The text of the Merger Plan approved by this resolution is included as an exhibit to the Minutes of the General Meeting.

**C. Examination and approval, of the merger of Telefónica, S.A. and Telefónica Móviles, S.A., through the absorption of the latter by the former, with the termination of Telefónica Móviles, S.A. and the transfer en bloc and as a whole of all of its assets and liabilities to**

**Telefónica, S.A., with the provision that the exchange of shares will be carried out by means of the delivery of treasury shares of Telefónica, S.A., all of the foregoing in compliance with the provisions of the Merger Plan. Application to the merger of the special tax regime set forth in Chapter VIII of Title VII of the Restated Text of the Corporate Income Tax Law [Texto Refundido de la Ley del Impuesto de Sociedades].**

**I. Approval of the merger of Telefónica, S.A. and Telefónica Móviles, S.A.**

To approve the merger of Telefónica, S.A. and Telefónica Móviles, S.A., through the absorption of the latter company by the former, with the dissolution without liquidation of Telefónica Móviles, S.A. and the *en bloc* transfer of all of its property, including all of the items that make up its assets and liabilities, to Telefónica, S.A., which, through a general devise, will acquire all of the rights and obligations of Telefónica Móviles, S.A.

Pursuant to the provisions of the Merger Plan, in order to carry out the exchange under the merger, Telefónica, S.A. will deliver to the shareholders of Telefónica Móviles, S.A. the appropriate number of shares of Telefónica, S.A. resulting from the exchange ratio established in the Merger Plan.

The exchange shall not be effected in respect of the shares of Telefónica Móviles, S.A. held by such company, by Telefónica, S.A. or by any person acting in such person's own name but on behalf of Telefónica Móviles, S.A. or Telefónica, S.A., because they are affected by the provisions of Section 249 of the Spanish Corporations Law in accordance with the resolution to be adopted below.

Given that, taking into account the current terms and conditions of the Stock Option Plan of Telefónica Móviles, S.A. (MOS Plan) and the liquidation transactions carried out to date regarding said plan, the number of Telefónica Móviles, S.A. shares to remain in treasury as of the date of registration of the merger will amount to a minimum of 19,009,513 shares, and that therefore, the number of Telefónica Móviles, S.A. shares that will participate in the exchange will not exceed 305,640,634 shares, the number of shares of Telefónica, S.A. required to satisfy the exchange will amount to a maximum of 244,512,507 shares. Considering that Telefónica, S.A. owns a total number of treasury shares that exceeds such maximum, the merger exchange may be carried out entirely with treasury shares of Telefónica, S.A., without the need for a capital increase. As from the date of the merger resolution of Telefónica, S.A., Telefónica, S.A. will freeze 244,512,507 treasury shares, provided that, once the definitive number (within the above-mentioned maximum) of shares

of Telefónica, S.A. needed to satisfy the exchange is determined, only this final number of shares is frozen.

The exchange of shares of Telefónica Móviles, S.A. will be carried pursuant to the procedure and the exchange ratio described in the Merger Plan.

Shares from the treasury of Telefónica, S.A. used to satisfy the exchange shall be shares of the same class and series as the other shares of Telefónica, S.A. that are currently outstanding, and shall give their holders, as from delivery thereof, the right to participate in corporate earnings beginning on January 1, 2006, upon the same terms as the other outstanding shares.

The Board of Directors is empowered, with the authorization to so delegate to the Executive Chairman or the Secretary Director or Vice-Secretary non Director, to set the conditions for the delivery of the shares to the extent not provided by the shareholders at the General Meeting, including the further development of the procedure for the exchange of shares.

In determining the exchange ratio, account has been taken of the dividends that both companies plan to distribute and to which reference is made in section 8 of the Merger Plan and in section 5 below.

