Table of Contents

We have appointed Mellon Bank, N.A. as Processing Agent to handle the day-to-day administration of the Program. See Processing Agent.

Interest Rate

The Demand Notes pay interest at a floating rate as determined by the Demand Notes Committee. The interest rate on the Demand Notes is subject to change on Friday of each week, with any change being effective the following Monday. In deciding on the interest rate, the Demand Notes Committee examines the level and the changes in interest rates that occur from time to time. However, at all times, the interest rate on the Demand Notes will be greater than the most recent seven-day average yield (simple) on taxable money market funds in the United States as published in the Money Fund Report Averages All Taxable.* The rate of interest paid for any period in the Demand Notes is not an indication or representation of future rates of interest to be paid on the Demand Notes. If in any week the Money Fund Report Averages All Taxable is not available or publication of such seven-day average is suspended, the seven-day average yield at such time will be an approximately equivalent rate determined by the Demand Notes Committee. The Demand Notes Committee has the authority to provide for differing interest rates based on, among other criteria, the size of individual Demand Notes. The Demand Notes Committee has no present intention to have multiple interest rates; but if it decides to do so, you will be notified by mail.

Interest on the Demand Notes accrues in accordance with the provisions governing the different methods of investing in Demand Notes, as described under How to Invest. Interest on the Demand Notes is compounded daily, at the rate in effect each day, based on a 365-day year. During a leap year the interest on the Demand Notes is compounded daily, at the rate in effect each day, based on a 366-day year. Interest payable on the Demand Notes accrues daily and will be credited to your Demand Notes on the last day of each calendar month. You may obtain the current interest rate at any time by calling 1-800-426-8323 or by accessing our website at www.demandnotes.com.

*Money Fund Report is a service of iMoneyNet, Inc. Money Fund Report states that the yield information obtained from money market funds is screened by the publisher, but no guarantee of the accuracy of the information is made by us.

We will not charge you a Demand Notes maintenance or management fee nor will we charge you for checks, check redemptions or wire redemptions. You may, however, be charged a fee by your commercial bank or financial institution if you make an investment or receive a redemption amount by ACH or wire transfer. (ABA No. 043000261). The bank wire must include the designation **GMAC Demand Notes**, your name (as registered on your Demand Notes) and address, your tax identification or Social Security number, and your 14-digit Demand Notes number. We charge no fees for the receipt of wire transfers or ACH credits; however, your commercial bank or financial institution may charge you a fee if you make an investment by wire transfer.

An investment by wire transfer of funds is invested in your Demand Notes on the Business Day the funds are received by the Processing Agent in proper form and begin to accrue interest on that day provided the funds have been received by the Processing Agent by 2:00 p.m. Eastern Time. Funds received after 2:00 p.m. Eastern Time are invested and begin to accrue interest on the next business day. Neither the Processing Agent nor GMAC is responsible for delays in the transfer and wiring of funds. **Your investment made by wire transfer is available for redemption on the same Business Day the Processing Agent invests your wire transfer into your Demand Notes.** You can confirm the date your investment was made by calling the automated

phone system of the Processing Agent at 1-800-684-8823 or by accessing the Demand Notes website at www.demandnotes.com.

Investments by Automatic Monthly or Periodic Electronic Transfer from a Bank Account

You may elect to authorize the Processing Agent to make an automatic monthly charge of \$50 or more from your personal banking account. Upon receipt of proper written authorization, the Processing Agent will prepare an electronic transfer drawn against your bank account for the amount authorized and on the Business Day you have requested. The proceeds from the electronic transfer are invested in your Demand Notes and begins to accrue interest on the same Business Day that the Processing Agent receives the electronic transfer. If the transfer day falls on a weekend, the transfer will be initiated on the next Business Day; provided, however, if such ACH auto investment is set for the last weekend of a month, the investment will be made on the last Business Day of that month.

