**Item 1.01 Entry into a Material Definitive Agreement.**

On April 22, 2005, Impac Mortgage Holdings, Inc. (the Company) completed a private placement of an aggregate amount of \$25.0 million in trust preferred securities, liquidation amount \$1,000 per security (the Preferred Securities), through a newly formed Delaware statutory trust subsidiary, Impac Capital Trust #2 (the Trust), as part of a pooled transaction.

In connection with the issuance of the Preferred Securities, on April 22, 2005, the Company entered into a Junior Subordinated Indenture (the Indenture) by and between the Company and Wilmington Trust Company, as trustee, and an Amended and Restated Trust Agreement (the Trust Agreement) among the Company, as Depositor, Wilmington Trust Company, as Property Trustee and as Delaware Trustee and the administrative trustees of the Trust. The information provided in Item 2.03 is incorporated by reference herein.

A press release dated April 25, 2005, is filed as exhibit 99.1 to this report and, except for the second paragraph containing the statement by Mr. Tomkinson, is incorporated herein by reference.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On April 22, 2005, Impac Capital Trust #2 issued an aggregate of \$25.0 million in trust preferred securities, liquidation amount \$1,000 per security. The Preferred Securities mature on April 30, 2035, but may be redeemed beginning April 30, 2010 if the Company exercises its right to redeem the Notes, as described below. The Preferred Securities require quarterly distributions by the Trust to the holders of the Preferred Securities, initially at a fixed rate of 8.065% per annum through the interest payment date in April 2010, and thereafter at a variable rate of three-month LIBOR plus 3.75% per annum, reset quarterly. Distributions are cumulative and will accrue from the date of original issuance but may be deferred for a period of up to four consecutive quarterly interest payment periods if the Company exercises its right under the Indenture to defer the payment of interest on the Notes, as described below.

The proceeds from the sale of the Preferred Securities received by the Trust, combined with the proceeds of \$774,000 received by the Trust from the issuance of common securities (the Common Securities) by the Trust to the Company, were used to purchase \$25,774,000 in principal amount of the unsecured junior subordinated deferrable interest notes (the Notes) of the Company, issued pursuant to the Junior Subordinated Indenture entered into on April 22, 2005 between the Company and Wilmington Trust Company, as trustee (the Trustee). The Indenture is attached hereto as Exhibit 4.1.

The issuance of the Preferred Securities and the Common Securities are provided for in the Amended and Restated Trust Agreement dated April 22, 2005, by and among the Trustee, the Company, and the administrative trustees of the Trust. The administrative trustees are the President, the Chief Financial Officer and the Secretary of the Company. The Trust Agreement is attached hereto as Exhibit 10.1.

The Notes mature on April 30, 2035, but the Company may at its option redeem the Notes, in whole or in part, beginning on April 30, 2010 in accordance with the provisions of the Indenture. The Notes bear interest at a fixed rate equal to 8.065% per annum through the interest payment date in

April 2010, and thereafter at a variable rate, reset quarterly, of three-month LIBOR plus 3.75% per annum. Interest is cumulative and will accrue from the date of original issuance but, under certain circumstances, may be deferred by the Company at its option at any time after April 30, 2006 for a period of up to four consecutive quarterly interest payment periods (each such extended interest payment period, an Extension Period). No interest shall be due and payable during an Extension Period, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear additional interest at a fixed rate equal to 8.065% per annum through the interest payment date in April 2010, and thereafter at a variable rate, reset quarterly, of three-month LIBOR plus 3.75% per annum. Furthermore, during any Extension Period, the Company may not declare or pay any dividends on its capital stock, which includes its Common Stock, 9.125% Series C Preferred Stock and 9.375% Series B Preferred Stock.

**Early Redemption.** The Notes may be redeemed at par at the option of the Company beginning on April 30, 2010, and may be redeemed earlier than such date following the occurrence of a Special Event (as defined in the Indenture) at a price equal to 107.5% of the principal amount together with accrued interest. The Trust will be required to redeem a like amount of Preferred Securities if the Company exercises its right to redeem all or a portion of the Notes.

**Acceleration of Maturity.** Either the Trustee or the holders of at least 25% of the aggregate principal amount of the outstanding Notes may declare the principal amount of, and all accrued interest on, all the Notes to be due and payable immediately, or if the holders of the Notes fail to make such declaration, the holders of at least 25% in aggregate liquidation amount of the Preferred Securities outstanding shall have a right to make such declaration, if an Event of Default occurs. An Event of Default generally includes a default in payment of any interest for 30 days, a default in payment upon maturity, a default in performance, or breach of any covenant or representation, bankruptcy or insolvency of the Company or liquidation or dissolution of the Trust. If an Event of Default is declared prior to April 30, 2010, then in addition to the principal and interest becoming immediately due and payable, the Company must pay a premium equal to 7.5% of the principal amount. Any holder of the Preferred Securities has the right, upon the occurrence of an Event of Default, to institute suit directly against the Company for enforcement of payment to such holder of principal of and any premium and interest, including additional interest, on the Notes having a principal amount equal to the aggregate liquidation amount of the Preferred Securities held by such holder.

A press release dated April 22, 2005 is filed as exhibit 99.1 to this Report and, except for the second paragraph containing the statement by Mr. Tomkinson, is incorporated herein by reference.

#### **Item 8.01 Other Events.**

On April 25, 2005, the Company issued a press release announcing the completion of the private placement of the Preferred Securities by the Trust. A copy of the press release is attached hereto as Exhibit 99.1, except that the second paragraph containing the statement by Mr. Tomkinson is not deemed filed for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, and shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended.
