DaVita Inc., a Delaware corporation, hereby amends and restates in their entirety Items 1 and 2 of its Registration Statement on Form 8-A filed with the Securities and Exchange Commission on November 19, 2002.

**Item 1. Description of Registrant's Securities to be Registered.**

On May 17, 2004, the board of directors of DaVita Inc. (the "Company") authorized and declared a three-for-two stock split (the "Stock Split") in the form of a stock dividend pursuant to which stockholders of record on June 1, 2004 received one-half of one share (1/2) of the Company's common stock, par value \$0.001 per share (the "Common Stock"), for each share of Common Stock held by such stockholders as of such date. The stock dividend was payable on June 15, 2004. This Amendment No. 1 to Form 8-A amends and restates the description of the Company's common stock purchase rights (the "Rights") in light of certain changes effectuated by the Stock Split.

On November 14, 2002, the Company's board of directors declared a dividend of one Right for each outstanding share of Common Stock. The dividend was payable on December 10, 2002 to stockholders of record on November 29, 2002.

Prior to the Stock Split, each outstanding share of Common Stock was accompanied by one full Right. As a result of the Stock Split, each outstanding share of Common Stock is accompanied by two-thirds (2/3) of a Right. A full Right originally entitled the registered holder to purchase from the Company one share of Common Stock at a price of \$125.00 per share of Common Stock, subject to adjustment. After the Stock Split, one full Right continues to entitle the registered holder to purchase from the Company one share of Common Stock at a price of \$125.00 per share of Common Stock, subject to adjustment. The description and terms of the Rights are set forth in a Rights Agreement dated as of November 14, 2002, as the same may be amended from time to time, between the Company and The Bank of New York, as rights agent.

The Rights are not exercisable until the Distribution Date. Under the Rights Agreement, a Distribution Date generally occurs upon the earlier of (i) 10 days following a public announcement that a person or group of affiliated or associated persons has become an Acquiring Person or (ii) 10 business days (or such later date as may be determined by action of the Company's board of directors prior to such time as any person or group of affiliated or associated persons becomes an Acquiring Person) following the commencement of, or announcement of an intention to make, a tender offer or exchange offer the consummation of which would result in the beneficial ownership by a person or group of 15% or more of the outstanding shares of the Company's Common Stock. In general, a person or group of affiliated or associated persons becomes an Acquiring Person upon acquiring beneficial ownership of 15% or more of the outstanding shares of the Company's Common Stock. Until the Distribution Date, the Rights will be evidenced, with respect to any of the Common Stock certificates outstanding as of the record date, by such Common Stock certificates together with a copy of the Summary of Rights.

The Rights Agreement provides that, until the Distribution Date (or earlier expiration of the Rights), the Rights will be transferred with and only with the Company's Common Stock. Until the Distribution Date (or earlier expiration of the Rights), new

Common Stock certificates issued after the record date upon transfer or new issuances of Common Stock will contain a notation incorporating the Rights Agreement by reference. Until the Distribution Date (or earlier expiration of the Rights), the surrender for transfer of any certificates for shares of the Company's Common Stock outstanding as of the record date, even without such notation or a copy of the Summary of Rights, will also constitute the transfer of the Rights associated with the shares of Common Stock represented by such certificate. As soon as practicable following the Distribution Date, separate Right certificates evidencing the Rights will be mailed to holders of record of Common Stock as of the close of business on the Distribution Date and such separate Right certificates alone will evidence the Rights.

The Rights are not exercisable until the Distribution Date. The Rights will expire on November 14, 2012, unless such date is advanced or extended or unless the Rights are earlier redeemed or exchanged by the Company, in each case as described below.

The purchase price payable, and the number of shares of Common Stock or preferred stock or other securities or property issuable, upon exercise of the Rights is subject to adjustment from time to time to prevent dilution (i) upon the grant to holders of Common Stock of certain rights or warrants to subscribe for or purchase Common Stock at a price, or securities convertible into Common Stock with a conversion price, less than the then-current market price of Common Stock or (ii) upon the distribution to holders of Common Stock of evidences of indebtedness or assets (excluding regular cash dividends or dividends payable in Common Stock) or of subscription rights or warrants (other than those referred to above).

The number of Rights associated with each share of Common Stock is subject to adjustment in the event of a stock dividend on the Company's Common Stock payable in shares of Common Stock or subdivisions, consolidations or combinations of the Company's Common Stock occurring, in any such case, prior to the Distribution Date.

In the event that any person or group of affiliated or associated persons becomes an Acquiring Person, each holder of a Right, other than Rights beneficially owned by the Acquiring Person (which will thereupon become void), will thereafter have the right to receive upon exercise of a Right that number of shares of Common Stock having a market value of two times the exercise price of the Right.

In the event that, after a person or group has become an Acquiring Person, the Company is acquired in a merger or other business combination transaction or 50% or more of its consolidated assets or earning power are sold, proper provisions will be made so that each holder of a Right (other than Rights beneficially owned by an Acquiring Person which will have become void) will thereafter have the right to receive upon the exercise of a Right that number of shares of Common Stock of the person with whom the Company has engaged in the foregoing transaction (or its parent) that at the time of such transaction have a market value of two times the exercise price of the Right.

At any time after any person or group becomes an Acquiring Person and prior to the earlier of one of the events described in the previous paragraph or the acquisition by such Acquiring Person of 50% or more of the outstanding shares of the Company's Common

Stock, the Company's board of directors may exchange the Rights (other than Rights owned by such Acquiring Person which will have become void), in whole or in part, for shares of Common Stock, at an exchange ratio of one share of Common Stock per Right.

With certain exceptions, no adjustment in the purchase price will be required until cumulative adjustments require an adjustment of at least 1% in such purchase price. No fractional shares of Common Stock will be issued, and in lieu thereof an adjustment in cash will be made based on the current market price of Common Stock.

At any time prior to the time an Acquiring Person becomes such, the Company's board of directors may redeem the Rights in whole, but not in part, at a price of \$0.01 per Right, payable, at the option of the Company, in cash, shares of Common Stock or such other form of consideration as the Company's board of directors shall determine. The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the board of directors in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the redemption price.

For so long as the Rights are then redeemable, the Company may, except with respect to the redemption price, amend the Rights Agreement in any manner. After the Rights are no longer redeemable, the Company may, except with respect to the redemption price, amend the Rights Agreement in any manner that does not adversely affect the interests of holders of the Rights.

The holder of a Right will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends or other distributions.

The Rights Agreement between the Company and the rights agent specifying the terms of the Rights, the form of Right Certificate attached to the Rights Agreement as Exhibit A, and the form of Summary of Rights to Purchase Shares of Common Stock attached to the Rights Agreement as Exhibit B are exhibits hereto and incorporated herein by reference. The foregoing description of the Rights is qualified in its entirety by reference to such exhibits.
