#### **Item 3.01 Transfer of Listing**

On July 28, 2006, Trangenomic, Inc. (the Registrant ) filed an application to transfer the listing of its common stock from the NASDAQ Global Market to the NASDAQ Capital Market.

The Registrant elected to seek a transfer to the Capital Market because its common stock does not meet Nasdaq s minimum \$1.00 per share bid price requirement for continued listing on the Global Market. On February 15, 2006, the Registrant received a letter from Nasdaq s Listing Qualifications Department indicating that it did not meet the minimum bid requirement. Nasdaq provided the Registrant with a grace period of 180-calendar days, or until August 14, 2006, to regain compliance. By transferring to the Capital Market, the Registrant expects to be afforded an additional 180-calendar day grace period in which to satisfy the \$1.00 bid price requirement.

The Registrant expects to receive Nasdaq s approval decision within the next two weeks and expects to maintain its current Global Market status pending approval of the transfer application. The Registrant believes it meets all listing requirements of the Capital Market, other than the minimum \$1.00 per share bid requirement, and anticipates approval of the transfer. To regain compliance with the minimum bid requirement, the closing bid price of the Registrant s common stock must remain above \$1.00 for a minimum of ten consecutive trading days within the additional 180-calendar day grace period. Assuming the transfer is approved, the Registrant will not be eligible to relist its common stock on the Global Market until it common stock maintains a minimum bid price of \$5.00 per share for 90 consecutive trading days and the Registrant otherwise complies with the initial listing requirements of the Global Market.
