PROSPECTUS SUMMARY

*This summary highlights information contained elsewhere or incorporated by reference in this prospectus. This summary may not contain all of the information that may be important to you. Before making an investment decision, you should read carefully this entire prospectus, any accompanying prospectus supplement and any other offering materials, together with the additional information described under the heading *Where You Can Find More Information* on page 11 of this prospectus.*

Our Business

We are a telematics services company that provides a suite of real-time voice and data communications services and applications for use in vehicles and are developing additional applications for use within and outside of the automotive industry. These services are enabled through a state-of-the-art communications center designed and built to connect various mobile devices with content, services and call centers. Our system architecture enables us to manage the integration of these components and the associated service delivery in an efficient manner, allowing us to quickly adopt and implement new technologies and services.

Within the automotive industry, our communications center allows for two way voice and data communications to the vehicle and supports, among other things, critical safety and security services as well as location-based services and remote diagnostics. Since November 16, 2009, we have been the exclusive telematics service provider in the United States for all new vehicles sold by Mercedes-Benz USA, LLC (Mercedes-Benz) as well as the preferred provider of telematics services for all Mercedes-Benz vehicles purchased prior to November 16, 2008. These services are marketed under the mbrace brand and are enabled through a factory-installed hardware device on Mercedes-Benz vehicles. In addition, our in-Drive product offers services to consumers and other third parties through an aftermarket hardware device that we have developed and which we intend to distribute through relationships with companies and organizations with large customer bases for installation in existing vehicles. Through Networkfleet, Inc., our wholly-owned subsidiary, we currently offer remote vehicle monitoring and other data services to support owners and operators of fleets of vehicles.

Although Networkfleet has been our primary source of revenue to date, we expect to derive our revenue increasingly from the telematics services provided to Mercedes-Benz vehicles, vehicles manufactured by automakers to whom we are currently marketing our services and vehicles which will have our in-Drive aftermarket hardware device installed. We expect a significant portion of our future revenues to be generated from subscriptions for consumer service offerings, as well as from transaction or pre-paid package fees, automaker and dealer service offerings and from strategic relationships with third parties, who are expected to develop applications for our services and product offerings.

On May 12, 2010, we, QUALCOMM Incorporated and American Medical Alert Corp. entered into a limited liability company agreement forming Lifecomm LLC (Lifecomm), a venture to design, develop, finance and operate a mobile personal emergency response service which will permit subscribers to initiate requests for emergency assistance services through a wearable device that is able to communicate information to and support voice interactions between the subscriber and an emergency assistance call center for purposes of dispatching first responders to the subscriber's location. Lifecomm expects to launch its service offering in the second half of 2011.

On March 31, 2009, pursuant to the terms of the Agreement and Plan of Merger dated June 13, 2008 (as amended and restated on November 10, 2008 and March 12, 2009, the Merger Agreement), Hughes Telematics, Inc. (Old HTI), a privately held company, and Polaris Acquisition Corp. (Polaris), a publicly held blank check company, consummated the merger (the Merger) whereby Old HTI merged with and into a wholly owned direct subsidiary of Polaris with Old HTI as the surviving corporation, and immediately thereafter, Old HTI merged with and into Polaris, with Polaris as the surviving corporation. In connection with the Merger, Polaris changed its name from Polaris Acquisition Corp. to HUGHES Telematics, Inc.

As used in this prospectus, unless otherwise indicated, references to we, us, our, and the Company refer to Old HTI for periods prior to the consummation of the Merger and refer to HUGHES Telematics, Inc. for periods following the consummation of the Merger.

USE OF PROCEEDS

We will not receive any proceeds from the sales of shares of common stock by the selling security holders.

PLAN OF DISTRIBUTION

We are registering 5,130,500 shares of common stock. As used in this prospectus, the term "selling security holders" includes pledgees, transferees or other successors-in-interest selling shares received from the selling security holders as pledgors, assignees, borrowers or in connection with other non-sale-related transfers after the date of this prospectus. This prospectus may also be used by transferees of the selling security holders, including broker-dealers or other transferees who borrow or purchase the shares to settle or close out short sales of shares of common stock. Selling security holders will act independently of us in making decisions with respect to the timing, manner and size of each sale or non-sale related transfer. We will not receive any of the proceeds from sales by the selling security holders.

