Following the repayment of all such outstanding borrowings, the Company terminated the Existing Senior Secured Credit Agreement in accordance with its terms.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Indenture

The Notes were issued pursuant to an Indenture, dated as of December 21, 2010 (the Indenture), by and among the Company, the subsidiary guarantors party thereto (the Subsidiary Guarantors), and Wilmington Trust FSB, as trustee and collateral agent (the Trustee).

The Notes will mature on January 15, 2018. Interest on the Notes accrues at a rate of 9.00% per annum and is payable semiannually in arrears on January 15 and July 15 of each year, commencing on July 15, 2011. The Notes and the guarantees thereof (the Guarantee) are senior secured obligations of the Company and the Subsidiary Guarantors and rank equally in right of payment with all of the Company's and the Subsidiary Guarantors' existing and future senior obligations, and senior to all of Company's and the Subsidiary Guarantors' existing and future subordinated indebtedness. The Notes will be secured by substantially all of the assets of the Company and the Subsidiary Guarantors, subject to certain exceptions. The Notes and the Guarantees are *pari passu* to all of the Company's and the Subsidiary Guarantors' existing and future secured indebtedness under the New Senior Secured Credit Agreement.

The Company may redeem all or part of the Notes beginning on January 15, 2014, at the redemption prices set forth in the Indenture. The Company may also redeem all or part of the Notes at any time and from time to time prior to January 15, 2014, at a price equal to 100% of the aggregate principal amount of the Notes to be redeemed plus a make-whole premium and accrued and unpaid interest. In addition, prior to January 15, 2014, the Company may redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds of certain equity offerings at a price equal to 109.000% of the aggregate principal amount of the Notes to be redeemed plus accrued and unpaid interest.

Upon the occurrence of a Change of Control (as defined in the Indenture), each holder of the Notes may require the Company to repurchase all or a portion of the Notes in cash at a price equal to 101% of the aggregate principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, to the date of repurchase.

The Indenture contains covenants that, among other things, limit (subject to certain exceptions) the Company's ability and the ability of the Company's Restricted Subsidiaries (as defined in the Indenture) to:

incur or guarantee additional indebtedness or issue preferred stock;

pay dividends or make other distributions to shareholders;

purchase or redeem capital stock or subordinated indebtedness;

make investments;

create liens;

incur restrictions on the Company's ability and the ability of the Restricted Subsidiaries to pay dividends or make other payments to the Company;

sell assets, including capital stock of the Company's subsidiaries;

consolidate or merge with or into other companies or transfer all or substantially all of the Company's assets; and

engage in transactions with affiliates.

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants in the Indenture, failure to pay at maturity or acceleration of other indebtedness, a failure to pay certain judgments and certain events of bankruptcy and insolvency. Generally, if an event of default occurs, the Trustee or holders of at least 25% in principal amount of the then outstanding Notes may declare the principal of and accrued but unpaid interest, including any additional interest, on all of the Notes to be due and payable.

The foregoing description of the Indenture is qualified in its entirety by reference to the complete copy of that agreement that is filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated by reference herein.

The foregoing description of the Notes is qualified in its entirety by reference to the form of Note that is filed as Exhibit 4.2 to this Current Report on Form 8-K and is incorporated by reference herein.
