PRELIMINARY SUBJECT TO COMPLETION DATED APRIL 27, 2010

MERGER PROPOSAL YOUR VOTE IS VERY IMPORTANT

April 27, 2010

Dear RiskMetrics Group, Inc. Stockholder:

You are cordially invited to attend our upcoming special meeting of stockholders of RiskMetrics to be held on May 27, 2010 at 10:00 a.m., local time, at One Chase Manhattan Plaza, 44th Floor, New York, NY 10005. As we announced on March 1, 2010, RiskMetrics and MSCI Inc. entered into an agreement and plan of merger, dated February 28, 2010, which provides for a merger in which RiskMetrics will become a wholly owned subsidiary of MSCI. The RiskMetrics board of directors has unanimously determined that the merger and the merger agreement are advisable and in the best interests of RiskMetrics and its stockholders and has approved the merger agreement and the merger.

If the merger is completed, each outstanding share of RiskMetrics common stock will be converted into the right to receive a combination of \$16.35 in cash, without interest, and 0.1802 of a share of MSCI Class A common stock. Immediately after completion of the merger, it is expected that former RiskMetrics stockholders will own approximately 13.4% of the outstanding MSCI Class A common stock, based on the number of shares of RiskMetrics and MSCI Class A common stock outstanding, on a fully diluted basis, as of April 26, 2010 and assuming that all RiskMetrics options and restricted stock awards outstanding as of such date are converted into MSCI options and restricted stock awards at an exchange ratio calculated as though such date were the closing date of the merger.

The common stock of RiskMetrics and Class A common stock of MSCI are traded on the New York Stock Exchange under the symbols **RISK** and **MXB**, respectively.

We are holding the special meeting of stockholders to obtain your vote to adopt the merger agreement. Your vote is important. The merger cannot be completed unless the holders of a majority of the outstanding shares of RiskMetrics common stock vote for the adoption of the merger agreement at the special meeting. As described in the accompanying proxy statement/prospectus, several RiskMetrics principal stockholders, including Ethan Berman, have entered into a voting agreement under which these principal stockholders have agreed, absent certain specified events, to vote shares representing approximately 50.2% of the outstanding shares of RiskMetrics common stock as of the record date for the special meeting in favor of the adoption of the merger agreement.

The RiskMetrics board of directors unanimously recommends that RiskMetrics stockholders vote FOR the adoption of the merger agreement.

On behalf of the RiskMetrics board of directors, we invite you to attend the special meeting. Whether or not you expect to attend the RiskMetrics special meeting in person, we urge you to submit your proxy as promptly as possible through one of the delivery methods described in the accompanying proxy statement/prospectus. In addition, we urge you to read carefully the accompanying proxy statement/prospectus (and the documents incorporated by reference into the accompanying proxy statement/prospectus), which includes important information about the merger agreement, the proposed merger, RiskMetrics, MSCI and the special meeting. **Please pay particular attention to the section titled Risk Factors beginning on page 43 of the accompanying proxy statement/prospectus.**

On behalf of the RiskMetrics board of directors, thank you for your continued support.

Sincerely,

Edgar Filing: MSCI Inc. - Form S-4/A

Steven Thieke, Chairman of the Board of Directors

Ethan Berman, Chief Executive Officer

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

The following are some questions that you, as a stockholder of RiskMetrics, may have regarding the merger and the special meeting, and brief answers to those questions. You are urged to read carefully this proxy statement/prospectus and the other documents referred to in this proxy statement/prospectus in their entirety because this section may not provide all of the information that is important to you with respect to the merger and the special meeting. Additional important information is contained in the annexes to, and the documents incorporated by reference into, this proxy statement/prospectus.

Q: Why am I receiving this document?

A: MSCI and RiskMetrics have agreed to a merger, pursuant to which RiskMetrics will become a wholly owned subsidiary of MSCI and will cease to be a publicly held corporation. In order to complete the merger, RiskMetrics stockholders must vote to adopt the merger agreement, and RiskMetrics is holding a special meeting of stockholders solely to obtain such stockholder approval. In the merger, in addition to the payment of cash, MSCI will issue shares of MSCI Class A common stock as part of the consideration to be paid to holders of RiskMetrics common stock.

This document is being delivered to you as both a proxy statement of RiskMetrics and a prospectus of MSCI in connection with the merger. It is the proxy statement by which the RiskMetrics board of directors is soliciting proxies from you to vote on the adoption of the merger agreement at the special meeting or at any adjournment or postponement of the special meeting. It is also the prospectus by which MSCI will issue MSCI Class A common stock to you in the merger.

Q: What will happen in the merger?

A: In the merger, Crossway Inc., a wholly owned subsidiary of MSCI, will be merged with and into RiskMetrics. RiskMetrics will be the surviving corporation in the merger and will be a wholly owned subsidiary of MSCI following completion of the merger.

Q: What will I receive in the merger?

