**Cautionary Note Regarding Forward-Looking Statements**

*This Current Report on Form 8-K contains forward-looking statements which address our expected future business and financial performance. These forward-looking statements are based on current expectations, estimates, forecasts and projections of future Company or industry performance, based on management's judgment, beliefs, current trends and market conditions, and involve risks and uncertainties that may cause actual results to differ materially from those contained in the forward-looking statements. Accordingly, we caution you not to place undue reliance on these statements. For Avago, particular uncertainties that could materially affect future results include global economic conditions and concerns; cyclicalities in the semiconductor industry or in our target markets; quarterly and annual fluctuations in operating results; our competitive performance and ability to continue achieving design wins with our customers; our dependence on contract manufacturing and outsourced supply chain and our ability to improve our cost structure through our manufacturing outsourcing program; prolonged disruptions of our or our contract manufacturers' manufacturing facilities or other significant operations, for example due to natural disasters such as the recent flooding in Thailand; our increased dependence on outsourced service providers for certain key business services and their ability to execute to our requirements; loss of our significant customers; our ability to maintain gross margin; our ability to maintain tax concessions in certain jurisdictions; our ability to protect our intellectual property and any associated increases in litigation expenses; dependence on and risks associated with distributors of our products; any expenses associated with resolving customer product and warranty and indemnification claims; currency fluctuations; our ability to achieve the growth prospects and synergies expected from our acquisitions; delays, challenges and expenses associated with integrating acquired companies with our existing businesses; and other events and trends on a national, regional and global scale, including those of a political, economic, business, competitive and regulatory nature. Our Quarterly Report on Form 10-Q filed on September 8, 2011 and other filings with the Securities and Exchange Commission, or SEC (which you may obtain for free at the SEC's website at <http://www.sec.gov>) discuss some of the important risk factors that may affect our business, results of operations and financial condition. We undertake no intent or obligation to publicly update or revise any of these forward looking statements, whether as a result of new information, future events or otherwise, except as required by law.*