You may elect up to two transfer dates for any amount of \$50 or more using up to two different bank accounts. **Your investments made by electronic transfer are available for redemption on the sixth Business Day after the Processing Agent invests your electronic transfer.** You can confirm the date your investment was made by calling the automated phone system of the Processing Agent at 1-800-684-8823 or by accessing the Demand Notes website at www.demandnotes.com.

To establish the automatic monthly or periodic charge to your checking account, you must elect this option(s) on your investment form or obtain the necessary authorization form directly from the Processing Agent or from our website at www.demandnotes.com. You may change the amount(s) or day of transfer of your automatic monthly investment (subject to the \$50 monthly minimum) or terminate your automatic or periodic investment entirely at any time by providing written notice to the Processing Agent. Your notice is effective as soon as practicable after its receipt by the Processing Agent. There is a 10 business day set-up period each time you add, change or terminate the banking instruction(s) for either of the above investment options.

A COMPLETE DISCUSSION OF YOUR RIGHTS AND RESPONSIBILITIES IF YOU USE ELECTRONIC FUNDS TRANSFERS IS CONTAINED IN APPENDIX A HERETO.

Investments by Direct Investment of Net Paycheck, Pension or Social Security Check

You may elect to invest in Demand Notes by instructing your place of employment, or the Social Security Administration, to invest your entire paycheck, pension, Social Security or other recurring check directly into your Demand Notes. Interest begins to accrue on the day your investment is received. **Your investment by direct investment of net paycheck, pension or Social Security check is available for redemption on the same Business Day the Processing Agent invests your recurring check.** To terminate your direct investments, you must notify the issuer(s) of such check(s). You may elect this option after you have made your initial investment in Demand Notes.

Investments by Deduction From GM Payroll or GM Pension

Edgar Filing: GENERAL MOTORS ACCEPTANCE CORP - Form S-3

This option is available to you only if you are an employee of a company participating in Demand Notes payroll deductions through any General Motors Corporation compensation system. You may elect this option after you have made your initial investment in Demand Notes.

Your investments by GM payroll or GM pension deduction must be specified as a fixed dollar amount. Your minimum investment by payroll deduction is \$50 per month. If you are paid weekly, the minimum investment is \$11.50 per week, your payroll deduction investment is

invested in your Demand Notes on the last business day of the week in which the paycheck is issued, and interest begins to accrue on that day. If you are paid on other than a weekly basis, your payroll deduction investment, which must total \$50 or more per month, is invested in your Demand Notes and begins to accrue interest on the payday it was withheld. Your pension deduction investment is invested in your Demand Notes and begins to accrue interest on the first Business Day of each month you receive retirement benefits. **Your investment by deduction from GM payroll or pension is available for redemption on the same Business Day the Processing Agent invests your recurring check.** The Demand Notes Committee may authorize changes in the minimum monthly and weekly investment from time to time.

Investments by deduction from a GM payroll or pension are available for redemption the same Business Day that the Processing Agent receives your investment.

Unless otherwise permitted by the Demand Notes Committee, an employee may make investments by payroll or pension deduction in only one Demand Notes. No deduction will be made in any period in which an employee is not receiving a salary, wage or pension benefit.

Subject to the foregoing provisions and this paragraph, the deduction amount authorized by an employee may be changed or stopped at any time through the automated phone system at 1-800-684-8823. Your change in deduction will be effective within a reasonable amount of time after the Processing Agent receives it.

In addition, a retiree is only entitled to receive pension benefits terminating with the last monthly payment preceding the retiree's death. We will refund any pension deduction(s) made subsequent to the retiree's death to the Trustee for the General Motors Pension Plan or other General Motors subsidiary pension plan and redeem an amount equal to such refund from the deceased retiree's Demand Notes. If the amount of the redemption exceeds the principal amount in the deceased retiree's Demand Notes, the retiree's estate will be liable to GMAC for the difference between the amount of the redemption and the amount of the pension deduction to be refunded to the retiree's pension plan.