A: If the merger is completed, each of your shares of RiskMetrics common stock will be cancelled and converted automatically into the right to receive a combination of \$16.35 in cash, without interest, and 0.1802 of a share of MSCI Class A common stock. RiskMetrics stockholders will receive cash for any fractional shares of MSCI Class A common stock that they would otherwise receive in the merger. Based on the closing price of MSCI Class A common stock on the New York Stock Exchange on February 26, 2010, the last trading day before the public announcement of the merger agreement, the merger consideration represented approximately \$21.75 in value for each share of RiskMetrics common stock. Based on the closing price of MSCI Class A common stock on the New York Stock Exchange on April 26, 2010, the most recent practicable trading day prior to the date of this proxy statement/prospectus, the merger consideration represented approximately \$23.01 in value for each share of RiskMetrics common stock. **Because MSCI will issue a fixed number of shares of MSCI Class A common stock in exchange for each share of RiskMetrics common stock, the value of the stock portion of the merger consideration that RiskMetrics stockholders will receive in the merger will depend on the price per share of MSCI Class A common stock at the time the merger is completed. That price will not be known at the time of the meeting and may be less than the current price or the price at the time of the special meeting.**

Q: What happens if the merger is not completed?

A:

Edgar Filing: MSCI Inc. - Form S-4/A

If the merger agreement is not adopted by RiskMetrics stockholders or if the merger is not completed for any other reason, you will not receive any payment for your shares of RiskMetrics common stock in connection with the merger. Instead, RiskMetrics will remain an independent public company and its

Table of Contents

common stock will continue to be listed and traded on the New York Stock Exchange. If the merger agreement is terminated under specified circumstances, RiskMetrics may be required to pay MSCI a termination fee of \$50 million (and up to \$10 million in expense reimbursement) and if the merger is terminated under certain other circumstances, MSCI may be required to pay RiskMetrics a termination fee of \$100 million as described under *The Merger Agreement Termination Fees and Expenses* beginning on page 120 of this proxy statement/prospectus.

Q: What am I being asked to vote on?

A: RiskMetrics stockholders are being asked to vote on the following proposals:

to adopt the merger agreement between MSCI and RiskMetrics, a copy of which is attached as Annex A to this proxy statement/prospectus; and

to approve the adjournment of the special meeting, if necessary to solicit additional proxies if there are not sufficient votes to adopt the merger agreement at the time of the special meeting.

The approval of the proposal to adopt the merger agreement by RiskMetrics stockholders is a condition to the obligations of RiskMetrics and MSCI to complete the merger.

Q: Does RiskMetrics board of directors recommend that stockholders adopt the merger agreement?

A: Yes. The RiskMetrics board of directors has unanimously approved the merger agreement and the transactions contemplated thereby, including the merger, and determined that these transactions and the merger agreement are advisable and in the best interests of the RiskMetrics stockholders. Therefore, the RiskMetrics board of directors recommends that you vote **FOR** the proposal to adopt the merger agreement at the special meeting. See *The Merger RiskMetrics Reasons for the Merger; Recommendation of the RiskMetrics Board of Directors* beginning on page 71 of this proxy statement/prospectus.

Q: What stockholder vote is required for the approval of each proposal?

A: The following are the vote requirements for the proposals:

Adoption of the Merger Agreement: The affirmative vote of holders of a majority of the shares of RiskMetrics common stock outstanding and entitled to vote on the proposal. Accordingly, abstentions, broker non-votes and the failure to vote will have the same effect as votes **AGAINST** adoption.

Adjournment (if necessary): The affirmative vote of holders of a majority of the votes cast at the special meeting and entitled to vote on the proposal if a quorum is present or, if a quorum is not present, the affirmative vote of a majority of the outstanding RiskMetrics voting interests present at the special meeting.

Q: What constitutes a quorum for the special meeting?

Edgar Filing: MSCI Inc. - Form S-4/A

A: A majority of the outstanding shares of RiskMetrics common stock entitled to vote being present in person or represented by proxy constitutes a quorum for the special meeting.

Q: When is this proxy statement/prospectus being mailed?

A: This proxy statement/prospectus and the proxy card are first being sent to RiskMetrics stockholders on or near April 28, 2010.

Q: Who is entitled to vote at the special meeting?

A: All holders of RiskMetrics common stock who held shares at the close of business on the record date for the special meeting (April 26, 2010) are entitled to receive notice of and to vote at the special meeting provided

Table of Contents

that such shares remain outstanding on the date of the special meeting. As of the close of business on the record date, there were 69,104,540 shares of RiskMetrics common stock outstanding and entitled to vote at the special meeting. Each share of RiskMetrics common stock is entitled to one vote.

Q: Are any RiskMetrics stockholders already committed to vote in favor of the merger?