**4. Share Exchange Procedure.**

The procedure for exchanging the shares of Telefónica Móviles, S.A. for shares of Telefónica, S.A. will be as follows:

- (a) Once the merger is approved by the shareholders acting at the General Shareholders Meetings of both companies, the equivalent documents mentioned in Sections 26.1 d), 41.1 c) and related provisions of Royal Decree 1310/2005 of November 4 are filed with the National Securities Market Commission [*Comisión Nacional del Mercado de Valores*] (hereinafter, the CNMV ) and the merger deed is registered with the Commercial Registry of Madrid, the exchange of shares of Telefónica Móviles, S.A. for shares of Telefónica, S.A. will proceed.
- (b) The exchange will commence on the date specified in the notices to be published in one of the most widely circulated newspapers in Madrid, in the Listing Bulletins of the Spanish Stock Exchanges and, if applicable, in the Official Bulletin of

the Commercial Registry. For such purpose, a financial institution will be appointed to act as Agent and will be named in the above-mentioned notices.

- (c) The exchange of the shares of Telefónica Móviles, S.A. for shares of Telefónica, S.A. will be made through the entities participating in the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores S.A. [*Securities Registration, Clearing and Liquidation Systems Management Company*] (IBERCLEAR) that are depositaries thereof, in accordance with the procedures established for the book-entry system, pursuant to the provisions of Royal Decree 116/1992 of February 14 and applying such provisions of Section 59 of the Business Corporations Law as may be applicable.
- (d) Shareholders holding shares that represent a fraction of the number of shares of Telefónica Móviles, S.A. designated as the exchange ratio may purchase or transfer shares in order to exchange them in accordance with such exchange ratio. Notwithstanding the foregoing, the companies participating in the merger may implement mechanisms designed to make such exchange easier for shareholders of Telefónica Móviles, S.A. who hold a number of shares that it is not a multiple of (5). The basis of this mechanism are set up in Section III below including the appointment of an Odd-Lot Agent.
- (e) As a result of the merger, the shares of Telefónica Móviles, S.A. will be terminated.

As of the date of the Merger Plan, Telefónica, S.A. owned, directly and indirectly, four billion, three million, nine hundred thousand, seven hundred and forty-nine (4,003,900,749) shares of Telefónica Móviles, S.A., representing 92.457% of its share capital. Between the date of the Merger Plan and the date of this resolution, Telefónica, S.A. has acquired, as provided in the Merger Plan, the shares of Telefónica Móviles, S.A. theretofore held by Telefónica Internacional, S.A. Unipersonal, as well as an additional two million (2,000,000) shares of Telefónica Móviles, S.A. As a result of such acquisitions, Telefónica, S.A. now directly owns four billion, five million, nine hundred thousand, seven hundred and forty-nine (4,005,900,749) shares of Telefónica Móviles, S.A., representing 92.50% of its share capital.

As provided in Section 249 of the Spanish Corporations Law and pursuant to the regulations governing treasury shares, all such shares of Telefónica Móviles, S.A. held by Telefónica, S.A. will not be exchanged for Telefónica, S.A. shares.

In addition, it is stated for the record that as of the date of the Merger Plan, Telefónica Móviles, S.A. owned one thousand five hundred and ninety-nine (1,599) treasury shares. In addition, in connection with the coverage of the stock option plan of Telefónica Móviles, S.A. (the MOS Plan), the latter had as of said date a call option on twenty million, nine hundred and fifty-seven thousand, seven hundred and eighty-four (20,957,784) shares of Telefónica Móviles, S.A. owned by Caja de Ahorros y Pensiones de Barcelona and Banco Bilbao Vizcaya Argentaria, S.A., subscribed for by those entities on the terms of the summary prospectus verified by the National Securities Market Commission on September 28, 2001. The MOS Plan expired on January 3, 2006 and is currently in liquidation, which will be concluded prior to the registration of the merger, notwithstanding which Telefónica, S.A. will succeed Telefónica Móviles, S.A. as the entity liable for any pending obligation derived from such liquidation. Telefónica Móviles will acquire the mentioned 20,957,784 own shares and will use part to liquidate the MOS plan.