We expect that the selling security holders will sell their shares primarily through sales on the OTC Bulletin Board or any other stock exchange, market or trading facility on which our shares are traded or in private transactions. Sales of our common stock may be made at fixed or negotiated prices and may be effected by means of one or more of the following transactions, which may involve cross or block transactions:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales;

transactions in which broker-dealers may agree with one or more selling security holders to sell a specified number of such shares at a stipulated price per share;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

underwritten offerings; or

a combination of any of the above or any other method permitted pursuant to applicable law.

The selling security holders will have the sole discretion not to accept any purchase offer or make any sale of their shares if they deem the purchase price to be unsatisfactory at a particular time. To the extent required, this prospectus may be amended and supplemented from time to time to describe a specific plan of distribution, including the names of any broker-dealers, underwriters or agents.

Edgar Filing: HUGHES Telematics, Inc. - Form S-3/A

Broker-dealers engaged by selling security holders may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling security holders or, if any broker-dealer acts as agent for the purchase of shares, from the purchaser, in amounts to be negotiated. Selling security holders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved.

In connection with sales of common stock, or interests therein, selling security holders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. Selling security holders may also engage in short sales, puts and calls or other transactions in our securities or derivatives of our securities and may sell and deliver shares in connection with these transactions.

Selling security holders and any underwriters, broker-dealers or agents involved in an arrangement to sell any of the offered shares may, under certain circumstances, be deemed to be underwriters with respect to securities they sell within the meaning of the Securities Act. Any profit on such sales and any discount, commission, concession or other compensation received by any such underwriter, broker-dealer or agent, may be deemed an underwriting discount and commission under the Exchange Act. No selling security holder has informed us that they have an agreement or understanding, directly or indirectly, with any person to distribute the common stock. If a selling security holder should notify us that they have a material arrangement with a broker-dealer for the resale of their shares, we would be required to amend the registration statement of which this prospectus forms a part, and file a prospectus

supplement to describe the agreement between the selling security holder and broker-dealer, underwriter or agent, provide required information regarding the plan of distribution, and otherwise revise the disclosure in this prospectus as needed. We would also file the agreement between the selling security holder and the broker-dealer as an exhibit to the post-effective amendment to the registration statement.

We have agreed to pay all fees and expenses incurred by us incident to the registration of our common stock, including SEC filing fees. Each selling security holder will be responsible for all costs and expenses in connection with the sale of their shares of common stock, including brokerage commissions or dealer discounts. Selling security holders will be indemnified by us against certain losses, claims, damages and liabilities, including certain liabilities under the Securities Act.

There can be no assurance that the selling security holders will sell any or all of the shares of common stock pursuant to the registration statement of which this prospectus forms a part.

Selling security holders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, which provisions may limit the timing of purchases and sales of common stock by them. The foregoing may affect the marketability of such securities. To comply with the securities laws of certain jurisdictions, if applicable, the common stock will be offered or sold in such jurisdictions only through registered or licensed brokers or dealers.

Selling security holders and other persons participating in the sale or distribution of the shares offered hereby will be subject to applicable provisions of the Exchange Act and rules and regulations promulgated thereunder, including, without limitation, Regulation M. With certain exceptions, Regulation M restricts certain activities of, and limits the timing of purchases and sales of any of the shares by selling security holders, affiliated purchasers and any broker-dealer or other person who participates in the sale or distribution. Under Regulation M, these persons are precluded from bidding for or purchasing, or attempting to induce any person to bid for or purchase, any security subject to the distribution until the distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of these limitations may affect the marketability of the shares offered by this prospectus.

To our knowledge, no selling security holder is a broker-dealer or an affiliate of a broker-dealer.

Table of Contents**SELLING SECURITY HOLDERS**

Pursuant to the registration rights agreement executed in connection with the private placement that we completed on May 13, 2010, we have filed with the SEC a registration statement on Form S-3, of which this prospectus forms a part, under the Securities Act to register the shares of common stock offered by certain of the selling security holders. See Description of Securities Shareholders Agreement and Registration Rights Agreement. Up to 5,130,500 shares of our common stock are being offered by this prospectus, all of which are being registered for sale for the accounts of the selling security holders. The shares of common stock are being registered to permit public sales of the shares, and the selling security holders may offer the shares for resale from time to time pursuant to this prospectus. The selling security holders may also sell, transfer or otherwise dispose of all or a portion of their shares in transactions exempt from the registration requirements of the Securities Act or pursuant to another effective registration statement covering those shares. We may from time to time include additional selling security holders in amendments to this prospectus.

