**Item 1.01. Entry into a Material Definitive Agreement**

On July 25, 2005, Entravision Communications Corporation (the *Company*) entered into an Asset Purchase Agreement (the *Agreement*) with Univision Communications Inc. (*Univision*) regarding the sale of the *Company*'s radio stations KBRG(FM) and KLOK(AM), which serve the San Francisco/San Jose, California markets, and other assets related to the operation of those stations, to Univision for \$90 million (the *Purchase Price*). Univision is also assuming certain liabilities relating to the acquired assets.

Univision will pay at least \$60 million of the *Purchase Price* in the form of shares of the *Company*'s Class U common stock held by Univision, based on the volume weighted average price of the *Company*'s Class A common stock during the ten-day trading period preceding the closing date. The balance of the *Purchase Price* will be paid either in cash or additional shares of Entravision's Class U common stock valued in the same manner as described in the preceding sentence.

The closing of the transaction is subject to various conditions, including (i) the expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, (ii) approval of the transfer of the station licenses by the Federal Communications Commission and (iii) other closing conditions customary for transactions of this nature. The *Agreement* also contains representations and warranties, as well as indemnification provisions, customary for transactions of this nature.

The *Company* currently anticipates that the closing of the transaction will occur in the first quarter of 2006.

On July 26, 2005, the *Company* issued a press release announcing that it entered into the *Agreement*, a copy of which is attached to this Report as Exhibit 99.1.

*Relationship with Univision.* Univision currently owns approximately 30% of the *Company*'s common stock on a fully-converted basis. As part of its acquisition of Hispanic Broadcasting Corporation in 2003, Univision reached an agreement with the Department of Justice (DOJ) to reduce its ownership stake in Entravision to 15% by March 26, 2006. This transaction is currently expected to reduce Univision's percentage ownership in Entravision to approximately 20%.

Pursuant to the *Company*'s Univision network affiliation agreements, Univision acts as the *Company*'s national advertising sales representative for the *Company*'s television stations affiliated with Univision's primary network and Univision's TeleFutura Network.

The *Company* is also party to a marketing and sales agreement with Univision that expires in 2021. Under that agreement, the *Company* manages the marketing and sales operations of Univision-owned TeleFutura affiliates in six markets—Albuquerque, Boston, Denver, Orlando, Tampa and Washington, D.C.—where the *Company* currently owns and operates a Univision affiliate.
