PROXY STATEMENT

November 28, 2006

Annual Meeting of Stockholders

General Information

This proxy statement is furnished to stockholders of Saba Software, Inc., a Delaware corporation, in connection with the solicitation by our Board of Directors of proxies in the accompanying form for use in voting at our annual meeting of stockholders to be held on Tuesday, November 28, 2006, at 9:00 a.m., Pacific Time, at our corporate headquarters located at 2400 Bridge Parkway, Redwood Shores, California 94065-1166, and any adjournment or postponement thereof. The shares represented by the proxies received, properly marked, dated, executed and not revoked will be voted at the annual meeting for the purposes set forth in the accompanying notice of annual meeting of stockholders.

The proxy holders will vote all proxies in accordance with the instructions contained in the proxy and, if no choice is specified, the proxy holders will vote in favor of the proposals set forth herein. Proxies will confer upon the proxy holders discretionary authority to vote upon matters that the Board does not know as of the date hereof but may be presented at the annual meeting, as well as the authority to adjourn or postpone the annual meeting in order to assure that all stockholders who wish to vote on the matter will be able to cast their votes and to act upon other matters incident to the conduct of the meeting.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to us (to the attention of Peter E. Williams III, our Chief Financial Officer and Secretary) a written notice of revocation or a duly executed proxy bearing a later date, or by attending the annual meeting and voting in person.

Solicitation and Voting Procedures

The proxy statement and the enclosed proxy card are being mailed to the stockholders on or about October 24, 2006. This proxy statement and the accompanying proxy card are for use by the stockholders.

Edgar Filing: SABA SOFTWARE INC - Form DEF 14A

The close of business on October 6, 2006 has been fixed as the record date for determining the holders of shares of our common stock entitled to notice of, and to vote, at the annual meeting. As of the close of business on the record date, we had 28,200,503 shares of common stock outstanding and entitled to vote at the annual meeting. The presence at the annual meeting of a majority, or 14,100,252, of these shares of our common stock, either in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. Each outstanding share of common stock on the record date is entitled to one vote on all matters.

All expenses in connection with the solicitation of proxies will be borne by us. These costs will include the expense of preparing and mailing proxy materials for the annual meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the annual meeting to beneficial owners of our common stock. We may conduct further solicitation personally, by telephone or by facsimile through our officers, directors and employees, none of whom will receive additional compensation for assisting with the solicitation.

An automated system administered by ADP-Investor Communication Services and Mellon Investor Services will tabulate votes cast by proxy at the annual meeting, and one of our officers, duly appointed by the Board of Directors, will tabulate votes cast in person at the annual meeting.

Under the General Corporation Law of the State of Delaware, abstentions and broker non-votes are each included in the determination of the number of shares present and voting, and each is tabulated separately. However, broker non-votes are not counted for purposes of determining the number of votes cast with respect to a particular proposal and, therefore, will have no effect on the result of the vote. A broker non-vote occurs when a broker submits a proxy card with respect to shares of common stock held in a fiduciary capacity (typically referred to as being held in street name) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include, among others, the election of directors and ratification of auditors. Non-routine matters include, among others, approval of actions with respect to a company's certificate of incorporation, bylaws or stock option plan. In determining whether a proposal has been approved, other than the election of directors, abstentions have the same effect as votes against the proposal. As a result, with respect to proposal 1, which requires a plurality vote, and proposal 2, which requires the affirmative vote of a majority of our common stock represented at the meeting and entitled to vote, broker non-votes have no effect and abstentions have the same effect as negative votes.

The shares represented by properly executed proxy cards will be voted at the annual meeting as indicated or, if no instructions are given, in favor of proposals 1 and 2. We do not presently know of any other business that may come before the annual meeting.