In connection with the Merger, on March 31, 2009, we entered into an escrow agreement (the Escrow Agreement), with Communications LLC (in its capacity as representative of the holders of shares of Old HTI common stock), Trivergance, LLC (in its capacity as representative of the our initial stockholders) and Continental Stock Transfer & Trust Company (in its capacity as escrow agent). Communications LLC is an affiliate of Apollo Global Management, LLC, our controlling stockholder. As of the date hereof, 58,498,13 shares of common stock are held in escrow subject to the terms of the Escrow Agreement, pending the satisfaction of certain earn-out targets and to satisfy certain possible indemnification claims. None of the shares offered by this prospectus are subject to the Escrow Agreement.

The table below sets forth certain information regarding the selling security holders and the shares of our common stock offered by them in this prospectus.

Because each selling security holder may offer all, some or none of the shares it holds, no definitive estimate as to the number of shares that will be held by each selling security holder after the offering can be provided. The following table has been prepared on the assumption that all shares offered under this prospectus will be sold to parties unaffiliated with the selling security holders. The selling security holders have not had a material relationship with us within the past three years other than as described in the footnotes to the table below or as a result of their acquisition of our shares or other securities. To our knowledge, none of the selling security holders are a broker-dealer or an affiliate of a broker-dealer.

Beneficial ownership is determined in accordance with the rules of the SEC. Each selling security holder's percentage of ownership of our outstanding shares in the table below is based upon 92,631,187 shares of common stock outstanding as of August 12, 2010.

Units and Warrants

On January 17, 2008, we completed our initial public offering of 15,000,000 units at \$10.00 per unit. Each unit consists of one share of our common stock, \$0.0001 par value, and one redeemable common stock purchase warrant (the "IPO warrants"). In conjunction with the consummation of the initial public offering, we sold an aggregate of 4,500,000 warrants to certain existing stockholders on a private placement basis at a price of \$1.00 per warrant, for an aggregate price of \$4.5 million. Each warrant and IPO warrant entitles the holder to purchase from us one share of common stock at an exercise price of \$7.00. The warrants and IPO warrants expire on January 10, 2012 at 5:00 p.m., New York City time, or upon earlier redemption by us: (i) in whole and not in part; (ii) at a price of \$0.01 per warrant or IPO warrant at any time after the warrants or IPO warrants become exercisable; (iii) upon not less than 30 days' prior written notice of redemption; and (iv) if, and only if, the reported last sale price of the common stock equals or exceeds \$14.25 per share, for any 20 trading days within a 30 trading day period ending three business days before we send the notice of redemption.

The right to exercise the warrants and IPO warrants will be forfeited unless they are exercised prior to the date specified in the notice of redemption. On and after the redemption date, a record holder of a warrant or IPO warrants will have no further rights except to receive the redemption price for such holder's warrant or IPO warrant upon surrender of such warrant or IPO warrant.

The warrants are identical to the IPO warrants underlying the units sold in our initial public offering except that if the IPO warrants are called for redemption, the warrants will be exercisable on a cashless basis so long as they are still held by the original holders or their affiliates. If the original holders retain any warrants and take advantage of this option, they would pay the exercise price by surrendering their warrants for that number of shares of common stock equal to the quotient obtained by dividing (x) the product of the number of shares of common stock

Edgar Filing: HUGHES Telematics, Inc. - Form S-3/A

underlying the warrants, multiplied by the difference between the exercise price of the warrants and the fair market value (defined below) by (y) the fair market value. The fair market value shall mean the average reported last sale price of the common stock for the 10 trading days ending on the third trading day prior to the date on which the notice of redemption is sent to holders of warrants and IPO warrants.

The exercise price and number of shares of common stock issuable on exercise of the warrants may be adjusted in certain circumstances including in the event of a stock dividend, or our recapitalization, reorganization, merger or consolidation. However, the warrants will not be adjusted for issuances of common stock at a price below their respective exercise prices.

Table of Contents

The warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of Continental Stock Transfer & Trust Company, as warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price, by certified or official bank check payable to us, for the number of warrants being exercised. The warrant holders do not have the rights or privileges of holders of common stock and any voting rights until they exercise their warrants and receive shares of common stock. After the issuance of shares of common stock upon exercise of the warrants, each holder will be entitled to one vote for each share held of record on all matters to be voted on by stockholders.