HOW TO REDEEM

You may redeem all or part of your Demand Notes by following the procedures described below. If the amount to be redeemed represents an investment made by check or charge to your bank account, the redemption instructions will not be honored if the instructions are received within five business days from the investment day of that investment check or electronic transfer. We reserve the right at any time to modify, suspend or terminate any of the redemption methods described below. No redemption proceeds are paid in cash. **Interest on a redeemed investment accrues to, but does not include, the date of redemption.**

A signature guarantee may be required in certain circumstances in order for you to add or change your redemption options. Our purpose in requiring a signature guarantee is to prevent potential fraud or misrepresentation and is for your protection. A signature guarantee must be signed by an authorized signatory and the statement "Signature Guaranteed" must appear with the signature. A notarized signature is not a signature guarantee. In certain instances, additional documentation may be required including, but not limited to, copies of trust instruments, birth certificates, death certificates, or court appointments as executor or administrator. Any request for a change to your method of redemption or

notice regarding your Demand Notes

must be mailed to the Processing Agent's correspondence address at the GMAC Demand Notes, Mellon Bank, N.A., c/o Mellon Investor Services, P.O. Box 3425, South Hackensack, NJ 07606-3425.

Redemption by Written Check

Each Demand Note will be provided with a free supply of checks. You may redeem your Demand Notes by writing a check, payable to the order of anyone, in an amount of \$250 or more. If the amount of the redemption check is greater than the balance in your Demand Note or is for less than \$250, the check will not be honored and a fee will be debited from your Demand Note by the Processing Agent. Checks are deposited and processed through normal bank clearing systems. There is no limit on the number of checks you may write. We will not accept facsimile signatures on checks.

Where there is more than one registered owner of a Demand Note, only the signature of one registered owner is required on the check. When your check is presented to the Processing Agent for payment, the Processing Agent redeems your Demand Note in an amount sufficient to cover the check. If you request a stop payment of a check, GMAC assesses a service charge for each stop payment request made and such fee will be debited from your Demand Note by the Processing Agent. The Processing Agent may review any Demand Note check to verify its validity. Your stop payment will be acted upon without verification or confirmation by the Company or the Processing Agent.

Redemption by Wire

If you select this option on the investment form, you may redeem your Demand Notes during the Processing Agent's regular business hours but prior to 2:00 p.m. Eastern Time, by having redemption proceeds of \$1,000 or more wired to a pre-designated bank account. By use of this option, you authorize the Processing Agent to act on telephone or written redemption instructions from any person or persons representing themselves to be the registered owners of the Demand Notes. The Processing Agent's record of your instructions is binding.

To select the Redemption by Wire option, you must designate on the investment form an account at a bank in the United States to receive the redemption proceeds. You must also provide the Processing Agent with a voided specimen check or deposit slip from such bank. Once established, you may utilize this option by calling the Processing Agent toll free at 1-800-684-8823 during regular business hours and prior to 2:00 p.m. Eastern Time.

Upon receipt of wire redemption instructions, the Processing Agent will redeem your Demand Notes sufficient to cover the amount specified in your wire redemption instructions. **If the redemption instructions are received by 2:00 p.m. Eastern Time on any business day, the Processing Agent will wire the redemption proceeds to the pre-designated bank account on the same Business Day.** If the redemption instructions are received after 2:00 p.m. Eastern Time on any Business Day, the Processing Agent will wire the redemption proceeds to the pre-designated bank account on the next Business Day.

You may add or change the Redemption by Wire instructions only upon written request to the Processing Agent accompanied by a signature guarantee of each registered owner (including joint owners) of the Demand Notes.

Edgar Filing: GENERAL MOTORS ACCEPTANCE CORP - Form S-3

Neither the Processing Agent nor GMAC is responsible for delays in the wiring of funds through the banking system or for the authenticity of telephone redemption instructions.

Automatic Monthly or Quarterly ACH Redemption or Monthly Interest ACH Redemption

If you select this option on the investment form, you authorize the Processing Agent to automatically redeem (a) on a monthly or quarterly basis a specified part of

your Demand Notes (minimum \$100) or (b) on a monthly basis, the interest accrued and posted to your Demand Notes. These options are available only if your Demand Notes has a balance of \$5,000 or more and there are designated bank account instructions for redemption by ACH on file.

