visits to Corporation headquarters and, to the extent practical, certain of the Corporation's significant facilities. All other directors will also be invited to attend the Orientation Program.

VII. CEO Evaluation and Management Succession

The Bonus, Salary and Stock Option Committee will conduct an annual review of the CEO's performance, as set forth in its charter. The Board of Directors will review the Bonus, Salary and Stock Option Committee's report in order to ensure that the CEO is providing the best leadership for the Company in the long- and short-term.

The Board has no policy with respect to the separation of the offices of Chairman and the Chief Executive Officer. The Board believes that this issue is part of the succession planning process and that it is in the best interests of the Corporation for the Board to make a determination when it elects a new chief executive officer.

The Nominating and Governance Committee shall make an annual report to the Board on succession planning. The entire Board will work with the Nominating and Governance Committee to nominate and evaluate potential successors to the CEO. The CEO should at all times make available his or her recommendations and evaluations of potential successors, along with a review of any development plans recommended for such individuals. Any review of possible internal candidates should include:

1. readiness and potential;
2. demonstrated skills and competencies;
3. needed experience and training to fill gaps; and
4. a plan for adequate exposure to Board of Directors.

VIII. Annual Performance Evaluation

The Board will conduct an annual self-evaluation to determine whether it and its committees are functioning effectively. The Nominating and Governance Committee will receive comments from all directors and report annually to the Board with an assessment of the Board's performance. This will be discussed with the full Board following the end of each fiscal year. The assessment will focus on the Board's contribution to the Company and specifically focus on areas in which the Board or management believes that the Board can improve.

IX. Shareholders Access to Directors

1. Shareholder Communications.

Shareholders may communicate with the Board of Directors as a group and individual directors by sending written correspondence to the Chairman of the Nominations and Governance Committee at the following address: Ethyl Corporation, 330 South Fourth Street, Richmond, Virginia 23219, Attention: Chief Legal Officer.

2. Process for Collecting and Organizing Shareholder Communications.

The chief legal officer of the Corporation (the CLO) and his or her duly authorized agents shall be responsible for collecting and organizing shareholder communications. Absent a conflict of interest, the CLO is

responsible for evaluating the materiality of each shareholder communication and determining whether further distribution is appropriate, and, if so, whether to (i) the full Board, (ii) one or more Board committees, (iii) the non-management directors, (iv) one or more Board members and/or (v) other individuals or entities.

the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters; and

the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Composition of the Audit Committee

The Audit Committee shall consist of no fewer than three directors. The members of the Audit Committee shall meet the independence and experience requirements of the SEC and the New York Stock Exchange (the NYSE) as then in effect.

All members of the Audit Committee shall have a requisite working familiarity with basic finance and accounting practices in compliance with the rules of the NYSE. At least one member of the Audit Committee must be an audit committee financial expert, as such term is defined by the SEC or have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

No member of the Audit Committee may be an affiliated person (as defined by the SEC) of the Company or any of its subsidiaries.

No member of the Audit Committee may accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries other than fees for Board or committee service. Unless the rules of the NYSE provide otherwise, the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service (provided that such compensation is not contingent upon continued service) does not preclude Audit Committee service.

No member of the Audit Committee may serve on the audit committees of more than three public companies unless approved by the Board. If an Audit Committee member requests to simultaneously serve on the audit committee of more than three public companies, the Board must determine that such simultaneous service would not impair the ability of such member to effectively serve on the Company's Audit Committee and disclose such determination in the annual proxy statement.

The members of the Audit Committee shall be appointed by the Board, at the Board's annual meeting, on the recommendation of the Nominating and Corporate Governance Committee, and may be removed by the Board. The members of the Audit Committee shall serve for one year or until their successors are duly elected and qualified. Unless a Chairman is elected by the full Board, the members of the Audit Committee shall designate a Chairman by majority vote of the full Audit Committee membership.

The duties and responsibilities of Audit Committee members contained herein shall be in addition to those duties otherwise required for members of the Board.

Administration of the Audit Committee

Regular meetings of the Audit Committee shall be held at least as often as deemed necessary or appropriate in its judgment, but at least quarterly. The Secretary of the Audit Committee shall be the Corporate Secretary or such other person as is nominated by the Board. The proceedings of all Audit Committee meetings shall be documented in minutes.

