- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 3.02 Unregistered Sale of Equity Securities.

On December 1, 2010, Surrey Bancorp (Surrey) entered into binding subscription agreements for the sale of 181,154 shares of its Series D Preferred Stock. The Series D Preferred Stock was created pursuant to the filing of Articles of Amendment with the North Carolina Secretary of State on November 30, 2010, which is described under Item 5.03 below, the text of which is incorporated herein by reference. The purchase price for each share of Series D Preferred Stock being sold is \$7.08. The shares of Series D Preferred Stock are being sold in a private placement transaction exempt from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) thereof and Rule 506 of Regulation D promulgated pursuant thereto. The shares of Series D Preferred Stock are convertible into shares of Surrey s common stock at the election of the holder at any time after the shares are issued.

Item 5.03 Amendments to Articles of Incorporation and Bylaws; Changes in Fiscal Year.

On November 30, 2010, Articles of Amendment filed by Surrey with the North Carolina Secretary of State became effective. The Articles amend Article II of Surrey s Articles of Incorporation to create a new Series D Preferred Stock. Of the 1,000,000 shares of preferred stock authorized, 200,000 shall be authorized for issuance as Series D Preferred Stock. The Series D Preferred Stock will rank on par with Surrey s Series A, B & C Preferred Stock. The Series D Preferred Stock pays a dividend at a rate of 5.0% per annum, has a liquidation value of \$7.08 per share and is convertible into one share of common stock at the election of the holder, but is not redeemable at the option of the holder. Provided that the market value of Surrey s common stock is \$8.85 on or after January 1, 2014, Surrey may redeem all or a portion of the outstanding shares of Series D Preferred Stock at a redemption price of \$7.08 per share. The amendment creating the Series D Preferred Stock was approved by Surrey s Board of Directors at its regular meeting on November 30, 2010. The above is only a summary of the material terms of the Series D Preferred Stock and is qualified in its entirety by the terms of the Articles of Amendment, a copy of which are attached hereto as Exhibit 3.1 and incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