On the last day of each month or quarter, as you will have specified, the Processing Agent will redeem your Demand Notes by an amount equal to the redemption amount that you have specified (minimum \$100) or, if you have elected monthly interest redemption, the interest amount that would have been credited to your Demand Notes for that month. The Processing Agent will send, via ACH transfer, the funds to your designated bank account. The funds will settle on the second Business Day following the date of request. This option will only be available if you have designated bank account instructions on file.

If on the predetermined date for any monthly, quarterly or Monthly Interest redemption, your Demand Notes does not have a principal balance of \$5,000 or more, the Processing Agent will not honor the redemption. You may terminate the Automatic Monthly or Quarterly ACH Redemption Option or Monthly Interest ACH Redemption Option by providing written notice to the Processing Agent. Such notice is effective as soon as practicable after receipt by the Processing Agent.

You may also request the Automatic Monthly or Quarterly ACH Redemption or Monthly Interest ACH Redemption Option after you have submitted the investment form by providing the Processing Agent with a written request to add the desired automatic redemption option to the Demand Notes and by providing a set of bank account instructions. Your written request requires the signatures of all registered owners (including joint owners) of the Demand Notes exactly as the name(s) appear on the Demand Notes investment form and each signature must have a signature guarantee from a banking or financial institution.

Adhoc ACH Redemption

If you select this option, you authorize, either through the automated phone system or through a customer service representative, the Processing Agent to redeem your Demand Notes (minimum \$250) by an amount specified by you on that day. If the ACH redemption request is received by 8:30 a.m. Eastern Time on any Business Day, then the funds will settle on the second business day following such request. If the request is received by the Processing Agent after 8:30 a.m. Eastern Time on any Business Day, then the funds will settle on the third Business Day following the date of such request. By use of this option, you authorize the Processing Agent to act on telephone or written redemption instructions from any person or persons representing themselves to be the registered owners of the Demand Notes. The Processing Agent's record of your instructions is binding.

If there are no bank instructions on file, a bank check will be mailed to the registered address and you will be charged a service fee.

OPTIONAL REDEMPTIONS BY GMAC

Investor Misuse of Redemption Provisions

We reserve the right to redeem immediately any Demand Notes of an investor who we believe, in our sole judgment and discretion, is abusing or misusing the redemption provisions of the Program, i.e., the writing of multiple checks where the amounts of the checks are greater than the principal amount of the Demand Notes. In such situation, we will notify the investor of our intention to redeem in full the Demand Notes on the third Business Day following the date of our notice. A final redemption check (less a service fee) or an ACH transfer (using the designated bank redemption instructions on file) will be sent to the investor in an amount equal to the principal amount of the redeemed Demand Notes, including accrued and unpaid interest. In the event that Demand Notes with a principal amount below \$0 are redeemed, the investor will be liable to us for the amount required to restore the principal amount to \$0 as of the date the Demand Notes were redeemed.

Investor Balance Below Program Minimum

We will redeem any particular Demand Notes that maintains a principal amount of less than \$1,000 for a period consisting of the two consecutive months immediately following the month in which the average principal amount of the Demand Notes falls below \$1,000. If your Demand Notes has an average principal amount of less than \$1,000, you will receive written notice from us reminding you of the minimum investment requirement and providing you with the proposed date of redemption of your Demand Notes. If your Demand Notes are redeemed, you will be mailed a check (less a service fee) or receive an ACH transfer (using the designated bank redemption instructions on file) in an amount equal to the principal amount of such redeemed Demand Notes, including accrued and unpaid interest. In the event that Demand Notes with a principal amount below \$0 are redeemed, you will be liable to GMAC for the amount required to restore the principal amount to \$0 as of the date the Demand Notes were redeemed.

Investor Balance Above Program Maximum

We may partially redeem any particular Demand Notes that exceeds \$15,000,000 where the Demand Notes have the same social security or tax identification number. If your Demand Notes is so partially redeemed by us, you will be mailed a check (less a service fee) or receive an ACH transfer (using the designated bank redemption instructions on file) in an amount equal to the principal amount above \$15,000,000.