Householding of Annual Meeting Materials

Some brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one (1) copy of this proxy statement and annual report may have been sent to multiple stockholders in a stockholder's household. We will promptly deliver a separate copy of either document to any stockholder who contacts our investor relations department by telephone at (650) 581-2500 requesting such copies. Householding will continue until you notify our investor relations department by telephone or by mail at 2400 Bridge Parkway, Redwood Shores, California 94065-1166 that you wish to continue to receive separate annual reports and proxy statements. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive a single copy of the proxy statement and annual report for a stockholder's household in the future, stockholders should contact their broker, other nominee record holder, or our investor relations department to request mailing of a single copy of the proxy statement and annual report.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The number of directors on the Board of Directors is currently fixed at seven. Our Certificate of Incorporation divides our Board of Directors into three classes designated Class I, Class II and Class III. The members of each class of directors serve staggered three-year terms. The Board of Directors is currently composed of two Class I Directors: Joe E. Kiani and Clifton T. Weatherford; two Class II Directors: Bobby Yazdani and Dow R. Wilson; and three Class III Directors: Douglas M. Ferguson, Lawrence D. Lenihan, Jr. and Leon Navickas. The term of office of the Class III Directors expires at this annual meeting, the term of office of the Class I Directors expires at the 2007 annual meeting and the term of office of the Class II Directors expires at the 2008 annual meeting. At each annual meeting of stockholders, directors will be elected for a full term of three years to succeed those directors whose terms are expiring. Directors will be elected by a plurality of votes cast.

The Board of Directors has passed a resolution decreasing the size of the Board from seven to six directors effective immediately preceding the annual meeting of stockholders, and the number of Class III directors will correspondingly be reduced from three to two. Accordingly, at the annual meeting, the stockholders will elect two Class III Directors, each to serve a three year term until the election and qualification of a successor at the 2009 annual meeting of stockholders, until a successor is otherwise duly elected or appointed and qualified or until the director's earlier resignation or removal. The Board of Directors has nominated Douglas M. Ferguson and Lawrence D. Lenihan, Jr. for election as Class III Directors. The Corporate Governance and Nominating Committee approved Messrs. Ferguson and Lenihan as Class III Director nominees to be voted upon at the annual meeting. The Board has no reason to believe that any nominee will be unable or unwilling to serve as a nominee or as a director, if elected.

Certain information about Messrs. Ferguson and Lenihan, the Class III Director nominees, is furnished below:

Douglas M. Ferguson has been a Director of Saba since February 2006. Mr. Ferguson served on the Board of Directors of Centra Software, Inc., a provider of software and services for online learning and training, prior to its acquisition by Saba in January 2006. For the past five years, Mr. Ferguson has been leading and directing strategic and operational management effectiveness for clients in the high-tech, healthcare and manufacturing industries. Since June 2001, he has served as the Executive Director of Gunnison Partners, a technology strategy management services firm. During this period, he collaborated with Innovation Management Inc., a member of the Monitor Group, a consulting firm, where he served as a partner from April 2003 to February 2005, in addition to his duties at Gunnison Partners. From March 2000 to June 2001, Mr. Ferguson held executive positions at Cambridge Technology Partners, a provider of business services, most recently as Vice President of Demand Generation. He is currently a trustee of the Yale-China Association. Mr. Ferguson holds a B.A. from Yale University and an M.A.L.D. from Fletcher School of Law and Diplomacy. Mr. Ferguson serves on the Board of Directors Corporate Governance and Nominating Committee.

Lawrence D. Lenihan, Jr. has been a Director of Saba since August 2004. Mr. Lenihan is a managing general partner and co-head of the Pequot venture funds and the Pequot private equity funds, which funds Mr. Lenihan joined in 1996. Previously, Mr. Lenihan was a principal with Broadview Associates, L.L.C., an investment banking firm, where he was a senior member of the mergers and acquisitions team. Prior to joining Broadview, Mr. Lenihan held various positions within IBM, an information technology, business and technology services, consulting services and information technology research company. Mr. Lenihan is also a Director of First Advantage Corporation, a risk mitigation and business solutions provider. Mr. Lenihan holds a B.S. from Duke University and a M.B.A. from the Wharton School of Business at the University of Pennsylvania. Mr. Lenihan serves on the Board of Directors Audit, Compensation and Corporate Governance and Nominating Committees.

