SUMMARY

This summary does not contain all of the information that you should consider before investing in the new notes. You should read the entire prospectus and the documents incorporated herein carefully, including the matters discussed in the section entitled Risk Factors, below and in the documents incorporated by reference.

In this prospectus, except as otherwise indicated, Endo, the Company, we, our, and us refer to Endo Pharmaceuticals Holdings Inc. and its consolidated subsidiaries. All references to the notes refer to both the old notes and the new notes, except as otherwise indicated. Unless otherwise indicated, historical financial information presented herein reflects the operating results of HealthTronics, Inc. (HealthTronics) from July 2, 2010, Penwest Pharmaceuticals Co. (Penwest) from September 20, 2010, Generics International (US), Inc. (which we refer to herein as Qualitest) from November 30, 2010 and American Medical Systems Holdings, Inc. (AMS) from June 17, 2011.

Our Company

We are a United States-based, specialty healthcare solutions company with a diversified business model, operating in three key business segments branded pharmaceuticals, generics, and devices and services. We deliver an innovative suite of complementary branded and generic drugs, devices, services and clinical data to meet the needs of patients in areas such as pain management, urology, endocrinology and oncology. We believe that recent healthcare reform in the United States places a premium on providing cost-effective healthcare solutions, like those we offer. Over the past two years, we have successfully invested in and reshaped our company through a combination of organic and strategic growth initiatives, creating a vertically integrated company that we believe is positioned to address the changing economics that are driving the transformation of the U.S. healthcare environment.

Over the past two years, we have evolved from a product-driven pharmaceutical company to a healthcare solutions provider with an integrated business model primarily through strategic acquisitions:

In February 2009, we acquired Indevus Pharmaceuticals, Inc. (now, Endo Pharmaceuticals Solutions Inc., which we refer to herein as Indevus), a specialty pharmaceutical company engaged in the acquisition, development and commercialization of products to treat conditions in urology, endocrinology and oncology. The Indevus acquisition helped us expand beyond our legacy pain management business and secure a position in urology.

In July 2010, we completed our acquisition of HealthTronics, a provider of healthcare services and manufacturer of medical devices, primarily for the urology community. The HealthTronics acquisition gave us an established presence in the devices and healthcare services space and added critical mass in urology.

In September 2010, we acquired our partner in Opana[®] ER, Penwest, which strengthened our pain management franchise by enhancing our flexibility to market our product, Opana[®] ER, and our tamper resistant formulation of oxymorphone, which is currently under United States Food and Drug Administration (FDA) review.

In November 2010, we completed our acquisition of Qualitest, a leading United States-based, privately-held generics company. Our acquisition of Qualitest enhanced our healthcare solutions platform with the addition of an extensive generics portfolio, adding critical mass to our existing generics business, while also strengthening our pain management franchise offerings.

In addition, in June 2011, we completed our acquisition of AMS, a market leading provider of medical devices and therapies that help restore pelvic health and a technology leader in the development of minimally-invasive and cost-effective solutions serving urologists, gynecologists, urogynecologists and

Table of Contents

colorectal surgeons. We believe our acquisition of AMS will further our stated strategy to respond to the changing economics that drive the United States healthcare environment, bring scale to our devices and services business and Endo as a whole, strengthen our core urology franchise and diversify and boost our revenue and earnings streams.

We have built a diversified business model with three key business segments branded pharmaceuticals, generics and devices and services providing focused solutions primarily in the pain management and urology therapeutic areas with an emerging presence in the oncology and endocrinology space. We believe this business model enables us to strengthen our partnerships with providers, payers and patients by offering multiple products and platforms to deliver healthcare solutions. We have a portfolio of branded pharmaceuticals that includes established brand names such as Lidoderm[®], Opana[®] ER and Opana[®], Percocet[®], Frova[®], Voltaren[®] Gel, Vantas[®], Valstar[®], Supprelin[®] LA and Fortesta[®] Gel. Our non-branded generic portfolio currently consists of products primarily focused on pain management. We focus on selective generics that we believe have one or more barriers to market entry, such as complex formulation, regulatory or legal challenges or difficulty in raw material sourcing. Additionally, we have a growing devices and services portfolio.

Corporate Information

We were incorporated in Delaware as a holding company on November 18, 1997. Our principal executive offices are located at 100 Endo Boulevard, Chadds Ford, Pennsylvania 19317 and our telephone number is (610) 558-9800.

Conditions to the Exchange Offer

The exchange offer is subject to customary conditions, which we may waive. See the discussion below under the caption **The Exchange Offer Conditions to the Exchange Offer** for more information regarding the conditions to the exchange offer.

Procedures for Tendering the Old Notes

You must do one of the following on or prior to the expiration of the exchange offer to participate in the exchange offer:

tender your old notes by using the book-entry transfer procedures described below and transmitting a properly completed and duly executed letter of transmittal, with any required signature guarantees, or an agent's message instead of the letter of transmittal, to the exchange agent. In order for a book-entry transfer to constitute a valid tender of your old notes in the exchange offer, Wells Fargo Bank, National Association, as exchange agent, must receive a confirmation of book-entry transfer of your old notes into the exchange agent's account at DTC prior to the expiration of the exchange offer. For more information regarding the use of book-entry transfer procedures, including a description of the required agent's message, see the discussion below under the caption **The Exchange Offer Book-Entry Transfers**.

Special Procedures for Beneficial Owners

If you are a beneficial owner whose old notes are registered in the name of the broker, dealer, commercial bank, trust company or other nominee and you wish to tender your old notes in the exchange offer, you should promptly contact the person in whose name the old notes are registered and instruct that person to tender on your behalf. Resales

Based on interpretations by the staff of the Commission, as set forth in no-action letters issued to the third parties, we believe that the new notes you receive in the exchange offer may be offered for resale, resold or otherwise transferred without compliance with the registration and prospectus delivery provisions of the Securities Act. However, you will not be able to freely transfer the new notes if:

you are our affiliate, as defined in Rule 405 under the Securities Act;

you are not acquiring the new notes in the exchange offer in the ordinary course of your business;

you are engaged in or intend to engage in or have an arrangement or understanding with any person to participate in the distribution, as defined in the Securities Act, of the new notes, you will receive in the exchange offer; or

you are holding old notes that have or are reasonably likely to have the status of an unsold allotment in the initial offering.

If you are an affiliate of ours, are engaged in or intend to engage in or have any arrangement or understanding with any person to participate in the distribution of the new notes:

you cannot rely on the applicable interpretations of the staff of the Commission; and

you must comply with the registration requirements of the Securities Act in connection with any resale transaction.

Each broker-dealer that receives new notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such new notes. The accompanying letter of transmittal relating to the exchange offer states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of new notes received in exchange for old notes where such old notes were acquired by such broker-dealer as a result of market-making activities or other trading activities. We have agreed that, for a period of up to 180 days after the completion of the exchange offer, we will make this prospectus available to any broker-dealer for use in connection with any such resale. See "Plan of Distribution" for more information.

Table of Contents

Furthermore, a broker-dealer that acquired any of its old notes directly from us:

may not rely on the applicable interpretation of the staff of the Commission's position contained in *Exxon Capital Holdings Corp.*, SEC no-action letter (April 13, 1988), *Morgan, Stanley and Co. Inc.*, SEC no-action letter (June 5, 1991) and *Shearman & Sterling*, SEC no-action letter (July 2, 1993); and

must also be named as a selling security holder in connection with the registration and prospectus delivery requirements of the Securities Act relating to any resale transaction.

As a condition to participation in the exchange offer, each holder will be required to represent that it is not our affiliate or a broker-dealer that acquired the old notes directly from us.

Registration Rights Agreements

When the old 2020 notes were issued, we entered into a registration rights agreement with the initial purchasers of the old 2020 notes. When the old 2019 notes and the old 2022 notes were issued, we entered into a registration rights agreement with the initial purchasers of the old 2019 notes and a registration rights agreement with the initial purchasers of the old 2022 notes. Under the terms of these registration rights agreements, we agreed to use our commercially reasonable efforts to file with the Commission and cause to become effective, a registration statement relating to an offer to exchange the old notes for the new notes.

If we do not complete the exchange offer for the old 2020 notes within 270 days of the date of issuance of the old 2020 notes, the interest rate borne by the old 2020 notes will be increased by 0.25% per annum during the 90-day period immediately following such date and shall increase by an additional 0.25% per annum with respect to each subsequent 90-day period (but such aggregate increase shall not exceed 1.00% per annum) until the exchange offer is completed or until the old 2020 notes are freely transferable under Rule 144 of the Securities Act.

If we do not complete the exchange offer for the old 2019 notes and the old 2022 notes within 270 days of the date of issuance of the old 2019 notes and the old 2022 notes, the interest rate borne by the old 2019 notes and the old 2022 notes will be increased by 0.25% per annum during the 90-day period immediately following such date and shall increase by an additional 0.25% per annum with respect to each subsequent 90-day period (but such aggregate increase shall not exceed 1.00% per annum) until the exchange offer is completed or until the old 2019 notes and old 2022 notes are freely transferable under Rule 144 of the Securities Act.

Table of Contents

Under some circumstances set forth in the registration rights agreements, holders of old notes, including holders whose old notes are or were ineligible to be exchanged in the exchange offer, may require us to file and cause to become effective, a shelf registration statement covering resales of the old notes by these holders.

if they are offered or sold in a transaction not subject to the Securities Act and applicable state securities laws.

We do not currently intend to register the old notes under the Securities Act. Under some circumstances, however, holders of the old notes, including holders whose old notes are or were ineligible to be exchanged in the exchange offer, may require us to file and cause to become effective, a shelf registration statement covering resales of old notes by these holders. For more information regarding the consequences of not tendering your old notes and our obligation to file a shelf registration statement, see [The Exchange Offer](#) [Consequences of Exchanging or Failing to Exchange Old Notes](#).

The indentures pursuant to which the new notes will be issued restrict our ability and the ability of our restricted subsidiaries to, among other things:

These covenants are subject to important exceptions and qualifications. In addition, following any date on which the new notes achieve an investment grade rating, certain covenants will be removed. See Description of New 2020 Notes and Description of New 2019 Notes and New 2022 Notes.

Risk Factors

Tendering your old notes in the exchange offer involves risks. You should carefully consider the information set forth in this prospectus and, in particular, should evaluate the specific factors set forth in the section entitled "Risk Factors" for an explanation of certain risks of investing in the new notes before tendering any old notes. For a description of risks related to our industry and business, you should also evaluate the specific risk factors set forth in the section entitled "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2010 (our "2010 Form 10-K") and in our Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2011 (our "Second Quarter 2011 Form 10-Q").

Table of Contents

RISK FACTORS

Participating in the exchange offer is subject to a number of risks. You should carefully consider the risks and uncertainties set forth below and the risks and uncertainties incorporated by reference in this prospectus, including the information included under Risk Factors in our 2010 Form 10-K and our Second Quarter 2011 Form 10-Q and other documents that we subsequently file with the Commission. Unless otherwise indicated, when we use the term notes in this prospectus, the term includes the old notes and the new notes. Unless otherwise indicated, when we use the term indentures in this prospectus, the term includes the indentures governing the 7.00% Senior Notes due 2020, the 7% Senior Notes due 2019 and the 7 1/4% Senior Notes due 2022.

Risks Related to the Exchange Offer and Holding the New Notes

Holders who fail to exchange their old notes will continue to be subject to restrictions on transfer.

If you do not exchange your old notes for new notes in the exchange offer, you will continue to be subject to the restrictions on transfer of your old notes described in the legend on the certificates for your old notes. The restrictions on transfer of your old notes arise because we issued the old notes under exemptions from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws. In general, you may only offer or sell the old notes if they are registered under the Securities Act and applicable state securities laws, or offered and sold under an exemption from these requirements. We do not plan to register the old notes under the Securities Act. For further information regarding the consequences of tendering your old notes in the exchange offer, see the discussions below under the captions The Exchange Offer Consequences of Exchanging or Failing to Exchange Old Notes and Certain U.S. Federal Income Tax Consequences.

You must comply with the exchange offer procedures in order to receive freely tradable new notes.

Delivery of new notes in exchange for old notes tendered and accepted for exchange pursuant to the exchange offer will be made only after timely receipt by the exchange agent of the following:

certificates for old notes or a book-entry confirmation of a book-entry transfer of old notes into the Exchange Agent's account at DTC, New York, New York as depository, including an Agent's Message (as defined herein) if the tendering holder does not deliver a letter of transmittal;

a completed and signed letter of transmittal (or facsimile thereof), with any required signature guarantees, or an Agent's Message in lieu of the letter of transmittal; and

any other documents required by the letter of transmittal.

Therefore, holders of old notes who would like to tender old notes in exchange for new notes should be sure to allow enough time for the old notes to be delivered on time. We are not required to notify you of defects or irregularities in tenders of old notes for exchange. Old notes that are not tendered or that are tendered but we do not accept for exchange will, following consummation of the exchange offer, continue to be subject to the existing transfer restrictions under the Securities Act and, upon consummation of the exchange offer, certain registration and other rights under the registration rights agreement will terminate. See The Exchange Offer Procedures for Tendering Old Notes and The Exchange Offer Consequences of Exchanging or Failing to Exchange Old Notes.

Some holders who exchange their old notes may be deemed to be underwriters and these holders will be required to comply with the registration and prospectus delivery requirements in connection with any resale transaction.

If you exchange your old notes in the exchange offer for the purpose of participating in a distribution of the new notes, you may be deemed to have received restricted securities and, if so, will be required to comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction.

Table of Contents

The new notes and the guarantees will be unsecured and effectively subordinated to our and the guarantors' existing and future secured indebtedness.

The new notes and the guarantees will be our general unsecured obligations ranking effectively junior in right of payment to all of our existing and future secured indebtedness and that of each guarantor, including indebtedness under our senior secured credit facility (the Credit Facility). Additionally, the indentures pursuant to which the new notes will be issued permits us to incur additional secured indebtedness in the future. In the event that we or a guarantor is declared bankrupt, becomes insolvent or is liquidated or reorganized, any indebtedness that is effectively senior to the new notes and the guarantees will be entitled to be paid in full from our assets or the assets of the guarantor, as applicable, securing such indebtedness before any payment may be made with respect to the notes or the affected guarantees. Holders of the new notes will participate ratably with all holders of our unsecured indebtedness that is deemed to be of the same class as the new notes, and potentially with all of our other general creditors, based upon the respective amounts owed to each holder or creditor, in our remaining assets.

As of June 30, 2011, the notes and the guarantees were effectively subordinated to \$2,200.0 million of senior secured indebtedness with respect to the term loan portion of our Credit Facility and up to \$500.0 million of undrawn senior secured indebtedness under the revolving credit portion of our Credit Facility on such date, subject to compliance with financial covenants in our Credit Facility.

Claims of noteholders will be structurally subordinated to claims of creditors of our subsidiaries that do not guarantee the notes.

The notes are not guaranteed by our non-U.S. subsidiaries, our subsidiaries that do not guarantee our obligations under the Credit Facility and certain other senior indebtedness and will not be guaranteed by any future subsidiaries that we designate as unrestricted in accordance with the terms of the indentures. Accordingly, claims of holders of the notes will be structurally subordinated to the claims of creditors of these non-guarantor subsidiaries, including trade creditors. All obligations of our non-guarantor subsidiaries will have to be satisfied before any of the assets of these subsidiaries would be available for distribution, upon a liquidation or otherwise, to us or a guarantor of the notes. Although all of our domestic subsidiaries that guarantee our obligations under the Credit Facility and certain other senior indebtedness guarantee the notes, the guarantees are subject to release under certain circumstances and we may have subsidiaries that are not guarantors. In the event of the liquidation, dissolution, reorganization, bankruptcy or similar proceeding of the business of a subsidiary that is not a guarantor, creditors of that subsidiary would generally have the right to be paid in full before any distribution is made to us or the holders of the notes. In any of these events, we may not have sufficient assets to pay amounts due on the notes with respect to the assets of that subsidiary.

Our right to receive any assets of any of our non-guarantor subsidiaries upon their liquidation or reorganization, and therefore the right of the holders of the notes to participate in those assets, will be structurally subordinated to the claims of that subsidiary's creditors, including trade creditors.

Our non-guarantor subsidiaries would have accounted for \$107.6 million, or 9.2%, of our total net revenues and net income of approximately \$1.0 million, or 0.9%, attributable to Endo Pharmaceuticals Holdings Inc.'s consolidated net income for the six months ended June 30, 2011. The non-guarantor subsidiaries would have had assets of \$506.8 million and liabilities of \$120.0 million as of June 30, 2011.

A guarantee could be voided if it constitutes a fraudulent transfer under U.S. bankruptcy or similar state law, which would prevent the holders of the notes from relying on that subsidiary to satisfy claims.

Under U.S. bankruptcy law and comparable provisions of state fraudulent transfer laws, a guarantee can be voided, or claims under the guarantee may be subordinated to all other debts of that guarantors if, among other things, the guarantor, at the time it incurred the indebtedness evidenced by its guarantee or, in some states, when

Table of Contents

payments become due under the guarantee, received less than reasonably equivalent value or fair consideration for the incurrence of the guarantee and:

was insolvent or rendered insolvent by reason of such incurrence;

was engaged in a business or transaction for which the guarantor's remaining assets constituted unreasonably small capital; or

intended to incur, or believed that it would incur, debts beyond its ability to pay those debts as they mature.

A guarantee may also be voided, without regard to these factors, if a court finds that the guarantor entered into the guarantee with the actual intent to hinder, delay or defraud its creditors. A court would likely find that a guarantor did not receive reasonably equivalent value or fair consideration for its guarantee if the guarantor did not substantially benefit directly or indirectly from the issuance of the guarantees. If a court were to void a guarantee, you would no longer have a claim against the guarantor. Sufficient funds to repay the notes may not be available from other sources, including the remaining guarantors, if any. In addition, the court might direct you to repay any amounts that you already received from the guarantor.

The measures of insolvency for purposes of fraudulent transfer laws vary depending upon the governing law. Generally, a guarantor would be considered insolvent if:

the sum of its debts, including contingent liabilities, were greater than the fair saleable value of all its assets;

the present fair saleable value of its assets is less than the amount that would be required to pay its probable liability on its existing debts, including contingent liabilities, as they become absolute and mature; or

it could not pay its debts as they become due.

Each guarantee will contain a provision intended to limit the guarantor's liability to the maximum amount that it could incur without causing the incurrence of obligations under its guarantee to be a fraudulent transfer. This provision may not be effective to protect the guarantees from being voided under fraudulent transfer law. In a recent Florida bankruptcy case unrelated to us, the enforceability of this provision was called into question.

Any additional guarantees provided after the new notes are issued could be avoided as preferential transfers.

The indentures pursuant to which the new notes will be issued provide that certain future subsidiaries of ours will guarantee the new notes. Any future guarantee in favor of the noteholders might be avoidable by the grantor (as debtor-in-possession) or by its trustee in bankruptcy or other third parties if certain events or circumstances exist or occur. For instance, if the entity granting the future guarantee were insolvent at the time of the grant and if such grant was made within 90 days before that entity commenced a bankruptcy proceeding (or one year before commencement of a bankruptcy proceeding if the creditor that benefited from the guarantee is an insider under the U.S. Bankruptcy Code), and the granting of the future guarantee enabled the noteholders to receive more than they would if the grantor were liquidated under chapter 7 of the U.S. Bankruptcy Code, then such note guarantee could be avoided as a preferential transfer.