No warrants will be exercisable and we will not be obligated to issue shares of common stock unless at the time a holder seeks to exercise such warrant, a prospectus relating to the common stock issuable upon exercise of the warrants is current and the common stock has been registered or qualified or deemed to be exempt under the securities laws of the state of residence of the holder of the warrants. Under the terms of the warrant agreement, we have agreed to use our best efforts to meet these conditions and to maintain a current prospectus relating to the common stock issuable upon exercise of the warrants until the expiration of the warrants. However, we cannot assure you that we will be able to do so and, if we do not maintain a current prospectus relating to the common stock issuable upon exercise of the warrants, holders will be unable to exercise their warrants and we will not be required to settle any such warrant exercise. If the prospectus relating to the common stock issuable upon the exercise of the warrants is not current or if the common stock is not qualified or exempt from qualification in the jurisdictions in which the holders of the warrants reside, we will not be required to net cash settle or cash settle the warrant exercise, the warrants may have no value, the market for the warrants may be limited and the warrants may expire worthless.

No fractional shares will be issued upon exercise of the warrants. If, upon exercise of the warrants, a holder would be entitled to receive a fractional interest in a share, we will, upon exercise, round up to the nearest whole number the number of shares of common stock to be issued to the warrant holder.

As of the date of this prospectus, there were an aggregate of 16,743,180 warrants and IPO warrants outstanding.

Shareholders Agreement

Immediately prior to the consummation of the Merger, Polaris, the initial shareholders of Polaris, and certain securityholders of Old HTI, including those selling security holders who were holders of Series B Preferred Stock (Series B Selling Securityholders), entered into the Shareholders Agreement.

The Series B Selling Securityholders agreed not to transfer any shares of our common stock issued to them in the Merger for a period of six months after the closing of the Merger, with certain limited exceptions for private transfers (e.g., to family members) where the transferee agrees to be bound by the terms of the lock-up exceptions. The holders of Old HTI's common stock party to the Shareholders Agreement agreed not to transfer any shares of our common stock, including shares of our common stock underlying stock options, issued to them in the Merger for a period of two years after the closing of the Merger, with certain limited exceptions for private transfers (e.g., to family members) where the transferee agrees to be bound by the terms of the lock-up exceptions. Polaris' initial stockholders agreed not to transfer any shares of our common stock for a period of one year after the closing of the Merger, with certain limited exceptions for private transfers (e.g., to family members) where the transferee agrees to be bound by the terms of the lock-up exceptions.

Additionally, Polaris' initial stockholders and holders of Old HTI's common stock agreed not to transfer, as applicable, (i) any sponsor earn-out shares placed in escrow pursuant to the Escrow Agreement or (ii) any earn-out shares, including shares of our common stock underlying earn-out options, issued to them in the Merger and placed in escrow pursuant to the escrow agreement, until:

with respect to shares released from escrow between the first and second anniversaries (including the second anniversary) of the closing of the Merger, upon the achievement of the share price target for the first tranche of earn-out shares, one year following the distribution of these securities from escrow; and

with respect to any other shares released from escrow (including sponsor earn-out shares and earn-out shares in the first tranche that are not released on or before the second anniversary of the closing of the Merger), the earlier of (i) six months following the distribution of these shares from escrow and (ii) the fifth anniversary of the closing of the Merger.

All of the former holders of Old HTI's common stock are subject to these transfer restrictions except for one non-employee, unaffiliated stockholder of Old HTI, who owned fewer than 50,000 shares of our common stock at the closing of the Merger (including earn-out shares). Parties to the Shareholders Agreement may vote the earn-out shares, escrowed indemnity shares and sponsor earn-out shares, as applicable,

Edgar Filing: HUGHES Telematics, Inc. - Form S-3/A

without restriction while they remain in escrow.

The parties to the Shareholders Agreement agreed that in the event Marc V. Byron, one of our directors, resigns, is removed, or is unable to serve on our board of directors while earn-out shares or escrowed indemnity shares remain in escrow (the escrow

Table of Contents

period), we will nominate a replacement designated by Polaris initial stockholders (as determined by a majority-in-interest of such stockholders) and parties to the Shareholders Agreement will vote their shares in favor of Marc V. Byron or a replacement director designated by Polaris initial stockholders until the earlier of (i) the termination of the escrow period and (ii) the date when Polaris initial stockholders hold less than 50% of the outstanding shares of our common stock held by Polaris initial stockholders at the closing of the Merger.

