PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
APRIL 5, 2007

The Board of Directors of H.B. Fuller Company is soliciting proxies to be used at the Annual Meeting of Shareholders to be held on April 5, 2007, and at any adjournment and reconvening of the meeting. We began mailing this Proxy Statement and the enclosed form of proxy on March 2, 2007.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

What is the purpose of the meeting?

At our annual meeting, Shareholders will act upon the matters disclosed in the Notice of Annual Meeting that preceded this Proxy Statement. These include the election of three directors and ratification of the appointment of our independent auditors.

We will also consider any other business that may properly be presented at the meeting, and management will report on H.B. Fuller's performance during the last fiscal year and respond to questions from Shareholders.

How does the Board recommend that I vote?

The Board of Directors recommends a vote for all of the nominees for director and for the ratification of the appointment of KPMG LLP as the Company's independent auditors for the fiscal year ending December 1, 2007.

Who is entitled to vote at the meeting?

If you were a *shareholder of record* at the close of business on February 16, 2007, you are entitled to vote at the meeting.

As of the record date, 60,683,368 shares of Common Stock were outstanding and eligible to vote.

What is the difference between a shareholder of record and a street name holder?

If your shares are registered directly in your name, you are considered the *shareholder of record* with respect to those shares.

If your shares are held in a stock brokerage account or by a bank or other nominee, such as the H.B. Fuller 401(k) Thrift Plan, you are considered the beneficial owner of those shares, and your shares are held in *street name*. If you are a *street name holder*, you will receive a voting instructions card, which appears very similar to a proxy card. Please complete that card as directed in order to ensure your shares are voted at the meeting.

What are the voting rights of the Shareholders?

Holders of Common Stock are entitled to one vote per share. Therefore, a total of 60,683,368 votes are entitled to be cast at the meeting. There is no cumulative voting for the election of directors.

Table of Contents

How many shares must be present to hold the meeting?

A quorum is necessary to hold the meeting and conduct business. The presence of Shareholders who can direct the voting of at least a majority of the outstanding shares of Common Stock as of the record date is considered a quorum. A Shareholder is counted as present at the meeting if the Shareholder is present and votes in person at the meeting or the Shareholder has properly submitted a proxy by mail, telephone or via the Internet.

How do I vote my shares?

If you are a *shareholder of record*, you can give a proxy to be voted at the meeting either:

over the telephone by calling 1-800-560-1965;

electronically, using the Internet at www.eproxy.com/ful/; or

by mailing in the enclosed proxy card.

The telephone and Internet voting procedures have been set up for your convenience. The procedures have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been recorded properly. If you are a *shareholder of record* and you would like to vote by telephone or by using the Internet, please refer to the specific instructions on the enclosed proxy card. If you wish to vote using the paper proxy card, please return your signed proxy card to us before the meeting. You may also vote in person at the meeting.

If you hold your shares in *street name*, you must vote your shares following the procedures indicated to you by your broker or nominee on the enclosed voting instructions card.

What does it mean if I receive more than one proxy card or voting instructions card?

It means you hold shares of H.B. Fuller stock in more than one account. To ensure that all of your shares are voted, sign and return each proxy card or, if you vote by telephone or via the Internet, vote once for each proxy card you receive. If you would like to consolidate your accounts please contact our stock transfer agent, Wells Fargo Shareowner Services, at 1-800-468-9716 or via mail at: Shareowner Services, P.O. Box 64874, St. Paul, Minnesota 55164-0874 or via courier at: Shareowner Services, 161 North Concord Exchange, South St. Paul, MN 55075.

Can I vote my shares in person at the meeting?

Yes. If you are a *shareholder of record*, you may vote your shares at the meeting by completing a ballot at the meeting. However, even if you currently plan to attend the meeting, we recommend that you submit your proxy ahead of time so that your vote will be counted if, for whatever reason, you later decide to not attend the meeting.

If you hold your shares in *street name*, you may vote your shares in person at the meeting only if you obtain a signed proxy from your broker, bank or other nominee giving you the right to vote such shares at the meeting.

What vote is required for the proposals to be approved?

With respect to the election of directors, the three director nominees receiving the most votes for their election will be elected directors. With respect to approval of all other matters to come before the meeting, including the ratification of the appointment of KPMG LLP as the independent auditors of the Company, the affirmative vote of a majority of the shares of Common Stock represented and entitled to vote on each matter is required.

Table of Contents

How are votes counted?

Shareholders may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors. Shareholders may vote FOR, AGAINST or ABSTAIN on the ratification of the appointment of KPMG LLP.

If you vote ABSTAIN or WITHHOLD, your shares will be counted as present at the meeting for the purposes of determining a quorum. If you ABSTAIN from voting on a proposal, your abstention has the same effect as a vote against that proposal. If you WITHHOLD authority to vote for one or more of the nominees for director, this will have no effect on the election of any director from whom votes are withheld.

If you hold your shares in *street name* and do not provide voting instructions to your broker or nominee, your shares may not be voted. In this situation, a broker non-vote may occur. Shares that constitute broker non-votes will be present at the meeting for the purpose of determining a quorum, but are not considered as entitled to vote on the proposal in question, and, therefore, will not affect the outcome of the vote with respect to that proposal.

What if I do not specify how I want my shares voted?

If you do not specify on your returned proxy card (or when giving your proxy by telephone or via the Internet) how you want to vote your shares, we will vote them:

FOR all of the nominees for director;

FOR the ratification of the appointment of KPMG LLP as the Company's independent auditors for the 2007 fiscal year; and,

with respect to such other matters that may properly come before the meeting, in accordance with the judgment of the persons named as proxies in the enclosed proxy card or voting instructions card.