Other GMAC Redemption Option

Other than as described above, we will give you prior written notice of at least thirty days but not more than ninety days if your Demand Notes are subject to full or partial redemption. Any partial redemption of Demand Notes will be effected by lot or pro rata or by any other method that

Edgar Filing: GENERAL MOTORS ACCEPTANCE CORP - Form S-3

is deemed fair and appropriate by the Trustee. The notice from us will specify the effective date of redemption, the amount being redeemed and the effective date the redeemed amount will become due and payable and that interest will cease to accrue as of that date. All partial redemption notices will list the remaining principal amount of your Demand Notes. The full or partial Demand Notes being redeemed, plus accrued and unpaid interest thereon to the date of redemption, will be paid by check mailed (less a service fee) to the registered owner(s) of the redeemed Demand Notes or by ACH transfer (using the designated bank redemption instructions on file). Interest on the redeemed amount will cease to accrue on and after the effective date the redeemed amount becomes due and payable.

THE INDENTURE

General Information

The Demand Notes are issued under an Indenture dated as of October 15, 1985 between GMAC and U.S. Bank Trust National Association, as successor Trustee, and all supplemental indentures thereto. The summary description of the Demand Notes contained in this Prospectus does not purport to be complete and is subject to, and qualified in its entirety by, the detailed provisions of the Indenture, and to the complete text of the Program, copies of which are filed as exhibits to the Registration Statement filed with the SEC.

The Demand Notes constitute unsecured and unsubordinated debt obligations of GMAC. You do not have any priority or secured claim against any of the assets of GMAC with respect to the principal amount of your Demand Notes or accrued and unpaid interest. **Funds invested in the Demand Notes are not subject to the protection of the Federal Deposit Insurance Corporation or any other insurance.**

Limitation on Liens

GMAC will not at any time pledge or otherwise subject to any lien any of its property or assets without thereby expressly securing the due and punctual payment of the principal of and interest on the Demand Notes equally and ratably with any and all other obligations and indebtedness secured by such pledge or other lien, so long as any such other obligations and indebtedness shall be so secured. This restriction shall not apply to:

(1) the pledge of any assets to secure any financing by GMAC of the exporting of goods to or between, or the marketing thereof in, foreign countries (other than Canada), in connection with which GMAC reserves the right, in accordance with customary and established banking practice, to deposit, or otherwise subject to a lien, cash, securities or receivables, for the purpose of securing banking accommodations or as the basis for the issuance of bankers' acceptances or in aid of other similar borrowing arrangements;

(2) the pledge of receivables payable in foreign currencies (other than Canadian dollars) to secure borrowings in foreign countries (other than Canada);

(3) any deposit of assets of GMAC with any surety company or clerk of any court, or in escrow, as collateral in connection with, or in lieu of any bond on appeal by us from any judgment or decree against it, or in connection with other proceedings in actions at law or in equity by or against GMAC;

(4) any lien or charge on any property, tangible or intangible, real or personal, existing at the time of acquisition of such property (including acquisition through merger or consolidation) or given to secure the payment of all or any part of the purchase price thereof or to secure any indebtedness incurred prior to, at the time of, or within 60 days after, the acquisition thereof for the purpose of financing all or any part of the purchase price thereof; and

(5) any extension, renewal or replacement (or successive extensions, renewals or replacements), in whole or in part, of any lien, charge or pledge referred to in the foregoing (1) to (4) inclusive of this paragraph; provided, however, that the amount of any and all obligations and indebtedness secured thereby will not exceed the amount thereof so secured immediately prior to the time of such extension, renewal or replacement, and that such extension, renewal or replacement will be limited to all or a part of the property which secured the charge or lien so extended, renewed or replaced (plus improvements on such property).

