On March 14, 2008, Comstock Homebuilding Companies, Inc. (the Company) entered into a Loan Agreement with KeyBank National Association (the Lender) pursuant to which the Company obtained a three-year \$40.0 million revolving loan facility at an interest rate of LIBOR plus 400 basis points (the New Loan) with the Lender. Proceeds from the New Loan were used by the Company to (i) refinance the Company's Eclipse at Potomac Yard project, which was previously financed by Corus Bank, (ii) refinance the Company's Townes at Station View project, which was previously financed by the Lender, (iii) facilitate the Company's closing on the restructuring of \$30.0 million of its senior unsecured notes (the Unsecured Notes), (iv) pay costs associated with closing the New Loan, and (v) provide the Company with additional working capital. The New Loan has no quarterly financial covenants other than periodic minimum principal curtailment requirements commencing in March 2009. Fees associated with the New Loan total \$3.6 million.

In a separate transaction, also on March 14, 2008, the Company executed its option to restructure its Unsecured Notes by entering into an Amended and Restated Indenture (the Restated Indenture) with J.P. Morgan Ventures Corporation (the Noteholder), providing the Company with a \$15.0 million discount to the original principal amount of the Unsecured Notes. The Restated Indenture has a new principal balance of \$9.0 million and a revised term of 5 years. In connection with the execution of the Restated Indenture, the Company made a \$6.0 million principal payment to the Noteholder.

On March 14, 2008, the Company issued a press release regarding both of the above referenced transactions. A copy of the press release is attached as Exhibit 99.1.