Can I change my vote?

Yes. If you are a *shareholder of record*, you may change your vote and revoke your proxy at any time before it is voted at the meeting in any of the following ways:

by sending a written notice of revocation to the Corporate Secretary of the Company;

Edgar Filing: FULLER H B CO - Form DEF 14A

by submitting another properly signed proxy card at a later date to the Corporate Secretary;

by submitting another proxy by telephone or via the Internet at a later date; or

by voting in person at the meeting.

If you are a *street name holder*, please consult your broker, trustee or nominee for instructions on how to change your vote.

Who pays for the cost of proxy preparation and solicitation?

We pay for the cost of proxy preparation and solicitation, including the charges and expenses of brokerage firms or other nominees for forwarding proxy materials to beneficial owners of shares held in *street name*. We have retained Morrow & Company, Inc. to assist in the solicitation of proxies for a fee of approximately \$5,500.00 plus associated costs and expenses.

We are soliciting proxies primarily by mail. In addition, proxies may be solicited by telephone or facsimile, or personally by directors, officers and regular employees of the Company. These individuals will receive no compensation (other than their regular salaries) for these services.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During our 2006 fiscal year, U.S. Bank National Association (U.S. Bank) was one of a syndicate of participating lenders under H.B. Fuller s unsecured revolving and term credit facilities. Under these credit facilities during fiscal 2006, we paid U.S. Bank interest in the amount of \$690,787 and upfront and non-usage fees of \$38,088. We also paid U.S. Bank for the following services during fiscal 2006:

Credit card services related to our employee travel and expense reimbursement program for which we paid \$9,240 in fees and received \$100,733 in rebates.

Trustee services related to pension and welfare benefit plans for which the trustees of such plans paid U.S. Bank \$100,566 in fees.

Lee R. Mitau, non-executive Chairman of the Board of Directors of H.B. Fuller, is the Executive Vice President and General Counsel of U.S. Bancorp, the ultimate parent company of U.S. Bank. We believe that the U.S. Bank services were provided under terms no less favorable to us than are available to other customers of U.S. Bank. We expect to continue to acquire such services from U.S. Bank during the 2007 fiscal year.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company s directors and executive officers to file initial reports of ownership and reports of changes in ownership of H.B. Fuller s securities with the Securities and Exchange Commission (SEC). These reports are available for review on the Investor Relations section of our website: www.hbfuller.com. Directors and executive officers are required to furnish us with copies of these reports. Based solely on a review of these reports and written representations from the directors and executive officers, we believe that all directors and executive officers complied with all Section 16(a) filing requirements for fiscal year 2006, except for John C. van Roden, Jr., director, and Alfredo Rovira, director, who each filed one late report in connection with the Company s annual grant of Common Stock units to all the directors.

PROPOSAL 1 ELECTION OF DIRECTORS

Proposal

The Board of Directors is currently composed of eight directors and divided into three classes. Each year one class of directors stands for election for a three-year term. The term of office for Class II directors, consisting of Knut Kleedehn, John C. van Roden, Jr. and Michele Volpi, will expire at the Annual Meeting.

Edgar Filing: FULLER H B CO - Form DEF 14A

At the Annual Meeting, three persons are to be elected as Class II directors to hold a three-year term of office from the date of their election until the 2010 Annual Meeting and until their successors are duly elected and qualified. The three nominees for election as Class II directors are Knut Kleedeohn, John C. van Roden, Jr. and Michele Volpi, all of whom are currently directors. All of the nominees have agreed to serve as a director if elected. On January 26, 2007, the Board of Directors appointed Juliana L. Chugg as a director of the Company effective April 4, 2007. Ms. Chugg will be a Class I director. Therefore, following the Annual Meeting, the Board will be comprised of nine directors. Pursuant to the Company's Bylaws, no more than 15 persons may serve on the Board. For information on how a Shareholder may suggest a person to be a nominee to the Board, see *How can a Shareholder suggest a candidate for election to the Board?*

Table of Contents

The term of office for Class I directors, currently consisting of Richard L. Marcantonio and Alfredo Rovira, and including Juliana L. Chugg effective on April 4, 2007, will expire at the Annual Meeting in 2009 and the term of office for Class III directors, consisting of J. Michael Losh, Lee R. Mitau and R. William Van Sant, will expire at the Annual Meeting in 2008. Mr. Volpi was elected by the Board of Directors effective December 3, 2006, and, as discussed above, Juliana L. Chugg was elected by the Board of Directors effective April 4, 2007. All of the other directors were elected to the Board of Directors by the Shareholders.

We will vote your shares as you specify when providing your proxy. You may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors. If you submit your proxy without voting instructions, we will vote your shares FOR the election of the three nominees. If, for any reason, any nominee becomes unable to serve before the election, we will vote your shares for a substitute nominee selected by the Board of Directors. Alternatively, the Board of Directors, at its option, may reduce the number of directors constituting Class II directors.

The three director nominees receiving the most votes for their election will be elected directors.

The Board of Directors recommends a vote FOR election of each of the nominees.

How can a Shareholder suggest a candidate for election to the Board?