Many of the covenants in the indentures will not apply following any date on which the notes are rated investment grade by both Moody's and Standard & Poor's.

Many of the covenants in the indentures will not apply to us following any date on which the notes are rated investment grade by both Moody's and Standard & Poor's. These include the covenants that restrict, among other things, our ability to pay distributions, incur debt and to enter into certain other transactions. There can be no assurance that the notes will ever be rated investment grade. However, removal of these covenants would allow

Table of Contents

us to engage in certain transactions that would not have been permitted while such covenants were in force. These covenants will not be subsequently reinstated upon the notes falling below investment grade in the future. See Description of New 2020 Notes Certain covenants Fall away of covenants when notes rated investment grade and Description of New 2019 Notes and New 2022 Notes Certain Covenants Fall Away of Covenants When Notes Rated Investment Grade.

Upon a change of control repurchase event, we may not have the ability to raise the funds necessary to finance the change of control offer required by the indentures governing the notes, which would violate the terms of the notes.

Upon the occurrence of a change of control repurchase event, holders of the notes will have the right to require us to purchase all or any part of the notes at a price equal to 101% of the principal amount, plus accrued and unpaid interest, if any, to the date of purchase. We may not have sufficient financial resources available to satisfy all of obligations under the notes in the event of a change in control repurchase event. Further, we will be contractually restricted under the terms of the Credit Facility from repurchasing all of the notes tendered upon a change of control repurchase event. Accordingly, we may be unable to satisfy our obligations to purchase the notes unless we are able to refinance or obtain waivers under the Credit Facility. Our failure to purchase the notes as required under the indentures would result in a default under the indentures and a cross-default under the Credit Facility, each of which could have material adverse consequences for us and the holders of the notes. In addition, the Credit Facility provides that a change of control is a default that permits lenders to accelerate the maturity of borrowings under it. See Description of New 2020 Notes Change of control repurchase event and Description of New 2019 Notes and New 2022 Notes Change of Control Repurchase Event.

If the notes have an investment grade rating, we will not experience a change of control repurchase event requiring us to repurchase all of the notes unless a change of control occurs together with a below investment grade rating event. These terms are defined in the indentures. See Description of New 2020 Notes Repurchase at the option of holders and Description of New 2019 Notes and New 2022 Notes Repurchase at the Option of Holders for additional information. Other series of our outstanding debt securities may require us to offer to repurchase those securities upon the occurrence of a change of control as defined under the terms of those securities, regardless of any change in our rating or the rating of those securities. Accordingly, the terms of those debt securities may require us to offer to repurchase them while, in certain circumstances while the notes have an investment grade rating, the indentures governing the notes may not require us to make a similar offer to repurchase the notes.

There is no established trading market for the new notes and there is no guarantee that an active trading market for the new notes will develop. You may not be able to sell the new notes readily or at all or at or above the price that you paid.

The new notes are a new issue of securities and there is no established trading market for them. We do not intend to apply for the new notes to be listed on any securities exchange or to arrange for quotation on any automated dealer quotation system. You may not be able to sell your new notes at a particular time or at favorable prices. As a result, we cannot assure you as to the liquidity of any trading market for the new notes. Accordingly, you may be required to bear the financial risk of your investment in the new notes indefinitely. If a trading market were to develop, future trading prices of the new notes may be volatile and will depend on many factors, including:

our operating performance and financial condition;

the interest of securities dealers in making a market for the new notes; and

the market for similar securities.

The purpose of this line item is to reduce our consolidated net income by the amount of net income attributable to the interests in these partnerships or LLCs not 100% owned by us.

THE EXCHANGE OFFER

Terms of the Exchange Offer; Period for Tendering Old Notes

Subject to terms and conditions detailed in this prospectus, we will accept for exchange old notes which are properly tendered on or prior to the expiration date and not withdrawn as permitted below. As used herein, the term *expiration date* means 5:00 p.m., New York City time, on _____, 2011. We may, however, in our sole discretion, extend the period of time during which the exchange offer is open. The term *expiration date* means the latest time and date to which the exchange offer is extended.

As of the date of this prospectus, \$400 million aggregate principal amount of old 2020 notes, \$500 million aggregate principal amount of the old 2019 notes and \$400 million aggregate principal amount of the old 2022 notes are outstanding. This prospectus, together with the letter of transmittal, is first being sent on or about the date hereof, to all holders of old notes known to us.

We expressly reserve the right, at any time, to extend the period of time during which the exchange offer is open, and delay acceptance for exchange of any old notes, by giving oral or written notice of such extension to the holders thereof as described below. During any such extension, all old notes previously tendered will remain subject to the exchange offer and may be accepted for exchange by us. Any old notes not accepted for exchange for any reason will be returned without expense to the tendering holder as promptly as practicable after the expiration or termination of the exchange offer.

Old notes tendered in the exchange offer must be in denominations of principal amount of \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

We expressly reserve the right to amend or terminate the exchange offer, and not to accept for exchange any old notes, upon the occurrence of any of the conditions of the exchange offer specified under *Conditions to the Exchange Offer*. We will give oral or written notice of any extension, amendment, non-acceptance or termination to the holders of the old notes as promptly as practicable. Such notice, in the case of any extension, will be issued by means of a press release or other public announcement no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date.

Procedures for Tendering Old Notes

The tender to us of old notes by you as set forth below and our acceptance of the old notes will constitute a binding agreement between us and you upon the terms and subject to the conditions set forth in this prospectus and in the accompanying letter of transmittal. Except as set forth below, to tender old notes for exchange pursuant to the exchange offer, you must transmit a properly completed and duly executed letter of transmittal, including all other documents required by such letter of transmittal or, in the case of a book-entry transfer, an *agent's message* in lieu of such letter of transmittal, to Wells Fargo Bank, National Association, as exchange agent, at the address set forth below under *Exchange Agent* on or prior to the expiration date. In addition, either:

certificates for such old notes must be received by the exchange agent along with the letter of transmittal; or

a timely confirmation of a book-entry transfer, which we refer to as a book-entry confirmation, of such old notes, if such procedure is available, into the exchange agent's account at DTC pursuant to the procedure for book-entry transfer must be received by the exchange agent, prior to the expiration date, with the letter of transmittal or an *agent's message* in lieu of such letter of transmittal.

The term *agent's message* means a message, transmitted by DTC to and received by the exchange agent and forming a part of a book-entry confirmation, which states that DTC has received an express acknowledgment from the tendering participant stating that such participant has received and agrees to be bound by the letter of transmittal and that we may enforce such letter of transmittal against such participant.

Table of Contents

The method of delivery of old notes, letters of transmittal and all other required documents is at your election and risk. If such delivery is by mail, it is recommended that you use registered mail, properly insured, with return receipt requested. In all cases, you should allow sufficient time to assure timely delivery. No letter of transmittal or old notes should be sent to us.

Signatures on a letter of transmittal or a notice of withdrawal, as the case may be, must be guaranteed unless the old notes surrendered for exchange are tendered:

by a holder of the old notes who has not completed the box entitled Special Issuance Instructions or Special Delivery Instructions on the letter of transmittal, or

for the account of an eligible institution (as defined below).

In the event that signatures on a letter of transmittal or a notice of withdrawal are required to be guaranteed, such guarantees must be by a firm which is a member of the Securities Transfer Agent Medallion Program, the Stock Exchanges Medallion Program or the New York Stock Exchange Medallion Program (each such entity being hereinafter referred to as an eligible institution). If old notes are registered in the name of a person other than the signer of the letter of transmittal, the old notes surrendered for exchange must be endorsed by, or be accompanied by a written instrument or instruments of transfer or exchange, in satisfactory form as we or the exchange agent determine in our sole discretion, duly executed by the registered holders with the signature thereon guaranteed by an eligible institution.

We or the exchange agent in our sole discretion will make a final and binding determination on all questions as to the validity, form, eligibility (including time of receipt) and acceptance of old notes tendered for exchange. We reserve the absolute right to reject any and all tenders of any particular old note not properly tendered or to not accept any particular old note which acceptance might, in our judgment or our counsel's, be unlawful. We also reserve the absolute right to waive any defects or irregularities or conditions of the exchange offer as to any particular old note either before or after the expiration date (including the right to waive the ineligibility of any holder who seeks to tender old notes in the exchange offer). Our or the exchange agent's interpretation of the term and conditions of the exchange offer as to any particular old note either before or after the expiration date (including the letter of transmittal and the instructions thereto) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of old notes for exchange must be cured within a reasonable period of time, as we determine. We are not, nor is the exchange agent or any other person, under any duty to notify you of any defect or irregularity with respect to your tender of old notes for exchange, and no one will be liable for failing to provide such notification.

If the letter of transmittal is signed by a person or persons other than the registered holder or holders of old notes, such old notes must be endorsed or accompanied by powers of attorney signed exactly as the name(s) of the registered holder(s) that appear on the old notes and the signatures must be guaranteed by an eligible institution.

If the letter of transmittal or any old notes or powers of attorney are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing. Unless waived by us or the exchange agent, proper evidence satisfactory to us of their authority to so act must be submitted with the letter of transmittal.

By tendering old notes, you represent to us, among other things, that you are not our affiliate, as defined under Rule 405 under the Securities Act, that the new notes acquired pursuant to the exchange offer are being obtained in the ordinary course of business of the person receiving such new notes, whether or not such person is the holder, that neither the holder nor such other person has any arrangement or understanding with any person to participate in the distribution of the new notes, and that you are not holding old notes that have, or are reasonably likely to have, the status of an unsold allotment in the initial offering. In the case of a holder that is not a broker-dealer, that holder, by tendering, will also represent to us that the holder is not engaged in, and does not intend to engage in, a distribution of the new notes.

Table of Contents

However, any purchaser of old notes who is our affiliate who intends to participate in the exchange offer for the purpose of distributing the new notes or a broker-dealer that acquired old notes in a transaction other than as part of its trading or market-making activities and who has arranged or has an understanding with any person to participate in the distribution of the old notes:

cannot rely on the applicable interpretations of the staff of the Commission;

will not be entitled to participate in the exchange offer; and

must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction.

Each broker-dealer that receives new notes for its own account in exchange for old notes, where such old notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such new notes. See Plan of Distribution. The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act.

Acceptance of Old Notes for Exchange; Delivery of New Notes

Upon satisfaction or waiver of all of the conditions to the exchange offer, we will accept, promptly after the expiration date, all old notes properly tendered and will issue the new notes promptly after acceptance of the old notes. See Conditions to the Exchange Offer. For purposes of the exchange offer, we will be deemed to have accepted properly tendered old notes for exchange if and when we give oral (confirmed in writing) or written notice to the exchange agent.

The holder of each old note accepted for exchange will receive a new note in the amount equal to the surrendered old note. Holders of new notes on the relevant record date for the first interest payment date following the consummation of the exchange offer will receive interest accruing from the most recent date to which interest has been paid on the old notes. Holders of new notes will not receive any payment in respect of accrued interest on old notes otherwise payable on any interest payment date, the record date for which occurs on or after the consummation of the exchange offer.

In all cases, issuance of new notes for old notes that are accepted for exchange will be made only after timely receipt by the exchange agent of:

a timely book-entry confirmation of such old notes into the exchange agent's account at DTC;

a properly completed and duly executed letter of transmittal or an agent's message in lieu thereof; and

all other required documents.

If any tendered old notes are not accepted for any reason set forth in the terms and conditions of the exchange offer or if old notes are submitted for a greater principal amount than the holder desires to exchange, such unaccepted or non-exchanged old notes will be returned without expense to the tendering holder (or, in the case of old notes tendered by book entry transfer into the exchange agent's account at DTC pursuant to the book-entry procedures described below, such non-exchanged old notes will be credited to an account maintained with DTC as promptly as practicable after the expiration or termination of the exchange offer).

Table of Contents

Book-Entry Transfers

For purposes of the exchange offer, the exchange agent will request that an account be established with respect to the old notes at DTC within two business days after the date of this prospectus, unless the exchange agent has already established an account with DTC suitable for the exchange offer. Any financial institution that is a participant in DTC may make book-entry delivery of old notes by causing DTC to transfer such old notes into the exchange agent's account at DTC in accordance with DTC's procedures for transfer. Although delivery of old notes may be effected through book-entry transfer at DTC, the letter of transmittal or facsimile thereof or an agent's message in lieu thereof, with any required signature guarantees and any other required documents, must, in any case, be transmitted to and received by the exchange agent at the address set forth under "Exchange Agent" on or prior to the expiration date.

Withdrawal Rights

You may withdraw your tender of old notes at any time prior to the expiration date. To be effective, a written notice of withdrawal must be received by the exchange agent at one of the addresses set forth under "Exchange Agent." This notice must specify:

the name of the person having tendered the old notes to be withdrawn;

the old notes to be withdrawn (including the principal amount of such old notes); and

where certificates for old notes have been transmitted, the name in which such old notes are registered, if different from that of the withdrawing holder.

If certificates for old notes have been delivered or otherwise identified to the exchange agent, then, prior to the release of such certificates, the withdrawing holder must also submit the serial numbers of the particular certificates to be withdrawn and a signed notice of withdrawal with signatures guaranteed by an eligible institution, unless such holder is an eligible institution. If old notes have been tendered pursuant to the procedure for book-entry transfer described above, any notice of withdrawal must specify the name and number of the account at DTC to be credited with the withdrawn old notes and otherwise comply with the procedures of DTC.

We or the exchange agent will make a final and binding determination on all questions as to the validity, form and eligibility (including time of receipt) of such notices. Any old notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the exchange offer. Any old notes tendered for exchange but not exchanged for any reason will be returned to the holder without cost to such holder (or, in the case of old notes tendered by book-entry transfer into the exchange agent's account at DTC pursuant to the book-entry transfer procedures described above, such old notes will be credited to an account maintained with DTC for the old notes as soon as practicable after withdrawal, rejection of tender or termination of the exchange offer). Properly withdrawn old notes may be retendered by following one of the procedures described under "Procedures for Tendering Old Notes" above at any time on or prior to the expiration date.

Conditions to the Exchange Offer

Notwithstanding any other provision of the exchange offer, we are not required to accept for exchange, or to issue new notes in exchange for, any old notes and may terminate or amend the exchange offer, if any of the following events occur prior to acceptance of such old notes:

- (1) the exchange offer violates any applicable law or applicable interpretation of the staff of the Commission;
- (2) there is threatened, instituted or pending any action or proceeding before, or any injunction, order or decree has been issued by, any court or governmental agency or other governmental regulatory or administrative agency or commission,

Edgar Filing: LASERSCOPE - Form S-4

seeking to restrain or prohibit the making or consummation of the exchange offer or any other transaction contemplated by the exchange offer, or assessing or seeking any damages as a result thereof, or

resulting in a material delay in our ability to accept for exchange or exchange some or all of the old notes pursuant to the exchange offer;

- (3) any statute, rule, regulation, order or injunction has been sought, proposed, introduced, enacted, promulgated or deemed applicable to the exchange offer or any of the transactions contemplated by the exchange offer by any government or governmental authority, domestic or foreign, or any action has been taken, proposed or threatened, by any government, governmental authority, agency or court, domestic or foreign, that in our sole judgment might, directly or indirectly, result in any of the consequences referred to in clauses (1) or (2) above or, in our reasonable judgment, might result in the holders of new notes having obligations with respect to resales and transfers of new notes which are greater than those described in the interpretation of the Commission referred to on the cover page of this prospectus, or would otherwise make it inadvisable to proceed with the exchange offer; or

- (4) there has occurred:

any general suspension of or general limitation on prices for, or trading in, our securities on any national securities exchange or in the over-the-counter market,

any limitation by a governmental agency or authority which may adversely affect our ability to complete the transactions contemplated by the exchange offer,

a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States or any limitation by any governmental agency or authority which adversely affects the extension of credit, or

a commencement of a war, armed hostilities or other similar international calamity directly or indirectly involving the United States, or, in the case of any of the foregoing existing at the time of the commencement of the exchange offer, a material acceleration or worsening thereof;

which in our reasonable judgment in any case, and regardless of the circumstances (including any action by us) giving rise to any such condition, makes it inadvisable to proceed with the exchange offer and/or with such acceptance for exchange or with such exchange.

The foregoing conditions are for our sole benefit and may be asserted by us regardless of the circumstances giving rise to any condition or may be waived by us in whole or in part at any time in our reasonable discretion. Our failure at any time to exercise any of the foregoing rights will not be deemed a waiver of any such right and each such right will be deemed an ongoing right which may be asserted at any time.

In addition, we will not accept for exchange any old notes tendered, and no new notes will be issued in exchange for any such old notes, if at such time any stop order is threatened or in effect with respect to the registration statement, of which this prospectus constitutes a part, or the qualification of the indentures under the Trust Indenture Act.

Additional solicitation may be made by telephone, facsimile or in person by our and our affiliates officers and regular employees and by persons so engaged by the exchange agent.

Transfer Taxes

Holders who tender their old notes for exchange will not be obligated to pay any related transfer taxes, except that holders who instruct us to register new notes in the name of, or request that old notes not tendered or not accepted in the exchange offer be returned to, a person other than the registered tendering holder will be responsible for the payment of any applicable transfer taxes.

Consequences of Exchanging or Failing to Exchange Old Notes

If you do not exchange your old notes for new notes in the exchange offer, your old notes will continue to be subject to the provisions of the indentures relating to the notes regarding transfer and exchange of the old notes and the restrictions on transfer of the old notes described in the legend on your certificates. These transfer restrictions are required because the old notes were issued under an exemption from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws. In general, the old notes may not be offered or sold unless registered under the Securities Act, except under an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. We do not plan to register the old notes under the Securities Act. Based on interpretations by the staff of the Commission, as set forth in no-action letters issued to third parties, we believe that the new notes you receive in the exchange offer may be offered for resale, resold or otherwise transferred without compliance with the registration and prospectus delivery provisions of the Securities Act. However, you will not be able to freely transfer the new notes, and, to the extent described below, you will not be entitled to participate in the exchange offer if:

you are our affiliate, as defined in Rule 405 under the Securities Act;

you are not acquiring the new notes in the exchange offer in the ordinary course of your business;

you have an arrangement or understanding with any person to participate in the distribution, as defined in the Securities Act, of the new notes you will receive in the exchange offer; or

you are holding old notes that have, or are reasonably likely to have, the status of an unsold allotment in the initial offering.