The Shareholders Agreement also provides for certain registration rights beginning after the expiry of the applicable transfer restrictions for the shares of our common stock issued to the Series B Selling Securityholders and holders of Old HTI s common stock in the Merger, the shares of our common stock held by Polaris initial stockholders, the Polaris warrants and shares of Polaris common stock underlying such warrants (the registerable securities). Under the Shareholders Agreement, the Series B Selling Securityholders, former holders of Old HTI s common stock and Polaris initial stockholders are afforded demand rights, shelf registration rights and piggyback rights.

Pursuant to the Shareholders Agreement, the Series B Selling Securityholders are entitled to piggyback rights and are separately entitled to two demand registrations and may demand an underwritten offering.

The former holders of Old HTI s common stock holding a majority-in-interest of the such stockholders registerable securities and Polaris initial stockholders holding a majority-in-interest of such stockholders registerable securities will be able to make written demands to us to register all or any portion of their respective registerable securities at any time after the expiry of the applicable transfer restrictions and will also be able to make shelf takedown demands for their respective registerable securities at any time after we have become eligible to file registration statements on Form S-3 and after the expiry of the applicable transfer restrictions. We are not required to (i) effect more than two demand registrations and two shelf takedown demands initiated by Polaris initial stockholders or four demand registrations and four shelf takedown demands initiated by former holders of Old HTI s common stock or (ii) effect a demand registration or shelf takedown for Polaris initial stockholders if the value of registerable securities in the proposed registration or shelf takedown is less than \$2.0 million, or effect a demand registration or shelf takedown for the former holders of Old HTI s common stock if the value of registerable securities in the proposed registration or shelf takedown is less than \$20.0 million. The demand notice and demand registration are subject to customary limitations on demands, cutbacks, withdrawals and underwriters. Former holders of Old HTI s common stock and Polaris initial stockholders will have unlimited piggyback rights after the expiry of the applicable transfer restrictions, subject to customary restrictions. Securities will cease to be registerable pursuant to the Shareholders Agreement once they are saleable under Rule 144 and not subject to the volume restrictions therein.

We agreed to indemnify the parties to the Shareholders Agreement from any losses arising out of, or based upon, any untrue statement of a material fact contained in any registration statement or prospectus, any omission to state a material fact therein or necessary to make the statements therein not misleading or any violation by us of the Securities Act. However, the SEC has taken the position that indemnification for liabilities arising under the Securities Act of 1933 is against public policy and unenforceable. The Shareholders Agreement will terminate (i) with respect to the former securityholders of Old HTI, on the date when the former securityholders of Old HTI together hold less than 10% of the outstanding our common stock, and (ii) with respect to all parties, on the date of a change of control of our company. The registration rights of the former securityholders of Old HTI and Polaris initial stockholders, as applicable, will survive until such holders no longer own any of our common stock (or, with respect to Polaris initial stockholders, any warrants). The indemnification provisions will survive the termination of the Shareholders Agreement.

Amended and Restated Co-Sale and Stock Restriction Agreement

In connection with the private financings that Old HTI consummated between March 2008 and March 2009, Old HTI entered into the Co-Sale Agreement with the selling security holders. The provisions of the Co-Sale Agreement that provided for piggyback registration rights with respect to the common stock held by the selling security holders survived the consummation of the Merger. In connection with the piggyback registration rights provided to the selling security holders, we agreed to indemnify the selling security holders from any losses arising out of, or based upon, any untrue statement of a material fact contained in any registration statement or prospectus, any omission to state a material fact therein or necessary to make the statements therein not misleading insofar as such registration statement or prospectus included securities requested to be registered pursuant to the Co-Sale Agreement. We are not required to provide indemnification for any losses arising out of, or based upon, any untrue statement of a material fact contained in any registration statement or prospectus, any omission to state a material fact required to be stated therein or necessary to make the statement therein not misleading, if the statement or omission was made in reliance upon and in conformance with information furnished in writing or on behalf of any selling security holder to us expressly for use in the registration statement or prospectus.

Registration Rights Agreements

In connection with the issuance of the our Second Lien Credit Agreement, we entered into a registration rights agreement with PLASE HT, dated as of December 17, 2009, pursuant to which we granted PLASE HT customary piggyback registration rights.