The Corporate Governance and Nominating Committee of the Board nominates all candidates for election to the Board. Generally, current directors or management have identified candidates for consideration by the Committee. For this annual meeting, non-management directors identified all the nominees and no fees were paid to any third party with respect to the identification of any nominee for election at the meeting. If appropriate in the future, the Committee could engage a third person for a fee to assist in the process of identifying potential nominees. The Committee also will consider candidates put forward by any Shareholder. No Shareholder identified any candidate during fiscal year 2006. Any Shareholder interested in suggesting a candidate for election to the Board should contact the Corporate Governance and Nominating Committee through the Corporate Secretary.

Table of Contents

The Committee assesses candidates to identify persons with the judgment, experience, independence and other attributes that the Committee concludes are pertinent in light of the Board's current needs. The Board believes that its membership should reflect a diversity of experience, skills, geography, gender and ethnicity.

The Board, upon recommendation of the Corporate Governance and Nominating Committee, has adopted Corporate Governance Guidelines, which summarize many of the corporate governance principles that the Board has followed in governing the Company. A printed copy of the guidelines may also be obtained by sending a request to the Office of the Corporate Secretary, P.O. Box 64683, St. Paul, Minnesota 55164-0683.

Is a majority of the Board independent?

Pursuant to our Corporate Governance Guidelines and the listing standards of the New York Stock Exchange, the Board has determined that all current members, other than Mr. Volpi, are *independent*. No director is considered *independent* unless the Board affirmatively determines that such director has no material relationship with the Company. In assessing the materiality of any person's relationship with H.B. Fuller, the Board considers all relevant facts and circumstances, including not only direct relationships between the Company and each director but also any relationships between H.B. Fuller and any entity with which a director is affiliated.

What is the Board's policy with respect to attendance?

Directors are expected to attend the annual meeting of Shareholders and all meetings (including teleconference meetings) of the Board and each committee on which they serve. The Board, Compensation Committee and Corporate Governance and Nominating Committee each held five scheduled meetings during the 2006 fiscal year. R. William Van Sant

Number of Meetings in fiscal year 2006: Five

Functions: The Corporate Governance and Nominating Committee reviews matters of corporate governance, including reviewing our organizational structure and succession planning. This Committee evaluates and recommends new director nominees and evaluates each current director prior to nominating such person for re-election. The Corporate Governance and Nominating Committee reviews a director's continued service if a director's occupation changes during his or her term. This Committee also evaluates the performance of the Chairman of the Board, the President and Chief Executive Officer, and the directors, and makes recommendations to the Board regarding any Shareholder proposals.

This Committee considers Shareholder recommendations for potential director nominees. Suggestions may be sent to the Corporate Governance and Nominating Committee in care of the Corporate Secretary of H.B. Fuller. See *How can a Shareholder suggest a candidate for election to the Board?*

All of the members of the Corporate Governance and Nominating Committee are considered *independent* as that term is defined by our Corporate Governance Guidelines and the listing standards of the New York Stock Exchange.

During fiscal year 2006, the Chair of the Corporate Governance and Nominating Committee acted as the Presiding Director of the Board. At each regularly scheduled meeting of the Board of Directors, the Presiding Director led a discussion at which only independent directors are present. Lee R. Mitau was elected non-executive Chairman of the Board effective in December 2006, and in this capacity, will act as the Presiding Director at future Board of Director Meetings.

How are directors compensated?

The form and amount of compensation for each director is determined and reviewed at least annually by the Compensation Committee. Such compensation reflects the philosophy and practice for boards of similar public companies and is comprised of cash and H.B. Fuller Common Stock (or its equivalents). We have and maintain goals for stock ownership by all non-employee directors.

The following fees are paid to all directors who are not employees of the Company:

Annual Board retainer	\$ 35,000
Annual retainer for non-executive Chairman of the Board	\$ 75,000
Annual retainer for Audit Committee Chair	\$ 10,000
Annual retainer for Compensation Committee Chair and Corporate Governance and Nominating Committee Chair	\$ 7,500
Daily attendance fee for each Board meeting	\$ 1,000

Edgar Filing: FULLER H B CO - Form DEF 14A

Attendance fee for each Committee meeting, either in person or via telephone	\$ 1,000
Attendance fee for each Committee ad-hoc telephone meeting	\$ 500

We also reimburse each director for any out-of-pocket expenses related to attendance at any meeting or arising from other Company business.

Mr. Stroucken, our President and Chief Executive Officer during fiscal year 2006, did not receive separate compensation for serving as Chairman of the Board of Directors nor for attendance at any

Table of Contents

meeting. After the resignation of Mr. Stroucken, Mr. Mitau was elected non-executive Chairman of the Board of Directors. Mr. Mitau receives \$75,000 per year to serve as non-executive Chairman of the Board. Mr. Volpi, as our current President and Chief Executive Officer, does not receive separate compensation for serving as director nor for attendance at any meeting.

In addition to the retainer, meeting and attendance fees described above, the Board believes it is important that each director have an economic stake in our Common Stock. As a result, the Compensation Committee typically makes an annual grant of shares of restricted Common Stock or restricted Common Stock units to each non-employee director. During fiscal year 2006, the Compensation Committee made a discretionary grant of 946 H.B. Fuller Common Stock units to each non-employee director under the Directors' Deferred Compensation Plan. Subsequent to this grant, these units were adjusted to reflect the two for one stock split that occurred in July, 2006. This plan is described below.

In addition, each director typically receives a one-time grant of H.B. Fuller Common Stock (or its equivalent) upon his/her initial election to the Board. This plan is described below. These shares vest four years from the date of grant subject to continued service during that period.

