Forward-looking statements are identified by their use of terms and phrases such as may, will, plans, believes, estimates, expects, intends and other similar expressions. Such statements are subject to risks and uncertainties that could cause our actual results to differ materially from those projected in the statements. Such risks and uncertainties include, but are not limited to:

- the legal claims against us, the cost of defending such claims and the consequences to us if we do not prevail on such claims;
- our substantial debt and our inability to make scheduled debt service payments, including payments of principal in respect of the Existing Notes;
- our dependence on our credit agreement with our lender for working capital;
- the restrictions imposed on us by the credit agreement with our lender;
- the impact of terrorist activity or breach of security on our business;
- our ability to retain and manage our guards;
- our plans for expansion and growth of our business;
- our ability to compete effectively in our industry;
- our expectations regarding the likelihood of introduction of new regulations that would adversely affect our business;
- our estimates of our capital requirements and our need for additional financing;
- risks related to Federal government contracts;
- Federal government audits and cost adjustments;
- differences between authorized amounts and amounts received by us under federal government contracts;
- changes in Federal government (or other applicable) procurement laws, regulations, policies and budgets;
- our ability to retain contracts during re-bidding processes; and
- other risks described in "Risk Factors."

(b) The information in the Offer to Exchange under the heading "Where You Can Find More Information" is revised by amending and restating the third paragraph under such heading as follows:

We incorporate by reference the information we file with the SEC, which means that we can disclose important information to you by referring you to those documents. The information incorporated by reference is considered to be part of this Offer to Exchange. Information that was filed prior to the date of this Offer to Exchange that is updated or superseded by information contained in this Offer to Exchange is considered a part of this Offer to Exchange only as so updated or superseded. We incorporate herein by reference the documents listed below:

- Our Annual Report on Form 10-K for the fiscal year ended December 31, 2007;
- Our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2008 and June 30, 2008;
- Our Current Reports on Form 8-K filed on January 7, 2008, March 3, 2008, March 27, 2008, April 2, 2008, May 6, 2008, August 5, 2008, August 13, 2008, August 26, 2008 and September 18, 2008 (to the extent these items were filed with the SEC and not furnished);
- Our Definitive Proxy Statement on Schedule 14A for our 2007 Annual Meeting of Shareholders filed on October 17, 2007; and
- The description of our common stock, par value \$0.001 per share, contained in our Registration Statement on Form S-1/A (File No. 333-119737).

(c) The information in the Offer to Exchange under the heading "Risk Factors" is revised by adding the following information under the heading "Risk Factors - Risks Relating to Our Securities":

***If the NASDAQ Stock Market does not accept our compliance plan, then steps will be taken to delist our securities from the NASDAQ Capital Market.***

Our common stock is currently listed for trading on the NASDAQ Capital Market. We must satisfy certain minimum listing maintenance requirements to maintain such listing, including a series of financial tests relating to shareholders' equity or net income or market value, public float, number of market makers and shareholders, and maintaining a minimum bid price for our common stock.

## Edgar Filing: TRI-S SECURITY CORP - Form SC TO-I/A

On August 20, 2008, the NASDAQ Stock Market notified us that we no longer satisfy the minimum \$2.5 million shareholders' equity requirement for continued listing on the NASDAQ Capital Market, as required by the NASDAQ Marketplace Rule 4310(c)(3). As requested by the NASDAQ Stock Market staff, we submitted to the NASDAQ Stock Market our plan to achieve and sustain compliance with all requirements for continued listing on the NASDAQ Capital Market. Our plan includes, among other things, the successful completion of the Exchange Offer.

If the NASDAQ Stock Market staff determines not to accept our compliance plan, then the NASDAQ Stock Market will provide us with written notification that our securities will be delisted from the NASDAQ Capital Market. At that time, we would be afforded the opportunity to request a hearing before a NASDAQ Listing Qualifications Panel. Our securities would remain listed on the NASDAQ Capital Market pending a decision by the NASDAQ Listing Qualifications Panel following the hearing.

If our common stock is delisted from the NASDAQ Capital Market, then our common stock may trade on the Over-the-Counter-Bulletin Board, which is viewed by most investors as a less desirable and less liquid market place. Delisting from the NASDAQ Capital Market could make trading our common stock more difficult for our investors, leading to declines in share price. Delisting of our common stock could also make it more difficult and expensive for us to raise additional capital.
