-

ITEM 2.05. Costs Associated with Exit or Disposal Activities.

i2 Technologies, Inc. (the Company) filed a Current Report on Form 8-K (the Report) on April 5, 2005 disclosing the Company's commitment to a resizing (the Resizing) plan. At that time, the Company was unable in good faith to make a determination of an estimate or range of estimates required by paragraphs (b), (c) and (d) of Item 2.05. As permitted by Item 2.05, the Company is now filing an amendment to the Report under Item 2.05 to disclose the required estimate or range of estimates.

In connection with the Resizing, the Company estimates that it will incur (i) between \$10 million and \$11 million in costs from one-time termination benefits, and (ii) between \$1.5 million and \$2.5 million in costs from facilities closures, for a total estimated range of between \$11.5 million and \$13.5 million in costs. Approximately \$2 million of the costs in the total estimated range were settled in cash in the quarter ended March 31, 2005. The remainder of the total estimated range of costs is expected to result in cash expenditures in subsequent periods.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this Report to be signed on its behalf by the undersigned, hereunto duly authorized.

i2 TECHNOLOGIES, INC.