The shares that will finally be held by Telefónica Móviles, S.A. in treasury, as provided for the in the paragraph above, (a maximum of 20,959,383 shares, and a minimum of 19,009,513) will not participate in the exchange, as provided in Section 249 of the Spanish Corporations Law and related provisions.

***5. Date as from which the New Shares Delivered in Exchange Carry the Right to Participate in the Profits of the Company and Specific Characteristics of Such Right.***

January 1, 2006 is set as the date as from which the shares delivered in exchange will entitle the holders thereof to participate in the earnings of Telefónica, S.A. For this reason, the existing shares of Telefónica, S.A. of the same class and series as the other shares of Telefónica, S.A. currently outstanding used to effect the exchange will entitle the holders thereof, as from the date of delivery, to participate in the earnings of the company posted as from January 1, 2006, on the same terms as the other outstanding shares.

In distributions made after the merger instrument is registered with the Commercial Registry, all the shares of Telefónica, S.A., including those delivered in order to carry out the exchange, will participate with the same rights in proportion to the par value of each share.

It is stated for the record that, in accordance with the provisions of the Merger Plan, Telefónica, S.A. has made or, as the case may be, plans to make the following dividend distributions:

- (i) Payment of a gross interim dividend of 0.25 Euro per share, based on the profits of the fiscal year ended December 31, 2005, which was paid on May 12, 2006. This dividend was approved by the Board of Directors at its meeting of February 28, 2006 and announced to the market the same day. Such dividend does not benefit shareholders of Telefónica Móviles, S.A. who become shareholders of Telefónica, S.A. as a result of the merger. This has therefore been taken into account for the formulation of the exchange ratio.
- (ii) As was announced to the market on February 28, 2006, the Board of Directors of Telefónica, S.A. intends to distribute, during fiscal year 2006, an additional gross dividend of 0.25 Euro per share, to which end the required corporate resolutions will be adopted. In any event, such dividend will be paid after the merger is registered with the Commercial Registry of Madrid. Unlike the dividend mentioned in paragraph (i) above, this dividend will benefit both Telefónica, S.A. shareholders and the shareholders of Telefónica Móviles, S.A. who become shareholders of Telefónica, S.A. as a result of the merger. Accordingly, it was not taken into account for the calculation of the exchange ratio.

For its part, in accordance with the provisions of the Merger Plan, Telefónica Móviles, S.A. plans to make the following dividend distributions:

- (i) Previously-announced dividend:

Payment of a gross dividend of 0.205 Euro per share of Telefónica Móviles, S.A. to be charged to benefits for fiscal year 2005 and to distributable reserves. The proposal for such distribution was approved by the Board of Directors of Telefónica Móviles, S.A. at its meeting of February 27, 2006 and was announced to the market the following day. The effectiveness of the distribution is subject to approval thereof by the shareholders acting at the Annual General Shareholders Meeting of Telefónica Móviles, S.A. It is expected that this dividend will be paid on July 21, 2006 and, in any event, prior to the registration of the merger of Telefónica, S.A. and Telefónica Móviles, S.A. with the Commercial Registry, for which reason, since it will only benefit the shareholders of Telefónica Móviles, S.A., it was taken into account in formulating the exchange ratio.

- (ii) Dividends proposed by the Board of Directors of Telefónica Móviles, S.A. for approval by the shareholders acting at the General Shareholders Meeting, within the framework of the negotiation between Telefónica, S.A. and Telefónica Móviles,

S.A. and whose effectiveness is contingent upon the approval of the merger by the shareholders acting at the General Shareholders Meetings of both companies:

Payment of a gross dividend of 0.085 Euro per share of Telefónica Móviles, S.A. to be charged to the issue premium reserve and other distributable reserves.

Payment of a gross interim dividend of 0.35 Euro per share of Telefónica Móviles, S.A. to be charged to the profits posted between January 1 and March 28, 2006.