As part of its oversight responsibilities, the Audit Committee or the Chairman shall conduct private meetings separately, in person or by telephone, at least quarterly with (1) the Company's independent auditor, (2) the Company's principal financial officer and (3) the Company's General Counsel. Such meetings shall include a review of the Company's financial statements.

Table of Contents

The Audit Committee shall have available to it such support personnel, including management staff, independent auditors, attorneys and consultants, as it deems necessary to discharge its responsibilities. The Audit Committee shall have sole authority to agree to fees and other terms of engagement of any such attorneys or consultants.

Limitation of Audit Committee's Rule

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits, to certify the Company's financial statements or to guarantee the auditor's report.

Certification

This Audit Committee Charter was duly approved and adopted by the Board of the Company on the 26th day of February, 2004.

ARTICLE VI

OPTIONS

6.01 Award

In accordance with the provisions of Article IV, the Administrator will designate each individual to whom an Option is to be granted and will specify the number of shares of Common Stock covered by each such award; provided, however that no Participant may be granted Options in any calendar year covering more than 200,000 shares of Common Stock.

6.02 Option Price

The price per share for Common Stock purchased on the exercise of an Option shall be determined by the Administrator on the date of grant, but shall not be less than the Fair Market Value on the date the Option is granted. Except for an adjustment authorized under Article X, the Option price may not be reduced (by amendment or cancellation of the Option or otherwise) after the date of grant.

6.03 Maximum Option Period

The maximum period in which an Option may be exercised shall be ten years from the date such Option was granted. The terms of any Option may provide that it has a term that is less than such maximum period.

6.04 Nontransferability

Except as provided in Section 6.05, each Option granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. In the event of any transfer of an Option (by the Participant or his transferee), the Option and any SAR that relates to such Option must be transferred to the same person or persons or entity or entities. Except as provided in Section 6.05, during the lifetime of the Participant to whom the Option is granted, the Option may be exercised only by the Participant. No right or interest of a Participant in any Option shall be liable for, or subject to, any lien, obligation, or liability of such Participant.

6.05 Transferable Options

Section 6.04 to the contrary notwithstanding, if the Agreement provides, an Option that is not an incentive stock option may be transferred by a Participant to the Participant's children, grandchildren, spouse, one or more trusts for the benefit of such family members or a partnership in which such family members are the only partners, on such terms and conditions as may be permitted under Securities Exchange Commission Rule 16b-3 as in effect from time to time. The holder of an Option transferred pursuant to this section shall be bound by the same terms and conditions that governed the Option during the period that it was held by the Participant; provided, however, that such transferee may not transfer the Option except by will or the laws of descent and distribution. In the event of any transfer of an Option (by the Participant or his transferee), the Option and any SAR that relates to such Option must be transferred to the same person or persons or entity or entities.

6.06 Employee Status

For purposes of determining the applicability of Code section 422 (relating to incentive stock options), or if the terms of any Option provide that it may be exercised only during employment or continued service or within a specified period of time after termination of employment or service, the Administrator may decide to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service.

6.07 Exercise

Subject to the provisions of this Plan and the applicable Agreement, an Option may be exercised in whole at any time or in part from time to time at such times and in compliance with such requirements as the Administrator shall determine; provided, however, that incentive stock options (granted under the Plan and all plans of the Company and its Related Entities) may not be first exercisable in a calendar year for stock having a Fair Market Value (determined as of the date an Option is granted) exceeding the limit prescribed by Code section 422(d). An Option granted under this Plan may be exercised with respect to any number of whole shares less than the full number for which the Option could be exercised. A partial exercise of an Option shall not affect the right to exercise the Option from time to time in accordance with this Plan and the applicable Agreement with respect to the remaining shares subject to the Option. The exercise of an Option shall result in the termination of any SAR to the extent of the number of shares with respect to which the Option is exercised.

6.08 Payment

Unless otherwise provided by the Agreement, payment of the Option price shall be made in cash or a cash equivalent acceptable to the Administrator. Subject to rules established by the Administrator, payment of all or part of the Option price may be made with shares of Common Stock which have been owned by the Participant for at least six months and which have not been used for another Option exercise during the prior six months. If Common Stock is used to pay all or part of the Option price, the sum of the cash and cash equivalent and the Fair Market Value (determined as of the day preceding the date of exercise) of the shares surrendered must not be less than the Option price of the shares for which the Option is being exercised.