We do not intend to request the Commission to consider, and the Commission has not considered, the exchange offer in the context of a similar no-action letter. As a result, we cannot guarantee that the staff of the Commission would make a similar determination with respect to the exchange offer as in the circumstances described in the no action letters discussed above. Each holder, other than a broker-dealer, must acknowledge that it is not engaged in, and does not intend to engage in, a distribution of new notes and has no arrangement or understanding to participate in a distribution of new notes. If you are our affiliate, are engaged in or intend to engage in a distribution of the new notes or have any arrangement or understanding with respect to the distribution of the new notes you will receive in the exchange offer, you may not rely on the applicable interpretations of the staff of the Commission, you will not be entitled to participate in the exchange offer and you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction. If you are a participating broker-dealer, you must acknowledge that you will deliver a prospectus in connection with any resale of the new notes. In addition, to comply with state securities laws, you may not offer or sell the new notes in any state unless they have been registered or qualified for sale in that state or an exemption from registration or qualification is available and is complied with. The offer and sale of the new notes to qualified institutional buyers (as defined in Rule 144A of the Securities Act) is generally exempt from registration or qualification under state securities laws. We do not plan to register or qualify the sale of the new notes in any state where an exemption from registration or qualification is required and not available.

Table of Contents

DESCRIPTION OF NEW 2020 NOTES

You can find the definitions of certain terms used in this description under the subheading *Certain definitions*. In this description, the word *Endo* refers only to Endo Pharmaceuticals Holdings Inc. and not to any of its Subsidiaries.

Endo will issue the new 2020 notes under the indenture, dated November 23, 2010 (which we refer to in this description as the *indenture*), among itself, the Guarantors and Wells Fargo Bank, National Association, as trustee. This is the same indenture under which the old notes were issued. The terms of the new 2020 notes will include those stated in the indenture and those made part of the indenture by reference to the Trust Indenture Act of 1939, as amended. When we use the term *old notes* in this description, the term refers to the old 2020 notes. When we use the term *new notes* in this description, the term refers to the new 2020 notes. When we use the term *notes* in this description, the term includes the old notes and the new notes.

The following description is a summary of the material provisions of the indenture. It does not restate the indenture in its entirety. We urge you to read the indenture because it, and not this description, defines your rights as holders of the notes. Copies of the indenture are available as set forth in the section entitled *Incorporation of Certain Documents by Reference* in this prospectus. Certain defined terms used in this description but not defined below under *Certain definitions* have the meanings assigned to them in the indenture.

Any old notes that remain outstanding after the completion of the exchange offer, together with the new notes issued in connection with the exchange offer, will be treated as a single class of securities under the indenture.

The registered holder of a note will be treated as the owner of it for all purposes. Only registered holders will have rights under the indenture.

Brief description of the new notes and the note guarantees

The notes

The notes:

will be general unsecured obligations of Endo;

will be *pari passu* in right of payment with all existing and future unsecured senior Indebtedness of Endo;

will be senior in right of payment to any future Indebtedness of Endo that is, by its terms, expressly subordinated in right of payment to the notes; and

will be fully and unconditionally guaranteed by the Guarantors.

However, the notes will be effectively subordinated to all borrowings under the Credit Facility, which is secured by substantially all of the assets of Endo and the Guarantors. See *Risk factors*. The new notes and the guarantees will be unsecured and effectively subordinated to our and the guarantors' existing and future secured indebtedness.

The note guarantees

The notes were initially guaranteed by all Subsidiaries of Endo that were guarantors of Endo's obligations as borrower under the Credit Agreement on the Issue Date. After the Issue Date, certain Subsidiaries of Endo that are not, or were not, Guarantors will be, or have been, required to become Guarantors and the Note Guarantees of a Guarantor will be released, in each case, under certain circumstances. See *Certain covenants*, *Additional note guarantees* and *Note guarantees*.

Table of Contents

Each guarantee of the notes:

will be a general unsecured obligation of the Guarantor;

will be *pari passu* in right of payment with all existing and future unsecured senior Indebtedness of that Guarantor; and

will be senior in right of payment to any future Indebtedness of that Guarantor that is, by its terms, expressly subordinated in right of payment to the notes or the guarantee, as the case may be.

The operations of Endo are conducted through its Subsidiaries and, therefore, Endo depends on the cash flow of its Subsidiaries to meet its obligations, including its obligations under the notes. Not all of our Subsidiaries will guarantee the notes. The notes will be effectively subordinated in right of payment to all Indebtedness and other liabilities and commitments (including trade payables and lease obligations) of Endo's non-guarantor Subsidiaries. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute any of their assets to us.

As of the date of this prospectus, all of our Subsidiaries, other than HealthTronics, Inc. and its Subsidiaries, will be Restricted Subsidiaries. However, under the circumstances described below under the caption Certain covenants Designation of restricted and unrestricted subsidiaries, we will be permitted to designate certain of our Subsidiaries as Unrestricted Subsidiaries. Our Unrestricted Subsidiaries will not be subject to many of the restrictive covenants in the indenture. Our Unrestricted Subsidiaries will not guarantee the notes.

Principal, maturity and interest

The old notes were initially issued in an aggregate principal amount of \$400 million. Endo may issue additional notes under the indenture from time to time. Any issuance of additional notes is subject to all of the covenants in the indenture, including the covenant described below under the caption Certain covenants Incurrence of indebtedness and issuance of preferred stock. The notes and any additional notes subsequently issued under the indenture will be treated as a single class for all purposes under the indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. Endo will issue notes in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000. The notes will mature on December 15, 2020. Unless the context requires otherwise, references to notes for all purposes of the indenture and this Description of New 2020 Notes include any additional notes that are actually issued.

Interest on the notes will accrue at the rate of 7.000% per annum and will be payable semi-annually in arrears on June 15 and December 15, commencing on June 15, 2011. Interest on overdue principal, interest and Additional Interest, if any, will accrue at a rate that is 1% higher than the then applicable interest rate on the notes. Endo will make each interest payment to the holders of record on the immediately preceding June 1 and December 1.

Interest on the notes will accrue from the Issue Date or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Methods of receiving payments on the notes

If a holder of notes has given wire transfer instructions to Endo at least five business days prior to the applicable payment date, Endo will pay, or cause to be paid by the paying agent, all principal of, premium on, if any, interest and Additional Interest, if any, on, that holder's notes in accordance with those instructions. All other payments on the notes will be made at the office or agency of the paying agent and registrar within the City and State of New York unless Endo elects to make interest payments by check mailed to the noteholders at their address set forth in the register of holders; provided that all payments of principal, premium, if any, interest and

Table of Contents

Additional Interest with respect to notes represented by one or more global notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the holder or holders thereof.

Paying agent and registrar for the notes

The trustee will initially act as paying agent and registrar. Endo may change the paying agent or registrar without notice to the holders of the notes, and Endo or any of its Subsidiaries may act as paying agent or registrar.

Transfer and exchange

A holder may transfer or exchange notes in accordance with the provisions of the indenture. The registrar and the trustee may require a holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of notes. Holders will be required to pay all taxes due on transfer. Endo will not be required to transfer or exchange any note selected for redemption. Also, Endo will not be required to transfer or exchange any note for a period of 15 days before the mailing of a notice of redemption.

Note guarantees

The notes were initially guaranteed by all Subsidiaries of Endo that were guarantors of Endo's obligations as borrower under the Credit Agreement on the Issue Date. Subsequent to the Issue Date, Endo's Subsidiaries, Ledgemont Royalty Sub LLC, Penwest Pharmaceuticals Co., Generics International (US), Inc., Generics Bidco I, LLC, Generics Bidco II, LLC, Generics International (US Holdco), Inc., Generics International (US Midco), Inc., Generics International (US Parent), Inc., Moores Mill Properties L.L.C., Quartz Specialty Pharmaceuticals, LLC, Vintage Pharmaceuticals, LLC, Wood Park Properties LLC, American Medical Systems Holdings, Inc., American Medical Systems, Inc. AMS Research Corporation, AMS Sales Corporation and Laserscope became guarantors of the notes and HealthTronics, Inc. was released as a guarantor of the notes. In addition, Penwest Pharmaceuticals Co. was merged with and into Endo Pharmaceuticals Inc. in August 2011. These Note Guarantees are joint and several obligations of the Guarantors. In addition, if any Subsidiary of Endo becomes a guarantor or obligor in respect of any Triggering Indebtedness, Endo is required to cause such Subsidiary to enter into a supplemental indenture pursuant to which such Subsidiary shall agree to Guarantee the notes, fully and unconditionally and on a senior basis.

The obligations of each Guarantor under its Note Guarantee will be limited to the maximum amount which, after giving effect to all other contingent and fixed liabilities of such Guarantor, and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution obligations under the indenture, will result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under Federal or state law. Each Guarantor that makes a payment or distribution under its Note Guarantee will be entitled to a contribution from any other Guarantor in a pro rata amount based on the net assets of each Guarantor determined in accordance with GAAP. See

Risk factors A guarantee could be voided if it constitutes a fraudulent transfer under U.S. bankruptcy or similar state law, which would prevent holders of the notes from relying on that subsidiary to satisfy claims. Endo also may, at any time, cause a Subsidiary to become a Guarantor by executing and delivering a supplemental indenture providing for the Guarantee of payment of the notes by such Subsidiary on the basis provided in the indenture.

Pursuant to the indenture, (A) a Guarantor may consolidate with, merge with or into, or transfer all or substantially all its assets to any other Person and (B) the Capital Stock of a Guarantor may be sold or otherwise disposed of to another Person, in each case, to the extent permitted by the covenant described below under the caption **Repurchase at the option of holders** **Assets sales**.

Table of Contents

The Note Guarantee of a Guarantor will be released:

- (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor, by way of merger, consolidation or otherwise, to a Person that is not (either before or after giving effect to such transaction) Endo or a Restricted Subsidiary of Endo, if the sale or other disposition does not violate the covenant described below under the caption Repurchase at the option of holders Assets sales;
- (2) in connection with any sale or other disposition of Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) Endo or a Restricted Subsidiary of Endo, if the sale or other disposition does not violate the covenant described below under the caption Repurchase at the option of holders Assets sales and the Guarantor ceases to be a Restricted Subsidiary of Endo as a result of the sale or other disposition;
- (3) if Endo designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of the indenture;
- (4) upon legal defeasance, covenant defeasance or satisfaction and discharge of the indenture as provided below under the captions Legal defeasance and covenant defeasance and Satisfaction and discharge; or
- (5) upon the release of the Guarantor's guarantee under all applicable Triggering Indebtedness.

Optional redemption

At any time prior to December 15, 2013, Endo may on any one or more occasions redeem up to 35% of the aggregate principal amount of notes issued under the indenture, upon not less than 30 nor more than 60 days notice, at a redemption price equal to 107.0% of the principal amount of the notes redeemed, plus accrued and unpaid interest and Additional Interest, if any, to the date of redemption (subject to the rights of holders of notes on the relevant record date to receive interest due on the relevant interest payment date if the notes have not been redeemed prior to such date), with the net cash proceeds of an Equity Offering by Endo; *provided that*:

- (1) at least 65% of the aggregate principal amount of notes originally issued under the indenture (excluding notes held by Endo and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and
- (2) the redemption occurs within 120 days of the date of the closing of such Equity Offering.

At any time prior to December 15, 2015, Endo may on any one or more occasions redeem all or a part of the notes, upon not less than 30 nor more than 60 days notice, at a redemption price equal to 100% of the principal amount of the notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest and Additional Interest, if any, to the date of redemption, subject to the rights of holders of notes on the relevant record date to receive interest due on the relevant interest payment date.

Except pursuant to the preceding paragraphs, the notes will not be redeemable at Endo's option prior to December 15, 2015.

On or after December 15, 2015, Endo may on any one or more occasions redeem all or a part of the notes, upon not less than 30 nor more than 60 days notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Interest, if any, on the notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on December 15 of the years indicated below (subject to the rights of holders of notes on the relevant record date to receive interest due on the relevant interest payment date if the notes have not been redeemed prior to such date):

Unless Endo defaults in the payment of the redemption price, interest will cease to accrue on the notes or portions thereof called for redemption on the applicable redemption date.

Mandatory redemption

Endo is not required to make mandatory redemption or sinking fund payments with respect to the notes.

Repurchase at the option of holders

Change of control repurchase event

If a Change of Control Repurchase Event occurs, each holder of notes will have the right to require Endo to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder's notes pursuant to a Change of Control offer (a Change of Control Offer) on the terms set forth in the indenture. In the Change of Control Offer, Endo will offer a Change of Control Payment in cash equal to 101% of the aggregate principal amount of notes repurchased, plus accrued and unpaid interest and Additional Interest, if any, on the notes repurchased to the date of purchase (subject to the rights of holders of notes on the relevant record date to receive interest due on the relevant interest payment date if the notes have not been redeemed or repurchased prior to such date). Within 30 days following any Change of Control Repurchase Event, Endo will mail a notice to each holder describing the transaction or transactions that constitute the Change of Control Repurchase Event and offering to repurchase notes on the Change of Control Payment Date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the indenture and described in such notice. Endo will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the indenture, Endo will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Repurchase Event provisions of the indenture by virtue of such compliance.

On the Change of Control Payment Date, Endo will, to the extent lawful:

- (1) accept for payment all notes or portions of notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all notes or portions of notes properly tendered; and
- (3) deliver or cause to be delivered to the trustee the notes properly accepted together with an officers' certificate stating the aggregate principal amount of notes or portions of notes being purchased by Endo.

The paying agent will promptly mail to each holder of notes properly tendered the Change of Control Payment for such notes, and the trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each holder a new note equal in principal amount to any unpurchased portion of the notes surrendered, if any. Endo will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require Endo to make a Change of Control Offer following a Change of Control Repurchase Event will be applicable whether or not any other provisions of the indenture are applicable. Except as described above with respect to a Change of Control Repurchase Event, the indenture does not contain provisions that permit the holders of the notes to require that Endo repurchase or redeem the notes in the event of a takeover, recapitalization or similar transaction.

Endo will not be required to make a Change of Control Offer upon a Change of Control Repurchase Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with

Table of Contents

the requirements set forth in the indenture applicable to a Change of Control Offer made by Endo and purchases all notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the indenture as described above under the caption *Optional redemption*, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control Repurchase Event, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

If a Change of Control Offer is made, Endo may not have available funds sufficient to pay the Change of Control Payment for all of the notes that might be delivered by holders of the notes seeking to accept the Change of Control Offer. Endo's failure to make or consummate the Change of Control Offer or pay the Change of Control Payment when due will give the trustee and the holders of the notes the rights described under *Events of Default*.

In addition to Endo's obligations under the indenture with respect to the notes in the event of a Change of Control Repurchase Event, the Credit Agreement contains an event of default upon a Change in Control (as defined therein) which obligates Endo to repay amounts outstanding under such indebtedness upon an acceleration of the indebtedness issued thereunder. As a result, Endo may not be able to repurchase the notes and satisfy its obligations under its other indebtedness following a Change of Control Repurchase Event. See *Risk factors* Upon a change of control repurchase event, we may not have the ability to raise the funds necessary to finance the change of control offer required by the indenture governing the notes, which would violate the terms of the notes.

The existence of a holder's right to require Endo to repurchase such holder's notes upon a Change of Control Repurchase Event may deter a third party from acquiring Endo in a transaction which constitutes a Change of Control.

The provisions of the indenture will not afford holders of the notes the right to require Endo to repurchase the notes in the event of a highly leveraged transaction or certain transactions with Endo's management or Affiliates, including a reorganization, restructuring, merger or similar transaction (including, in certain circumstances, an acquisition of Endo by management or its affiliates) involving Endo that may adversely affect holders of the notes, if such transaction is not a transaction defined as a Change of Control.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of all or substantially all of the properties or assets of Endo and its Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase *substantially all*, there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of notes to require Endo to repurchase its notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of Endo and its Subsidiaries taken as a whole to another Person or group may be uncertain.

The provisions under the indenture relative to Endo's obligation to make a Change of Control Offer may be waived or modified with the consent of the holders of a majority in principal amount of the notes.

Asset sales

Endo will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) Endo (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (measured as of the date of the definitive agreement with respect to such Asset Sale) of the assets or shares of Capital Stock of a Restricted Subsidiary issued or sold or otherwise disposed of; and

Table of Contents

- (2) at least 75% of the consideration received in the Asset Sale by Endo or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:
- (a) any liabilities, as shown on Endo's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto, of Endo or any Restricted Subsidiary (other than liabilities that are by their terms subordinated to the notes or any Note Guarantee) (i) that are assumed by the transferee of any such assets and for which Endo or such Restricted Subsidiary, as the case may be, have been released or indemnified against further liability or (ii) in respect of which neither Endo nor any Restricted Subsidiary following such Asset Sale has any obligation;
 - (b) any securities, notes or other obligations received by Endo or any Restricted Subsidiary from such transferee that are converted by Endo or such Restricted Subsidiary within 180 days into cash, to the extent of the cash received in that conversion;
 - (c) any Designated Noncash Consideration having an aggregate Fair Market Value that, when taken together with all other Designated Noncash Consideration previously received and then outstanding, does not exceed at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value) the greater of \$50.0 million or 1.0% of Total Assets; and
 - (d) any Investment, stock, asset, property or capital expenditure of the kind referred to in clause (3) of the next paragraph of this covenant.

Within one year from the later of the date of an Asset Sale or the receipt of any Net Proceeds from an Asset Sale, Endo (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

- (1) to prepay, repay, redeem or purchase (i) Indebtedness and other Obligations that are secured by a Lien or (ii) Indebtedness (other than any Disqualified Capital Stock) and other Obligations of a Non-Guarantor Subsidiary, and, in each case, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;
- (2) to prepay, repay, redeem or purchase Senior Indebtedness of Endo or any Guarantor; *provided* that, Endo shall (y) apply a pro rata portion (determined and as modified based on the provisions set forth below) of such Net Proceeds to redeem or repurchase the notes (i) as described above under the caption "Optional redemption" or (ii) through open market purchases at a purchase price not less than 100% of the principal amount thereof, plus accrued but unpaid interest thereon, or (z) make an offer (in accordance with the procedures set forth below) to all holders to purchase their notes at a purchase price not less than 100% of the principal amount thereof, plus accrued but unpaid interest thereon (in each case other than Indebtedness or other Obligations owed to Endo or an Affiliate of Endo); or
- (3) to make an Investment in any one or more businesses (*provided* that if such Investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary), to acquire assets or property or to make capital expenditures, in each case (i) used or useful in a Permitted Business or (ii) that replace the properties and assets that are the subject of such Asset Sale;

provided that in the case of clause (3) above, entering into and not abandoning or rejecting a binding commitment to make an investment to satisfy clause (3) above shall be treated as a permitted application of Net Proceeds from the date of such commitment; *provided* that (x) such investment is consummated within 545 days after the later of the receipt of such Net Proceeds or the date of such Asset Sale and (y) if such investment is not consummated within the period set forth in subclause (x), or otherwise applied as set forth in clauses (1) or (2) above, the Net Proceeds not so applied will be deemed to constitute Excess Proceeds under the second succeeding paragraph.

Table of Contents

Pending the final application of any Net Proceeds, Endo (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by the indenture.

Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second paragraph of this covenant will constitute *Excess Proceeds*. When the aggregate amount of Excess Proceeds exceeds the greater of \$50.0 million or 1.0% of Total Assets, within 30 days thereof, Endo will make an offer (an *Asset Sale Offer*) to all holders of notes and all holders of other Senior Indebtedness containing provisions similar to those set forth in the indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem the maximum principal amount of notes and such other Senior Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount (or accreted value, if less, or such lesser amount as may be provided by the terms of such other Senior Indebtedness), plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, prepayment or redemption (subject to the rights of holders of notes on the relevant record date to receive interest due on the relevant interest payment date if the notes have not been redeemed or repurchased prior to such date), and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Endo may use those Excess Proceeds for any purpose not otherwise prohibited by the indenture. If the aggregate principal amount of notes and other Senior Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the trustee will select the notes and such other Senior Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed (with such adjustments as may be deemed appropriate by Endo so that only notes in denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Endo may satisfy the foregoing obligations with respect to any Net Proceeds prior to the expiration of the relevant one year period or with respect to Excess Proceeds of \$50.0 million or less.

Endo will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of notes pursuant to a Change of Control Offer or an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event or Asset Sale provisions of the indenture, Endo will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Repurchase Event or Asset Sale provisions of the indenture by virtue of such compliance.

The provisions under the indenture relative to Endo's obligation to make an Asset Sale Offer may be waived or modified with the consent of the holders of a majority in principal amount of the notes.

The agreements governing Endo's other Indebtedness contain, and future agreements may contain, prohibitions of certain events, including events that would constitute a Change of Control Repurchase Event or an Asset Sale and including repurchases of or other prepayments in respect of the notes. The exercise by the holders of notes of their right to require Endo to repurchase the notes upon a Change of Control Repurchase Event or an Asset Sale could cause a default under these other agreements, even if the Change of Control Repurchase Event or Asset Sale itself does not, due to the financial effect of such repurchases on Endo. In the event a Change of Control Repurchase Event or Asset Sale occurs at a time when Endo is prohibited from purchasing notes, Endo could seek the consent of its senior lenders to the purchase of notes or could attempt to refinance the borrowings that contain such prohibition. If Endo does not obtain a consent or repay those borrowings, Endo will remain prohibited from purchasing notes. In that case, Endo's failure to purchase tendered notes would constitute an Event of Default under the indenture which could, in turn, constitute a default under the other indebtedness. Finally, Endo's ability to pay cash to the holders of notes upon a repurchase may be limited by Endo's then existing financial resources. See *Risk factors* Upon a change of control, we may not have the ability to raise funds necessary to finance the change of control offer required by the indenture governing the notes, which would violate the terms of the notes.

Table of Contents

Selection and notice

If less than all of the notes are to be redeemed at any time, the trustee will select notes for redemption on a *pro rata* basis (or, in the case of notes issued in global form as discussed under Book-Entry, Delivery and Form, based on a method that most nearly approximates a *pro rata* selection as the trustee deems fair and appropriate) unless otherwise required by law or applicable stock exchange or depositary requirements.

No notes of \$2,000 or less can be redeemed in part. Notices of redemption will be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each holder of notes to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the notes or a satisfaction and discharge of the indenture. Any notice may, at Endo's discretion, be subject to satisfaction of one or more conditions precedent.

If any note is to be redeemed in part only, the notice of redemption that relates to that note will state the portion of the principal amount of that note that is to be redeemed. A new note in principal amount equal to the unredeemed portion of the original note will be issued in the name of the holder of notes upon cancellation of the original note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on notes or portions of notes called for redemption.

Certain covenants

Fall away of covenants when notes rated investment grade

If on any date following the Issue Date, the notes are rated Baa3 or better by Moody's and BBB- or better by S&P (or, if either such entity ceases to rate the notes for reasons outside of the control of Endo, the equivalent investment grade credit rating from any other nationally recognized statistical rating organization within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by Endo as a replacement agency) then, beginning on that day (and notwithstanding the failure subsequently to maintain such ratings) (the *Fall Away Date*):

- (1) the covenants specifically listed under the following captions in this prospectus (collectively, the *Fall Away Covenants*) shall each no longer be in effect for the remaining term of the notes:
 - (a) Repurchase at the option of holders Asset sales;
 - (b) Restricted payments;
 - (c) Incurrence of indebtedness and issuance of preferred stock;
 - (d) Dividend and other payment restrictions affecting restricted subsidiaries;
 - (e) Designation of restricted and unrestricted subsidiaries;
 - (f) Transactions with affiliates;
 - (g) clause (4) of the covenant described below under the caption Merger, consolidation or sale of assets; and
 - (h) clauses (1)(a) and (3) of the covenant described under the caption Limitation on Sale Leaseback Transactions;

(2) the covenant described below under the caption **Liens** shall be replaced in its entirety with the following covenant:

Endo will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur or permit to exist any Lien (the **Initial Lien**) of any nature whatsoever on any Restricted Property securing any Indebtedness, other than Permitted Liens, without effectively providing that the notes shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured. Any Lien created for the benefit of the holders of the notes pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

Table of Contents

Notwithstanding the restrictions described above, Endo and its Restricted Subsidiaries may, directly or indirectly, incur or permit to exist any Lien that would otherwise be subject to the restrictions set forth in the immediately preceding paragraph without effectively providing that the notes shall be secured equally and ratably with (or prior to) the obligations so secured if, at the time of such Incurrence or permission, after giving effect thereto and to the retirement of any Secured Indebtedness which is concurrently being retired, the aggregate principal amount of outstanding Secured Indebtedness which would otherwise be subject to such restrictions (not including Permitted Liens) plus all Attributable Debt of Endo and its Restricted Subsidiaries in respect of Sale Leaseback Transactions with respect to any Restricted Property, does not exceed 15% of Total Assets.

Restricted Property means (a) any manufacturing facility (or portion thereof) owned or leased by Endo or any Restricted Subsidiary and located within the continental United States that, in the good faith opinion of Endo's Board of Directors, is of material importance to Endo's business taken as a whole, but no such manufacturing facility (or portion thereof) shall be deemed of material importance if its gross book value of property, plant and equipment (before deducting accumulated depreciation) is less than 2% of Endo's Total Assets measured as of the end of the most recent quarter for which financial statements are available; or (b) any Capital Stock of any Subsidiary of Endo owning a manufacturing facility (or a portion thereof) covered by clause (a). As used in this definition, manufacturing facility means property, plant and equipment used for actual manufacturing and for activities directly related to manufacturing such as quality assurance, engineering, maintenance, staging areas for work in process administration, employees, eating and comfort facilities and manufacturing administration, and it excludes sales offices, research facilities and facilities used only for warehousing, distribution or general administration; and

(3) the definition of Permitted Liens shall be replaced in its entirety with the following definition:
Permitted Liens means:

(i) Liens existing on the Fall Away Date;

(ii) Liens in favor of Endo or a Restricted Subsidiary;

(iii) Liens on any property existing at the time of the acquisition thereof;

(iv) Liens on any property of a Person or its subsidiaries existing at the time such Person is consolidated with or merged into Endo or a Restricted Subsidiary, or Liens on any property of a Person existing at the time such Person becomes a Restricted Subsidiary;

(v) Liens to secure all or part of the cost of acquisition (including Liens created as a result of an acquisition by way of Capital Lease Obligation), construction, development or improvement of the underlying property, or to secure Indebtedness incurred to provide funds for any such purposes, *provided*, that the commitment of the creditor to extend the credit secured by any such Lien shall have been obtained not later than 18 months after the later of (A) the completion of the acquisition, construction, development or improvement of such property and (B) the placing in operation of such property or of such property as so constructed, developed or improved;

(vi) Liens securing industrial revenue, pollution control or similar bonds; and

(vii) any extension, renewal or replacement (including successive extensions, renewals and replacements), in whole or in part, of any Lien referred to in any of clauses (i), (iii), (iv) or (v) that would not otherwise be permitted pursuant to any of clauses (i) through (vi), to the extent that (A) the principal amount of Indebtedness secured thereby and not otherwise permitted to be secured pursuant to any of clauses (i) through (vi) does not exceed the principal amount of Indebtedness, plus any premium or fee payable in connection with any such extension, renewal or replacement, so secured at the time of any such extension, renewal or replacement and (B) the property that is subject to the Lien serving as an extension, renewal or replacement is limited to some or all of the property that was subject to the Lien so extended, renewed or replaced.

There can be no assurance that the notes will ever achieve or maintain an investment grade rating.

Table of Contents

There can be no assurance that Endo will own any Restricted Property on the Fall Away Date or in the future.

Restricted Payments

Endo will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) declare or pay any dividend or make any other payment or distribution on account of Endo's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving Endo or any of its Restricted Subsidiaries) or to the direct or indirect holders of Endo's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of Endo and other than dividends or distributions payable to Endo or a Restricted Subsidiary of Endo);
- (2) purchase, redeem or otherwise acquire or retire for value, directly or indirectly, (including, without limitation, in connection with any merger or consolidation involving Endo) any Equity Interests of Endo;
- (3) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of Endo or any Guarantor that is contractually subordinated to the notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among Endo and any of its Restricted Subsidiaries), except a payment of interest or principal at, or within 365 days of, the Stated Maturity thereof; or
- (4) make any Restricted Investment

(all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as "Restricted Payments"), unless:

- (a) at the time of such Restricted Payment, no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

Edgar Filing: LASERSCOPE - Form S-4

Endo will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described above; and

- (4) with respect to Indebtedness permitted under clause (4) above in respect of Sale Leaseback Transactions that are not Capital Lease Obligations on the Issue Date, any reclassification of such Sale Leaseback Transactions as Capital Lease Obligations shall not be deemed an Incurrence of Indebtedness for purposes of this covenant.

Table of Contents

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Permitted Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being Refinanced.

The principal amount of any Indebtedness incurred to Refinance other Indebtedness, if incurred in a different currency from the Indebtedness being Refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such Refinancing.

The indenture will provide that Endo will not, and will not permit any Guarantor to, directly or indirectly incur any Indebtedness (including Permitted Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of Endo or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the notes or the applicable Note Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of Endo or such Guarantor, as the case may be; *provided* that (i) unsecured Indebtedness shall not be treated as subordinated or junior to any other Indebtedness merely because it is unsecured and (ii) Indebtedness shall not be treated as subordinated or junior in right of payment to other Indebtedness merely because such Indebtedness has a junior priority with respect to any collateral.

Liens

Endo will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur or permit to exist any Lien (the Initial Lien) of any nature whatsoever on any of its properties (including Capital Stock of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, securing any Indebtedness, other than Permitted Liens, without effectively providing that the notes shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

Any Lien created for the benefit of the holders of the notes pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

Limitation on Sale Leaseback Transactions

Endo will not, and will not permit any of its Restricted Subsidiaries to, enter into any Sale Leaseback Transaction with respect to any asset; *provided* that Endo or any Restricted Subsidiary may enter into a Sale Leaseback Transaction if:

- (1) Endo or that Restricted Subsidiary would be entitled to (a) Incur Indebtedness in an amount equal to the Attributable Debt relating to such Sale Leaseback Transaction under the covenant described above under the caption Incurrence of indebtedness and issuance of preferred stock and (b) create a Lien on such property securing such Attributable Debt without equally and ratably securing the notes pursuant to the covenant described above under the caption Liens;
- (2) the gross proceeds received by Endo or any Restricted Subsidiary in connection with such Sale Leaseback Transaction are at least equal to the Fair Market Value of such property; and
- (3) Endo applies the proceeds of such transaction in compliance with the covenant described above under the caption Repurchase at the option of holders Asset sales.

- (4) applicable law, rule, regulation or order;
- (5) any instrument governing Indebtedness or Capital Stock of a Person acquired by Endo or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of the indenture to be incurred;
- (6) customary non-assignment provisions in contracts and licenses entered into in the ordinary course of business;
- (7) Capital Lease Obligations, any agreement governing Purchase Money Indebtedness, security agreements or mortgages securing Indebtedness of a Restricted Subsidiary to the extent such encumbrance or restriction restricts the transfer of the property subject to such Capital Lease Obligations, Purchase Money Indebtedness, security agreements or mortgages;

- (11) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment), which limitation is applicable only to the assets that are the subject of such agreements;

Endo will not: (1) consolidate with or merge with or into another Person (whether or not Endo is the surviving corporation), or (2) directly or indirectly, sell, assign, transfer, convey, lease or otherwise dispose of all or substantially all of the assets of Endo and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

- (1) either: (a) Endo is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than Endo) or to which such sale, assignment, transfer, conveyance, lease or other disposition has been made is an entity organized or existing under the laws of the United States, any state of the United States or the District of Columbia; and, if such entity is not a corporation, a co-obligor of the notes is a corporation organized or existing under any such laws;

- (5) Endo shall have delivered to the trustee an officers certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with the indenture.

This Merger, consolidation or sale of assets covenant will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among Endo and its Restricted Subsidiaries. Clauses (3) and (4) of the first paragraph of this covenant will not apply to any

Transactions with affiliates

Endo will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan or advance with, or guarantee for the benefit of, any Affiliate of Endo (each, an Affiliate Transaction) involving aggregate payments or consideration in excess of \$10.0 million, unless:

- (1) the Affiliate Transaction is on terms that are not materially less favorable to Endo or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Endo or such Restricted Subsidiary with an unrelated Person; and
- (2) Endo delivers to the trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$50.0 million, a resolution adopted by the majority of the Board of Directors of Endo approving such Affiliate Transaction and set forth in an officers certificate certifying that such Affiliate Transaction has been approved by a majority of the Board of Directors of Endo and complies with clause (1) above.

The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of the prior paragraph:

- (1) any employment or consulting agreement, incentive agreement, employee benefit plan, severance agreement, officer or director indemnification agreement or any similar arrangement entered into by Endo or any of its Restricted Subsidiaries in the ordinary course of business or approved by the Board of Directors of Endo and payments pursuant thereto;
- (2) transactions between or among Endo and/or its Restricted Subsidiaries;
- (3) transactions with any Person that is an Affiliate of Endo solely because Endo owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;
- (4) payment of reasonable fees or other reasonable compensation to, provision of customary benefits or indemnification agreements to, and the reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of, officers, directors, employees or consultants of Endo or any of its Restricted Subsidiaries;
- (5) any issuance of Equity Interests (other than Disqualified Stock) of Endo;
- (6) Restricted Payments (or transfers or issuances that would constitute Restricted Payments but for the exclusions from the definition thereof) that do not violate the provisions of the indenture described above under the caption Restricted payments and Permitted Investments;
- (7) loans or advances to employees in the ordinary course of business of Endo or its Restricted Subsidiaries not to exceed \$50.0 million in the aggregate at any one time outstanding;

Edgar Filing: LASERSCOPE - Form S-4

- (8) any agreement as in effect on the Issue Date and described in the offering memorandum for the old notes (or described in a document incorporated by reference in such offering memorandum as of the original Issue Date) or any renewals or extensions of any such agreement (so long as such renewals or extensions are not less favorable in any material respect to Endo or the Restricted Subsidiaries) and the transactions evidenced thereby;

- (9) transactions in which Endo or any Restricted Subsidiary, as the case may be, delivers to the trustee a letter from an accounting, appraisal or investment banking firm of national standing stating that such transaction meets the requirements of clause (1) of the preceding paragraph;

Table of Contents

- (10) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the indenture which are fair to Endo and the Restricted Subsidiaries, in the reasonable determination of the Board of Directors of Endo or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party (as determined by the Board of Directors of Endo or the senior management thereof in good faith);
- (11) transactions in the ordinary course with (i) Unrestricted Subsidiaries or (ii) joint ventures in which Endo or a Subsidiary of Endo holds or acquires an ownership interest (whether by way of Capital Stock or otherwise) so long as the terms of any such transactions are no less favorable to Endo or any Subsidiary participating in such joint ventures than they are to other joint venture partners;
- (12) the existence of, or the performance by Endo or any of its Restricted Subsidiaries of its obligations under the terms of, any limited liability company agreement, limited partnership or other organizational documents or stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by Endo or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (12) to the extent that the terms of any such amendment or new agreement, taken as a whole, is no less favorable to Endo and its Restricted Subsidiaries than the agreement in effect on the Issue Date (as determined by the Board of Directors of Endo or the senior management thereof in good faith);
- (13) the provision of services to directors or officers of Endo or any of its Restricted Subsidiaries of the nature provided by Endo or any of its Restricted Subsidiaries to customers in the ordinary course of business;
- (14) transactions undertaken in good faith for the purpose of improving the consolidated tax efficiency of Endo and its Subsidiaries; and
- (15) any Incurrence of Indebtedness permitted by the covenant described under the caption **Incurrence of indebtedness and issuance of preferred stock.**

Additional note guarantees

If any Subsidiary of Endo that is not a Guarantor becomes a guarantor or obligor in respect of any Triggering Indebtedness, within 10 business days of such event Endo will cause such Subsidiary to enter into a supplemental indenture pursuant to which such Subsidiary shall agree to Guarantee Endo's Obligations under the notes, fully and unconditionally and on a senior basis.

Endo also may, at any time, cause a Subsidiary to become a Guarantor by executing and delivering a supplemental indenture providing for the Guarantee of payment of the notes by such Subsidiary on the basis provided in the indenture.

Designation of restricted and unrestricted subsidiaries

Endo may designate after the Issue Date any Subsidiary (including any newly acquired or newly formed Subsidiary) as an Unrestricted Subsidiary under the indenture (a Designation) only if:

- (1) no Default or Event of Default has occurred and is continuing after giving effect to such Designation;
- (2) the Subsidiary to be so designated and its Subsidiaries do not at the time of Designation own any Capital Stock or Indebtedness of, or own or hold any Lien on any Property of, Endo or any other Subsidiary of Endo that is not a Subsidiary of the Subsidiary so designated;

Edgar Filing: LASERSCOPE - Form S-4

- (3) the Subsidiary to be so designated and its Subsidiaries do not at the time of Designation have and do not thereafter Incur any Indebtedness pursuant to which the lender has recourse to any of the assets of Endo or any of its Restricted Subsidiaries; and

Table of Contents

- (4) either (x) the Subsidiary to be so designated has total consolidated assets of \$1,000 or less or (y) if such Subsidiary has consolidated assets greater than \$1,000, then such Designation would be permitted under the covenant described above under the caption Restricted Payments.

Endo may revoke any Designation of a Subsidiary as an Unrestricted Subsidiary (a Revocation) only if, immediately after giving effect such Revocation:

- (1) (x) Endo could Incur at least \$1.00 of additional Indebtedness under the first paragraph of the covenant described above under the caption Incurrence of indebtedness and issuance of preferred stock or (y) the Fixed Charge Coverage Ratio of Endo would be greater than immediately prior to such Revocation, in each case on a *pro forma* basis taking into account such Revocation;
- (2) all Liens of such Unrestricted Subsidiary outstanding immediately following such Revocation would, if Incurred at such time, have been permitted to be Incurred for all purposes of the indenture; and
- (3) no Default or Event of Default has occurred and is continuing after giving effect to such Revocation.

Each Designation and Revocation must be evidenced by promptly delivering to the trustee a board resolution of the Board of Directors of Endo giving effect to such Designation or Revocation, as the case may be, and an officers certificate certifying compliance with the preceding provisions. A Revocation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary.

