**Item 4. Purpose of Transaction.**

The Issuer was formed as a blank check company on June 8, 2006 to acquire a then unidentified operating business or several operating businesses through a merger, stock exchange, asset acquisition, reorganization or similar business combination (a Business Combination ). Each of Marlin and Berggruen Holdings North America Ltd., a British Virgin Islands company (BHNA ) was a sponsor of the Issuer.

On July 20, 2006, each of Marlin and BHNA (i) purchased 5,923,200 units of the Issuer (Units ), each Unit consisting of one share of Common Stock and one warrant to purchase one share of Common Stock (Founders Warrants ), (ii) agreed to purchase 2,250,000 warrants (Sponsors Warrants ) in a private placement that would occur immediately prior to the consummation of the Issuer's initial public offering (which occurred on December 28, 2006), and (iii) agreed to purchase 2,500,000 Units (the Co-Investment ) at a price of \$10.00 per Unit (the Co-Investment Units ) in a private placement that would occur immediately prior to the Issuer's consummation of its initial Business Combination. Each Co-Investment Unit consisted of one share of Common Stock and one warrant to purchase one share of Common Stock (the Co-Investment Warrants ).

Each of the Founders Warrants, Sponsors Warrants and Co-Investment Warrants entitle the holder to purchase one share of Common Stock at a price of \$7.50 per share. The Founders Warrants are exercisable at any time if and when the last sales price of the Common Stock exceeds \$14.25 per share for any 20 trading days within a 30 trading day period beginning 90 days after the Business Combination (provided that there is an effective registration statement covering the Common Stock underlying the Founders Warrants in effect). The Sponsors Warrants and the Co-Investment Warrants are exercisable at any time commencing on December 21, 2007 (provided that there is an effective registration statement covering the Common Stock underlying the Sponsors Warrants and the Co-Investment Warrants in effect).

The Business Combination was consummated on November 2, 2007, and accordingly, the Co-Investment was consummated immediately prior to the Business Combination. Mr. Franklin, in his personal capacity, satisfied Marlin's Co-Investment obligation with respect to the purchase of 2,000,000 Co-Investment Units. (Marlin's obligation to purchase the remaining 500,000 Co-Investment Units was satisfied by a non-managing member of Marlin and neither Marlin nor Mr. Franklin share voting or dispositive power over such Units.) The proceeds from the Co-Investment provided the Issuer with a portion of the equity capital necessary to fund the Business Combination.

Mr. Franklin has been a director of the Issuer since its inception and intends to remain a director of the Issuer following the Business Combination. The Reporting Persons intend to review their investment on a regular basis and, as a result thereof, may at any time or from time to time determine, either alone or as part of a group, (a) to acquire additional securities of the Issuer, through open market purchases, privately negotiated transactions or otherwise, (b) to dispose of all or a portion of the securities of the Issuer owned by it in the open market, in privately negotiated transactions or otherwise, or (c) to take any other available course of action, which could involve one or more of the types of transactions or have one or more of the results described in clauses (a) through (j) of Item 4 of Schedule 13D. Any such acquisition or disposition or other transaction would be made in compliance with all applicable laws and regulations. Notwithstanding anything contained herein, the Reporting Persons specifically reserve the right to change their intention with respect to any or all of such matters. In reaching any decision as to its course of action (as well as to the specific elements thereof), the Reporting Persons currently expect that it would take into consideration a variety of factors, including, but not limited to, the following: the Issuer's business and prospects; other developments concerning the Issuer and its businesses generally; other business opportunities available to the Reporting Persons; changes in law and government regulations;

Except as set forth herein (and after giving effect to the Business Combination), the Reporting Persons have no present plans or proposals that relate to or that would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.