As previously stated, the two proposals mentioned above are contingent upon approval of the planned merger by the shareholders acting at the General Shareholders Meeting of both companies. If these proposals are approved by the shareholders at the Annual General Shareholders Meeting of Telefónica Móviles, S.A. and if the condition described above is met, payment of the dividends to which the proposals refer (in the aggregate gross amount of 0.435 Euro per Telefónica Móviles, S.A. share) will be made on July 21, 2006. Accordingly, this distribution will only benefit the shareholders of Telefónica Móviles, S.A. and it has therefore been taken into account in formulating the exchange ratio.

**6. Date of Accounting Effects of the Merger.**

January 1, 2006 is set as the date as from which all transactions of Telefónica Móviles, S.A. will, for accounting purposes, be deemed to have been made on behalf of Telefónica, S.A.

**7. Special Rights.**

There are no special shares or special rights in Telefónica Móviles, S.A. other than the shares. However, it is noted for the record that, the stock option plan of Telefónica Móviles, S.A. (the MOS Plan) expired on January 3, 2006 and is currently in liquidation, which will be concluded prior to the registration of the merger. Notwithstanding the foregoing, Telefónica, S.A. will succeed Telefónica Móviles, S.A. as the entity responsible for any possible pending liability stemming from the above-mentioned liquidation.

The shares of Telefónica, S.A. that are delivered to the shareholders of Telefónica Móviles, S.A. by virtue of the merger will not grant any special rights to the holders thereof.

**8. Benefits Accorded to the Directors and to the Independent Expert.**

No benefits of any kind will be accorded to the Directors of either of the entities participating in the merger or to the Independent Expert that has participated in the merger process.

**II. Subjecting the Merger to the Special Tax Regime Provided for in Chapter VIII of Title VII of the Consolidated Text of the Corporate Income Tax Law.**

To resolve that the approved merger transaction be governed by the tax regulations set forth in Chapter VIII of Title VII of the Consolidated Text of the Corporate Income Tax Law, approved by Royal Legislative Decree 4/2004.

For which purpose, and pursuant to Section 96 of the above-mentioned Consolidated Text, the merger transaction will be reported to the Ministry of Economy and Finance as required under current regulations.

**III. Establishment of Procedure to Facilitate the Exchange.**

Pursuant to the provisions of the Merger Plan, Telefónica Móviles, S.A. shareholders owning shares that represent a fraction of the number of Telefónica Móviles, S.A. shares set as the exchange ratio may acquire or transfer shares in order to exchange them at such exchange ratio. Each shareholder must individually make timely decisions for such purpose to either purchase or sell shares of Telefónica Móviles, S.A. on the market in order to secure a number of shares of Telefónica Móviles, S.A. that is a multiple of five (5).

Notwithstanding the foregoing and as provided in the Merger Plan, it is resolved to establish a mechanism designed to facilitate the exchange for those Telefónica Móviles, S.A. shareholders who are holders of a number of shares that is not a multiple of five (5). The basic terms and conditions of such mechanism are as follows:

- (i) Taking into account that the exchange ratio for the merger is equivalent, in unitary terms, to the delivery of one share of Telefónica, S.A. for every 1.25 shares of Telefónica Móviles, S.A. as of the close of the last session for trading in Telefónica Móviles, S.A. on the Spanish stock exchanges (hereinafter, the Reference Date), each shareholder of Telefónica Móviles, S.A. who, by application of such unitary exchange ratio of one share of Telefónica, S.A. for every 1.25 shares of Telefónica Móviles, S.A., is entitled to receive a whole number of Telefónica, S.A. shares and

who has an odd-lot residue of less than 1.25 shares of Telefónica Móviles, S.A. may transfer such residue to the odd-lot agent appointed for such purpose (hereinafter, the Odd-Lot Agent ), all with the understanding that for the calculation of the odd-lot corresponding to each shareholder position, all of the Telefónica Móviles, S.A. shares forming such position will be computed.