No amendment to subordination provisions

Without the consent of the holders of at least a majority in aggregate principal amount of the notes then outstanding, Endo will not amend, modify or alter the Convertible Senior Subordinated Notes Indenture in any way to:

- (1) increase the rate of or change the time for payment of interest on any Convertible Senior Subordinated Notes;
- (2) increase the principal of, advance the final maturity date of or shorten the Weighted Average Life to Maturity of any Convertible Senior Subordinated Notes;
- (3) alter the redemption provisions or the price or terms at which Endo is required to offer to purchase any Convertible Senior Subordinated Notes; or
- (4) amend the provisions of Article 6 of the Convertible Senior Subordinated Notes Indenture (which relate to subordination).

Payments for consent

Endo will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any holder of notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the indenture or the notes unless such consideration is paid to all holders of the notes that so consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Reports

Notwithstanding that Endo may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, Endo will file with the Commission and provide the trustee with such annual and quarterly reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and

reports to be so

filed and provided at the times specified for the filing of such information, documents and reports under such Sections; *provided, however*, that (a) Endo will not be required to provide the trustee with any such information, documents and reports that are filed with the Commission and (b) Endo will not be so obligated to file such information, documents and reports with the Commission if the Commission does not permit such filings; *provided further, however*, that if the Commission does not permit such filings, Endo will be required to provide to holders of notes any such information, documents or reports that are not so filed. The trustee shall not be responsible to determine whether or not Endo has filed any information with the Commission.

Notwithstanding anything herein to the contrary, in the event that Endo fails to comply with its obligation to file or provide such information, documents and report as required hereunder, Endo will be deemed to have cured such Default for purposes of clause (4) under Events of Default upon the filing or provision of all such information, documents and reports required hereunder prior to the expiration of 60 days after written notice to Endo of such failure from the trustee or the holders of at least 25% of the principal amount of the notes.

Events of default and remedies

Each of the following is an Event of Default :

- (1) default for 30 days in the payment when due of interest and Additional Interest, if any, on the notes;
- (2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the notes;
- (3) failure by Endo or any of its Restricted Subsidiaries to comply with (i) clauses (1) and (2) of the second paragraph under the caption Repurchase at the option of holders Change of control repurchase event and (ii) the provisions described under the caption Certain covenants Merger, consolidation or sale of assets;
- (4) failure by Endo or any of its Restricted Subsidiaries to comply with any of the other agreements in the indenture (other than a failure that is the subject of clause (1), (2) or (3)) for 60 days after receipt by Endo of written notice of such failure from the trustee (or receipt by Endo and the trustee of written notice of such failure from the holders of at least 25% in aggregate principal amount of the notes then outstanding voting as a single class);
- (5) one or more defaults shall have occurred under any of the agreements, indentures or instruments under which Endo or any Significant Subsidiary has outstanding Indebtedness in excess of \$75.0 million, individually or in the aggregate, and either (a) such default results from the failure to pay such Indebtedness at its stated final maturity and such default has not been cured or the Indebtedness repaid in full within 20 days of the default or (b) such default or defaults have resulted in the acceleration of the maturity of such Indebtedness and such acceleration has not been rescinded or such Indebtedness repaid in full within 20 days of the acceleration;
- (6) one or more judgments or orders that exceed \$75.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against Endo or any Significant Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days after such judgment or judgments become final and nonappealable;
- (7) any Note Guarantee by a Significant Subsidiary shall for any reason cease to be, or shall for any reason be held in any judicial proceeding not to be, or asserted in writing by any such Guarantor or Endo not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by the indenture and any such Note Guarantee, and any such default continues for 10 days; and

- (8) certain events of bankruptcy or insolvency described in the indenture with respect to Endo or any of its Significant Subsidiaries.

Table of Contents

The indenture provides that if there is a continuing Event of Default (other than an Event of Default under clause (8) above with respect to Endo) with respect to the notes, either the trustee or the holders of at least 25% of the outstanding principal amount of the notes may declare the principal amount of all of the notes to be due and payable immediately. However, at any time after the trustee or the holders, as the case may be, declare an acceleration with respect to the notes, but before the applicable person has obtained a judgment or decree based on such acceleration, the holders of a majority in principal amount of the outstanding notes may, under certain conditions, cancel such acceleration if Endo has cured all Events of Default (other than the nonpayment of accelerated principal) with respect to the notes or all such Events of Default have been waived as provided in the indenture. For information as to waiver of defaults, see Amendment, Supplement and Waiver . If an Event of Default specified in clause (8) above with respect to Endo occurs, all outstanding notes shall become due and payable without any further action or notice.

The indenture provides that, subject to the duties of the trustee to act with the required standard of care, if there is a continuing Event of Default, the trustee need not exercise any of its rights or powers under the indenture at the written request or direction of any of the holders of notes, unless such holders have offered to the trustee security or indemnity satisfactory to the trustee. Subject to such provisions for security or indemnification of the trustee and certain other conditions, the holders of a majority in principal amount of the outstanding notes will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power the trustee holds with respect to the notes.

No holder of any note will have any right to institute any proceeding with respect to the indenture or for any remedy unless:

the trustee has failed to institute such proceeding for 60 days after the holder has previously given to the trustee written notice of a continuing Event of Default with respect to the notes;

the holders of at least 25% in principal amount of the outstanding notes have made a written request, and offered indemnity satisfactory to the trustee, to the trustee to institute such proceeding as trustee; and

the trustee has not received from the holders of a majority in principal amount of the outstanding notes a direction inconsistent with such request.

However, the holder of any note will have an absolute and unconditional right to receive payment of the principal of, and any premium or interest on, such note on or after the date or dates they are to be paid as expressed in such note and to institute suit for the enforcement of any such payment.

In the case of any Event of Default occurring on or after December 15, 2015 by reason of any willful action (or inaction) taken (or not taken) by or on behalf of Endo with the intention of avoiding payment of the premium that Endo would have had to pay if Endo then had elected to redeem the notes pursuant to the optional redemption provisions of the indenture, then, upon acceleration of the Notes, an equivalent premium will also become and be immediately due and payable, to the extent permitted by law, anything in the indenture or in the notes to the contrary notwithstanding. If an Event of Default occurs prior to December 15, 2015 by reason of any willful action (or inaction) taken (or not taken) by or on behalf of Endo with the intention of avoiding the prohibition on redemption of the notes prior to such date, then upon acceleration of the notes, the Applicable Premium will also become and be immediately due and payable, to the extent permitted by law.

Endo is required to furnish to the trustee annually a written statement as to the absence of certain defaults under the indenture. The indenture provides that the trustee need not provide holders of the notes notice of any Default (other than the nonpayment of principal or any premium or interest) if it considers it in the interest of the holders of the notes not to provide such notice.

No personal liability of directors, officers, employees and stockholders

No director, officer, employee, incorporator or stockholder of Endo or any Guarantor, as such, will have any liability for any obligations of Endo or the Guarantors under the notes, the indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of notes by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal defeasance and covenant defeasance

Endo may, at any time, elect to have all of its obligations discharged with respect to the outstanding notes and all obligations of the Guarantors discharged with respect to their Note Guarantees (Legal Defeasance) except for:

- (1) the rights of holders of outstanding notes to receive payments in respect of the principal of, premium on, if any, or interest or Additional Interest, if any, on, such notes when such payments are due from the trust referred to below;
- (2) Endo's obligations with respect to the notes concerning issuing temporary notes, registration of notes, mutilated, destroyed, lost or stolen notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the trustee under the indenture, and Endo's and the Guarantors' obligations in connection therewith; and
- (4) the Legal defeasance and covenant defeasance provisions of the indenture.

In addition, Endo may, at its option and at any time, elect to have the obligations of Endo and the Guarantors released with respect to certain covenants (including its obligation to make Change of Control Offers and Asset Sale Offers) that are described in the indenture (Covenant Defeasance) and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the notes. In the event Covenant Defeasance occurs, all Events of Default described under Events of default and remedies (except those relating to payments on the notes or bankruptcy, receivership, rehabilitation or insolvency events) will no longer constitute an Event of Default with respect to the notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) Endo must irrevocably deposit with the trustee, in trust, for the benefit of the holders of the notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, premium on, if any, interest and Additional Interest, if any, on, the outstanding notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and Endo must specify whether the notes are being defeased to such stated date for payment or to a particular redemption date;
- (2) in the case of Legal Defeasance, Endo must deliver to the trustee an opinion of counsel reasonably acceptable to the trustee confirming that, subject to customary assumptions and exclusions, (a) Endo has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the outstanding notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

Edgar Filing: LASERSCOPE - Form S-4

- (3) in the case of Covenant Defeasance, Endo must deliver to the trustee an opinion of counsel reasonably acceptable to the trustee confirming that, subject to customary assumptions and exclusions, the holders

of the outstanding notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

- (4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);
- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which Endo or any of the Guarantors is a party or by which Endo or any of the Guarantors is bound;
- (6) Endo must deliver to the trustee an officers certificate stating that the deposit was not made by Endo with the intent of preferring the holders of notes over the other creditors of Endo with the intent of defeating, hindering, delaying or defrauding any creditors of Endo or others; and
- (7) Endo must deliver to the trustee an officers certificate and an opinion of counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing provisions of this Section, the conditions set forth in the foregoing subsections (2), (3), (4), (5), (6) and (7) need not be satisfied so long as, at the time Endo makes the deposit described in subsection (1), (i) no Default under clauses (1), (2) and (8) under Events of default and remedies has occurred and is continuing on the date of such deposit and after giving effect thereto and (ii) either (x) a notice of redemption has been mailed providing for redemption of all the notes not more than 60 days after such mailing and the requirements for such redemption shall have been complied with or (y) the Stated Maturity of the notes will occur within 60 days. If the conditions in the preceding sentence are satisfied, Endo shall be deemed to have exercised its Covenant Defeasance option.

Amendment, supplement and waiver

Except as provided in the next two succeeding paragraphs, the indenture or the notes or the Note Guarantees may be amended or supplemented with the consent of the holders of at least a majority in aggregate principal amount of the then outstanding notes (including, without limitation, additional notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the notes), and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, interest or Additional Interest, if any, on, the notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the indenture or the notes or the Note Guarantees may be waived with the consent of the holders of a majority in aggregate principal amount of the then outstanding notes (including, without limitation, additional notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, notes).

Without the consent of each holder of notes affected, an amendment, supplement or waiver may not (with respect to any notes held by a non-consenting holder):

- (1) reduce the principal amount of notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any note or alter or waive any of the provisions with respect to the redemption of the notes (except those provisions relating to the covenants described above under the caption Repurchase at the option of holders);

Edgar Filing: LASERSCOPE - Form S-4

- (3) reduce the rate of or change the time for payment of interest, including default interest, on any note;

Table of Contents

- (4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the notes (except a rescission of acceleration of the notes by the holders of at least a majority in aggregate principal amount of the then outstanding notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any note payable in money other than that stated in the notes;
- (6) make any change in the provisions of the indenture relating to waivers of past Defaults or the rights of holders of notes to receive payments of principal of, premium on, if any, interest or Additional Interest, if any, on, the notes;
- (7) waive a redemption payment with respect to any note (other than a payment required by one of the covenants described above under the caption "Repurchase at the option of holders");
- (8) release any Guarantor from any of its obligations under its Note Guarantee or the indenture, except in accordance with the terms of the indenture; or
- (9) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of notes, Endo, the Guarantors and the trustee may amend or supplement the indenture, the notes or the Note Guarantees:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated notes in addition to or in place of certificated notes;
- (3) to provide for the assumption of Endo's or a Guarantor's obligations to holders of notes and Note Guarantees in the case of a merger or consolidation or sale of all or substantially all of Endo's or such Guarantor's assets, as applicable;
- (4) to make any change that would provide any additional rights or benefits to the holders of notes or that does not adversely affect the legal rights under the indenture of any holder;
- (5) to comply with requirements of the Commission in order to effect or maintain the qualification of the indenture under the Trust Indenture Act;
- (6) to conform the text of the indenture, the notes or the Note Guarantees to any provision of the Description of notes in the offering memorandum for the old notes to the extent that such provision in such Description of notes was intended to be a verbatim recitation of a provision of the indenture, the notes or the Note Guarantees, which intent may be evidenced by an officers' certificate to that effect;
- (7) to provide for the issuance of additional notes in accordance with the limitations set forth in the indenture as of the Issue Date; or

Edgar Filing: LASERSCOPE - Form S-4

(8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the notes.
Satisfaction and discharge

The indenture will be discharged and will cease to be of further effect as to all notes issued thereunder, when:

(1) either:

- (a) all notes that have been authenticated, except lost, stolen or destroyed notes that have been replaced or paid and notes for whose payment money has been deposited in trust and thereafter repaid to Endo, have been delivered to the trustee for cancellation; or
- (b) all notes that have not been delivered to the trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable

Table of Contents

within one year and Endo or any Guarantor has irrevocably deposited or caused to be deposited with the trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the notes not delivered to the trustee for cancellation for principal of, premium on, if any, interest and Additional Interest, if any, on, the notes to the date of maturity or redemption;

- (2) in respect of clause 1(b), no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Endo or any Guarantor is a party or by which Endo or any Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);
- (3) Endo or any Guarantor has paid or caused to be paid all sums payable by it under the indenture; and
- (4) Endo has delivered irrevocable instructions to the trustee under the indenture to apply the deposited money toward the payment of the notes at maturity or on the redemption date, as the case may be.

In addition, Endo must deliver an officers' certificate and an opinion of counsel to the trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the trustee

If the trustee becomes a creditor of Endo or any Guarantor, the indenture limits the right of the trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as trustee (if the indenture has been qualified under the Trust Indenture Act) or resign.

The holders of a majority in aggregate principal amount of the then outstanding notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The indenture provides that in case an Event of Default has occurred and is continuing, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request of any holder of notes, unless such holder has offered to the trustee indemnity or security satisfactory to it against any loss, liability or expense.

Exchange offer; Registration rights

We have filed the registration statement of which this prospectus forms a part and are conducting the exchange offer in accordance with our obligations under a registration rights agreement between us and the initial purchasers of the old notes. Holders of the new notes will not be entitled to any registration rights with respect to the new notes.

Under some circumstances set forth in the registration rights agreement, holders of old notes, including holders who are not permitted to participate in the exchange offer, may require us to file and cause to become effective, a shelf registration statement covering resales of the old notes by those holders.

If we do not complete the exchange offer within 270 days of the date of issuance of the old notes, the interest rate borne by the old notes will be increased by 0.25% per annum during the 90-day period immediately

following such date and shall increase by an additional 0.25% per annum with respect to each subsequent 90-day period (but such aggregate increase shall not exceed 1.00% per annum) until the exchange offer is completed, or until the old notes are freely transferable under Rule 144 of the Securities Act.

Table of Contents**DESCRIPTION OF NEW 2019 NOTES AND NEW 2022 NOTES**

Endo will issue the new 2019 notes and the new 2022 notes under separate indentures, each dated June 8, 2011 (which are referred to individually in this description as an indenture and together as the indentures), among itself, the Guarantors and Wells Fargo Bank, National Association, as trustee. These are the same two indentures under which the old 2019 notes and the old 2022 notes were issued. The terms of the new 2019 notes and new 2022 notes will include those stated in the indentures and those made part of the indentures by reference to the Trust Indenture Act of 1939, as amended. When we use the term old notes in this description, the term includes the old 2019 notes and the old 2022 notes. When we use the term new notes in this description, the term includes the new 2019 notes and the new 2022 notes. When we use the term 2019 notes in this description, the term includes the old 2019 notes and the new 2019 notes. When we use the term 2022 notes in this description, the term includes the old 2022 notes and the new 2022 notes. When we use the term notes in this description, the term includes the old notes and the new notes.

In this description, (i) references to Endo refers only to Endo Pharmaceuticals Holdings Inc. and not to its subsidiaries, and (ii) the term Guarantors includes each Restricted Subsidiary of Endo that guarantees Endo's obligations under the indentures.

The following description is a summary of the material provisions of the indentures. It does not restate those agreements in their entirety. We urge you to read the indentures because they, and not this description, define your rights as holders of the notes. Copies of the indentures are available as set forth in the section entitled Incorporation of Certain Documents by Reference in this prospectus. You can find the definitions of certain terms used in this description under the subheading Certain Definitions. Certain defined terms used in this description but not defined below under Certain Definitions have the meanings assigned to them in the indentures. Any old 2022 notes that remain outstanding after the completion of the exchange offer, together with the new 2022 notes issued in connection with the exchange offer, will be treated as a single class of securities under the applicable indenture.

The registered holder of a note will be treated as the owner of it for all purposes. Only registered holders will have rights under the indentures.

Brief Description of the New Notes and the Note Guarantees***The Notes***

The notes:

will be general unsecured obligations of Endo;

will be *pari passu* in right of payment with all existing and future unsecured senior Indebtedness of Endo;

will be senior in right of payment to any existing or future Indebtedness of Endo that is, by its terms, expressly subordinated in right of payment to the notes; and

will be fully and unconditionally guaranteed by the Guarantors.

However, the notes will be effectively subordinated to all borrowings under the Credit Facility, which is secured by substantially all of the assets of Endo and the Guarantors. See Risk factors The new notes and the guarantees will be unsecured and effectively subordinated to our and the guarantors' existing and future secured indebtedness.

Table of Contents

The Note Guarantees

The notes were initially guaranteed by all Subsidiaries of Endo that were guarantors of Endo's obligations as borrower under the Credit Agreement on the Issue Date. After the Issue Date, certain other Subsidiaries of Endo that are not, or were not, Guarantors will be, or have been, required to become Guarantors and the Note Guarantees of a Guarantor will be, or have been, released, in each case, under certain circumstances. See [Certain Covenants](#), [Additional Note Guarantees](#) and [Note Guarantees](#).

Each guarantee of the notes:

will be a general unsecured obligation of the Guarantor;

will be *pari passu* in right of payment with all existing and future unsecured senior Indebtedness of that Guarantor; and

will be senior in right of payment to any future Indebtedness of that Guarantor that is, by its terms, expressly subordinated in right of payment to the notes or the guarantee, as the case may be.

The operations of Endo are conducted through its Subsidiaries and, therefore, Endo depends on the cash flow of its Subsidiaries to meet its obligations, including its obligations under the notes. Not all of our Subsidiaries will guarantee the notes. The notes will be effectively subordinated in right of payment to all Indebtedness and other liabilities and commitments (including trade payables and lease obligations) of Endo's non-guarantor Subsidiaries. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute any of their assets to us.

As of the date of this prospectus, all of our Subsidiaries, other than HealthTronics, Inc. and its Subsidiaries, will be Restricted Subsidiaries. However, under the circumstances described below under the caption [Certain Covenants](#), [Designation of Restricted and Unrestricted Subsidiaries](#), we will be permitted to designate certain of our Subsidiaries as Unrestricted Subsidiaries. Our Unrestricted Subsidiaries will not be subject to many of the restrictive covenants in the indentures. Our Unrestricted Subsidiaries will not guarantee the notes.

Principal, Maturity and Interest

On the Issue Date, Endo issued the old notes in two series:

\$500.0 million of the old 2019 notes that will mature on July 15, 2019; and

\$400.0 million of the old 2022 notes that will mature on January 15, 2022.