Directors' Deferred Compensation Plan. Under this plan, directors may elect to defer all or a percentage of their retainer, attendance or meeting fees. In addition, the Compensation Committee may make discretionary contributions to a participant's Common Stock account under this plan. As described above, during fiscal year 2006, the Committee exercised this discretion and granted each non-employee director 946 H.B. Fuller Common Stock units under this plan. Subsequent to this grant, these units were adjusted to reflect the two for one stock split that occurred in July, 2006.

Deferred amounts are credited with gains and losses based on the performance of certain mutual funds or H.B. Fuller Common Stock as elected by the director prior to deferring any retainer or fees. Directors who elect their retainer, attendance or meeting fees to be deferred into H.B. Fuller Common Stock units as an investment are credited with phantom stock units that will be paid out in shares of Common Stock. Phantom stock units are credited with dividend equivalents equal to the amount of dividends, if any, paid on an equal number of shares of H.B. Fuller Common Stock. The dividend equivalents are converted into additional phantom stock units based on the fair market value of H.B. Fuller Common Stock on the dividend payment date. If a participant elects to defer retainer, attendance or meeting fees to the H.B. Fuller Common Stock account in this plan, we make a 10% matching contribution of additional phantom stock units to the amount invested in H.B. Fuller Common Stock by the director. The phantom stock units credited to the directors' accounts do not have voting rights.

Any amounts deferred under this plan are paid in shares of H.B. Fuller Common Stock or cash at the earliest to occur of:

the last date on which the director serves as a director (that is, the date of resignation or removal from the Board or the end of the director's elected term) or on the first, second, third, fourth or fifth anniversary of such date, as may be elected by the director in advance;

disability;

death; or

the date of a change in control of the Company.

Directors Stock Incentive Plan. Under this plan, we may issue to non-employee members of the Board of Directors restricted stock, restricted stock units, options, stock appreciation rights, performance awards or other stock-based awards. Shares of H.B. Fuller Common Stock are also issued under this plan to satisfy any requirements under the Directors Deferred Compensation Plan. The Compensation Committee determines the type, amount and other terms and conditions of any award under this plan.

Table of Contents

Physical Examinations. Non-employee directors are reimbursed for an annual physical examination. During the 2006 fiscal year, we paid reimbursements totaling \$22,407 for director physical examinations and related expenses.

Matching Gifts to Education Program. Under this program, we match a non-employee director's contributions (up to \$1,000) to eligible educational institutions. During the 2006 fiscal year, we matched \$3,000 of eligible contributions.

How can a Shareholder or other interested party contact the Board of Directors?

Any Shareholder or other interested party may contact the Board, any committee or an individual director, by mailing a letter addressed to the Board, committee or individual director in care of the Corporate Secretary. The Corporate Secretary reviews all communication, but will forward all such correspondence to the directors for their information and consideration.

Who is the Corporate Secretary?

The Corporate Secretary is Timothy J. Keenan. The mailing address is the Office of the Corporate Secretary, P.O. Box 64683, St. Paul, Minnesota 55164-0683.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF AUDITORS

Audit Committee Report

Pursuant to its charter, the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the Company's independent auditors. In the exercise of that authority, we, the members of the Audit Committee, determined to engage KPMG LLP to serve as the Company's independent auditors for the year ending December 1, 2007.

The Audit Committee of the Board is composed solely of independent directors who satisfy all applicable requirements of federal law, the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines. Except in our capacity as directors, no member of the Committee receives, directly or indirectly, any consulting, advisory or other compensatory fee from the Company, and no member is otherwise affiliated with the Company or any subsidiary, as such term is defined by applicable federal law and regulations. In addition to the foregoing, Mr. J. Michael Losh, Chair of the Committee and Mr. John C. van Roden, Jr., based upon their experience in the preparation and auditing of the financial statements of comparable companies and their understanding of generally accepted accounting principles, internal accounting controls and audit committee functions, are deemed to satisfy the requirements of an *audit committee financial expert* as such term is defined under applicable federal law and regulation.

Edgar Filing: FULLER H B CO - Form DEF 14A

Management is responsible for the financial reporting process, accounting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable law and regulation. Management represented to us that H.B. Fuller's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

KPMG LLP, as H.B. Fuller's independent auditors for fiscal year 2006, was responsible for performing an independent audit of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report.

Table of Contents

We have reviewed and discussed the audited consolidated financial statements with management and KPMG LLP. We have also discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), and they have discussed with us their independence and provided to us the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Based upon our discussions and our review of the representations of management and the report of the independent auditors, and in reliance upon such information, representations, reports and opinions, we recommended to the Board of Directors that the audited consolidated financial statements be included in H.B. Fuller's Annual Report on Form 10-K for the fiscal year ended December 2, 2006 filed with the SEC.

Proposal

The Audit Committee has appointed KPMG LLP, certified public accountants, as our independent auditor for the fiscal year ending December 1, 2007, subject to Shareholder approval. KPMG LLP first

Table of Contents

acted as our independent auditor during the fiscal year ended November 27, 2004. If the Shareholders, by an affirmative vote of a majority of our shares of Common Stock represented and entitled to vote at the annual meeting, do not ratify the Audit Committee's appointment of KPMG LLP as our independent auditor, the Audit Committee intends to reconsider that appointment. However, because of the difficulty and expense of making any change in independent auditors so long after the beginning of the current fiscal year, it is likely that the appointment would stand for fiscal year 2007 unless there were compelling reasons for making an immediate change.

Representatives of KPMG LLP will be present at the meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions from Shareholders.

