Item 1.01 Entry Into a Material Definitive Agreement; Item 8.01 Other Events.

On July 19, 2005, Cytogen Corporation, a Delaware corporation (the "Company"), announced that it has entered into a Securities Purchase Agreement (the "Securities Purchase Agreement") with certain institutional investors for the sale of 3,104,380 shares of its common stock at \$4.50 per share and 776,096 warrants (the "Warrants") to purchase shares of its common stock having an exercise price of \$6.00 per share, through a registered direct offering. The transaction is expected to provide gross proceeds of approximately \$14.0 million to Cytogen before deducting costs associated with the offering, and will be used primarily for general corporate purposes, including sales, marketing and clinical development of marketed products. The parties expect to close the transaction as soon as possible. There was no placement agent in this transaction.

The shares of common stock and the shares of common stock underlying the Warrants offered by the Company in this transaction will be registered upon issuance under the Company's existing shelf Registration Statement (referred to below). The Company is not listing the Warrants on an exchange or any trading system and does not expect that a trading market for the Warrants will develop.

On November 5, 2004, the Company filed a registration statement (File No. 333-120262) (the "Registration Statement") on Form S-3 with the Securities and Exchange Commission (the "Commission") relating to the public offering pursuant to Rule 415 under the Securities Act of 1933, as amended, of up to an aggregate of \$70,000,000 of debt securities, common stock, preferred stock, warrants and units of the Company. The Commission declared the Registration Statement effective on November 14, 2004.

A copy of each of the form of Securities Purchase Agreement, the form of Warrant and the related press release of the Company, dated July 19, 2005, are filed herewith as Exhibits 10.1, 10.2 and 99.1, respectively, and are incorporated herein by reference.