Required Vote

The affirmative vote of a plurality of all the votes represented in person or by proxy at the annual meeting is required to approve the foregoing proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* THE ELECTION OF THE NOMINEES NAMED ABOVE.

Meetings and Committees of the Board of Directors

During our fiscal year ended May 31, 2006, the Board of Directors met eight times. No current director attended fewer than 75% of all the meetings of the Board of Directors and its committees on which he served after becoming a member of the Board of Directors. The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The Company encourages, but does not require, its Board members to attend the annual stockholders meeting. None of the Company's directors attended the 2005 annual meeting of stockholders. The Board of Directors has determined that a majority of its members, Messrs. Ferguson, Kiani, Lenihan, Navickas, Weatherford and Wilson, are independent as that term is defined in Rule 4200 of the listing standards of the Marketplace Rules of the NASDAQ Stock Market, Inc. (NASDAQ).

The Audit Committee

During our fiscal year ended May 31, 2006, the Audit Committee held nine meetings. Messrs. Lenihan, Navickas and Weatherford are the current members of our Audit Committee. The Audit Committee oversees the accounting and financial reporting processes of Saba and audits of the financial statements of Saba. The Audit Committee reviews, acts on and reports to our Board of Directors with respect to various auditing and accounting matters. The Audit Committee reviews and monitors the corporate financial reporting and the external audits of Saba, including, among other things, our internal control functions, the results and scope of the annual audit and other services provided by our independent auditors and our compliance with legal matters that have significant impact on our financial reports. In addition, the Audit Committee is responsible for the appointment, compensation and oversight of our independent auditors. See Report of the Audit Committee of the Board of Directors. Our Board adopted and approved a charter for the Audit Committee on October 21, 1999. The charter for the Audit Committee was amended to reflect relevant provisions of the Sarbanes-Oxley Act of 2002 and The NASDAQ Stock Market rules. A copy of the Audit Committee charter, as amended to date, is attached to this Proxy Statement, and can be viewed on our website under Investor Relations Corporate Governance at www.saba.com.

The Audit Committee is composed solely of non-employee directors, as such term is defined in Rule 16b-3 under the Exchange Act and the Board of Directors has determined that all members of the Audit Committee are independent as that term is defined in Rule 4200(a)(15) of the Marketplace Rules of the NASDAQ Stock Market, Inc. The Board has further determined that Mr. Weatherford, Chairman of the Audit Committee, is an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Exchange Act and is independent as defined by Item 7(d)(3)(iv) of Schedule 14A of the Exchange Act.

The Compensation Committee

Edgar Filing: SABA SOFTWARE INC - Form DEF 14A

During our fiscal year ended May 31, 2006, the Compensation Committee held one meeting. Messrs. Kiani, Lenihan and Navickas are the current members of our Compensation Committee. The Compensation Committee establishes salaries, incentives and other forms of compensation for executive officers and other key employees. This committee also administers our incentive compensation and benefit plans. A copy of the Compensation Committee charter, as amended to date, can be viewed on our website under Investor Relations Corporate Governance at www.saba.com.

