**ITEM 8.01. OTHER EVENTS**

On November 19, 2004, the stockholders of Environmental Power Corporation (the Registrant) adopted and approved a Restated Certificate of Incorporation of the Registrant for the purpose of amending and restating the Registrant's Certificate of Incorporation (i) to effect a one-for-seven reverse split (the Reverse Split) of the Registrant's Common Stock, \$0.01 par value per share (the Common Stock) and (ii) to reduce the number of shares of Common Stock which the Registrant is authorized to issue from 150,000,000 to 21,400,000. The Reverse Split will become effective at 5:00 p.m. on the date on which the Registrant files the Restated Certificate of Incorporation with the Secretary of State of the State of Delaware, which is expected to be November 30, 2004 (the Effective Time). Upon the Effective Time, each seven shares of Common Stock outstanding and held of record by each stockholder of the Registrant (including treasury shares) immediately prior to the Effective Time will be reclassified and combined into one share of Common Stock automatically and without any action by the holder thereof.

As soon as practicable after the Effective Time, the Registrant will request that all stockholders return their stock certificates representing shares of old Common Stock outstanding on the Effective Time in exchange for certificates representing the number of whole shares of new Common Stock into which the shares of old Common Stock have been converted as a result of the Reverse Split. Each stockholder will receive a letter of transmittal from American Stock Transfer & Trust Company, the Registrant's transfer agent containing instructions on how to exchange certificates. Stockholders should not destroy any stock certificates and should not submit their old certificates to the transfer agent until they receive these instructions. In order to receive new certificates, stockholders must surrender their old certificates in accordance with the transfer agent's instructions, together with the properly executed and completed letter of transmittal. Stockholders whose shares are held by their stockbroker do not need to submit old certificates for exchange. These shares will automatically reflect the new quantity of shares based on the 7-for-1 exchange ratio of the Reverse Split. Beginning on the Effective Time, each old certificate, until exchanged as described above, will be deemed for all purposes to evidence ownership of the number of whole shares of new Common Stock into which the shares evidenced by the old certificates have been converted.

The Registrant will not issue fractional shares. In lieu of any fractional shares to which a holder of Common Stock would otherwise be entitled as a result of the Reverse Split, the Registrant pay cash equal to such fractional share multiplied by the average of the closing price of the Common Stock as reported on the OTC Bulletin Board for the five trading days ending on the date immediately prior to the date on which the Effective Time occurs. Stockholders must complete the transmittal package described above, and return it to the transfer agent with their old stock certificates, in order to receive payment in respect of their fractional shares.
