ITEM 2.02. Results of Operations and Financial Condition.

On May 7, 2009, STERIS issued a press release announcing financial results for the three and twelve month periods ended March 31, 2009. A copy of this press release is attached hereto as Exhibit 99.1.

The information contained in Item 2.02 of this Current Report on Form 8-K, including Exhibit 99.1 attached hereto, is being furnished to the Securities and Exchange Commission and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section. Furthermore, the information contained in Item 2.02 of this Current Report on Form 8-K shall not be deemed to be incorporated by reference into any registration statement or other document filed pursuant to the Securities Act of 1933.

ITEM 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Company's amended and restated Incentive Compensation Plan (the Bonus Plan) is included as Exhibit 10.1. All named executive officers (other than the President and CEO) and other employees in specified positions are Bonus Plan participants. Each participant is assigned a target bonus opportunity, expressed as a percentage of base salary. The Compensation and Corporate Governance Committee of the Company's Board of Directors establishes the Bonus Plan targets based on one or more Company financial performance goals. Each goal has a minimum that must be achieved (threshold) before any bonus may be paid with respect to that goal, as well as a maximum that may be achieved if targeted performance is exceeded. If the threshold performance target is attained, bonuses may be payable based upon the weight assigned to achievement of the particular Bonus Plan financial goals, each participant's target bonus opportunity percentage, and individual performance factors, subject to additional Bonus Plan limitations on the payment of awards. Bonuses for any fiscal year will be paid no later than 75 days after the end of the fiscal year. Among other limitations, a bonus payment may be subject to forfeiture upon certain conditions and a participant will not be entitled to payment under the Bonus Plan if the participant is not in the employ of the Company or a subsidiary at the time the payment is made.

The foregoing description is a summary only and is qualified in its entirety by reference to the full text of Bonus Plan which is included as Exhibit 10.1 and incorporated herein by reference.
