Attached are (i) the Preliminary Proxy Statement for the Annual Meeting of Stockholders of U.S. Auto Parts Network, Inc. (USAP or the Company) to be held on May 5, 2009 (the Preliminary Proxy Statement), which contains a proposal submitted to the Company s stockholders to approve a one-time stock option exchange program for employees other than the Company s C-level executives and directors (the Option Exchange Program); (ii) an email communication sent by Shane Evangelist, Chief Executive Officer of USAP to the Company s employees on March 13, 2009 regarding the proposed Option Exchange Program; and (iii) an email from Amy Krallman, Vice President, Legal Services, to USAP managers regarding the proposed Option Exchange Program.

Neither the Preliminary Proxy Statement nor the communications attached as exhibits to this Schedule TO constitute an offer to holders of the Company s outstanding stock options to exchange those options. The proposed Option Exchange Program will only be commenced, if at all, if the Company s stockholders approve the proposal to allow for the proposed Option Exchange Program.

The Option Exchange Program described in the Preliminary Proxy Statement, CEO s email, and the communication email to employees has not commenced and will not commence unless the requisite stockholder approval is obtained at the Company s 2009 Annual Meeting of Stockholders and the Board determines to proceed with and commence the program. Even if the requisite stockholder approval is obtained, the Company may still decide later not to implement the Option Exchange Program. The Company will file a Tender Offer Statement on Schedule TO with the SEC upon the commencement of the Option Exchange Program. Persons who may be eligible to participate in the Option Exchange Program should read the Tender Offer Statement on Schedule TO, including the offer to exchange and other related materials, when those materials become available and before they decide whether to exchange because they will contain important information about the Option Exchange Program. USAP stockholders and option holders will be able to obtain these written materials and other documents filed by USAP with the SEC free of charge from the SEC website at www.sec.gov or via the USAP website at <http://investor.usautoparts.net>.
