Item 1.01 Material Definitive Agreement

On July 7, 2010, Cott Corporation (the Company) entered into an Asset Purchase Agreement (the Purchase Agreement) with Cliffstar Corporation (Cliffstar) to acquire substantially all of the assets and liabilities of Cliffstar and its affiliated companies. Cliffstar, a privately-held corporation headquartered in Dunkirk, New York, manufactures, sells and distributes non-alcoholic beverages, primarily private label shelf-stable juices.

The purchase price is \$500 million in cash, payable at closing, subject to adjustment for working capital and other items. Cliffstar is entitled to additional contingent earnout consideration of up to a maximum of \$55 million, based upon the achievement of certain performance measures during the fiscal year ending January 1, 2011 as well as the successful completion of certain expansion projects in 2010. Cliffstar is also entitled to \$14 million of deferred consideration which will be paid over a three-year period.

The Company intends to finance the transaction by a combination of new debt issuance of up to \$375 million, new common equity issuance of up to \$95 million, and incremental borrowings under the Company's asset based lending (ABL) facility of \$75 million. The Company expects to amend the ABL facility in connection with the transaction to increase the amount of borrowings available thereunder.

The Purchase Agreement contains representations, warranties, covenants and conditions that the Company believes are customary for a transaction of this size and type, as well as indemnification provisions subject to specified limitations. The closing of the transaction is subject to receipt of financing and other customary conditions, including receipt of required regulatory approvals. The transaction is expected to close in the third quarter of 2010. The Purchase Agreement is subject to termination if the transaction is not completed within 120 days of execution (the End Date). Either party may elect to extend the End Date 90 days if the required regulatory approvals are not received by the End Date.

Item 2.02. Results of Operations and Financial Condition

On July 7, 2010, the Company issued a press release announcing the execution of the Purchase Agreement and announcing its 2010 second quarter estimates for filled beverage volume (8 ounce equivalents), revenue and operating income. A copy of the press release is attached hereto as Exhibit 99.1.
