**ITEM 1.01. Entry into a Material Definitive Agreement.**

On September 1, 2004, we entered into a Loan and Security Agreement, or Loan Agreement, with Silicon Valley Bank that provides us with a \$4,000,000 revolving credit line and a \$6,000,000 term loan facility and grants Silicon Valley Bank a security interest over certain of our assets, excluding intellectual property. As a condition precedent to the Loan Agreement, we agreed, among other things, to certain covenants and reporting requirements. The proceeds of the revolving credit line will be used solely for our working capital and other general business requirements and will replace an existing letter of credit issued to us by George Rathmann, our chairman, for our facility at 985 Almanor Ave. The proceeds of the initial term loan will be used solely to repay amounts owing to AMB Property, LP. The proceeds of all other term loans may be used for our working capital or other general business requirements. As of the date of this Current Report on Form 8-K, we have not yet incurred any indebtedness under this credit line and term loan facility. Our term loan borrowings under the new loan facility shall bear interest at a fixed rate per annum equal to the 36-month Treasury Rate in effect on the funding date plus three and one-quarter percent (3.25%), and, in any event, shall not be less than 6.43% per annum. Our revolving credit borrowings shall bear interest at Silicon Valley Bank's prime rate in effect from time to time.