Merger and Consolidation

The Indenture provides that GMAC will not merge or consolidate with another corporation or sell or convey all or substantially all of its assets unless either GMAC is the continuing corporation or the new corporation shall expressly assume the interest and principal due

Table of Contents

under the Demand Notes. In either case, the Indenture provides that neither GMAC nor a successor corporation may be in default of performance immediately after a merger or consolidation. Additionally, the Indenture provides that in the case of any such merger or consolidation, either GMAC or the successor company may continue to issue Demand Notes under the Indenture.

Events of Default

The following events are defined in the Indenture as Events of Default :

failure to pay all or any part of the principal of or interest on any Demand Notes as and when the same will be due and payable (subject to certain exceptions described in the Indenture);

failure to perform or observe any other covenants or agreements in the Indenture or the Program for thirty days after written notice; and

certain events of bankruptcy, insolvency or reorganization.

The Indenture provides that the Trustee will, within ninety days after the occurrence of a default, give investors notice of all uncured defaults known to it (the term default to include the events specified above without grace periods); provided, however, that except in the case of default in the payment of the principal of or interest on any of the Demand Notes, the Trustee will be protected in withholding such notice if it in good faith determines that the withholding of such notice is in the interests of the investors.

We are required to furnish to the Trustee annually a statement of certain officers of GMAC stating whether or not to their knowledge we are in default in the performance and observance of certain terms of the Indenture and, if we are in default, specifying each such default.

Investors holding a majority in aggregate principal amount of the Demand Notes then outstanding have the right to waive certain defaults and, subject to certain limitations, to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. The Indenture provides that, in case an Event of Default will occur (which will not have been cured or waived), the Trustee is required to exercise such of its rights and powers under the Indenture, and to use the degree of skill and care in their exercise, that a prudent man would exercise or use under the circumstances in the conduct of his own affairs, but otherwise need only perform such duties as are specifically set forth in the Indenture. Subject to such provisions, the Trustee is under no obligation to exercise any of its rights or powers under the Indenture at the request, order or direction of any of the investors unless they will have offered to the Trustee reasonable security or indemnity.

Concerning the Trustee

U.S. Bank Trust National Association is the Trustee under the Indenture. U.S. Bank Trust National Association acts as depository for funds of, makes loans to, and performs certain other services for, GMAC and certain of its affiliates in the normal course of its business. As trustee of various trusts, it has purchased securities of GMAC and certain of its affiliates.

Modification of the Indenture

With certain exceptions, under the Indenture, the rights and obligations of GMAC and the rights of the investors may be modified by GMAC with the consent of investors holding not less than 66 ²/₃% in aggregate principal amount of the Demand Notes then outstanding; but no such modifications may be made which would:

extend the maturity of any Demand Notes or reduce the principal amount of any Demand Notes or the accrued and unpaid interest thereon
or

reduce the stated percentage of the Demand Notes, the consent of the investors of which is required to

Table of Contents

modify or alter the Indenture, without the consent of investors holding all of the Demand Notes then outstanding.

MODIFICATION, SUSPENSION OR TERMINATION OF PROGRAM

The Demand Notes Committee may amend or modify the Program at any time as it deems necessary or appropriate. Written notice of any material amendment or modification will be provided to investors at least fifteen days prior to the effective date of such amendment or modification. No such amendment or modification, however, will reduce the principal amount of any Demand Notes, or accrued and unpaid interest thereon, as of the effective date of such amendment or modification and no such amendment or modification will have a retroactive effect that would prejudice the rights of investors.

GMAC may terminate the Program in its entirety for any reason. We may, at our discretion, temporarily or permanently suspend the acceptance of investments in the Demand Notes without such a suspension amounting to a termination of the Program. Written notice of suspension or termination will be provided to investors at least thirty days prior to the effective date of such suspension or termination. We may omit, restrict, suspend or terminate the Program in any jurisdiction in which we, at our discretion, deem such action advisable in view of local law and regulations.

