**Item 1.01 Entry into a Material Definitive Agreement.**

On July 12, 2010, Magellan Midstream Partners, L.P. (the Partnership) entered into a definitive agreement with BP Pipelines (North America), Inc. (the Seller) to purchase certain crude oil storage assets and crude oil and refined petroleum products pipelines located in Texas and Oklahoma for \$289 million (the Purchase Agreement). The assets to be purchased include:

*Crude oil storage assets.* The crude oil storage assets are located at the crude oil marketing hub in Cushing, Oklahoma (the Cushing Storage Assets) and have an aggregate 7.8 million barrels of storage capacity. The Cushing Storage Assets will be supported by a multi-year utilization agreement with the Seller.

*Crude oil pipeline system.* The crude oil pipeline system is a common carrier pipeline system consisting of nearly 40 miles of crude oil pipelines, 24 to 26 inches in diameter, running between Houston, Texas and Texas City, Texas with connections to multiple refineries.

*Refined petroleum products pipeline system.* The refined petroleum products pipeline system consists of two 35-mile common carrier pipelines that transport refined petroleum products from the Texas City refining region to the Houston area, including connections to third-party pipelines for delivery to other end-use markets. An 18-inch pipeline transports gasoline and a 12-inch pipeline transports distillates, such as diesel fuel.

The Partnership expects the acquisition to close within 60 days of the signing of the Purchase Agreement, subject to regulatory approval and other customary closing conditions. At closing, the Partnership will also purchase, pursuant to a purchase agreement by and between the Partnership and BP Oil Supply Company, certain crude oil working inventories associated with the Cushing Storage Assets for fair market value, which the Partnership currently estimates to be approximately \$50 million. With limited exceptions, the Partnership is assuming all pre-closing and post-closing liabilities for the acquired assets.

On July 12, 2010, the Partnership received a commitment letter from JPMorgan Chase Bank, N.A., JPMorgan Securities Inc., Bank of America, N.A., Morgan Stanley Senior Funding, Inc. and Wells Fargo Bank, National Association, to provide a 364-day unsecured revolving credit facility in the amount of \$300 million (the 364-day Credit Facility). The commitment letter will terminate on August 15, 2010. The Partnership intends to fund the purchase price for the acquisition, in part, with borrowings under the 364-day Credit Facility, its existing \$550,000,000 revolving credit facility and/or future debt or equity issuances.
