Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

As previously disclosed by Constellation Energy Group, Inc. (Constellation Energy), on August 10, 2006, Frank P. Bramble, Sr., a member of the Board of Directors of Constellation Energy, informed Constellation Energy that he had resigned from the Board of Directors effective as of such date. Mr. Bramble also served on Constellation Energy's audit committee, and, accordingly, Mr. Bramble's resignation caused Constellation Energy's audit committee to have only two members. As a result, on August 14, 2006, the New York Stock Exchange (NYSE) sent a notice to Constellation Energy that it was deficient in meeting the requirements of Section 303A.07(a) the New York Stock Exchange Listed Company Manual, which requires that the audit committee of a listed company have at least three members. The notice stated that Constellation Energy would be noncompliant if it was not able to cure the deficiency by August 21, 2006. On August 14, 2006, the Board of Directors of Constellation Energy appointed Edward A. Crooke, a member of the Board of Directors, to the audit committee and Constellation Energy notified the NYSE that it was no longer deficient in meeting the requirements of Section 303A.07(a). Constellation Energy expects no further action by the NYSE regarding this matter.