If you have arranged for certain automatic payments, or if you have arranged for preauthorized transfers, such as payroll or pension deductions, the following applies:

1. You Have the Right to Stop Payment

If you have arranged in advance for automatic payments or preauthorized transfers initiated with us from your Demand Notes (and not initiated from a third party), you have the right to stop payment. Here's how:

A-1

Table of Contents

You can call the Processing Agent at 1-800-684-8823 or write the Processing Agent at GMAC Demand Notes, Mellon Bank, N.A., c/o Mellon Investor Services, P.O. Box 3425, South Hackensack, New Jersey 07606-3425 so that the Processing Agent receives your request 3 Business Days or more before the payment or transfer is scheduled. If you call, we may also require you to present your request in writing and get it to the Processing Agent within 14 days after your call.

If these regular payments or transfers may vary in amount, we will tell you, 10 days before each payment or transfer, when it will be made and how much it will be (other than monthly interest ACH redemptions). (You may choose instead to get this notice only when the payment or transfer would differ by more than a certain amount from the previous payment or transfer, or when the amount would fall outside certain limits that you set.)

2. Liability for Failure to Stop Payment of a Transfer You Previously Authorized

If you order us to stop one of these payments 3 Business Days or more before the transfer is scheduled, and we do not do so, we will be liable to you for those losses or damages provided by law.

Our Business Days

For purposes of the Demand Notes Program, a Business Day is a day on which Mellon Bank, N.A., the Processing Agent, and the Federal Reserve Bank of Cleveland are open for business. In general, Business Days are Monday through Friday. Holidays are not included.

Documentation

You will receive a monthly statement from the Processing Agent with respect to your Demand Notes showing all electronic transfers that have been made.

If you have arranged to have transfers made at least once every 60 days from the same person or company, you can call us at the customer service number shown on your statement to find out whether the deposit has been made. In addition, you can also check your statement by accessing the Demand Notes website at www.demandnotes.com.

Our Liability for Failure to Make Transfers

If we do not complete a transfer on time or in the correct amount according to our agreement with you, we will be liable for those damages that the law allows in such cases.

Edgar Filing: GENERAL MOTORS ACCEPTANCE CORP - Form S-3

However, there are some exceptions. We will not be liable, for instance, if, through no fault of ours, you do not have enough money to make the transfer, or if circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken. The list of examples set out in this paragraph is meant to illustrate circumstances under which we would not be liable for failing to make a transfer and is not intended to list all of the circumstances where we would not be liable.

Your Liability

If your statement shows transfers that you did not make, tell us AT ONCE. If you do not tell us within 60 days after a statement showing such a transfer was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from making the unauthorized transfer if you had told us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods.

Confidentiality

We will disclose information to third parties about the transfers you make: (i) where it is necessary for completing transfers, (ii) in order to verify the condition of your Demand Notes for a third party, (iii) in order to comply with government agency or court orders, or (iv) if you give us your written permission. In addition, under Massachusetts law, any documentation provided to a consumer which indicates that an electronic funds transfer was made to another person is admissible as evidence of such transfer and constitutes prima facie proof that the transfer was made. If we provide any documentation pursuant to Massachusetts law, we will send written notice within 10 days of disclosure that the information on the transfer was disclosed.

How to Contact Us About an Unauthorized Transfer

If you believe that someone has transferred or may transfer money without your permission, call or write to us at:

GMAC Demand Notes, Mellon Bank, N.A., c/o Mellon Investor Services, P.O. Box 3425, South Hackensack,

New Jersey 07606-3425, Telephone Number 1-800-684-8823.

In Case of Errors or Questions About Your Statement or Transfer Record

Call the Processing Agent at 1-800-684-8823 or write the Processing Agent at GMAC Demand Notes, Mellon Bank, N.A., c/o Mellon Investor Services, P.O. Box 3425, South Hackensack, New Jersey 07606-3425 as soon as you can if you think your statement or transfer record is incorrect, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we send you the **FIRST** statement on which the problem or error appeared.

- Tell us your name.
- Describe the error of the transfer you are uncertain about, and explain as clearly as you can why you believe it is an error or why you need more information.

Edgar Filing: GENERAL MOTORS ACCEPTANCE CORP - Form S-3

- Tell us the dollar amount of the suspected error.

