Section 2 Financial Information

Item 2.02. Results of Operations and Financial Condition.

On January 28, 2008, Albemarle Corporation (the Company) issued a press release regarding its earnings for the fourth quarter and year ended December 31, 2007. A copy of this release is being furnished as Exhibit 99.1 hereto and incorporated herein by reference. In addition, on January 29, 2008, the Company will hold a teleconference for analysts and media to discuss results for the fourth quarter and year ended December 31, 2007. The teleconference will be webcast on the Company's website at www.albemarle.com.

The press release attached as Exhibit 99.1 includes net income excluding the charge that relates to the closure of the Dayton fine chemistry facility and net income excluding the charge related to the divestiture of the Thann, France facility. Net income excluding the Dayton charge and net income excluding the Thann charge are financial measures that are not required by, or presented in accordance with, accounting principles generally accepted in the United States (GAAP). They are presented to exclude the impact of certain non-recurring items on the Company's results. The Company has reported net income excluding the Dayton charge and net income excluding the Thann charge because management believes that these financial measures are more reflective of the Company's operations, provides transparency to investors and enables period-to-period comparability of financial performance. Neither net income excluding the Dayton charge nor net income excluding the Thann charge should be considered as an alternative to net income determined in accordance with GAAP. The Company has included in the press release a reconciliation of net income excluding the Dayton charge and net income excluding the Thann charge, non-GAAP financial measures, to net income, the most directly comparable financial measure calculated and reported in accordance with GAAP.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.