We will vote your shares as you specify when providing your proxy. If you submit your proxy without voting instructions, we will vote your shares FOR the ratification of the appointment of KPMG LLP.

The affirmative vote of a majority of the outstanding shares of Common Stock represented and entitled to vote on this matter is required to approve this proposal.

ratification of the appointment of KPMG LLP.**

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

Introduction. The Compensation Committee of the Board of Directors establishes, monitors and administers compensation policies and plans in an effort to ensure the Company's ability to attract, retain and motivate qualified directors and executive officers. We, the members of the Compensation Committee, review and approve base salary, short-term incentives and long-term incentives for the Chief Executive Officer and the executive officers who report to the Chief Executive Officer. Each year, we review national and regional compensation surveys to determine and establish competitive levels of compensation. Certain of these surveys include comparable companies from the specialty chemical peer group referred to in the Total Shareholder Return Graph in this Proxy Statement. From time to time, we also hire experienced outside consultants to review our compensation programs. The purpose of these reviews is to satisfy ourselves that H.B. Fuller's compensation programs meet our goals.

Compensation of the Chief Executive Officer. As the Company's chief executive officer during fiscal 2006, Mr. Stroucken's total compensation package was designed to be competitive with compensation provided to chief executive officers at chemical manufacturing and allied products companies with total revenues comparable to our net revenues. Since coming to the Company in 1998, Mr. Stroucken's employment compensation has been governed by his employment agreement. His original employment agreement was replaced by a new employment agreement during fiscal year 2004. Mr. Stroucken's employment agreement is described under the heading, "Executive Compensation Employment Agreements" in this Proxy Statement and is filed with the SEC. Since the components of Mr. Stroucken's total compensation package (base salary, short-term incentives, stock-based incentives and performance unit awards) are the same as those for all other executives, the specifics of his fiscal year 2006 compensation are discussed under each heading. Mr. Stroucken resigned as Chief Executive Officer and Chairman of the Board of Directors effective December 1, 2006. Information regarding his resignation and payments made to Mr. Stroucken related to his resignation are discussed under the heading, "Executive Compensation Employment Agreements" in this Proxy Statement.

Compensation for Fiscal Year 2006

Base Salary. Generally, base salary reflects an executive's job grade. Job grades are set to reflect the complexity and importance of a position as well as the market rate paid for such positions. Merit increases in base salary are tied to annual performance reviews and are generally subject to salary ranges based on market surveys of companies with total revenues comparable to H.B. Fuller's net revenues. We review and consider the annual performance of and proposed merit increase for the Chief Executive Officer and each executive officer who reports to the Chief Executive Officer. For fiscal year 2006, the budget guideline for base salary merit increases was an average of 3.5%. Base salary merit increases for executives named in this Proxy Statement (other than Mr. Stroucken) averaged 3.75% for fiscal year 2006. We increased Mr. Stroucken's base salary 5.0% from fiscal 2005 to 2006.

Short-Term Incentive Awards. Consistent with our overall philosophy and objectives, aggregate short-term incentive awards are set for each executive so that the expected payout at *target* performance levels, together with the executive's base salary, would result in base salary and short-term incentive compensation equal to competitive market levels of such compensation for similar positions at comparable companies. Under the Company's short-term incentive program, the *target* award opportunity for each executive named in this Proxy Statement (other than Mr. Stroucken) ranged from 48% to 56% of base salary for fiscal 2006. The *maximum* opportunity ranged from 96% to 112% of base salary. Mr. Stroucken's *target* award opportunity was 100% of his base salary for fiscal year 2006, with a *maximum* opportunity of 200% of his base salary.

Table of Contents

Pursuant to the Company's Annual and Long-Term Incentive Plan, the pool of available funds for short-term incentive awards for fiscal year 2006 was based on the Company's net operating income. In addition, the actual amount of each short-term award in 2006 was based in part upon a subjective evaluation of each executive's performance. In fiscal 2006, the Company exceeded the established financial objectives for short-term incentive awards under the Annual and Long-Term Incentive Plan. Therefore, we determined to pay short-term incentive awards to the named executive officers in the amounts indicated in the Summary Compensation Table set forth in this Proxy Statement. The executives named in this Proxy Statement (other than Mr. Stroucken) received a short-term incentive award ranging from 42% to 112% of base salary for 2006. For fiscal year 2006, Mr. Stroucken received 150% of his base salary as a short-term incentive award.

Stock-Based Incentive Awards. We believe that ownership of H.B. Fuller Common Stock by executives encourages long-term, strategic decision-making that is aligned with the balanced best interests of the Company's constituents. Goals for recommended levels of executive stock ownership were established several years ago. An executive's stock ownership goal ranges in dollar amount from one to five times their annual salary, depending on job grade.

To foster stock ownership by executives, in fiscal 2006, the long-term incentive program was entirely stock-based and included annual grants of restricted stock, restricted stock units and non-qualified stock options. The aggregate amount of these long-term incentive awards was set for executives so that the expected payout would result in compensation equal to competitive market levels of such compensation for similar positions at comparable companies. Stock-based awards are authorized by the Company's Amended and Restated Year 2000 Stock Incentive Plan (the Amended and Restated Plan). There were no stock option awards to Mr. Stroucken and the other executives named in this Proxy Statement during fiscal 2006. However, stock-based incentive awards for fiscal year 2006 were granted on December 1, 2005. Due to the later fiscal year end of December 3, 2005, the awards appear as a grant in fiscal year 2005 and not in this Proxy Statement.