If you tell us in person or by telephone, we may require that you send your complaint or question to us in writing within 10 Business Days.

Table of Contents

We will determine whether an error occurred within 10 Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate any complaint or question. If we decide to do this, you will receive a recredit within 10 Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. Such recrediting is referred to as a provisional recredit. If we ask you to put your complaint or question in writing and we do not receive it within 10 Business Days, we will not be required to issue a provisional recredit for the transfer that was the subject of your complaint.

For errors involving new customers, we may take up to 90 days to investigate your complaint or question and we may take up to 20 business days to issue a credit for the amount you think is in error.

We will tell you the results within 3 business days after completing our investigation. If we find there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation. If we issued a provisional recredit, we may take back the amount of any credit if we find that an error did not occur.

Item 15. *Indemnification of Directors and Officers.*

Under Section 145 of the Delaware Corporation Law, the Company is empowered to indemnify its directors and officers in the circumstances therein provided.

The Company's Certificate of Incorporation, as amended, provides that no director shall be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174, or any successor provision thereto, of the Delaware Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

Under Article VI of its By-Laws, the Company shall indemnify and advance expenses to every director and officer (and to such person's heirs, executors, administrators or other legal representatives) in the manner and to the full extent permitted by applicable law as it presently exists, or may hereafter be amended, against any and all amounts (including judgments, fines, payments in settlement, attorneys' fees and other expenses) reasonably incurred by or on behalf of such person in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a proceeding), in which such director or officer was or is made or is threatened to be made a party or is otherwise involved by reason of the fact that such person is or was a director or officer of the Company, or is or was serving at the request of the Company as a director, officer, employee, fiduciary or member of any other corporation, partnership, joint venture, trust, organization or other enterprise. The Company shall not be required to indemnify a person in connection with a proceeding initiated by such person if the proceeding was not authorized by the Board of Directors of the Company. The Company shall pay the expenses of directors and officers incurred in defending any proceeding in advance of its final disposition (advancement of expenses); provided, however, that the payment of expenses incurred by a director or officer in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by the director or officer to repay all amounts advanced if it should be ultimately determined that the director or officer is not entitled to be indemnified under Article VI of the By-Laws or otherwise. If a claim for indemnification or advancement of expenses by an officer or director

Edgar Filing: GENERAL MOTORS ACCEPTANCE CORP - Form S-3

under Article VI of the By-Laws is not paid in full within ninety days after a written claim therefor has been received by the Company, the claimant may file suit to recover the unpaid amount of such claim, and if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim. In any such action the Company shall have the burden of proving that the claimant was not entitled to the requested indemnification or advancement of expenses under applicable law. The rights conferred on any person by Article VI of the By-Laws shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of the Company's Certificate of Incorporation or By-Laws, agreement, vote of stockholders or disinterested directors or

otherwise. The Company's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer or employee of another corporation, partnership, joint venture, trust, organization or other enterprise shall be reduced by any amount such person may collect as indemnification from such other corporation, partnership, joint venture, trust, organization or other enterprise.

As a subsidiary of General Motors Corporation, the Company is insured against liabilities which it may incur by reason of the foregoing provisions of the Delaware General Corporation Law and directors and officers of the Company are insured against some liabilities which might arise out of their employment and not be subject to indemnification under said General Corporation Law.

Pursuant to resolutions adopted by the Board of Directors of General Motors Corporation, that company to the fullest extent permissible under law will indemnify, and has purchased insurance on behalf of, directors or officers of the Company, or any of them, who incur or are threatened with personal liability, including expenses, under the Employee Retirement Income Security Act of 1974 or any amendatory or comparable legislation or regulation thereunder.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(3) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(4) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Edgar Filing: GENERAL MOTORS ACCEPTANCE CORP - Form S-3

The undersigned registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors and officers of the Company pursuant to the provisions discussed in Item 15 above, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director or officer of the Company in the successful defense of any action, suit or proceeding) is asserted by such director or officer in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