The 2019 notes and the 2022 notes are separate series of notes, including for purposes of, among other things, payments of principal and interest, Events of Default and consents to amendments to the applicable indenture and series of notes. Endo may issue additional notes under the indentures from time to time. Any issuance of additional notes is subject to all of the covenants in the applicable indenture, including the covenant described below under the caption [Certain Covenants](#), [Incurrence of Indebtedness](#) and [Issuance of Preferred Stock](#). The notes of a series and any additional notes of such series subsequently issued under the applicable indenture will be treated as a single class for all purposes under such indenture, in each case including, without limitation, waivers, amendments, redemptions and offers to purchase. Endo will issue notes in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000. Unless the context requires otherwise, references to notes for purposes of the indentures and this [Description of New 2019 Notes and New 2022 Notes](#) include any additional notes that are actually issued.

Interest on the 2019 notes will accrue at the rate of 7.000% per annum and interest on the 2022 notes will accrue at the rate of 7.250% per annum. Interest on the notes will be payable semi-annually in arrears on January 15 and July 15, commencing on January 15, 2012. Interest on overdue principal, interest and Additional Interest, if any, will accrue at a rate that is 1% higher than the then applicable interest rate on the notes. Endo will make each interest payment to the holders of record on the immediately preceding January 1 and July 1.

Table of Contents

Interest on the notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Methods of Receiving Payments on the Notes

If a holder of any series of notes has given wire transfer instructions to Endo at least five business days prior to the applicable payment date, Endo will pay, or cause to be paid by the paying agent, all principal of, premium on, if any, interest and Additional Interest, if any, on that holder's notes in accordance with those instructions. All other payments on the notes will be made at the office or agency of the paying agent and registrar within the City and State of New York unless Endo elects to make interest payments by check mailed to the noteholders at their address set forth in the register of holders; *provided* that all payments of principal, premium, if any, interest and Additional Interest with respect to notes represented by one or more global notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the holder or holders thereof.

Paying Agent and Registrar for the Notes

The trustee will initially act as paying agent and registrar. Endo may change the paying agent or registrar without notice to the holders of the notes, and Endo or any of its Subsidiaries may act as paying agent or registrar.

Transfer and Exchange

A holder may transfer or exchange notes in accordance with the provisions of the applicable indenture. The registrar and the trustee may require a holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of notes. Holders will be required to pay all taxes due on transfer. Endo will not be required to transfer or exchange any note selected for redemption. Also, Endo will not be required to transfer or exchange any note for a period of 15 days before the mailing of a notice of redemption.

Note Guarantees

The notes were initially guaranteed by all Subsidiaries of Endo that were guarantors of Endo's obligations as borrower under the Credit Agreement on the Issue Date. Subsequent to the Issue Date, Endo's Subsidiaries, Generics Bidco II, LLC, Generics International (US Holdco), Inc., Generics International (US Midco), Inc., Generics International (US Parent), Inc., Moores Mill Properties, LLC, Quartz Specialty Pharmaceuticals, LLC, Wood Park Properties, LLC, American Medical Systems Holdings, Inc., American Medical Systems, Inc. AMS Research Corporation, AMS Sales Corporation and Laserscope became guarantors of the notes and HealthTronics, Inc. was released as a guarantor of the notes. In addition, Penwest Pharmaceuticals Co., an original guarantor of the notes, was merged with and into Endo Pharmaceuticals Inc. in August 2011. These Note Guarantees are joint and several obligations of the Guarantors. In addition, if any Subsidiary of Endo becomes a guarantor or obligor in respect of any Triggering Indebtedness, Endo is required to cause such Subsidiary to enter into supplemental indentures pursuant to which such Subsidiary shall agree to Guarantee the notes, fully and unconditionally and on a senior basis.

The obligations of each Guarantor under its Note Guarantees will be limited to the maximum amount which, after giving effect to all other contingent and fixed liabilities of such Guarantor, and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantees or pursuant to its contribution obligations under the indentures, will result in the obligations of such Guarantor under its Note Guarantees not constituting a fraudulent conveyance or fraudulent transfer under Federal or state law. Each Guarantor that makes a payment or distribution under its Note Guarantees will be entitled to a contribution from any other Guarantor in a pro rata amount based on the net assets of each Guarantor determined in accordance with GAAP. See Risk factors A guarantee could be voided

if it constitutes a fraudulent transfer under U.S. bankruptcy or similar state law, which would prevent holders of the notes from relying on that subsidiary to satisfy claims. Endo also may, at any time, cause a Subsidiary to become a Guarantor by executing and delivering supplemental indentures providing for the Guarantee of payment of the notes by such Subsidiary on the basis provided in the indentures.

The Note Guarantees of a Guarantor will be released:

- (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor, by way of merger, consolidation or otherwise, to a Person that is not (either before or after giving effect to such transaction) Endo or a Restricted Subsidiary of Endo, if the sale or other disposition does not violate the covenant described below under the caption *Repurchase at the Option of Holders Assets Sales*;
- (2) in connection with any sale or other disposition of Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) Endo or a Restricted Subsidiary of Endo, if the sale or other disposition does not violate the covenant described below under the caption *Repurchase at the Option of Holders Assets Sales* and the Guarantor ceases to be a Restricted Subsidiary of Endo as a result of the sale or other disposition;
- (3) if Endo designates any Restricted Subsidiary that is such a Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of the indentures;
- (4) with respect to the notes of any series, upon legal defeasance or covenant defeasance with respect to the notes of such series or satisfaction and discharge of the applicable indenture as provided below under the captions *Legal defeasance and covenant defeasance* and *Satisfaction and discharge*; or
- (5) upon the release of the Guarantor's guarantee under all applicable Triggering Indebtedness.

If a Change of Control Repurchase Event occurs, each holder of notes will have the right to require Endo to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder's notes pursuant to a Change of Control offer (a Change of Control Offer) on the terms set forth in the indentures. In the Change of Control Offer, Endo will offer a Change of Control Payment in cash equal to 101% of the aggregate principal amount of notes repurchased, plus accrued and unpaid interest and Additional Interest, if any, on the notes repurchased to the date of purchase (subject to the rights of holders of notes on the relevant record date to receive interest due on the relevant interest payment date if the notes have not been redeemed or repurchased prior to such date). Within 30 days following any Change of Control Repurchase Event, Endo will mail a notice to each holder describing the transaction or transactions that constitute the Change of Control Repurchase Event and offering to repurchase notes on the Change of Control Payment Date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the indentures and described in such notice. Endo will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the indentures, Endo will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Repurchase Event provisions of the indentures by virtue of such compliance.

On the Change of Control Payment Date, Endo will, to the extent lawful:

- (1) accept for payment all notes or portions of notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all notes or portions of notes properly tendered; and
- (3) deliver or cause to be delivered to the trustee the notes properly accepted together with an officers' certificate stating the aggregate principal amount of notes or portions of notes being purchased by Endo.

The paying agent will promptly mail to each holder of notes properly tendered the Change of Control Payment for such notes, and the trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each holder a new note equal in principal amount to any unpurchased portion of the notes surrendered, if any. Endo will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require Endo to make a Change of Control Offer following a Change of Control Repurchase Event will be applicable whether or not any other provisions of the indentures are applicable. Except as described above with respect to a Change of Control Repurchase Event, the indentures do not contain provisions that permit the holders of the notes to require that Endo repurchase or redeem the notes in the event of a takeover, recapitalization or similar transaction.

Endo will not be required to make a Change of Control Offer upon a Change of Control Repurchase Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the indentures applicable to a Change of Control Offer made by Endo and purchases

Table of Contents

all notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the indentures as described above under the caption *Optional redemption*, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control Repurchase Event, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

If a Change of Control Offer is made, Endo may not have available funds sufficient to pay the Change of Control Payment for all of the notes that might be delivered by holders of the notes seeking to accept the Change of Control Offer. Endo's failure to make or consummate the Change of Control Offer or pay the Change of Control Payment when due will give the trustee and the holders of the notes the rights described under *Events of Default*.

In addition to Endo's obligations under the indentures with respect to the notes in the event of a Change of Control Repurchase Event, the Credit Agreement contains an event of default upon a Change in Control (as defined therein) which obligates Endo to repay amounts outstanding under such indebtedness upon an acceleration of the indebtedness issued thereunder. As a result, Endo may not be able to repurchase the notes and satisfy its obligations under its other indebtedness following a Change of Control Repurchase Event. See *Risk factors* Upon a change of control repurchase event, we may not have the ability to raise the funds necessary to finance the change of control offer required by the indentures governing the notes, which would violate the terms of the notes.

The existence of a holder's right to require Endo to repurchase such holder's notes upon a Change of Control Repurchase Event may deter a third party from acquiring Endo in a transaction which constitutes a Change of Control.

The provisions of the indentures will not afford holders of the notes the right to require Endo to repurchase the notes in the event of a highly leveraged transaction or certain transactions with Endo's management or Affiliates, including a reorganization, restructuring, merger or similar transaction (including, in certain circumstances, an acquisition of Endo by management or its affiliates) involving Endo that may adversely affect holders of the notes, if such transaction is not a transaction defined as a Change of Control.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of all or substantially all of the properties or assets of Endo and its Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase *substantially all*, there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of notes to require Endo to repurchase its notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of Endo and its Subsidiaries taken as a whole to another Person or group may be uncertain.

The provisions under the indentures relative to Endo's obligation to make a Change of Control Offer may be waived or modified with the consent of the holders of a majority in principal amount of the notes.

Asset Sales

Endo will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) Endo (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (measured as of the date of the definitive agreement with respect to such Asset Sale) of the assets or shares of Capital Stock of a Restricted Subsidiary issued or sold or otherwise disposed of; and

Table of Contents

- (2) at least 75% of the consideration received in the Asset Sale by Endo or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:
- (a) any liabilities, as shown on Endo's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto, of Endo or any Restricted Subsidiary (other than liabilities that are by their terms subordinated to the notes or any Note Guarantee) (i) that are assumed by the transferee of any such assets and for which Endo or such Restricted Subsidiary, as the case may be, have been released or indemnified against further liability or (ii) in respect of which neither Endo nor any Restricted Subsidiary following such Asset Sale has any obligation;
 - (b) any securities, notes or other obligations received by Endo or any Restricted Subsidiary from such transferee that are converted by Endo or such Restricted Subsidiary within 180 days into cash, to the extent of the cash received in that conversion;
 - (c) any Designated Noncash Consideration having an aggregate Fair Market Value that, when taken together with all other Designated Noncash Consideration previously received and then outstanding, does not exceed at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value) the greater of \$100.0 million or 1.5% of Total Assets; and
 - (d) any Investment, stock, asset, property or capital expenditure of the kind referred to in clause (3) of the next paragraph of this covenant.

Within one year from the later of the date of an Asset Sale or the receipt of any Net Proceeds from an Asset Sale, Endo (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

- (1) to prepay, repay, redeem or purchase (i) Indebtedness and other Obligations that are secured by a Lien or (ii) Indebtedness (other than any Disqualified Capital Stock) and other Obligations of a Non-Guarantor Subsidiary, and, in each case, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;
- (2) to prepay, repay, redeem or purchase Senior Indebtedness of Endo or any Guarantor; *provided* that, Endo shall (y) apply a pro rata portion (determined and as modified based on the provisions set forth below) of such Net Proceeds to redeem or repurchase the notes (i) as described above under the caption "Optional redemption" or (ii) through open market purchases at a purchase price not less than 100% of the principal amount thereof, plus accrued but unpaid interest thereon, or (z) make an offer (in accordance with the procedures set forth below) to all holders to purchase their notes at a purchase price not less than 100% of the principal amount thereof, plus accrued but unpaid interest thereon (in each case other than Indebtedness or other Obligations owed to Endo or an Affiliate of Endo); or
- (3) to make an Investment in any one or more businesses (*provided* that if such Investment is in the form of the acquisition of Capital Stock of a Person, such acquisition results in such Person becoming a Restricted Subsidiary), to acquire assets or property or to make capital expenditures, in each case (i) used or useful in a Permitted Business or (ii) that replace the properties and assets that are the subject of such Asset Sale;

provided that in the case of clause (3) above, entering into and not abandoning or rejecting a binding commitment to make an investment to satisfy clause (3) above shall be treated as a permitted application of Net Proceeds from the date of such commitment; *provided* that (x) such investment is consummated within 545 days after the later of the receipt of such Net Proceeds or the date of such Asset Sale and (y) if such investment is not consummated within the period set forth in subclause (x), or otherwise applied as set forth in clauses (1) or (2) above, the Net Proceeds not so applied will be deemed to constitute Excess Proceeds under the second succeeding paragraph.

Table of Contents

Pending the final application of any Net Proceeds, Endo (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by the indentures.

Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second paragraph of this covenant will constitute *Excess Proceeds*. When the aggregate amount of Excess Proceeds exceeds the greater of \$100.0 million or 1.5% of Total Assets, within 30 days thereof, Endo will make an offer (an *Asset Sale Offer*) to all holders of notes and all holders of other Senior Indebtedness containing provisions similar to those set forth in the indentures with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem the maximum principal amount of notes and such other Senior Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount (or accreted value, if less, or such lesser amount as may be provided by the terms of such other Senior Indebtedness), plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, prepayment or redemption (subject to the rights of holders of notes on the relevant record date to receive interest due on the relevant interest payment date if the notes have not been redeemed or repurchased prior to such date), and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Endo may use those Excess Proceeds for any purpose not otherwise prohibited by the indentures. If the aggregate principal amount of notes and other Senior Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the trustee will select the notes and such other Senior Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed (with such adjustments as may be deemed appropriate by Endo so that only notes in denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. Endo may satisfy the foregoing obligations with respect to any Net Proceeds prior to the expiration of the relevant one year period or with respect to Excess Proceeds of \$100.0 million or less.

Endo will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of notes pursuant to a Change of Control Offer or an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event or Asset Sale provisions of the indentures, Endo will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Repurchase Event or Asset Sale provisions of the indentures by virtue of such compliance.

The provisions under the indentures relative to Endo's obligation to make an Asset Sale Offer may be waived or modified with the consent of the holders of a majority in principal amount of the notes.

The agreements governing Endo's other Indebtedness contain, and future agreements may contain, prohibitions of certain events, including events that would constitute a Change of Control Repurchase Event or an Asset Sale and including repurchases of or other prepayments in respect of the notes. The exercise by the holders of notes of their right to require Endo to repurchase the notes upon a Change of Control Repurchase Event or an Asset Sale could cause a default under these other agreements, even if the Change of Control Repurchase Event or Asset Sale itself does not, due to the financial effect of such repurchases on Endo. In the event a Change of Control Repurchase Event or Asset Sale occurs at a time when Endo is prohibited from purchasing notes, Endo could seek the consent of its senior lenders to the purchase of notes or could attempt to refinance the borrowings that contain such prohibition. If Endo does not obtain a consent or repay or refinance those borrowings, Endo will remain prohibited from purchasing notes. In that case, Endo's failure to purchase tendered notes of any series would constitute an Event of Default under the indenture applicable to the notes of such series which could, in turn, constitute a default under the other indebtedness. Finally, Endo's ability to pay cash to the holders of notes upon a repurchase may be limited by Endo's then existing financial resources. See

Risk Factors Upon a change of control, we may not have the ability to raise funds necessary to finance the change of control offer required by the indentures governing the notes, which would violate the terms of the notes.

Selection and Notice

If less than all of the notes are to be redeemed at any time, the trustee will select notes for redemption on a *pro rata* basis (or, in the case of notes issued in global form as discussed under **Book-Entry, Delivery and Form**, based on a method that most nearly approximates a *pro rata* selection as the trustee deems fair and appropriate) unless otherwise required by law or applicable stock exchange or depositary requirements.

No notes of \$2,000 or less can be redeemed in part. Notices of redemption will be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each holder of notes to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the notes or a satisfaction and discharge of the indentures. Any notice may, at Endo's discretion, be subject to satisfaction of one or more conditions precedent.

If any note is to be redeemed in part only, the notice of redemption that relates to that note will state the portion of the principal amount of that note that is to be redeemed. A new note in principal amount equal to the unredeemed portion of the original note will be issued in the name of the holder of notes upon cancellation of the original note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on notes or portions of notes called for redemption.

Certain Covenants

Fall Away of Covenants When Notes Rated Investment Grade

If on any date following the Issue Date, the notes of any series are rated Baa3 or better by Moody's and BBB- or better by S&P (or, if either such entity ceases to rate the notes of such series for reasons outside of the control of Endo, the equivalent investment grade credit rating from any other nationally recognized statistical rating organization within the meaning of Section 3(a)(62) of the Exchange Act selected by Endo as a replacement agency) then, beginning on that day (and notwithstanding the failure subsequently to maintain such ratings) (the **Fall Away Date**):

- (1) the covenants specifically listed under the following captions in this prospectus (collectively, the **Fall Away Covenants**) shall each no longer be in effect with respect to the notes of such series for the remaining term of the notes of such series:
 - (a) **Repurchase at the Option of Holders** **Asset Sales**;
 - (b) **Restricted Payments**;
 - (c) **Incurrence of Indebtedness and Issuance of Preferred Stock**;
 - (d) **Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries**;
 - (e) **Designation of Restricted and Unrestricted Subsidiaries**;
 - (f) **Transactions with Affiliates**;
 - (g) **clause (4) of the covenant described below under the caption** **Merger, Consolidation or Sale of Assets**; and

(h) clauses (1)(a) and (3) of the covenant described under the caption Limitation on Sale Leaseback Transactions;

Table of Contents

(2) the covenant described below under the caption *Liens* shall be replaced in its entirety with the following covenant:

Endo will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur or permit to exist any Lien (the *Initial Lien*) of any nature whatsoever on any Restricted Property securing any Indebtedness, other than Permitted Liens, without effectively providing that the notes shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured. Any Lien created for the benefit of the holders of the notes pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

Notwithstanding the restrictions described above, Endo and its Restricted Subsidiaries may, directly or indirectly, Incur or permit to exist any Lien that would otherwise be subject to the restrictions set forth in the immediately preceding paragraph without effectively providing that the notes shall be secured equally and ratably with (or prior to) the obligations so secured if, at the time of such Incurrence or permission, after giving effect thereto and to the retirement of any Secured Indebtedness which is concurrently being retired, the aggregate principal amount of outstanding Secured Indebtedness which would otherwise be subject to such restrictions (not including Permitted Liens) plus all Attributable Debt of Endo and its Restricted Subsidiaries in respect of Sale Leaseback Transactions with respect to any Restricted Property, does not exceed 15% of Total Assets.