Performance Units. From fiscal 1999 and through fiscal 2004, we granted cash-based performance units as part of the Company's long-term incentive award program. Two of these performance unit awards were outstanding during fiscal 2006—the annual awards granted in fiscal years 2003 and 2004. Each annual award of performance units specifies a three-year measurement period for determining the amount to be paid with respect to each award. For example, the performance units awarded in fiscal year 2004 are based upon the Company's performance from 2004 through 2006. The performance measurement for the performance units awarded in fiscal year 2003 compared the Company's percentage improvement in return on invested capital against a peer group of companies. The same performance measure was originally used for the performance units awarded in fiscal year 2004. However, during fiscal 2005, we amended the performance unit awards that were granted in fiscal 2004 to change the performance measurement under such awards from return on invested capital to total shareholder return. The peer group of companies for the performance units awarded in fiscal 2004 are identified under the Total Shareholder Return Graph in this Proxy Statement.

In December 2004, we decided to replace the performance unit program with restricted stock or restricted stock unit grants made under the Company's stock-based incentive program as described above. Therefore, no performance units were granted during fiscal 2005 or fiscal 2006.

The performance units granted in fiscal 2003 had a three-year measuring period covering fiscal years 2003-2005. After the date of last year's Proxy Statement, it was determined that the Company's performance fell slightly short of the requirements for a payment of the target incentive for the fiscal year 2003-2005 measuring period. However, due to the Company's favorable

Table of Contents

performance during the measuring period as compared to many of the peer companies, we determined to pay the participants an award equal to 100% of the target award under the 2003-2005 performance unit plan. The amount of these awards to each of the named executive officers in this Proxy Statement is indicated in the Summary Compensation Table set forth in this Proxy Statement.

The performance units granted in fiscal 2004 had a three-year measuring period covering fiscal years 2004-2006. In early fiscal 2007, we were able to determine that the Company's total shareholder return during the 2004-2006 measuring period ranked in the first quartile amongst the peer companies, and, therefore, participants were awarded payments based upon achieving the superior performance objective. This performance level resulted in a payment of 150% of the target award. The amount of these awards to each of the named executive officers in this Proxy Statement is indicated in the Summary Compensation Table set forth in this Proxy Statement.

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code generally limits the tax deductibility of compensation paid by a public company, like H.B. Fuller, to its chief executive officer and other executive officers. We consider the deductibility of compensation arrangements in executive compensation decisions, but deductibility is not the only factor used in determining the appropriate level of compensation. The Company's Annual and Long Term Incentive Plan and the Company's Amended and Restated Stock Incentive Plan have each been approved by our Shareholders as required by Section 162(m). Therefore, cash incentive awards and compensation attributable to stock options and other stock-based awards under these plans may be tax deductible. We, along with the Company, will continue to evaluate the Company's compensation plans and programs in view of the Section 162(m) limitations.

Independence. No member of the Compensation Committee is a current or former employee of the Company. The membership of the Committee satisfies all applicable requirements for a corporation listed on the New York Stock Exchange (the "NYSE") and all members are considered *independent* as that term has been defined by the NYSE and the Company's Corporate Governance Guidelines.

Conclusion. We believe that the policies and programs described in the report maintain an appropriate balance between motivating achievement of short-term goals and strategically leading the Company in a direction to provide long-term success and therefore serve the interests of the Shareholders and the Company.

Retirement Plans

H.B. Fuller's Retirement Plan is a defined benefit, tax qualified plan that provides benefits for U.S. employees and is sometimes referred to as a pension plan. Employees do not make contributions to this plan. The plan provides an annual benefit equal to a percentage of the employee's average annual compensation (including short term incentive compensation up to the annual IRS limit) during the highest five years of compensation in the final ten years of an employee's service, based on the employee's length of service with the Company.

We have established a Supplemental Executive Retirement Plan (SERP) to provide additional benefits to executives who may be affected by limits that are imposed by the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 on the amount of benefits that may be paid from tax qualified pension plans. This supplemental plan provides an annual benefit equal to a percentage of the executive's average annual compensation (including short term incentive compensation) during the highest five years of compensation in the final ten years of an executive's service, based on the executive's length of service with the Company. This supplemental amount is

offset by retirement income from certain other sources. The supplemental plan is an unfunded plan. However, we have placed funds in a trust that is intended to provide plan benefits. The funds are subject to the claims of our creditors.

The following table shows the estimated annual benefits on a straight-line annuity basis payable to the executives listed in the Summary Compensation Table who have 15 or more years of credited service upon normal retirement (age 65 or later) under the pension plan and the SERP. In accordance with the plans, the annual compensation considered in determining the benefits payable to any executive is the salary and short-term incentive compensation disclosed in the Summary Compensation Table.

At the time of his hiring, Mr. Stroucken was credited with years of service under the SERP for the number of years served with his prior employer and had 37 years of service as of his resignation on December 1, 2006. See the discussion of the SERP benefits to be received by Mr. Stroucken in connection with his resignation under the heading Executive Compensation Employment Agreements in this Proxy Statement.