The Corporate Governance and Nominating Committee

During our fiscal year ended May 31, 2006, the Corporate Governance and Nominating Committee held two meetings. The current members of the Corporate Governance and Nominating Committee are Messrs. Ferguson, Kiani and Lenihan. The Corporate Governance and Nominating Committee oversees the operation of the Board, the selection, nomination, evaluation and education of directors, and the establishment and implementation of our policies and programs regarding internal governance and legal and ethical conduct. Prior to our annual meeting of stockholders, the Corporate Governance and Nominating Committee, pursuant to guidelines designed to highlight the necessary qualifications, assists the existing Board in selecting the candidates who will be presented to our stockholders for election to serve on our Board of Directors. The Corporate Governance and Nominating Committee will consider and make recommendations to the Board of Directors regarding any stockholder recommendations for candidates to serve on the Board of Directors. However, it has not adopted a formal process for that consideration because it believes that the informal consideration process will be adequate given the historical absence of stockholder proposals. The Corporate Governance and Nominating Committee will review periodically whether a more formal policy should be adopted. Stockholders wishing to recommend candidates for consideration by the Corporate Governance and Nominating Committee may do so by writing to our Corporate Secretary, 2400 Bridge Parkway, Redwood Shores, California 94065-1166, providing the candidate's name, biographical data and qualifications, a document indicating the candidate's willingness to act if elected, and evidence of the nominating stockholder's ownership of our Common Stock at least 120 days prior to the next annual meeting to assure time for meaningful consideration by the Corporate Governance and Nominating Committee. There are no differences in the manner in which the Corporate Governance and Nominating Committee evaluates nominees for director based on whether the nominee is recommended by a stockholder. During our fiscal year ended May 31, 2006, we did not pay any third party to identify or assist in identifying or evaluating potential nominees. Recently, we retained a third party to assist the Corporate Governance and Nominating Committee in the identification of potential board candidates for a fee of \$10,000 plus expenses.

The Corporate Governance and Nominating Committee operates under a written charter setting forth the functions and responsibilities of the committee. A copy of the Corporate Governance and Nominating Committee charter, as amended to date, can be viewed on our website under Investor Relations Corporate Governance at www.saba.com.

In reviewing potential candidates for the Board of Directors, the Corporate Governance and Nominating Committee considers the individual's experience in human capital development and management solutions and related industries, the general business or other experience of the candidate, our needs for an additional or replacement director, the personality of the candidate, the candidate's interest in our business, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to get involved and ability to bring to us experience and knowledge in areas that are most beneficial to us as a company. The Board intends to continue to evaluate candidates for election to the Board of Directors on the basis of the foregoing criteria.

All members of the Corporate Governance and Nominating Committee are independent directors within the meaning of Rule 4200 of the Marketplace Rules of the NASDAQ Stock Market, Inc.

Communication between Stockholders and Directors

Our Board of Directors currently does not have a formal process for stockholders to send communications to the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to stockholders on a timely basis. The Board of Directors does not recommend that formal communication procedures be adopted at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board. However, stockholders

wishing to formally communicate with the Board of Directors may send communications directly to Bobby Yazdani, Chairman of the Board, c/o Saba Software, Inc., 2400 Bridge Parkway, Redwood Shores, California 94065-1166.

Corporate Governance

The Company has formal corporate governance standards in place. The Board has reviewed the provisions of the Sarbanes-Oxley Act of 2002, the rules of the Securities and Exchange Commission and the NASDAQ Stock Market, Inc. corporate governance listing standards regarding corporate governance policies and procedures. The Board believes the Company is in compliance with such rules and listing standards. The following chart sets forth certain information concerning members of the Board and their compliance with governance policies and standards in fiscal year 2006:

To the extent required by law, any amendments to, or waivers from, any provision of the Code of Ethics will be promptly disclosed to the public. Members of the Compensation Committee and the Corporate Governance and Nominating Committee receive an additional annual retainer of \$2,000. We reimburse all non-employee directors for their reasonable expenses incurred in attending meetings of the Board of Directors. Members of the Board who are not employees of the Company are eligible to receive stock options under the Company's 2000 Stock Incentive Plan. During the fiscal year ended May 31, 2006, an option to purchase 8,750 shares of common stock was granted to the Chairman of the Audit Committee, an option to purchase 7,500 shares of common stock was granted to each of the other members of the Audit Committee and an option to purchase 5,000 shares of common stock was granted to directors who were not members of the Audit Committee. PROPOSAL NO. 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

Ernst & Young LLP served as our independent auditors for the fiscal year ended May 31, 2006, and the Board of Directors, upon the recommendation of the Audit Committee, has selected Ernst & Young LLP, independent registered public accounting firm, to audit our financial statements for the fiscal year ending May 31, 2007 and recommends that the stockholders ratify such selection. Unless otherwise instructed, the proxy holders will vote the proxies they receive for the ratification of Ernst & Young LLP as the independent auditors for the fiscal year ending May 31, 2007. In the event that ratification of this selection of auditors is not approved by a majority of the shares of Common Stock entitled to vote and voting at the Annual Meeting, we will review our future selection of auditors. Representatives of Ernst & Young LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

We have been informed by Ernst & Young LLP that they are not aware of any relationships between Ernst & Young LLP and our company that, in their professional judgment, may reasonably be thought to bear on their independence.