Restricted Property means (a) any manufacturing facility (or portion thereof) owned or leased by Endo or any Restricted Subsidiary and located within the continental United States that, in the good faith opinion of Endo's Board of Directors, is of material importance to Endo's business taken as a whole, but no such manufacturing facility (or portion thereof) shall be deemed of material importance if its gross book value of property, plant and equipment (before deducting accumulated depreciation) is less than 2% of Endo's Total Assets measured as of the end of the most recent quarter for which financial statements are available; or (b) any Capital Stock of any Subsidiary of Endo owning a manufacturing facility (or a portion thereof) covered by clause (a). As used in this definition, *manufacturing facility* means property, plant and equipment used for actual manufacturing and for activities directly related to manufacturing such as quality assurance, engineering, maintenance, staging areas for work in process administration, employees, eating and comfort facilities and manufacturing administration, and it excludes sales offices, research facilities and facilities used only for warehousing, distribution or general administration. ; and

(3) the definition of *Permitted Liens* shall be replaced in its entirety with the following definition:

Permitted Liens means:

- (i) Liens existing on the Fall Away Date;
- (ii) Liens in favor of Endo or a Restricted Subsidiary;
- (iii) Liens on any property existing at the time of the acquisition thereof;
- (iv) Liens on any property of a Person or its subsidiaries existing at the time such Person is consolidated with or merged into Endo or a Restricted Subsidiary, or Liens on any property of a Person existing at the time such Person becomes a Restricted Subsidiary;
- (v) Liens to secure all or part of the cost of acquisition (including Liens created as a result of an acquisition by way of Capital Lease Obligation), construction, development or improvement of the underlying property, or to secure Indebtedness incurred to provide funds for any such purposes, *provided*, that the commitment of the creditor to extend the credit secured by any such Lien shall have been obtained not later than 18 months after the later of (A) the completion of the acquisition, construction, development or improvement of such property and (B) the placing in operation of such property or of such property as so constructed, developed or improved;

Table of Contents

- (vi) Liens securing industrial revenue, pollution control or similar bonds; and

- (vii) any extension, renewal or replacement (including successive extensions, renewals and replacements), in whole or in part, of any Lien referred to in any of clauses (i), (iii), (iv) or (v) that would not otherwise be permitted pursuant to any of clauses (i) through (vi), to the extent that (A) the principal amount of Indebtedness secured thereby and not otherwise permitted to be secured pursuant to any of clauses (i) through (vi) does not exceed the principal amount of Indebtedness, plus any premium or fee payable in connection with any such extension, renewal or replacement, so secured at the time of any such extension, renewal or replacement and (B) the property that is subject to the Lien serving as an extension, renewal or replacement is limited to some or all of the property that was subject to the Lien so extended, renewed or replaced.

There can be no assurance that the notes of any series will ever achieve or maintain an investment grade rating.

There can be no assurance that Endo will own any Restricted Property on the Fall Away Date or in the future.

Restricted Payments

Endo will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) declare or pay any dividend or make any other payment or distribution on account of Endo's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving Endo or any of its Restricted Subsidiaries) or to the direct or indirect holders of Endo's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of Endo and other than dividends or distributions payable to Endo or a Restricted Subsidiary of Endo);

 - (2) purchase, redeem or otherwise acquire or retire for value, directly or indirectly, (including, without limitation, in connection with any merger or consolidation involving Endo) any Equity Interests of Endo;

 - (3) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of Endo or any Guarantor that is contractually subordinated to the notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among Endo and any of its Restricted Subsidiaries), except a payment of principal at, or within 365 days of, the Stated Maturity thereof; or

 - (4) make any Restricted Investment
- (all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as *Restricted Payments*), unless:
- (a) at the time of such Restricted Payment, no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

 - (b) immediately after giving effect to such Restricted Payment, on a pro forma basis as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, Endo would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of the covenant described below under the caption *Incurrence of Indebtedness and Issuance of Preferred Stock*; and

Table of Contents

- (c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by Endo and its Restricted Subsidiaries since November 23, 2010 (including Restricted Payments permitted by clause (1) of the next succeeding paragraph, but excluding all other Restricted Payments permitted by the next succeeding paragraph), is less than the sum, without duplication, of:
- (1) 50% of the Consolidated Net Income of Endo for the period (taken as one accounting period) from October 1, 2010 to the end of Endo's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*
 - (2) 100% of the aggregate Net Cash Proceeds received by Endo since November 23, 2010 as a contribution to its common equity capital or from the issue or sale of Qualifying Equity Interests of Endo or from the issue or sale of convertible or exchangeable Disqualified Stock of Endo or convertible or exchangeable debt securities of Endo, in each case that have been converted into or exchanged for Qualifying Equity Interests of Endo (other than Qualifying Equity Interests and convertible or exchangeable Disqualified Stock or debt securities sold to a Subsidiary of Endo); *plus*
 - (3) 100% of the aggregate amount received in cash and the Fair Market Value of property (other than cash) and marketable securities received by Endo or a Restricted Subsidiary after November 23, 2010 by means of (i) the sale or other disposition (other than to Endo or a Restricted Subsidiary) of Restricted Investments made by Endo or its Restricted Subsidiaries and repurchases and redemptions of such Restricted Investments from Endo or its Restricted Subsidiaries and repayments of loans or advances which constitute Restricted Investments of Endo or its Restricted Subsidiaries, (ii) the sale (other than to Endo or a Restricted Subsidiary) of the Capital Stock of an Unrestricted Subsidiary and (iii) a distribution or dividend from an Unrestricted Subsidiary (other than in each case to the extent such Investment constituted a Permitted Investment), in each case to the extent that such amounts were not otherwise included in the Consolidated Net Income of Endo for such period; *plus*
 - (4) to the extent that any Restricted Investment that was made after November 23, 2010 is made in an entity that subsequently becomes a Restricted Subsidiary of Endo, the initial amount of such Restricted Investment (or, if less, the amount of cash received upon repayment or sale); *plus*
 - (5) to the extent that any Unrestricted Subsidiary of Endo designated as such after November 23, 2010 is redesignated as a Restricted Subsidiary after November 23, 2010, the lesser of (i) the Fair Market Value of the Restricted Investment in such Subsidiary as of the date of such redesignation or (ii) the aggregate amount of the Restricted Investments in such Subsidiary to the extent such Restricted Investments reduced the amount available under this clause (c) and were not previously repaid or otherwise reduced.

The preceding provisions will not prohibit:

- (1) the payment of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of the indentures;
- (2) the making of any Restricted Payment in exchange for, or out of or with the Net Cash Proceeds of the substantially concurrent sale (other than to a Subsidiary of Endo) of, Equity Interests of Endo (other than Disqualified Stock) or from the substantially concurrent contribution of common equity capital to Endo; *provided* that the amount of any such Net Cash Proceeds that are utilized for any such Restricted Payment will not be considered to be Net Cash Proceeds of Qualifying Equity Interests for purposes of clause (c)(2) of the preceding paragraph and will not be considered to be net cash proceeds from an Equity Offering for purposes of the Optional Redemption provisions of the indentures;

- (3) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary of Endo to the holders of its Equity Interests on a *pro rata* basis;
- (4) the repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of Endo or any Guarantor that is contractually subordinated to the notes or to any Note Guarantee with the Net Cash Proceeds from a substantially concurrent incurrence of Permitted Refinancing Indebtedness;
- (5) the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of Endo or any Restricted Subsidiary of Endo held by any current or former officer, director or employee of Endo or any of its Restricted Subsidiaries pursuant to any equity subscription agreement, stock option agreement, shareholders' agreement or similar agreement; *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests may not exceed \$25.0 million in any calendar year (with any unused amount in any calendar year being carried forward and available in the next succeeding year); *provided, further*, that such amount in any twelve-month period may be increased by an amount not to exceed:

 - (b) the cash proceeds of key man life insurance policies received by Endo or its Restricted Subsidiaries after the Issue Date; and in addition, cancellation of Indebtedness owing to Endo from any current or former officer, director or employee (or any permitted transferees thereof) of Endo or any of its Restricted Subsidiaries (or any direct or indirect parent company thereof), in connection with a repurchase of Equity Interests of Endo from such Persons will not be deemed to constitute a Restricted Payment for purposes of this covenant or any other provisions of the indentures;
- (6) the repurchase of Equity Interests (i) deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options and (ii) upon the exercise of stock options in an equal or lesser amount to the amount exercised in order to reduce the dilutive effects of such exercise;

- (11) the declaration or payment of cash dividends on Endo's common stock in an amount not to exceed \$0.20 per share in any fiscal quarter (as adjusted so that the aggregate amount payable pursuant to this clause (11) is not increased or decreased solely as a result of any stock-split, stock dividend or similar reclassification) plus the payment of *pro rata* dividends on shares subject to issuance pursuant to outstanding options;
- (12) the distribution, as a dividend or otherwise, of Equity Interests of, or Indebtedness owed to Endo or a Restricted Subsidiary by, Unrestricted Subsidiaries (other than Investments in Capital Stock of or Indebtedness in Permitted Joint Ventures pursuant to clause (19)(b) of the definition of Permitted Investments);

For purposes of determining compliance with this covenant:

- (1) all Indebtedness outstanding under the Credit Agreement on the Issue Date will be treated as Incurred under clause (1) of the immediately preceding paragraph;
- (2) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the types of Indebtedness described above, Endo, in its sole discretion, will classify such item of Indebtedness (or any portion thereof) at the time of Incurrence and will only be required to include the amount and type of such Indebtedness in one of the above clauses (*provided* that any Indebtedness originally classified as Incurred pursuant to any of clauses (2) through (25) above may later be reclassified as having been Incurred pursuant to the second preceding paragraph or any other of clauses (2) through (25) above to the extent that such reclassified Indebtedness could be Incurred pursuant to such second preceding paragraph or one of clauses (2) through (25) above, as the case may be, if it were Incurred at the time of such reclassification);
- (3) Endo will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described above; and
- (4) with respect to Indebtedness permitted under clause (4) above in respect of Sale Leaseback Transactions that are not Capital Lease Obligations on the Issue Date, any reclassification of such Sale Leaseback Transactions as Capital Lease Obligations shall not be deemed an Incurrence of Indebtedness for purposes of this covenant.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Permitted Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being Refinanced.

The principal amount of any Indebtedness incurred to Refinance other Indebtedness, if incurred in a different currency from the Indebtedness being Refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such Refinancing.

The indentures will provide that Endo will not, and will not permit any Guarantor to, directly or indirectly incur any Indebtedness (including Permitted Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of Endo or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the notes or the applicable Note Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of Endo or such Guarantor, as the case may

be; *provided* that (i) unsecured Indebtedness shall not be treated as subordinated or junior to any other Indebtedness merely because it is unsecured and (ii) Indebtedness shall not be treated as subordinated or junior in right of payment to other Indebtedness merely because such Indebtedness has a junior priority with respect to any collateral.

Liens

Endo will not, and will not permit any Restricted Subsidiary to, directly or indirectly, Incur or permit to exist any Lien (the *Initial Lien*) of any nature whatsoever on any of its properties (including Capital Stock of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, securing any Indebtedness, other than Permitted Liens, without effectively providing that the notes shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

Any Lien created for the benefit of the holders of the notes pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

Limitation on Sale Leaseback Transactions

Endo will not, and will not permit any of its Restricted Subsidiaries to, enter into any Sale Leaseback Transaction with respect to any asset; *provided* that Endo or any Restricted Subsidiary may enter into a Sale Leaseback Transaction if:

- (1) Endo or that Restricted Subsidiary would be entitled to (a) Incur Indebtedness in an amount equal to the Attributable Debt relating to such Sale Leaseback Transaction under the covenant described above under the caption Incurrence of indebtedness and issuance of preferred stock and (b) create a Lien on such property securing such Attributable Debt without equally and ratably securing the notes pursuant to the covenant described above under the caption Liens;
- (2) the gross proceeds received by Endo or any Restricted Subsidiary in connection with such Sale Leaseback Transaction are at least equal to the Fair Market Value of such property; and
- (3) Endo applies the proceeds of such transaction in compliance with the covenant described above under the caption Repurchase at the Option of Holders Asset Sales.

Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

Endo will not, and will not permit any of its Restricted Subsidiaries, to create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions on its Capital Stock to Endo or any of its Restricted Subsidiaries or pay any indebtedness owed to Endo or any of its Restricted Subsidiaries;
- (2) make loans or advances to Endo or any of its Restricted Subsidiaries; or
- (3) sell, lease or transfer any of its properties or assets to Endo or any of its Restricted Subsidiaries.

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

- (1) agreements in effect at or entered into on the Issue Date;

- (2) the indentures, the notes and the Note Guarantees;

- (3) agreements governing other Indebtedness permitted to be incurred under the provisions of the covenant described above under the caption Incurrence of Indebtedness and Issuance of Preferred Stock; *provided* that, except with respect to any such Incurrence of Indebtedness under the Credit Agreement, in the judgment of Endo, such incurrence will not materially impair Endo's ability to make payments under the notes when due (as determined in good faith by senior management or the Board of Directors of Endo);

- (1) either: (a) Endo is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than Endo) or to which such sale, assignment, transfer, conveyance, lease or other disposition has been made is an entity organized or existing under the laws of the United States, any state of the United States or the District of Columbia; and, if such entity is not a corporation, a co-obligor of the notes is a corporation organized or existing under any such laws;

- (5) Endo shall have delivered to the trustee an officers certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with the indenture.

This Merger, Consolidation or Sale of Assets covenant will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among Endo and its Restricted Subsidiaries. Clauses (3) and (4) of the first paragraph of this covenant will not apply to any merger or consolidation of Endo (1) with or into one of its Restricted Subsidiaries for any purpose or (2) with or into an Affiliate solely for the purpose of reincorporating Endo in another jurisdiction.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the Successor Guarantor, by supplemental indentures, of the Note Guarantees and the due and punctual performance of all of the covenants and conditions of the indentures to be performed by the Guarantor, such Successor Guarantor will succeed to and be substituted for the Guarantor.

Except as set forth under *Certain Covenants*, and notwithstanding clauses (1) and (2) above, nothing contained in the indentures or in any of the notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Transactions with Affiliates

Endo will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan or advance with, or guarantee for the benefit of, any Affiliate of Endo (each, an *Affiliate Transaction*) involving aggregate payments or consideration in excess of \$10.0 million, unless:

- (11) transactions in the ordinary course with (i) Unrestricted Subsidiaries or (ii) joint ventures in which Endo or a Subsidiary of Endo holds or acquires an ownership interest (whether by way of Capital Stock or otherwise) so long as the terms of any such transactions are no less favorable to Endo or any Subsidiary participating in such joint ventures than they are to other joint venture partners;
- (12) the existence of, or the performance by Endo or any of its Restricted Subsidiaries of its obligations under the terms of, any limited liability company agreement, limited partnership or other organizational documents or stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by Endo or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (12) to the extent that the terms of any such amendment or new agreement, taken as a whole, is no less favorable to Endo and its Restricted Subsidiaries than the agreement in effect on the Issue Date (as determined by the Board of Directors of Endo or the senior management thereof in good faith);

If any Subsidiary of Endo that is not a Guarantor becomes a guarantor or obligor in respect of any Triggering Indebtedness, within 10 business days of such event Endo will cause such Subsidiary to enter into supplemental indentures pursuant to which such Subsidiary shall agree to Guarantee Endo's Obligations under the notes, fully and unconditionally and on a senior basis.

Endo also may, at any time, cause a Subsidiary to become a Guarantor by executing and delivering supplemental indentures providing for the Guarantee of payment of the notes by such Subsidiary on the basis provided in the indentures.

Designation of Restricted and Unrestricted Subsidiaries

Endo may designate after the Issue Date any Subsidiary (including any newly acquired or newly formed Subsidiary) as an Unrestricted Subsidiary under the indentures (a Designation) only if:

- (1) no Default or Event of Default has occurred and is continuing after giving effect to such Designation;
- (2) the Subsidiary to be so designated and its Subsidiaries do not at the time of Designation own any Capital Stock or Indebtedness of, or own or hold any Lien on any Property of, Endo or any other Subsidiary of Endo that is not a Subsidiary of the Subsidiary so designated;
- (3) the Subsidiary to be so designated and its Subsidiaries do not at the time of Designation have and do not thereafter Incur any Indebtedness pursuant to which the lender has recourse to any of the assets of Endo or any of its Restricted Subsidiaries; and
- (4) either (x) the Subsidiary to be so designated has total consolidated assets of \$1,000 or less or (y) if such Subsidiary has consolidated assets greater than \$1,000, then such Designation would be permitted under the covenant described above under the caption Restricted Payments.

Endo may revoke any Designation of a Subsidiary as an Unrestricted Subsidiary (a Revocation) only if, immediately after giving effect such Revocation:

- (1) (x) Endo could Incur at least \$1.00 of additional Indebtedness under the first paragraph of the covenant described above under the caption Incurrence of Indebtedness and Issuance of Preferred Stock or (y) the Fixed Charge Coverage Ratio of Endo would be greater than immediately prior to such Revocation, in each case on a *pro forma* basis taking into account such Revocation;
- (2) all Liens of such Unrestricted Subsidiary outstanding immediately following such Revocation would, if Incurred at such time, have been permitted to be Incurred for all purposes of the indentures; and
- (3) no Default or Event of Default has occurred and is continuing after giving effect to such Revocation.

Each Designation and Revocation must be evidenced by promptly delivering to the trustee a board resolution of the Board of Directors of Endo giving effect to such Designation or Revocation, as the case may be, and an officers certificate certifying compliance with the preceding provisions. A Revocation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary.

No Amendment to Subordination Provisions

Without the consent of the holders of at least a majority in aggregate principal amount of the notes then outstanding, Endo will not amend, modify or alter the Convertible Senior Subordinated Notes Indenture in any way to:

- (1) increase the rate of or change the time for payment of interest on any Convertible Senior Subordinated Notes;
- (2)

Edgar Filing: LASERSCOPE - Form S-4

waiver or amendment of any of the terms or provisions of the indentures or the notes unless such consideration is paid to all holders of the notes that so consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Reports

Notwithstanding that Endo may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, Endo will file with the Commission and provide the trustee with such annual and quarterly reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such Sections; *provided, however*, that (a) Endo will not be required to provide the trustee with any such information, documents and reports that are filed with the Commission and (b) Endo will not be so obligated to file such information, documents and reports with the Commission if the Commission does not permit such filings; *provided further, however*, that if the SEC does not permit such filings, Endo will be required to provide to holders of notes any such information, documents or reports that are not so filed. The trustee shall not be responsible to determine whether or not Endo has filed any information with the SEC.

Notwithstanding anything herein to the contrary, in the event that Endo fails to comply with its obligation to file or provide such information, documents and reports as required hereunder, Endo will be deemed to have cured such Default for purposes of clause (4) under Events of Default upon the filing or provision of all such information, documents and reports required hereunder prior to the expiration of 60 days after written notice to Endo of such failure from the trustee or the holders of at least 25% of the principal amount of the notes.