Stock Incentive Plans

Our 2006 Stock Incentive Plan (the 2006 Plan) provides for share-based compensation awards, including incentive stock options, non-qualified stock options and share awards, to our officers, employees, non-employee directors and non-employee consultants. There are 3,047,900 shares of common stock authorized for issuance under the 2006 Plan. The 2006 Plan is administered by the compensation committee of our board of directors which determines eligibility, amount, and other terms and conditions of awards. Options awarded under the 2006 Plan generally have a term of ten years and an exercise price equal to or greater than the fair value of the underlying shares of common stock on the date of grant. Generally, half of each award vests in equal parts over a period of three years of continued employment or service with us. The remaining half of each award vests upon the achievement of certain pre-established performance goals set by our board of directors. In the event an option holder's service to us is terminated for either (i) other than good reason, as defined in the 2006 Plan, before the fifth anniversary of the holder's service to us or (ii) cause, we may repurchase any stock obtained through the exercise of a stock option within 180 days of such holder's termination date at a price equal to the lesser of the fair market value of the stock on the date of termination or the exercise price of the stock option. In the event an option holder's service to us is terminated for any of (i) good reason, as defined in the 2006 Plan, (ii) other than cause or (iii) following the fifth anniversary of such holder's service to us, we may repurchase any stock obtained through the exercise of a stock option within 180 days of such holder's termination date at a price equal to the fair market value of the stock on the date of termination.

Our 2009 Equity and Incentive Plan (the 2009 Plan) provides for the grant of share-based awards, including restricted common stock, restricted stock units, stock options, stock appreciation rights and other share based awards, as well as cash bonuses and long-term cash awards to our directors, officers, employees, advisors and consultants who are selected for participation in the 2009 Plan. There are 2,500,000 shares of common stock authorized for issuance under the 2009 Plan. The 2009 Plan is administered by the compensation committee of our board of directors which determines eligibility, amount, and other terms and conditions of awards.

DISCLOSURE OF COMMISSION POSITION ON INDEMNIFICATION FOR SECURITIES ACT LIABILITIES

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 15. Indemnification of Directors and Officers

Our amended and restated certificate of incorporation, referred to herein as the certificate of incorporation, provides that a director of our company shall not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to us or our stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law (the DGCL), or (iv) for any transaction from which the director derived an improper personal benefit. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of our company will be eliminated or limited to the fullest extent permitted by the DGCL, as so amended. Our amended and restated by-laws, referred to herein as the by-laws, provide for the same indemnification for directors and officers of our company.

Our amended and restated certificate of incorporation also provides that all directors, officers, employees and agents of our company shall be entitled to be indemnified by us to the fullest extent permitted by Section 145 of the DGCL. Section 145 of the DGCL provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against amounts paid and expenses incurred in connection with an action or proceeding to which he or she is a party or is threatened to be made a party by reason of such position, if such person shall have acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal proceeding, if such person had no reasonable cause to believe his or her conduct was unlawful; provided that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the adjudicating court determines that such indemnification is proper under the circumstances.

Our by-laws provide that we will indemnify any of our directors and officers who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of our company, referred to herein as a Third Party Proceeding, by reason of the fact that he or she was or is a director or officer, employee or agent of ours, acting solely in such capacity, or a person serving at our request as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, committee or other enterprise, each referred to herein as an Authorized Representative, against his or her expenses and liabilities (including attorneys' fees), actually and reasonably incurred by him or her in connection with the Third Party Proceeding if he or she acted in good faith and in a manner reasonably believed by him or her to be in, or not opposed to, our best interests and, with respect to any Third Party Proceeding involving potential criminal liability, referred to herein as a Criminal Third Party Proceeding, had no reasonable cause to believe that his or her conduct was unlawful. The termination of any Third Party Proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, will not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, our best interests or, with respect to any Criminal Third Party Proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Our by-laws provide that we will indemnify any director or officer of ours who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by us to produce a judgment in favor of our shareholders, or any threatened, pending or completed action or suit in the right of our company by our stockholders to procure a judgment in our favor, referred to herein as a Derivative

Edgar Filing: HUGHES Telematics, Inc. - Form S-3/A

Action, by reason of the fact that the director or officer was or is an Authorized Representative of ours, against his or her expenses (including attorneys' fees) actually and reasonably incurred by the director or officer in the action if he or she acted in good faith and in a manner reasonably believed by him or her to be in, or not opposed to, our best interests; except

that no indemnification will be made in respect of any claim, issue or matter as to which he or she has been adjudged to be liable for negligence or misconduct in the performance of his or her duty to us unless and only to the extent that the court of common pleas, or other similarly constituted state court, located in the county where our registered office is located or the court in which such Derivative Action is or was pending, determines upon application that, despite the adjudication of liability but in view of all circumstances of the case, he or she is fairly and reasonably entitled to indemnification for expenses which the court deems proper.