Key Employee Deferred Compensation Plan

H.B. Fuller's Key Employee Deferred Compensation Plan permits eligible employees to defer annually a portion of their base salary and any annual incentive payment or payments made under outstanding performance units. Deferred compensation is payable on the earlier of the participant's termination of employment, reaching age 65, disability, death or the date(s) for payment selected by the participant or as required by law. Amounts deferred under the plan are credited with interest based on the prime rate, or gains and losses based on the performance of certain mutual funds or H.B. Fuller Common Stock, all as elected by the participant. If a participant elects to defer amounts to the H.B. Fuller Common Stock account, we make a matching contribution equal to 10% of the value of such amount. During fiscal 2006, we also made matching contributions to a participant's stock account to restore certain matching contributions under the H.B. Fuller Thrift Plan (a 401(k) plan) that are limited by tax regulations. The value of these matching contributions is disclosed in the Summary Compensation Table in this Proxy Statement. In addition, the Compensation Committee may make discretionary contributions to a participant's Common Stock account under this plan. For fiscal year 2006, no discretionary grants were made to any executives listed in the Summary Compensation Table.

Employment Agreements

Albert P.L. Stroucken. Mr. Stroucken's employment as President and Chief Executive Officer of the Company was governed by the terms of an employment agreement dated March 30, 2004. This agreement was negotiated during the 2004 fiscal year and replaced Mr. Stroucken's prior employment agreement with us dated April 16, 1998. The new employment agreement addressed Mr. Stroucken's base salary, annual and long-term incentive compensation, specified perquisites and participation in our employee benefit plans. The term of the employment agreement was for a period of three years terminating on March 31, 2007. The agreement provided for a base salary of \$779,000 per annum and the right to participate in the Company's annual incentive compensation plan under which Mr. Stroucken had the opportunity to earn up to 150% of his base salary during each applicable year. Pursuant to the agreement, Mr. Stroucken was also granted 8,334 shares of restricted common stock of the Company. The agreement also provided that Mr. Stroucken was entitled to participate in our retirement and welfare benefit plans and to receive other benefits and perquisites as were available generally to executives and employee directors of the Company. Mr. Stroucken's new employment agreement was filed with the SEC.

Pursuant to Mr. Stroucken's employment agreement, in the event of Mr. Stroucken's death or disability during the term of the agreement, we agreed to pay his spouse or estate for the following three years an annual amount equal to the sum of his average base salary during the two years preceding his death or disability plus his average annual bonus during the preceding two years. We agreed to pay a similar amount for three years following his termination of employment if we terminated his employment without cause, Mr. Stroucken terminated his employment for good reason (as defined in the agreement), or his employment terminated on March 31, 2007. In addition, unvested restricted stock awarded under the employment agreement or any stock options outstanding on death, disability or termination immediately vested in full. Also, in the event of Mr. Stroucken's death, disability or termination of employment without cause or for good reason, we agreed to provide him and/or his spouse with (a) certain retirement and welfare benefits and certain perquisites during the following three-year period, (b) health insurance coverage for the lifetime of Mr. Stroucken and/or his spouse, and (c) credit to Mr. Stroucken of an additional five years of age and service for purposes of his participation in, and calculation of his benefits under, our Supplemental Executive Retirement Plan (SERP). Pursuant to the terms of his agreement, Mr. Stroucken is prohibited from disclosing confidential information and engaging in certain activities competitive with us for a period following his employment with the Company.

Table of Contents

Mr. Stroucken's employment agreement contained provisions that might trigger a lump-sum payment in the event of a change in control of the Company. This payment would be triggered if, within three years after a change in control, Mr. Stroucken was disabled, we terminated Mr. Stroucken's employment without cause, or Mr. Stroucken terminated his employment for good reason (as defined in the agreement). The payment was equal to three times the sum of Mr. Stroucken's base salary plus his target annual incentive compensation in effect immediately prior to the change in control. In addition, unvested restricted stock awarded under the employment agreement or any stock options outstanding immediately prior to the change in control would vest in full and we would provide Mr. Stroucken with certain retirement and welfare benefits and certain perquisites for a three-year period following the termination of employment. We would adjust these payments and benefits in the event that they were subject to an excise tax imposed by the Internal Revenue Code and did not exceed 330% of Mr. Stroucken's base amount. Under these circumstances, the payments and benefits would be adjusted so that the amount of the payments equals 299% of the base amount, which is the maximum amount that can be paid without imposition of an excise tax. In the event that the payments and benefits were subject to an excise tax and exceed 330% of Mr. Stroucken's base amount, we agreed to reimburse Mr. Stroucken for the amount of the excise tax and for any taxes imposed upon the reimbursement. These change in control provisions terminated upon Mr. Stroucken's resignation effective December 1, 2006.

As previously disclosed in this Proxy Statement, Mr. Stroucken resigned from the Company effective December 1, 2006. In connection with his resignation, the Company entered into a separation agreement with Mr. Stroucken (the Separation Agreement), which superceded his Employment Agreement. As discussed above, under the Employment Agreement Mr. Stroucken would have been entitled to receive certain severance payments and benefits if his employment with the Company had continued until March 31, 2007 (the Employment Agreement Termination Date). The Separation Agreement adjusted and reduced such severance payments and benefits to take into account Mr. Stroucken's termination of employment prior to the Employment Agreement Termination Date.

Pursuant to the terms of the Separation Agreement, the payments and other benefits Mr. Stroucken would have received if his employment had continued through the Employment Agreement Termination Date were reduced by \$4,000,000. Under the Separation Agreement, Mr. Stroucken is entitled to receive the following payments: (a) \$802,431 as salary continuation, payable in three equal installments on each of December 1, 2007, 2008 and 2009; (b) \$1,768,886 as incentive compensation continuation, payable in three equal installments on each of December 1, 2007, 2008 and 2009; and (c) approximately \$6,118,667 in SERP benefits (plus accrued interest as provided under the SERP), payable on June 1, 2007.