A: Yes. Pursuant to a voting agreement entered into concurrently with the merger agreement, as amended by amendment no. 1 to the voting agreement, various RiskMetrics stockholders, including Ethan Berman, the chief executive officer of RiskMetrics, have agreed to vote (subject to certain limited exceptions for shares held in trust) all shares of RiskMetrics common stock held by them in favor of the adoption of the merger agreement. As of the record date (April 26, 2010), 34,664,426 shares of RiskMetrics common stock are subject to the voting agreement, or approximately 50.2% of the outstanding shares of RiskMetrics common stock as of April 26, 2010. However, if the RiskMetrics board of directors changes its recommendation with respect to the merger, only 13,770,525 of the shares covered by the voting agreement, or approximately 19.9% of the outstanding shares of RiskMetrics common stock as of April 26, 2010, will be required to be voted in favor of the adoption of the merger agreement. The voting agreement will terminate automatically upon termination of the merger agreement, unless terminated earlier, including as a result of the RiskMetrics board of directors accepting an unsolicited superior acquisition proposal. Accordingly, as long as the voting agreement remains in effect and the RiskMetrics board of directors does not change its recommendation, the adoption of the merger agreement by RiskMetrics stockholders is assured. See The Voting Agreement beginning on page 124 of this proxy statement/prospectus.

Q: When and where is the special meeting?

A: The special meeting will be held at One Chase Manhattan Plaza, 44th Floor, New York, NY 10005 on May 27, 2010 at 10:00 a.m., local time.

Please carefully consider the information contained in this proxy statement and, whether or not you plan to attend the meeting, vote by one of the above methods so that we can be assured that your shares may be voted in accordance with your wishes even if you later decide not to attend the special meeting.

We encourage you to register your vote via the Internet or by telephone. If you attend the meeting, you may also submit your vote in person and any votes that you previously submitted whether via the Internet, by telephone or by mail will be superseded by the vote that you cast at the meeting. To vote at the special meeting, beneficial owners will need to contact the broker or other nominee that holds their shares to obtain a legal proxy to bring to the meeting. Whether your proxy is submitted by the Internet, by phone or by mail, if it is properly completed and submitted and if you do not revoke it prior to the meeting, your shares will be voted at the meeting in the manner set forth in this proxy statement or as otherwise specified by you. Again, you may vote via the Internet or by telephone until 11:59 p.m., eastern time, on May 26, 2010, or RiskMetrics' agent must receive your paper proxy card by mail on or before the close of business on May 26, 2010.

Q: If my shares are held in street name by my broker, will my broker automatically vote my shares for me?

A: No. If your shares are held in an account at a broker or through another nominee, you must instruct the broker or other nominee on how to vote your shares. If you do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote. This is called a broker non-vote. In these cases, the broker can register your shares as being present at the special meeting for purposes of determining a quorum, but will not be able to vote on those matters for which specific authorization is required. Under the current rules of the New York Stock Exchange, brokers do not have discretionary authority to vote on the proposal to adopt the merger agreement. **A broker non-vote will have the same effect as a vote AGAINST adoption of the merger agreement.** A broker non-vote will have no effect on a proposal to adjourn the special meeting if a quorum is present, but will have the same effect as a vote **AGAINST** the adjournment where a quorum is not present.

Q: How will my shares be represented at the special meeting?

A: If you submit your proxy by telephone, the Internet web site or by signing and returning your proxy card, the officers named in your proxy card will vote your shares in the manner you requested if you correctly submitted your proxy. If you sign your proxy card and return it without indicating how you would like to vote your shares, your proxy will be voted as the RiskMetrics board of directors recommends, which is:

FOR the adoption of the merger agreement; and

FOR the approval of the adjournment of the special meeting, if necessary to solicit additional proxies if there are not sufficient votes to adopt the merger agreement at the time of the special meeting.

Q: Who may attend the special meeting?

A: RiskMetrics stockholders as of the record date (or their authorized representatives) may attend the special meeting. Verification of stock ownership will be required at the meeting. If you own your shares in your name or hold them through a broker or other nominee (and can provide documentation showing ownership such as a letter from your broker or other nominee or a recent account statement at the close of business on the record date), you will be permitted to attend the meeting. Stockholders may contact RiskMetrics Investor Relations at 1-866-884-3450 to obtain directions to the location of the special meeting.

Q: Is my vote important?

A: Yes, your vote is very important. An abstention or your failure to submit a proxy or to vote in person will have the same effect as a vote against the adoption of the merger agreement. If you hold your shares through a broker or other nominee, your broker or other nominee will not be able to cast a vote on the adoption of the merger agreement without instructions from you. The RiskMetrics board of directors recommends that you vote **FOR** the adoption of the merger agreement.

Q: Can I revoke my proxy or change my voting instructions?

A: Yes. You may revoke your proxy and/or change your vote at any time before your shares are voted at the special meeting. If you are a stockholder of record, you can do this by:

sending a written notice stating that you revoke your proxy to RiskMetrics at 1 Chase Manhattan Plaza, 44th Floor, New York, NY 10005 Attn: Corporate Secretary that bears a date later than the date of the proxy and is received prior to the special meeting;

submitting a valid, later-dated proxy by mail, telephone or Internet that is received prior to the special meeting; or

attending the special meeting and voting by ballot in person (your attendance at the special meeting will not, by itself, revoke any proxy that you have previously given).

If you hold your shares through a broker or other nominee, you must contact your brokerage firm or bank to change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the meeting.

Q: What happens if I sell my shares after the record date but before the special meeting?

A: The record date for the special meeting is earlier than the date of the special meeting and the date that the merger is expected to be completed. If you sell or otherwise transfer your RiskMetrics shares after the record date but before the date of the special meeting,