Likewise, a Telefónica Móviles, S.A. shareholder who owns less than 1.25 shares of Telefónica Móviles, S.A. will be able to transfer such shares to the Odd-Lot Agent.

It shall be deemed that each shareholder of Telefónica Móviles, S.A. accepts the odd-lot acquisition system established herein, without having to remit instructions to the relevant entity participating in IBERCLEAR, which shall inform the shareholder of the result of the transaction once it has concluded.

- (ii) Given the agreed exchange ratio and regardless of the number of shares comprising each shareholder's position, the only circumstances under which the acquisition of odd-lots may take place are the following:

<b>Number of Telefónica Móviles shares</b>	<b>Corresponding Telefónica, S.A. shares by virtue of the exchange</b>	<b>Odd-lot shares of Telefónica Móviles, S.A. subject to the odd-lot acquisition system</b>
<b>1</b>	<b>0</b>	<b>1</b>
<b>2</b>	<b>1</b>	<b>0.75</b>
<b>3</b>	<b>2</b>	<b>0.50</b>
<b>4</b>	<b>3</b>	<b>0.25</b>
<b>5</b>	<b>4</b>	<b>0</b>

Therefore, in any shareholder position, an odd-lot will range between a minimum of 0.25 shares of Telefónica Móviles, S.A. and a maximum of 1 share of Telefónica Móviles, S.A.

- (iii) The acquisition price of the odd-lots will be determined based on the arithmetical mean of the average weighted price of the shares of Telefónica Móviles, S.A. on the Automated Quotation System [*Sistema de Interconexión Bursátil*] (Continuous Market) for the last three trading sessions for Telefónica Móviles, S.A. on the Spanish stock exchanges. If the odd-lot in question consists of one share of Telefónica Móviles, S.A., its purchase price will be the arithmetical mean of the average weighted price of the shares of Telefónica

Móviles, S.A. on the Automated Quotation System (Continuous Market) for the last three trading sessions of Telefónica Móviles, S.A. stock; similarly, if the odd-lot in question is other than one share, its acquisition price will be calculated based on the same procedure described herein, but in a proportion corresponding to the specific amount of the odd-lot.

- (iv) The entity to be appointed as Odd-Lot Agent, acting on its own behalf, will acquire the odd-lot shares remaining in the positions existing at the close of the trading session of Telefónica Móviles, S.A. on the Reference Date. The shares or fractional shares of Telefónica Móviles, S.A. acquired by the Odd-Lot Agent will be exchanged for the corresponding number of Telefónica, S.A. shares as provided in the Merger Plan.
- (v) Authorization is granted to the Board of Directors, with the express power of substitution to the Executive Chairman or the Secretary Director or the Vice Secretary Non-Director to develop the mechanism for the acquisition of odd-lots or fractions of stock provided for herein, including, but not limited to, the determination of the Reference Date in order to carry out the acquisition of odd-lots at the end of such day; the drafting of the corresponding announcement of the exchange; the designation of the entity to act as Odd-Lot Agent; and any other powers that are necessary or merely appropriate to properly carry out the merger exchange and the odd-lot acquisition mechanism approved herein.

All of the foregoing is without prejudice to Telefónica, S.A. and/or Telefónica Móviles, S.A., prior to the merger, acquiring the odd-lot shares of Telefónica Móviles, S.A. required for the number of shares of Telefónica Móviles, S.A. that must participate in the exchange to be an exact multiple of the exchange ratio.