Events of Default and Remedies

Each of the following is an *Event of Default* :

- (1) with respect to the notes of any series, default for 30 days in the payment when due of interest and Additional Interest, if any, on the notes of any such series;
- (2) with respect to the notes of any series, default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the notes of any such series;
- (3) failure by Endo or any of its Restricted Subsidiaries to comply with (i) clauses (1) and (2) of the second paragraph under the caption Repurchase at the Option of Holders Change of Control Repurchase Event and (ii) the provisions described under the caption Certain Covenants Merger, Consolidation or Sale of Assets;
- (4) with respect to the notes of any series, failure by Endo or any of its Restricted Subsidiaries to comply with any of the other agreements in the applicable indenture (other than a failure that is the subject of clause (1), (2) or (3)) for 60 days after receipt by Endo of written notice of such failure from the trustee (or receipt by Endo and the trustee of written notice of such failure from the holders of at least 25% in aggregate principal amount of the notes then outstanding voting as a single class);
- (5) one or more defaults shall have occurred under any of the agreements, indentures or instruments under which Endo or any Significant Subsidiary has outstanding Indebtedness in excess of \$100.0 million, individually or in the aggregate, and either (a) such default results from the failure to pay such Indebtedness at its stated final maturity and such default has not been cured or the Indebtedness repaid in full within 20 days of the default or (b) such default or defaults have resulted in the acceleration of the maturity of such Indebtedness and such acceleration has not been rescinded or such Indebtedness repaid in full within 20 days of the acceleration;
- (6)

jurisdiction against Endo or any Significant Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days after such judgment or judgments become final and nonappealable;

- (7) any Note Guarantee by a Significant Subsidiary shall for any reason cease to be, or shall for any reason be held in any judicial proceeding not to be, or asserted in writing by any such Guarantor or Endo not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by the indenture and any such Note Guarantee, and any such default continues for 10 days; and

(8) certain events of bankruptcy or insolvency described in the indentures with respect to Endo or any of its Significant Subsidiaries. The indenture provides that if there is a continuing Event of Default (other than an Event of Default under clause (8) above with respect to Endo) with respect to the notes of any series, either the trustee or the holders of at least 25% of the outstanding principal amount of the notes of such series may declare the principal amount of all of the notes of such series to be due and payable immediately. However, at any time after the trustee or the holders, as the case may be, declare an acceleration with respect to the notes of any series, but before the applicable person has obtained a judgment or decree based on such acceleration, the holders of a majority in principal amount of the outstanding notes of such series may, under certain conditions, cancel such acceleration if Endo has cured all Events of Default (other than the nonpayment of accelerated principal) with respect to the notes of such series or all such Events of Default have been waived as provided in the applicable indenture. For information as to waiver of defaults, see Amendment, Supplement and Waiver . If an Event of Default specified in clause (8) above with respect to Endo occurs, all outstanding notes shall become due and payable without any further action or notice.

The indentures provide that, subject to the duties of the trustee to act with the required standard of care, if there is a continuing Event of Default, the trustee need not exercise any of its rights or powers under the indentures at the written request or direction of any of the holders of notes, unless such holders have offered to the trustee security or indemnity satisfactory to the trustee. Subject to such provisions for security or indemnification of the trustee and certain other conditions, the holders of a majority in principal amount of the outstanding notes of a series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power the trustee holds with respect to the notes of such series.

No holder of any note of any series will have any right to institute any proceeding with respect to the applicable indenture or for any remedy unless:

the trustee has failed to institute such proceeding for 60 days after the holder has previously given to the trustee written notice of a continuing Event of Default with respect to the notes of the relevant series;

the holders of at least 25% in principal amount of the outstanding notes of such series have made a written request to the trustee, and offered indemnity satisfactory to the trustee, to institute such proceeding as trustee; and

the trustee has not received from the holders of a majority in principal amount of the outstanding notes of such series a direction inconsistent with such request.

However, the holder of any note will have an absolute and unconditional right to receive payment of the principal of, and any premium or interest on, such note on or after the date or dates they are to be paid as expressed in such note and to institute suit for the enforcement of any such payment.

In the case of any Event of Default occurring on or after July 15, 2015, in the case of the 2019 notes, or an Event of Default occurring on or after July 15, 2016, in the case of the 2022 notes, by reason of any willful action (or inaction) taken (or not taken) by or on behalf of Endo with the intention of avoiding payment of the premium

Table of Contents

that Endo would have had to pay if Endo then had elected to redeem the notes of a series pursuant to the optional redemption provisions of the applicable indenture, then, upon acceleration of the notes of such series, an equivalent premium will also become and be immediately due and payable, to the extent permitted by law, anything in the applicable indenture or in the notes to the contrary notwithstanding. If an Event of Default occurs prior to July 15, 2015, in the case of the 2019 notes, or prior to July 15, 2016, in the case of the 2022 notes by reason of any willful action (or inaction) taken (or not taken) by or on behalf of Endo with the intention of avoiding the prohibition on redemption of the notes prior to such date, then upon acceleration of the notes, the Applicable Premium will also become and be immediately due and payable, to the extent permitted by law.

Endo is required to furnish to the trustee annually a written statement as to the absence of certain defaults under the indentures. The indentures provide that the trustee need not provide holders of the notes notice of any Default (other than the nonpayment of principal or any premium or interest) if it considers it in the interest of the holders of the notes not to provide such notice.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of Endo or any Guarantor, as such, will have any liability for any obligations of Endo or the Guarantors under the notes, the indentures, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of notes by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

Endo may, at any time, elect to have all of its obligations discharged with respect to the outstanding notes of any series and all obligations of the Guarantors discharged with respect to their Note Guarantees (*Legal Defeasance*) except for:

- (1) the rights of holders of outstanding notes of such series to receive payments in respect of the principal of, premium on, if any, or interest or Additional Interest, if any, on, such notes when such payments are due from the trust referred to below;
- (2) Endo's obligations with respect to the notes of such series concerning issuing temporary notes, registration of notes, mutilated, destroyed, lost or stolen notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the trustee under the indentures, and Endo's and the Guarantors' obligations in connection therewith; and
- (4) the Legal defeasance and covenant defeasance provisions of the indentures.

In addition, Endo may, at its option and at any time, elect to have the obligations of Endo and the Guarantors released with respect to certain covenants (including its obligation to make Change of Control Offers and Asset Sale Offers) that are described in the indenture governing the notes of any series (*Covenant Defeasance*) and thereafter any omission to comply with those covenants will not constitute a Default or Event of Default with respect to the notes of such series. In the event Covenant Defeasance occurs, all Events of Default described under Events of default and remedies (except those relating to payments on the notes or bankruptcy, receivership, rehabilitation or insolvency events) will no longer constitute an Event of Default with respect to the notes of such series.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) Endo must irrevocably deposit with the trustee, in trust, for the benefit of the holders of the notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of

independent public accountants, to pay the principal of, premium on, if any, interest and Additional Interest, if any, on, the outstanding notes of such series on the stated date for payment thereof or on the applicable redemption date, as the case may be, and Endo must specify whether such notes are being defeased to such stated date for payment or to a particular redemption date;

- (2) in the case of Legal Defeasance, Endo must deliver to the trustee an opinion of counsel reasonably acceptable to the trustee confirming that, subject to customary assumptions and exclusions, (a) Endo has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the outstanding notes of such series will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (3) in the case of Covenant Defeasance, Endo must deliver to the trustee an opinion of counsel reasonably acceptable to the trustee confirming that, subject to customary assumptions and exclusions, the holders of the outstanding notes of such series will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);
- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which Endo or any of the Guarantors is a party or by which Endo or any of the Guarantors is bound;
- (6) Endo must deliver to the trustee an officers certificate stating that the deposit was not made by Endo with the intent of preferring the holders of notes of such series over the other creditors of Endo with the intent of defeating, hindering, delaying or defrauding any creditors of Endo or others; and
- (7) Endo must deliver to the trustee an officers certificate and an opinion of counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the conditions set forth in the foregoing clauses (2), (3), (4), (5), (6) and (7) need not be satisfied so long as, at the time Endo makes the deposit described in clause (1), (i) no Default under clauses (1), (2) and (8) under Events of Default and Remedies has occurred and is continuing on the date of such deposit and after giving effect thereto and (ii) either (x) a notice of redemption has been mailed providing for redemption of all the notes not more than 60 days after such mailing and the requirements for such redemption shall have been complied with or (y) the Stated Maturity of the notes will occur within 60 days. If the conditions in the preceding sentence are satisfied, Endo shall be deemed to have exercised its Covenant Defeasance option.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the indenture or the notes of each series or the Note Guarantees may be amended or supplemented with the consent of the holders of at least a majority in aggregate principal amount of the then outstanding notes of the applicable series (including, without limitation, additional notes of such series, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the notes of such series), and any existing

Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, interest or Additional Interest, if any, on, the notes of the applicable series, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the applicable indenture or the notes of the applicable series or the Note Guarantees may be waived with the consent of the holders of a majority in aggregate principal amount of the then outstanding notes (including, without limitation, additional notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, notes).

Without the consent of each holder of notes affected, an amendment, supplement or waiver may not (with respect to any notes held by a non-consenting holder):

- (1) reduce the principal amount of notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any note or alter or waive any of the provisions with respect to the redemption of the notes (except those provisions relating to the covenants described above under the caption "Repurchase at the Option of Holders");
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any note;
- (4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest or Additional Interest, if any, on, the notes of any series (except a rescission of acceleration of the notes by the holders of at least a majority in aggregate principal amount of the then outstanding notes of such series and a waiver of the payment default that resulted from such acceleration);
- (5) make any note of any series payable in money other than that stated in the notes of the applicable series;
- (6) make any change in the provisions of the applicable indenture relating to waivers of past Defaults or the rights of holders of notes to receive payments of principal of, premium on, if any, interest or Additional Interest, if any, on, the notes of the applicable series;
- (7) waive a redemption payment with respect to any note (other than a payment required by one of the covenants described above under the caption "Repurchase at the Option of Holders");
- (8) release any Guarantor from any of its obligations under its Note Guarantees or the indentures, except in accordance with the terms of the indentures; or
- (9) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of notes, Endo, the Guarantors and the trustee may amend or supplement the indenture, the notes or the Note Guarantees:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated notes in addition to or in place of certificated notes;

- (3) to provide for the assumption of Endo's or a Guarantor's obligations to holders of notes and Note Guarantees in the case of a merger or consolidation or sale of all or substantially all of Endo's or such Guarantor's assets, as applicable;
- (4) to make any change that would provide any additional rights or benefits to the holders of notes or that does not adversely affect the legal rights under the indenture of any holder;
- (5) to comply with requirements of the Commission in order to effect or maintain the qualification of the indenture under the Trust Indenture Act;
- (6) to conform the text of the indenture, the notes or the Note Guarantees to any provision of the Description of the Notes in the offering memorandum for the old notes to the extent that such provision in such Description of the Notes was intended to be a verbatim recitation of a provision of the indenture, the notes or the Note Guarantees, which intent may be evidenced by an officers' certificate to that effect;

Table of Contents

(7) to provide for the issuance of additional notes in accordance with the limitations set forth in the indenture as of the Issue Date; or

(8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the notes.

Satisfaction and Discharge

The applicable indenture with respect to the notes of any series will be discharged and will cease to be of further effect as to all notes issued thereunder, when:

(1) either:

(a) all notes of such series that have been authenticated, except lost, stolen or destroyed notes that have been replaced or paid and notes for whose payment money has been deposited in trust and thereafter repaid to Endo, have been delivered to the trustee for cancellation; or

(b) all notes of such series that have not been delivered to the trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and Endo or any Guarantor has irrevocably deposited or caused to be deposited with the trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the notes of the applicable series not delivered to the trustee for cancellation for principal of, premium on, if any, interest and Additional Interest, if any, on, the notes of the applicable series to the date of maturity or redemption;

(2) in respect of clause 1(b), no Default or Event of Default with respect to the notes of such series has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Endo or any Guarantor is a party or by which Endo or any Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) Endo or any Guarantor has paid or caused to be paid all sums payable by it under the applicable indenture; and

(4) Endo has delivered irrevocable instructions to the trustee under the applicable indenture to apply the deposited money toward the payment of the notes at maturity or on the redemption date, as the case may be.

In addition, Endo must deliver an officers' certificate and an opinion of counsel to the trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the trustee becomes a creditor of Endo or any Guarantor, the indentures limit the right of the trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as trustee (if the applicable indenture has been qualified under the Trust Indenture Act) or resign.

The holders of a majority in aggregate principal amount of the then outstanding notes of any series will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee with respect to the notes of such series, subject to

certain exceptions. The indentures provide that in

Table of Contents

case an Event of Default has occurred and is continuing, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the indentures at the request of any holder of notes of the applicable series, unless such holder has offered to the trustee indemnity or security satisfactory to it against any loss, liability or expense.

Registration Rights

We have filed the registration statement of which this prospectus forms a part and are conducting the exchange offer in accordance with our obligations under registration rights agreements between us and the initial purchasers of the old notes. Holders of the new notes will not be entitled to any registration rights with respect to the new notes.

Under some circumstances set forth in the registration rights agreements entered into in connection with the issuance of the old notes, holders of old notes, including holders who are not permitted to participate in the exchange offer, may require us to file and cause to become effective, a shelf registration statement covering resales of the old notes by those holders.

If we do not complete the exchange offer within 270 days of the date of issuance of the old notes, the interest rate borne by the old notes will be increased by 0.25% per annum during the 90-day period immediately following such date and shall increase by an additional 0.25% per annum with respect to each subsequent 90-day period (but such aggregate increase shall not exceed 1.00% per annum) until the exchange offer is completed, or until the old notes are freely transferable under Rule 144 of the Securities Act.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a general discussion of certain U.S. federal income tax consequences to a holder relating to the exchange of old notes for new notes pursuant to the exchange offer, as of the date hereof. This discussion does not address specific tax considerations that may be relevant to particular persons in light of their individual circumstances (including, for example, entities treated as partnerships for U.S. federal income tax purposes or partners or members therein, banks or other financial institutions, broker-dealers, insurance companies, regulated investment companies, tax-exempt entities, common trust funds, controlled foreign corporations, dealers in securities or currencies, and persons in special situations, such as those who hold notes as part of a straddle, synthetic security, conversion transaction, or other integrated investment comprising notes and one or more other investments). In addition, this discussion does not describe any tax considerations arising under U.S. federal gift or estate or other federal tax laws or under the tax laws of any state, local or foreign jurisdiction. This discussion is based upon the Internal Revenue Code of 1986, as amended, the Treasury Department regulations promulgated thereunder, and administrative and judicial interpretations thereof, all as of the date hereof and all of which are subject to change, possibly with retroactive effect. Each holder is urged to consult its tax advisor regarding the U.S. federal, state, local and non-U.S. income and other tax considerations relating to the exchange of old notes for new notes and relating to the acquisition, ownership and disposition of the new notes.

The exchange of an old note for a new note pursuant to the exchange offer will not constitute a significant modification of the old note for U.S. federal income tax purposes and, accordingly, the new note received will be treated as a continuation of the old note in the hands of such holder. As a result, there will be no U.S. federal income tax consequences to a holder who exchanges an old note for a new note pursuant to the exchange offer and any such holder will have the same adjusted tax basis and holding period in the new note as it had in the old note immediately before the exchange. A holder who does not exchange its old notes for new notes pursuant to the exchange offer will not recognize any gain or loss, for U.S. federal income tax purposes, upon consummation of the exchange offer.

PLAN OF DISTRIBUTION

Each broker-dealer that receives new notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of the new notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of new notes received in exchange for old notes where such old notes were acquired as a result of market making activities or other trading activities. We have agreed that, for a period of 180 days after the completion of the exchange offer, we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale. During this period, we will send copies of this prospectus, as amended or supplemented, to those broker-dealers that check the box on the letter of transmittal accompanying this prospectus requesting additional copies of this prospectus.

We will not receive any proceeds from any sale of new notes by broker-dealers. New notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the new notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or at negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such new notes. Any broker-dealer that resells new notes that were received by it for its own account as a result of market-making or other trading activities pursuant to the exchange offer and any broker or dealer that participates in a distribution of such new notes may be deemed to be an underwriter within the meaning of the Securities Act and any profit on any such resale of new notes and any commission or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that, by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act.

Furthermore, any broker-dealer that acquired any of the old notes directly from us:

may not rely on the applicable interpretation of the staff of the Commission's position contained in *Exxon Capital Holdings Corp.*, SEC no-action letter (April 13, 1988), *Morgan, Stanley and Co. Inc.*, SEC no-action letter (June 5, 1991) and *Shearman & Sterling*, SEC no-action letter (July 2, 1993); and

must also be named as a selling security holder in connection with the registration and prospectus delivery requirements of the Securities Act relating to any resale transaction.

We have agreed to pay all expenses incident to the exchange offer (including the expenses of one counsel for the holders of each series of the old notes) other than commissions or concessions of any broker-dealers and will indemnify the holders of the old notes (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. *Indemnification of Directors and Officers*

Indemnification of Directors and Officers of Endo Pharmaceuticals Holdings Inc.

As authorized by section 145 of the Delaware General Corporation Law (the "DGCL"), each director and officer of a corporation may be indemnified by the corporation against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, actually and reasonably incurred regarding the defense or settlement of threatened, pending or completed legal proceedings. Each director or officer will have the right of indemnification if he or she:

is involved in the legal proceeding because he or she is or was a director or officer of the corporation;

acted in good faith and in a manner that he or she reasonably believed was in the best interests of the corporation; and

in a criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful.

However, if the legal proceeding is by or in the right of the corporation, the director or officer may not be indemnified for claims, issues or matters as to which the director or officer is adjudged to be liable for negligence or misconduct in the performance of his or her duty to the corporation unless a court determines otherwise.

Article SIXTH of our amended and restated certificate of incorporation contains provisions that authorize the indemnification of directors and officers. Under article SIXTH, we will indemnify our directors and officers to the fullest extent authorized or permitted by law against expenses, judgments, fines and amounts paid in settlement. In addition, this right of indemnification continues to persons who have ceased to be our directors or officers and to his or her heirs, executors and personal and legal representatives. However, unless the legal proceeding was authorized or consented to by our board of directors, we are not obligated to indemnify a director or officer, or his or her heirs, executors or personal or legal representatives, regarding the proceeding initiated by the same director or officer, or his or her heirs, executors or personal or legal representatives. Finally, article SIXTH provides that a repeal or modification of article SIXTH by the stockholders must not adversely affect the rights to indemnification of directors and officers regarding any acts or omissions that occurred before the repeal or modification.

Set forth below are material provisions of article EIGHTH of our amended and restated by-laws that authorize the indemnification of directors and officers:

Section 2 of article EIGHTH states that if a director or officer is adjudged to be liable to us by a court of law there would be no right of indemnification unless the court determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, the director or officer is fairly and reasonably entitled to indemnity.

Under section 3 of article EIGHTH, authorization as to whether a director or officer should be indemnified is made (a) by a majority vote of the directors who are not parties to the action, suit or proceeding, even though less than a quorum, (b) by independent legal counsel in a written opinion if there are no directors who are not parties to the action, suit or proceeding or (c) by the stockholders. However, if a director or officer has been successful on the merits or defense of the action, suit or proceeding, then that person will be indemnified without authorization.

According to section 5 of article EIGHTH, directors or officers may apply to the Court of Chancery in the State of Delaware for indemnification.

Section 6 of article EIGHTH provides that the directors and officers have the right to be reimbursed for the expenses incurred in defending or participating in a legal proceeding in advance of the proceeding's final disposition.

II-1

Pursuant to section 8 of article EIGHTH, we may purchase and maintain insurance on behalf of persons who are or were directors or officers whether or not we would have the power or the obligation to indemnify those persons.

Item 22. Undertakings.

The undersigned registrants hereby undertake:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrants' annual reports pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (5) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(7) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(8) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means.