6.09 Change in Control

Section 6.07 to the contrary notwithstanding, each outstanding Option shall be fully exercisable on and after a Control Change Date in accordance with the terms of the applicable Agreement.

6.10 Shareholder Rights

No Participant shall have any rights as a shareholder with respect to shares subject to his Option until the date of exercise of such Option.

6.11 Disposition of Stock

A Participant shall notify the Company of any sale or other disposition of Common Stock acquired pursuant to an Option that was an incentive stock option if such sale or disposition occurs (a) within two years of the grant of an Option or (b) within one year of the issuance of the Common Stock to the Participant. Such notice shall be in writing and directed to the Secretary of the Company.

SARS

7.01 Award

In accordance with the provisions of Article IV, the Administrator will designate each individual to whom SARs are to be granted and will specify the number of shares covered by each such award; provided, however, no Participant may be granted SARS in any calendar year covering more than 200,000 shares of Common Stock. For purposes of the foregoing limit, an Option and SAR shall be treated as a single award. In addition, no Participant may be granted SARs (under all incentive stock option plans of the Company and its Affiliates) that are related to incentive stock options which are first exercisable in any calendar year for stock having an aggregate Fair Market Value (determined as of the date the related Option is granted) that exceeds the limit prescribed by Code section 422(d).

7.02 Maximum SAR Period

The period in which an SAR may be exercised shall not be longer than the term of the related Option. The terms of any SAR may provide that it has a term that is less than such maximum period.

7.03 Nontransferability

Except as provided in Section 7.04, each SAR granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. In the event of any such transfer, an SAR and the related Option must be transferred to the same person or persons or entity or entities. Except as provided in Section 7.04, during the lifetime of the Participant to whom the SAR is granted, the SAR may be exercised only by the Participant. No right or interest of a Participant in any SAR shall be liable for, or subject to, any lien, obligation, or liability of such Participant.

7.04 Transferable SARs

Edgar Filing: NEWMARKET CORP - Form 424B3

Section 7.03 to the contrary notwithstanding, if the Agreement provides, an SAR, other than an SAR that is related to an incentive stock option, may be transferred by a Participant to the Participant's children, grandchildren, spouse, one or more trusts for the benefit of such family members or a partnership in which such family members are the only partners, on such terms and conditions as may be permitted under Securities Exchange Commission Rule 16b-3 as in effect from time to time. The holder of an SAR transferred pursuant to this section shall be bound by the same terms and conditions that governed the SAR during the period that it was held by the Participant; provided, however, that such transferee may not transfer the SAR except by will or the laws of descent and distribution. In the event of any transfer of an SAR (by the Participant or his transferee), the SAR and the related Option must be transferred to the same person or persons or entity or entities.

7.05 Exercise

Subject to the provisions of this Plan and the applicable Agreement, an SAR may be exercised in whole at any time or in part from time to time at such times and in compliance with such requirements as the Administrator shall determine; provided, however, that an SAR that is related to an incentive stock option may be exercised only to the extent that the related Option is exercisable and only when the Fair Market Value exceeds the option price of the related Option. An SAR granted under this Plan may be exercised with respect to any number of whole shares less than the full number for which the SAR could be exercised. A partial exercise of an SAR shall not affect the right to exercise the SAR from time to time in accordance with this Plan and the

applicable Agreement with respect to the remaining shares subject to the SAR. The exercise of an SAR shall result in the termination of the related Option to the extent of the number of shares with respect to which the SAR is exercised.

7.06 Change in Control

Section 7.05 to the contrary notwithstanding, each outstanding SAR shall be fully exercisable on and after a Control Change Date in accordance with the applicable Agreement.

7.07 Employee Status

If the terms of any SAR provide that it may be exercised only during employment or continued service or within a specified period of time after termination of employment or service, the Administrator may decide to what extent leaves of absence for governmental or military service, illness, temporary disability or other reasons shall not be deemed interruptions of continuous employment or service.

7.08 Settlement

At the Administrator's discretion, the amount payable as a result of the exercise of an SAR may be settled in cash, Common Stock, or a combination of cash and Common Stock. No fractional share will be deliverable upon the exercise of an SAR but a cash payment will be made in lieu thereof.

7.09 Shareholder Rights

No Participant shall, as a result of receiving an SAR, have any rights as a shareholder of the Company until the date that the SAR is exercised and then only to the extent that the SAR is settled by the issuance of Common Stock.