An Authorized Representative of our company (other than a director or officer of ours) may be indemnified by us or have his or her expenses advanced in accordance with the procedures described below. To the extent that an Authorized Representative of ours has been successful on the merits or otherwise in defense of any Third Party Proceeding or Derivative Action or in defense of any claim, issue or matter therein, the Authorized Representative will be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

Indemnification under the provisions of our by-laws described above (unless ordered by a court) will be made by us only as authorized in the specific case upon a determination that the indemnification of the Authorized Representative is required or proper in the circumstances because he or she has met the applicable standard of conduct set forth above or has been successful on the merits or as otherwise in defense of any Third Party Proceeding or Derivative Action and that the amount requested has been actually and reasonably incurred. Such determination shall be made:

(a) by our board of directors or a committee thereof, acting by a majority vote of a quorum consisting of our directors who are not parties to a Third Party Proceeding or Derivative Action, referred to herein as "Disinterested Directors"; or

(b) if a quorum is not obtainable or, even if obtainable, a majority vote of a quorum of Disinterested Directors so directs, by independent legal counsel in a written opinion; or

(c) by our stockholders.

Our certificate of incorporation and by-laws provide that expenses incurred in defending a Third Party Proceeding or Derivative Action will be paid on behalf of a director or officer, and may be paid on behalf of any other Authorized Representative under our by-laws, by us in advance of the final disposition of the action as authorized in the manner provided above upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by us as authorized by our certificate of incorporation or by-laws. The financial ability of any Authorized Representative to make repayment will not be a prerequisite to making of an advance. Such expenses incurred by other employees and agents may be paid upon such terms and conditions, if any, as our board of directors deems appropriate.

Our certificate of incorporation provides that expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative, or investigative action, suit or proceeding for which such officer or director may be entitled to indemnification hereunder shall be paid by us in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by us as authorized by the certificate of incorporation.

The indemnification provided by our by-laws is not deemed to be exclusive of any other right to which a person seeking indemnification or advancement of expenses may be entitled under any by-law, agreement, vote of stockholders or Disinterested Directors, or otherwise, both as to action taken in another capacity while holding his or her office or position, and will continue as to a person who has ceased to be an Authorized Representative of ours and will inure to the benefit of his or her heirs and personal representatives.

Our by-laws provide that we may purchase and maintain insurance on behalf of any person who is or was an Authorized Representative against any expenses and liabilities asserted against him or her and incurred by him or her in any such capacity, whether or not we would have the power to indemnify him or her against such expenses and liabilities under the provisions of our by-laws.

Our board of directors is expected to approve a form of Indemnification Agreement (the "Indemnification Agreement") to be entered into between us and our directors and officers. We may from time to time enter into additional indemnification agreements with future directors and officers of ours or other key personnel.

Each of the Indemnification Agreements is expected to provide, among other things, that we will, to the extent permitted by applicable law, indemnify and hold harmless each indemnitee if, by reason of such indemnitee's status as a director or officer of ours, such indemnitee was, is or is threatened to be made a party or a participant (as a witness or otherwise) in any threatened, pending or completed proceeding, whether of a

Edgar Filing: HUGHES Telematics, Inc. - Form S-3/A

civil, criminal, administrative or investigative nature, against all losses, judgments, fines, penalties and amounts paid in settlement (if such settlement is approved in writing in advance by us) and incurred by such indemnitee in connection with such proceeding. In addition, each of the Indemnification Agreements is expected to provide for the advancement of expenses incurred by the indemnitee in connection with any proceeding covered by the agreement, subject to certain exceptions. None of the Indemnification Agreements is expected to preclude any other rights to indemnification or advancement of expenses to which the indemnitee may be entitled, including but not limited to, any rights arising under our governance documents, or any other agreement, any vote of our stockholders or any applicable law.

The exhibits to this registration statement are listed on the Exhibit Index on page II-6 hereof, which is incorporated by reference in this Item 16.

Item 17. Undertakings

(A) The undersigned registrant hereby undertakes:

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

A. Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

B. Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(B) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing

(C) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