**D. Delegation of powers to formalize, interpret, remedy and carry out this resolution.**

This Report has been drawn up by the Directors of TELEFÓNICA MÓVILES, S.A. in accordance with the provisions of Article 237 of the Revised Corporations Law, approved by Legislative Royal Decree 1564/1989, of December 22 (hereinafter the **Corporations Law** ), in order to examine and justify in detail, for the purposes required by the legislation in force, the Plan for the merger (hereinafter the **Plan** or the **Merger Plan** ) of the companies TELEFÓNICA MÓVILES, S.A. (absorbed company, hereinafter, **TELEFÓNICA MÓVILES** ) and TELEFÓNICA, S.A. (absorbing company, hereinafter, **TELEFÓNICA** ), which has been deposited in Madrid Mercantile Registry on April 3, 2006.

It is noted for the record that all the nominee Directors appointed at the request of TELEFONICA, that is, Mr. Corominas Vila, Mr. Lada Díaz, Mr. Álvarez-Pallete López, Mr. Carpio García, Mr. Goyenechea Fuentes, Mr. Massanell Lavilla, Mr. Burillo Azcárraga and Mr. Almansa Moreno-Barreda have abstained themselves from participating in the deliberations concerning the approval of this Report and, therefore, have abstained from subscribing it, because they understand they are subject to a conflict of interest.

## **1. LEGAL ASPECTS OF THE MERGER**

### **1.1 General characteristics**

In accordance with the provisions of the Merger Plan, the terms of which are deemed to be reproduced herein insofar as necessary, the planned merger will consist of the absorption of TELEFÓNICA MÓVILES by TELEFÓNICA with the termination, through the dissolution without liquidation, of TELEFÓNICA MÓVILES and the transfer of all its net worth to TELEFÓNICA, which will acquire, by universal succession, the rights and obligations of the absorbed company.

Said universal transfer involves the acquisition in a single act of all the assets and liabilities which sum up the net worth of TELEFÓNICA MÓVILES: therefore, all property, rights and obligations are transferred and, in general, all legal relations of the absorbed company which are maintained in force although the party to them is changed, except for cases in which, due to the will of the parties or under a statutory provision, the change of a party to the specific legal relation involves the termination of such relation.

Simultaneously, the merger means that the shareholders of TELEFÓNICA MÓVILES are incorporated into the shareholders of TELEFÓNICA, by means of the allotment to them of shares representing part of the latter's capital, in proportion to their respective stake in the capital of TELEFÓNICA MÓVILES, under the terms established in the Plan.

## **1.2 Applicable legislation**

The basic corporate legislation on mergers is contained in Articles 233 to 251 of the Corporations Law and in Articles 226 to 234 of the Mercantile Registry Regulations.

## **1.3 Choice of TELEFÓNICA as absorbing company**

The choice of TELEFÓNICA as absorbing company is due to the fact that TELEFÓNICA holds in TELEFÓNICA MÓVILES a stake of 92.50% in its capital stock.

As of the date of the Merger Plan, TELEFÓNICA was direct or indirect holder of 4,003,900,749 shares of TELEFÓNICA MÓVILES, representing 92.457% of its capital stock. Following the signature of the Plan, TELEFÓNICA has acquired 2,000,000 shares of TELEFÓNICA MÓVILES and, in accordance with the provisions of section 1.2 of the Merger Plan, it has also acquired the package of 927,917,620 shares of TELEFÓNICA MÓVILES, representing 21.427% of its capital stock, held up to that time by TELEFÓNICA INTERNACIONAL, S.A.U., a company which is in turn wholly owned by TELEFÓNICA, allowing the stake of TELEFÓNICA in TELEFÓNICA MÓVILES to be direct in its entirety, the generation of indirect treasury stock as a result of the performance of the merger being thus avoided. The acquisition of the above-mentioned 927,917,620 shares of TELEFÓNICA MÓVILES has been performed at the average listed price of the share of TELEFÓNICA MÓVILES from its flotation until the date of signature of the Merger Plan (calculated as the weighted average per volume of the closing prices of each day from the flotation until March 28, 2006), which amounts to the sum of 8.653 euros per share. As a result of such transactions, TELEFÓNICA is now direct holder of 4,005,900,749 shares of TELEFÓNICA MÓVILES, representing 92.50% of its capital stock.

