## **PART I. FINANCIAL INFORMATION**

### **ITEM 4. CONTROLS AND PROCEDURES**

#### **Disclosure Controls and Procedures**

Aleris has established and maintains disclosure controls and procedures designed to ensure that information required to be disclosed by it in reports that it files or submits under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in rules and forms promulgated by the Securities Exchange Commission (SEC). As of June 30, 2006, an evaluation was carried out, under the supervision and with the participation of our management, including our chairman of the board and chief executive officer, and our executive vice president and chief financial officer, of the effectiveness of Aleris' s disclosure controls and procedures as of June 30, 2006 and based on that evaluation of Aleris' s disclosure controls and procedures, our management, including the chief executive officer and chief financial officer, concluded that, as of the end of the period covered by this report, Aleris' s disclosure controls and procedures are effective to ensure that information required to be disclosed by Aleris in the reports that it files or submits under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the SEC' s rules and forms.

During the first quarter of 2006, our management completed its evaluation of the effectiveness of Aleris' s internal control over financial reporting as required by Section 404 of the Sarbanes-Oxley Act, which required our management to assess and report on the effectiveness of our internal control over financial reporting as of our fiscal year-end, December 31, 2005 (the 404 Assessment). As previously disclosed, our management determined that it would exclude Tomra Latasa, ALSCO, certain operations of Ormet and Alumitech, all of which were acquired during the year ended December 31, 2005, from the scope of its assessment of internal control over financial reporting as of December 31, 2005 in reliance on the guidance set forth in Question 3 of a Frequently Asked Questions interpretive release issued by the staff of the SEC' s Office of the Chief Accountant and the Division of Corporation Finance in September 2004 (and revised on October 6, 2004).

#### **Changes in Internal Control over Financial Reporting**

There have not been any changes in Aleris' s internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) during the six months ended June 30, 2006 that have materially affected, or are reasonably likely to materially affect, Aleris' s internal control over financial reporting.
