- x (a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense.
- x (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 10-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and

**PART III - NARRATIVE**

State below in reasonable detail why forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period. (Attach extra Sheets if Needed)

The Registrant will be unable to file its Annual Report on Form 10-K for the fiscal year ended January 3, 2009 by the deadline of April 3, 2009 without unreasonable effort or expense because management needs additional time to complete the financial statements. This process has taken longer than expected due to additional procedures required in connection with its valuation and impairment testing of goodwill and unamortizable intangibles related to its footwear, premium footwear, and accessories business segments, the values of which it expects to significantly write down as of the end of its last fiscal year (see Part IV, below). The Registrant presently intends to file its Form 10-K as soon as practicable and, in any event, no later than April 20, 2009, as prescribed in Rule 12b-25.

(Area Code)

**602-9688**

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer no, identify report(s). Yes  No

- (3) Is it anticipated that any significant change in the results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statement to be included in the subject report or portion thereof? Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant is required by Part IV, Item (3) of Form 12b-25 to provide as part of this Notification an explanation regarding whether the results of operations expected to be reported for the year ended January 3, 2009, will reflect significant changes from its results of operations for the year ended December 29, 2007. The results of operations that the Registrant will include in the Form 10-K for the fiscal year ended January 3, 2009 are still being finalized by management and audited by Mayer Hoffman McCann P.C., and additional time is required to finalize the year-end financial reporting process, including completing the year-end impairment analysis of the value of goodwill and unamortizable intangible and intangible assets.

After including the effect of these significant non-cash impairment charges, the Registrant expects to report a greater net loss from continuing operations for fiscal 2008 than the net loss from continuing operations of \$16.6 million reported by it for fiscal 2007. The Registrant has not yet completed its determination of the amount of these non-cash charges and, as a result, is unable to estimate the amount of the net loss from continuing operations for fiscal 2008.

**Forward-Looking Statements**

This Notification contains certain forward-looking statements that reflect, when made, the Registrant's current views with respect to current events and financial performance. These forward-looking statements are within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and are intended to be covered by the safe harbors created thereby. Investors are cautioned that all forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements. Many of these risks and uncertainties are discussed in Phoenix Footwear's Annual Report on Form 10-K for the fiscal year ended December 29, 2007 filed with the Securities and Exchange Commission (the SEC), and in any subsequent reports filed with the SEC, all of which are available at the SEC's website at [www.sec.gov](http://www.sec.gov). The Registrant disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events and/or otherwise.