## **1.4 Legal procedure for the merger**

### ***1.4.1 Merger Plan and exchange ratio***

For the performance of the merger, the Corporations Law requires the directors of the companies participating in the transaction to draw up a merger plan.

For these purposes, on March 29, 2006, all the directors of TELEFÓNICA MÓVILES and TELEFÓNICA (with the exceptions indicated in the document itself) approved and signed the Merger Plan.

The Merger Plan provides for an exchange ratio, without any additional cash compensation, of four (4) shares of TELEFÓNICA, each with a par value of euro ( 1), for every five (5) shares of TELEFÓNICA MÓVILES, each with a par value of fifty cents of a euro ( 0.5).

***1.4.2 Deposit of the Merger Plan***

In accordance with the provisions of Article 226 of the Mercantile Registry Regulations, a copy of such Plan was deposited in Madrid Mercantile Registry on April 3, 2006.

The deposit of the Merger Plan in Madrid Mercantile Registry was published in the Official Gazette of the Mercantile Registry on April 17, 2006.

***1.4.3 Independent expert s report***

Furthermore, pursuant to the provisions of Article 236 of the Corporations Law, the directors of TELEFÓNICA MÓVILES and TELEFÓNICA requested, on March 30, 2006, from the Madrid Mercantile Registrar, as Registrar for the place where the absorbing company is located, the appointment of a single common independent expert to report on the Merger Plan.

On April 4, 2006, the Madrid Mercantile Registrar appointed KPMG Auditores, S.L. as an independent expert to issue a single report on the Merger Plan and the net worth contributed by the company which is dissolved.

Within the period established by law, and after having requested and obtained a deferral of it, the above-mentioned independent expert has issued his report, with the following conclusion:

*a) The valuation methodologies used in the determination of the real value of the Companies are adequate in the context and the circumstances of the operation proposed, the exchange rate envisaged in the Merger Plan being justified.*

*b) The net worth contributed by the absorbed company are equal at least to the maximum amount of the increase of capital of the absorbing company envisaged in the Merger Plan.*

**1.4.4 Directors report**

The directors of TELEFÓNICA MÓVILES, with the exceptions which are stated at the end of the document, have approved and signed on the date hereof this Report explaining and justifying in detail the legal and economic aspects of the Merger Plan, with specific reference to the exchange ratio, all in compliance with the provisions of Article 237 of the Corporations Law.

**1.4.5 Call of the Shareholders Meetings to deliberate on and, if appropriate, approve the merger**

The above-mentioned requirements having been met, the Boards of Directors of TELEFÓNICA MÓVILES and TELEFÓNICA will pass resolutions to call their respective Shareholders Meetings for the purpose of deliberating on and, if appropriate, approving the planned merger. It is envisaged that the Shareholders Meeting of TELEFÓNICA MÓVILES will be called to be held on June 20, 2006, at first call, and on June 21, 2006, at second call; and that the Shareholders Meeting of TELEFÓNICA will be called to be held on June 20, 2006, at first call, and on June 21, 2006, at second call.

In accordance with the provisions of Article 238 of the Corporations Law, when the notice of call of the Shareholders Meeting is published, the following documents will be made available to the shareholders, bondholders and holders of special rights other than shares, as well as the workers representatives, for examination at the registered office:

- (a) Merger Plan.

- (c) Report of the directors of TELEFÓNICA MÓVILES and of TELEFÓNICA on the Merger Plan.
- (d) Financial statements and management report of the last three financial years of TELEFÓNICA MÓVILES and of TELEFÓNICA, with the relevant auditors report.
- (e) The merger balance sheet of TELEFÓNICA MÓVILES and of TELEFÓNICA, which coincide with the last annual balance sheet of each company, with the relevant auditors report.
- (f) Current bylaws of TELEFÓNICA MÓVILES and of TELEFÓNICA.

(g)