Audit and Non-Audit Fees

The following table presents fees for professional audit services rendered by Ernst & Young LLP for the audit of our annual financial statements for the years ended May 31, 2006 and May 31, 2005 and fees billed for other services rendered by Ernst & Young LLP during those periods.

	<u>Fiscal 2006</u>	<u>Fiscal 2005</u>
Audit Fees(1)	\$ 1,032,182	\$ 593,420
Audit-Related Fees(2)	\$ 208,810	\$
Tax Fees(3)	\$ 214,341	\$ 146,889
All Other Fees(4)	\$ 1,500	\$ 1,500

- (1) Audit Fees consist of fees billed for professional services rendered for the audit of Saba's consolidated annual financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by Ernst & Young LLP in connection with statutory and regulatory filings or engagements, including registration statements.
- (2) Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under Audit Fees. These fees include amounts for due diligence procedures related to the acquisition of Centra Software, Inc.
- (3) Tax Fees consist of fees billed for professional services rendered for tax compliance, tax advisor and tax planning (domestic and international). These services include assistance regarding federal, state and international tax compliance and tax planning.
- (4) All Other Fees consist of fees for products and services other than the services reported above.

In making its recommendation to ratify the appointment of Ernst & Young LLP as Saba's independent auditors for the fiscal year ending May 31, 2007, the Audit Committee has considered whether services other than audit and audit-related services provided by Ernst & Young LLP are compatible with maintaining the independence of Ernst & Young LLP.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The

Audit Committee has adopted a policy for the pre-approval of services provided by the independent auditors. Under the policy, pre-approval is generally provided for up to one (1) year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. In addition, the Audit Committee may also pre-approve particular services on a case-by-case basis. For each proposed service, the independent auditor is required to provide detailed back-up documentation at the time of approval.

Required Vote

The affirmative vote of a majority of all the votes represented in person or by proxy at the annual meeting is required to ratify the foregoing proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING MAY 31, 2007.

Report of the Compensation Committee of the Board of Directors

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the Securities Act), or the Securities Exchange Act of 1934, as amended (the Exchange Act), that might incorporate future filings, including this Proxy Statement, in whole or in part, the following report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such report be incorporated by reference into any such filings, nor shall the following report be deemed to be incorporated by reference into any future filings under the Securities Act or the Exchange Act.

We have a compensation committee of the Board of Directors (the Compensation Committee) which has the authority and responsibility to approve the overall compensation strategy, administer our annual and long-term compensation plans, and review and make recommendations to the Board of Directors with respect to executive compensation. The Compensation Committee is comprised of independent, non-employee members of our Board of Directors.

Executive Officer Compensation Programs

The objectives of the executive officer compensation program are to attract, retain, motivate and reward key personnel who possess the necessary leadership and management skills, through competitive base salary, annual cash bonus incentives, long-term incentive compensation in the form of stock options, and various benefits, including medical and life insurance plans.

The executive compensation policies of the Compensation Committee are intended to combine competitive levels of compensation and rewards for above average performance and to align relative compensation with the achievements of key business objectives, optimal satisfaction of customers and maximization of stockholder value. The Compensation Committee believes that stock ownership by management is beneficial in aligning management and stockholder interests, thereby enhancing stockholder value.

Base Salaries. Salaries for our executive officers are determined primarily on the basis of the executive officer's responsibility, general salary practices of peer companies and the officer's individual qualifications and experience. The base salaries are reviewed at least annually and may be adjusted by the Compensation Committee in accordance with certain criteria which include individual performance, the functions performed by the executive officer, the scope of the executive officer's on-going duties, general changes in the compensation peer group in which we compete for executive talent, and our financial performance generally. The weight given to each such factor by the Compensation Committee may vary from individual to individual.

