Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On October 26, 2006, the New York Stock Exchange (NYSE) notified Equus Total Return, Inc. (the Fund) that required information regarding the name of the presiding director at regularly scheduled executive sessions of non-management directors was not disclosed in the Fund 's proxy statement for the 2006 annual meeting of stockholders (the Proxy Statement). In response to such notification, the Fund is filing this Form 8-K.

Section 303A.03 of the NYSE Listed Company Manual requires most listed companies to disclose in their proxy statements either the name of the director chosen to preside at regularly scheduled executive sessions of non-management directors or the procedure by which a presiding director is chosen for such sessions.

Although the Fund disclosed in the Proxy Statement that its committee of independent directors met at regularly scheduled meetings and that the chair of the committee was Robert L. Knauss, the NYSE has indicated that the Fund should have specifically disclosed whether he presided at regularly scheduled executive sessions of the non-management directors.

The NYSE has advised the Fund that this deficiency may be cured by including the required disclosure in a Form 8-K filed with the Securities and Exchange Commission. Accordingly, the non-management directors of the Fund meet regularly in executive sessions without any members of management present and Robert L. Knauss presides at such sessions.
