Item 8.01. Other Events.

On October 10, 2008, Ligand Pharmaceuticals Incorporated (Ligand) and Pharmacoepia, Inc. (Pharmacoepia) received notice that a putative class action complaint was filed in the Superior Court of New Jersey, Mercer County (Equity Division) by Allen Heilman, one of Pharmacoepia's stockholders, against Pharmacoepia, the members of its Board of Directors, Ligand and two of Ligand's wholly owned subsidiaries. The complaint generally alleges that Pharmacoepia's Board of Directors' decision to enter into the proposed transaction with Ligand on the terms contained in the proposed merger agreement constitutes a breach of fiduciary duty and gives rise to other unspecified state law claims. The complaint also alleges that Ligand and two of its wholly owned subsidiaries aided and abetted Pharmacoepia's Board of Directors' breach of fiduciary duty. In addition, the complaint alleges that the named plaintiff will seek equitable relief, including among other things, an order preliminarily and permanently enjoining the proposed transaction.

Ligand believes that the allegations in the complaint are without merit and intends to vigorously defend against this action.

Additional Information and Where to Find It