Mr. Stroucken will also receive approximately \$4,791,866 representing amounts previously deferred by him under the Company's Key Employee Deferred Compensation Plan. In addition, Mr. Stroucken will be paid the value of the performance unit awards and annual short-term incentive awards he would have been entitled to receive under the terms of the Company's annual and long-term incentive plan for the fiscal year ending December 2, 2006. These payments are indicated in the Summary Compensation Table set forth in this Proxy Statement.

Under the Separation Agreement, 122,058 shares of unvested restricted stock held by Mr. Stroucken vested in full on the date of his resignation. In addition, unvested stock options to acquire 349,152 shares of common stock of the Company held by Mr. Stroucken vested in full on such date. The exercise prices of these options range from \$13.95 per share to \$16.02 per share. Under the Separation Agreement, the expiration date of these stock options was extended from his resignation date until February 1, 2007.

Under the Separation Agreement, Mr. Stroucken is eligible to receive assistance and benefits under the Company's relocation policy so that he can relocate to any city in the United States. The

Company currently expects that the cost of providing the relocation benefits to Mr. Stroucken will be approximately \$300,000 to \$500,000. However, Mr. Stroucken will no longer be eligible to participate in the Company's pension, SERP and 401(k) retirement savings plans (although he will retain the value of his vested accounts in accordance with the terms of the pension and 401(k) retirement savings plans). Also, Mr. Stroucken's participation in the Company's life insurance, personal accident, medical, health and disability plans has ceased. In addition, Mr. Stroucken will no longer receive any automobile, financial and tax planning and executive physical examination allowances.

Under the terms of the Separation Agreement, Mr. Stroucken will continue to be obligated to comply with the confidentiality, non-competition and employee non-solicitation covenants contained in the Employment Agreement for the period beginning on his resignation date and ending March 31, 2010. The Separation Agreement was filed with the SEC.

Other Executive Officers. We have agreements with Mr. Feenan, Mr. Volpi, Mr. Snyder and Mr. Large that prohibit disclosure of confidential information after termination of employment. Mr. Feenan, Mr. Volpi and Mr. Large also have agreements that prohibit each of them from competing with us for a period of time after termination of employment.

Change in Control Arrangements

We have a change in control arrangement with each of Mr. Feenan, Mr. Volpi, Mr. Snyder, and Mr. Large. (Mr. Stroucken's arrangement is described above). The initial three-year term of these agreements automatically extends for an additional year on each subsequent anniversary of the agreement, unless our Board of Directors gives notice of non-renewal prior to an anniversary date. A protected period of 24 months follows each and every change in control of the Company under the terms of these agreements. If during this protected period, we terminate the executive's employment for any reason other than cause or disability, or the executive terminates his or her employment for good reason (as defined in the agreement), the executive is entitled to receive a lump sum payment from us. The payment is equal to three times the sum of the executive's highest base salary, on an annualized basis, established by us during the period commencing three months prior to the occurrence of the change in control and ending on the date of the executive's termination of employment plus the executive's target annual incentive compensation established by us and in effect immediately prior to the change in control. In addition, the executive is entitled to medical and dental benefits and certain perquisites for a three-year period following the termination of employment. We will adjust the payments and benefits in the event that they are subject to an excise tax imposed by the Internal Revenue Code and do not exceed 330% of the executive's base amount. Under these circumstances, the payments and benefits will be adjusted so that the amount of the payments equals 299% of the base amount, which is the maximum amount that can be paid without imposition of an excise tax. In the event that the payments and benefits are subject to an excise tax and exceed 330% of the executive's base amount, we have agreed to reimburse the executive for the amount of the excise tax and for any taxes imposed upon the reimbursement.

We have other compensatory arrangements with our executives that will result from a change in control. Our Supplemental Executive Retirement Plan provides that if within two years after a change in control, we terminate a participant's employment without cause or the participant terminates his or her employment for good reason (as defined in this plan), then zero to three years (depending on the participant's position and pay grade) shall be added to both the participant's age and years of credited service for purposes of determining benefits under the plan.

In addition, in the event of a change in control, all shares of restricted stock, all restricted stock units and any unvested stock options outstanding under our stock incentive plans immediately vest in full.

Executive Stock Purchase Loan Program

In July 2000, the Board of Directors adopted the Executive Stock Purchase Loan Program. Under the program, we arranged for U.S. Bank to provide full-recourse, personal loans to eligible management employees to purchase shares of H.B. Fuller Common Stock in the open market. Each eligible employee was allowed to obtain a loan equal to the dollar amount of the participant's stock ownership goal plus capitalization of interest for the term of the loan. An executive's stock ownership goal ranged in dollar amount from one to five times his or her annual salary, depending on the executive's position with us. The loans bore interest at the Applicable Federal Rate and matured in five years, with principal and interest due at that time. The loans were guaranteed by H.B. Fuller only in the event of the participant's default. We paid the premiums on a term life insurance policy for each participant in an amount necessary to repay the outstanding loan in the event of the participant's death. We also paid the administrative fees and expenses of the program. On December 3, 2005, one active management employee participated in the program and the aggregate amount of loans outstanding under the program for that employee on December 3, 2005 was \$37,176. That employee, who is not one of the executives listed on the Summary Compensation Table, paid off the outstanding loan prior to the end of fiscal 2006. As of the end of fiscal 2006, no other loans are outstanding under the Executive Stock Purchase Program.

This program ended during fiscal year 2001. In accordance with applicable law, the Company will not extend, directly or indirectly, any similar loans in the future.