ARTICLE VIII

STOCK AWARDS

8.01 Award

In accordance with the provisions of Article IV, the Administrator will designate each individual to whom a Stock Award is to be made and will specify the number of shares of Common Stock covered by each such award; provided, however, that no Participant may receive Stock Awards in any calendar year for more than 200,000 shares of Common Stock and provided, further that the issuance of a Stock Award in settlement of a Stock Award shall not be subject to the foregoing share limitation.

8.02 Vesting

The Administrator, on the date of the award, may prescribe that a Participant's rights in a Stock Award shall be forfeitable or otherwise restricted for a period of time or subject to such conditions as may be set forth in the Agreement. By way of example and not of limitation, the restrictions may postpone transferability of the shares or may provide that the shares will be forfeited if the Participant separates from the service of the Company and its Related Entities before the expiration of a stated period or if the Company, a Related Entity, the Company and its Related Entities or the Participant fails to achieve stated performance objectives, including performance objectives stated with reference to Performance Criteria. If a Stock Award is not immediately vested and transferable, the period that the shares are restricted shall be at least three years; provided, however, that the period that the shares are restricted shall be at least one year if the transferability, vesting or both is subject to the satisfaction of performance objectives stated with reference to Performance Criteria. The Administrator, in its discretion, may waive the requirements for vesting or transferability for all or part of the shares subject to a Stock Award in connection with a Participant's termination of employment or service.

8.03 Employee Status

If the terms of any Stock Award provide that shares may become transferable and nonforfeitable thereunder only after completion of a specified period of employment or service, the Administrator may decide in each case to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service.

8.04 Change in Control

Sections 8.02 and 8.03 to the contrary notwithstanding, each outstanding Stock Award shall be transferable and nonforfeitable on and after a Control Change Date in accordance with the applicable Agreement.

8.05 Shareholder Rights

Prior to their forfeiture (in accordance with the applicable Agreement and while the shares of Common Stock granted pursuant to the Stock Award may be forfeited or are nontransferable), a Participant will have all the rights of a shareholder with respect to a Stock Award, including the right to receive dividends and vote the shares; provided, however, that during such period (a) a Participant may not sell, transfer, pledge, exchange, hypothecate, or otherwise dispose of shares of Common Stock granted pursuant to a Stock Award, (b) the Company shall retain custody of the certificates evidencing shares of Common Stock granted pursuant to a Stock Award, and (c) the Participant will deliver to the Company a stock power, endorsed in blank, with respect to each Stock Award. The limitations set forth in the preceding sentence shall not apply after the shares of Common Stock granted under the Stock Award are transferable and are no longer forfeitable.

INCENTIVE AWARDS

9.01 Award

The Administrator will designate Participants to whom Incentive Awards are made. All Incentive Awards shall be finally determined exclusively by the Administrator under the procedures established by the Administrator. With respect to an Incentive Award based on a performance period of one year, no Participant may receive an Incentive Award payment in any calendar year that exceeds \$1,000,000.

9.02 Terms and Conditions

The Administrator, at the time an Incentive Award is made, shall specify the terms and conditions which govern the award. Such terms and conditions shall prescribe that the Incentive Award shall be earned only upon, and to the extent that, performance objectives are satisfied during a performance period of at least one year after the grant of the Incentive Award. By way of example and not of limitation, the performance objectives may provide that the Incentive Award will be earned only if the Company, a Related Entity or the Company and its Related Entities achieve stated objectives, including objectives stated with reference to Performance Criteria. The Administrator, at the time an Incentive Award is made, shall also specify when amounts shall be payable under the Incentive Award and whether amounts shall be payable in the event of the Participant's death, disability, or retirement.

9.03 Nontransferability

Except as provided in Section 9.04, Incentive Awards granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. 9.04 Transferable Incentive Awards

Edgar Filing: NEWMARKET CORP - Form 424B3

The holder of an Incentive Award transferred pursuant to this Section shall be bound by the same terms and conditions that governed the Incentive Award during the period that it was held by the Participant; provided, however, that such transferee may not transfer the Incentive Award except by will or the laws of descent and distribution.

9.05 Employee Status

If the terms of an Incentive Award provide that a payment will be made thereunder only if the Participant completes a stated period of employment or service, the Administrator may decide to what extent leaves of absence for governmental or military service, illness, temporary disability or other reasons shall not be deemed interruptions of continuous employment or service.
