Item 1.01. Entry into a Material Definitive Agreement.

On April 26, 2010, Advance Auto Parts, Inc. (the "Company") entered into an Underwriting Agreement (the "Underwriting Agreement") among the Company, the Subsidiary Guarantors signatory thereto (the "Subsidiary Guarantors"), Banc of America Securities LLC and J.P. Morgan Securities Inc., as representatives of the several underwriters listed in Schedule 1 thereto, and BB&T Capital Markets, a division of Scott and Stringfellow, LLC, as qualified independent underwriter pursuant to which the Company agreed to sell \$300,000,000 aggregate principal amount of 5.750% Notes due May 1, 2020 (the "Notes") to the Underwriters at a public offering price of 99.587% of the principal amount per note. The Underwriting Agreement contains customary representations, warranties and agreements of the Company and customary conditions to closing, indemnification rights and obligations of the parties.

The estimated net proceeds from the offering of the Notes is approximately \$294.3 million, after deducting underwriting discounts and commissions and estimated offering expenses payable by the Company. The Company will use the net proceeds from this offering to repay indebtedness outstanding under the Company's \$750 million unsecured five-year revolving credit facility and \$200 million unsecured four-year term loan (in each case, the Company's wholly-owned subsidiary, Advance Stores Company, Incorporated, is the borrower). As of March 27, 2010, the amount of indebtedness outstanding under the Company's revolving credit facility and term loan was approximately \$275 million. Amounts repaid under the Company's revolving credit facility may be reborrowed from time to time for operational purposes, working capital needs, growth capital expenditures and other general corporate purposes. The Company intends to use the remaining net proceeds for general corporate purposes. Certain affiliates of the underwriters are lenders under the revolving credit facility and term loan.

The terms of the Notes are governed by an Indenture, dated as of April 29, 2010 (the "Base Indenture"), among the Company, the Subsidiary Guarantors and Wells Fargo Bank, National Association as Trustee (the "Trustee"), as supplemented and modified by the First Supplemental Indenture, dated as of April 29, 2010, (the "First Supplemental Indenture" and, together with the Base Indenture, the "Indenture").

The Notes bear interest at a rate of 5.750% per year payable semi-annually in arrears on May 1 and November 1 of each year, commencing on November 1, 2010. The Company may redeem some or all of the Notes at any time or from time to time, at the redemption price described in the Indenture. In addition, in the event of a Change of Control Triggering Event (as defined in the Indenture), the Company will be required to offer to repurchase the notes at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest to the repurchase date. The Notes initially will be fully and unconditionally guaranteed, jointly and severally, on an unsubordinated and unsecured basis by each of the Subsidiary Guarantors. The Company will be permitted to release guarantees without the consent of holders of the Notes under the circumstances described in the Indenture.

The Indenture contains customary provisions for events of default including for (i) failure to pay principal or interest when due and payable, (ii) failure to comply with covenants or agreements in the Indenture or the Notes and failure to cure or obtain a waiver of such default upon notice, (iii) a default under any debt for money borrowed by the Company or any of its subsidiaries that results in acceleration of the maturity of such debt, or failure to pay any such debt within any applicable grace period after final stated maturity, in an aggregate amount greater than \$25.0 million without such debt having been discharged or acceleration having been rescinded or annulled within 10 days after receipt by the Company of notice of the default by the trustee or holders of not less than 25% in aggregate principal amount of the notes then outstanding, and (iv) events of bankruptcy, insolvency or reorganization affecting the Company and certain of its subsidiaries. In the case of an event of default, the principal amount of the Notes plus accrued and unpaid interest may be accelerated. The Indenture also contains covenants limiting the ability of the Company and its subsidiaries to incur debt secured by liens and to enter into sale and lease back transactions.

The offering of the Notes was registered under the Securities Act of 1933, as amended, pursuant to the Company's shelf registration statement on Form S-3 declared effective by the Securities and Exchange Commission (the "SEC") on April 26, 2010 (File No. 333-166291, the "Registration Statement").

The foregoing description of the Underwriting Agreement, Base Indenture, First Supplemental Indenture and Notes are qualified in their entirety by the Underwriting Agreement, Base Indenture, First Supplemental Indenture and form of Note, respectively, which are incorporated herein by reference and are attached hereto as Exhibits 1.1, 4.1, 4.2 and 4.3, respectively.

They are not intended to provide any factual information about any of the parties thereto or any subsidiaries of the parties thereto.