Incentive Bonuses. The Compensation Committee believes that a cash incentive bonus plan can serve to motivate our executive officers and management to address annual performance goals, using more immediate measures for performance than those reflected in the appreciation in value of stock options.

Pursuant to the CEO Compensation and Executive Officers' Incentive Plan approved by the Board of Directors in October 2006, the Company's executive officers are eligible to receive incentive compensation in the form of annual bonuses (the Annual Bonuses). Payment of the Annual Bonuses is based on the achievement by the Company of certain cash earnings per share financial metrics (the Financial Metrics) established by the Compensation Committee. The Annual Bonuses may be reduced for failure to achieve minimum Financial Metrics and may be eliminated entirely if the Financial Metrics fall below a certain threshold. The Annual Bonuses may be increased for exceeding the Financial Metrics. The maximum Annual Bonus payable under the Bonus Plan is 200% of an executive's target bonus. The Annual Bonuses awarded under the Bonus Plan generally will be payable in cash after the end of the fiscal year during which such Annual Bonuses were earned. The target bonuses for

Edgar Filing: SABA SOFTWARE INC - Form DEF 14A

CEO, Chief Operating Officer and Chief Financial Officer of the Company are \$200,000, \$110,000 and \$110,000, respectively. The Compensation Committee or the Board may pay discretionary bonuses in addition to the Annual Bonuses.

Stock Option Grants. Stock options may be granted to executive officers and other employees under the 1997 Stock Incentive Plan and the 2000 Stock Incentive Plan (collectively, the Plans). Because of the direct relationship between the value of an option and the stock price, the Compensation Committee believes that options motivate executive officers to manage Saba in a manner that is consistent with stockholder interests. Stock option grants are intended to focus the attention of the recipient on our long-term performance which we believe results in improved stockholder value, and to retain the services of the executive officers in a competitive job market by providing significant long-term earnings potential. To this end, stock options generally vest and become fully exercisable over a four-year period. The principal factors considered in granting stock options to executive officers of Saba are prior performance, level of responsibility, other compensation and the executive officer's ability to influence our long-term growth and profitability. However, the Plans do not provide any quantitative method for weighing these factors, and a decision to grant an award is primarily based upon a subjective evaluation of the past as well as future anticipated performance.

Other Compensation Plans. We have adopted certain general employee benefit plans in which executive officers are permitted to participate on parity with other employees. We also provide a 401(k) deferred compensation pension plan.

Deductibility of Compensation. Section 162(m) of the Internal Revenue Code (IRC) disallows a deduction by Saba for compensation exceeding \$1.0 million paid to certain executive officers, excluding, among other things, performance based compensation. Because the compensation paid to the executive officers has not approached the limitation, the Compensation Committee has not had to use any of the available exemptions from the deduction limit. The Compensation Committee remains aware of the IRC Section 162(m) limitations and the available exemptions and will address the issue of deductibility when and if circumstances warrant the use of such exemptions.

Chief Executive Officer Compensation

The compensation of our Chief Executive Officer is reviewed at least annually on the same basis as discussed above for all Executive Officers. Mr. Yazdani's base salary was established in part by comparing the base salaries of Chief Executive Officers at other companies of similar sizes in the high technology industry. Mr. Yazdani's 2005 annual base salary was \$300,000, which amount was established at the time he was reappointed to serve as Chief Executive Officer in September 2003. In February 2006, the compensation committee established an annual base salary of \$350,000 for Mr. Yazdani and a target incentive plan of 50% of the annual base salary. The compensation committee, subsequent to establishing Mr. Yazdani's annual base salary in February 2006, retained a third party compensation consultant to review the Chief Executive Officer's level of compensation. Based in part on the results of the compensation consultant's report, the Compensation Committee recommended to the Board of Directors and the Board of Directors approved in October 2006 an increase to Mr. Yazdani's annual base salary to \$400,000 effective June 1, 2006.
