Item 7.01. Regulation FD Disclosure

In accordance with the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the Company notes that certain statements set forth in this Current Report on Form 8-K provide other than historical information and are forward looking. The actual achievement of any forecasted results, or the unfolding of future economic or business developments in a way anticipated or projected by the Company, involve numerous risks and uncertainties. Among those risks and uncertainties, many of which are beyond the control of the Company, include, without limitation, fluctuations in oil and gas prices; level of fleet additions by competitors and vessel overcapacity; changes in capital spending by customers in the energy industry for exploration, development and production; changing customer demands for different vessel specifications which may make some of our vessels technologically obsolete for certain customer projects or in certain markets; acts of terrorism; significant weather conditions; unsettled political conditions, war, civil unrest and governmental actions, especially in higher risk countries of operations; foreign currency fluctuations; and environmental and labor laws. Readers should consider all of these risk factors as well as other information contained in this report.

On July 10, 2007, the company announced that a delayed webcast of a presentation by Dean Taylor, Chairman, President and CEO, and other senior management representatives, for its annual stockholders meeting will be available beginning at 2:00 p.m. CDST on July 12, 2007, at the Tidewater website and at the CCBN website. The annual stockholders meeting will be held at 10:00 a.m. CDST in New Orleans on July 12, 2007. The presentation will provide a general overview of the Company's operations and financial activity.

The press release also announced the date, time and telephone number for the company's fiscal 2008 first quarter (ended June 30, 2007) earnings release and conference call scheduled for Thursday, July 26, 2007. The press release will be issued before the market opens and the conference call will begin at 10:00 a.m. CDST.

The press release is filed as Exhibit 99.1 to this Current Report and is incorporated herein by reference as if fully set forth.
