Item 1.01. Entry into a Material Definitive Agreement

On June 26, 2006, pursuant to the Put Right under the Restated Certificate of Incorporation, as amended (the Charter), of Nextel Partners, Inc. (the Company), the Company became a wholly owned indirect subsidiary of Sprint Nextel Corporation (Sprint Nextel) through a redemption of the Company's Class A Common Stock (the Put Transaction). The full text of the Company's Charter is filed as Exhibit 3.1 to Amendment No. 2 to the Company's Registration Statement on Form S-1, filed on February 22, 2000.

On the same date and following the completion of the Put Transaction, the Company and The Bank of New York, as trustee, executed first supplemental indentures (the Supplemental Indentures) amending (i) the indenture, dated as of May 13, 2003 (the May Indenture) and (ii) the indenture, dated as of August 6, 2003 (the August Indenture and, together with the May Indenture, the Indentures), relating to the Company's 1 1/2% Convertible Senior Notes (the Notes). The Supplemental Indentures amend the Indentures to change the conversion rights of the Notes from shares of the Company's Class A Common Stock into an amount in cash equal to \$28.50 for each share of Class A Common Stock into which the Notes were previously convertible based on the amount paid per share in the Put Transaction.

The foregoing summary of the material provisions of the Supplemental Indentures does not purport to be complete and is qualified in its entirety by reference to the Supplemental Indentures filed as Exhibits 4.1 and 4.2 to this Current Report on Form 8-K.

Item 1.02. Termination of a Material Definitive Agreement.

Effective June 26, 2006, the Board of Directors of the Company terminated the Company's 1999 Nonqualified Stock Option Plan, Third Amended and Restated as of July 24, 2002, as further amended (the 1999 Option Plan) and the Company's Restricted Stock Plan, approved May 8, 2003 (Restricted Stock Plan). The 1999 Option Plan and Restricted Stock Plan granted awards of options to purchase Class A Common Stock of the Company and restricted shares of Class A Common Stock of the Company, respectively. Following the completion of the Put Transaction, no further options or restricted shares will be issued under the plans and no options or restricted stock granted pursuant to and subject to the terms of the 1999 Option Plan or the Restricted Stock Plan remain outstanding.

Item 5.01. Change in Control of Registrant.

On June 26, 2006, pursuant to the Put Transaction, the Company became a wholly owned indirect subsidiary of Sprint Nextel through a redemption of each share of Class A Common Stock of the Company for \$28.50 per share. All shares of the Company's Class B Common Stock continue to be outstanding and held by Nextel WIP

Corp, a wholly owned indirect subsidiary of Sprint Nextel. As a result, Nextel WIP Corp. now holds 100% of the capital stock of the Company, and the Company no longer lists its common stock on NASDAQ or any stock exchange.

Each outstanding option to acquire shares of Class A Common Stock became fully vested at the closing of the Put Transaction and each holder thereof received an amount in cash equal to the product of (x) the total number of shares of Class A Common Stock subject to the option multiplied by (y) the excess, if any, of the \$28.50 redemption price payable in the Put Transaction over the exercise price per share of the Class A Common Stock under such option.

The total amount of consideration paid in the Put Transaction to holders of Class A Common Stock and holders of options to purchase shares of Class A Common Stock was approximately \$6.5 billion, funded in cash by Nextel Communications, Inc., a wholly owned subsidiary of Sprint Nextel, and an affiliate. The amount of the Put Right consideration was determined by an independent third party appraisal process to determine Fair Market Value pursuant to the Charter.

The foregoing summary of the Put Transaction does not purport to be complete and is qualified in its entirety by reference to the full text of the Charter, filed as Exhibit 3.1 to Amendment No. 2 to the Company's Registration Statement on Form S-1 on February 22, 2000 and the Current Report on Form 8-K, including the exhibits filed therewith, filed by the Company on December 20, 2005.
