**Item 2.02 and Item 7.01. Results of Operations and Financial Condition, and Regulation FD Disclosure.**

On October 24, 2005, i2 Technologies, Inc. (the Company) announced by press release (the Press Release) and earnings conference call the Company's third quarter 2005 financial results. On October 27, 2005, the Company issued a subsequent press release (the Subsequent Release) commenting on recent trading activity. The information contained in the Press Release and the Subsequent Release, which are attached to this Current Report on Form 8-K as Exhibits 99.1 and 99.2, respectively, is incorporated by reference herein and is furnished pursuant to Item 2.02, Results of Operations and Financial Condition; and Item 7.01, Regulation FD Disclosure.

The information in Item 2.02 of this Current Report and the accompanying exhibits shall not be incorporated by reference into any filing by the Company, whether made before or after the date hereof, regardless of any general incorporation language in such filing, unless expressly incorporated by specific reference in such filing.

Included in the Press Release is the disclosure of Pro-Forma Operating Income, a non-GAAP financial information. Management believes that the presentation of Pro-Forma Operating Income and its related reconciliation to GAAP Operating Income is useful to investors as it reflects a financial measure that management utilizes for budgeting purposes, as well as analyzing the underlying performance of the Company. Management believes that although GAAP measures are important for investors to understand, providing investors with this non-GAAP measure provides investors additional important information to enable them to assess, in the way that management assesses, both the current and future operations of the Company. This pro forma financial information should not be considered as a substitute for, or superior to, and should only be read in conjunction with measures of financial performance prepared in accordance with generally accepted accounting principles.
