purchase additional common shares through optional cash investments made at any time and/or automatically through monthly deductions from the participant's account with a U.S. bank or other financial institution.

Interested parties may also become participants in the Plan by making an initial investment of not less than \$100 and up to a maximum of \$10,000 per transaction, not to exceed \$60,000 in any calendar year.

6. Can I deposit Eaton common shares that I have in certificated form into my Plan account for safekeeping?

Yes. As a Plan participant, you can deposit your share certificates into your Plan account at no charge. The advantages of holding shares in book-entry form in the Plan are protection against certificate loss, theft, and damage.

After your enrollment, you can deposit Eaton common shares in the Plan by sending your share certificate(s) to the Plan administrator (see Question 4), properly insured, by registered or certified mail with return receipt requested or some other form of traceable delivery. You should include a written request to instruct the Plan Administrator to deposit your share certificate(s). ***Do not sign the share certificate(s) or complete the assignment section.*** Shares that you deposit will be credited in book-entry form in your Plan account.

Dividend Reinvestment

7. What dividend reinvestment elections do I have under the Plan?

You have the following dividend reinvestment elections under the Plan, one of which you would select on the Enrollment Authorization Form:

Full Dividend Reinvestment: If you select *Full Dividend Reinvestment* on the Enrollment Authorization Form, the Plan Administrator will apply all cash dividends paid on the Eaton common shares credited to your Plan account and those registered in your name in certificate and/or book-entry form toward the purchase of additional Eaton common shares. The shares purchased with your reinvested dividends will then be credited to your Plan account. In addition, at any time, you can send optional cash investments to the Plan Administrator to purchase additional Eaton common shares for your Plan account.

Partial Dividend Reinvestment: If you select *Partial Dividend Reinvestment*, you will receive cash dividends on the number of shares that you designate from those credited to your Plan account and those registered in your name in certificate and/or book-entry form. The Plan Administrator will apply the cash dividends paid on any remaining shares toward the purchase of additional Eaton common shares which will then be credited to your Plan account. In addition, at any time, you can send optional cash investments to the Plan Administrator to purchase additional Eaton common shares for your Plan account.

All Cash (No Dividend Reinvestment): If you select *All Cash*, the cash dividends paid on shares credited to your Plan account and those registered in your name in certificate and/or book-entry form will not be reinvested, but will be sent to you by check or through direct deposit to your U.S. bank account. In addition, at any time, you can send optional cash investments to the Plan Administrator to purchase additional Eaton common shares for your Plan account.

8. When will reinvestment of my cash dividends begin?

The Plan Administrator will begin to reinvest your dividends automatically on the next dividend payment date after receiving your Enrollment Authorization Form, so long as your Enrollment Authorization Form is received on or before the record date for that dividend. The dividend payment date for Eaton common shares has been traditionally the fourth Friday of February, May, August and November if a business day, or the next preceding business day if the dividend payment date is not a business day.

If your Enrollment Authorization Form arrives after the record date for the dividend payment, automatic dividend reinvestment may not begin until the next dividend payment date. After you join the Plan, you will remain a participant unless your participation is terminated (see Questions 30 and 31).

9. Will dividends be paid or reinvested on fractional shares?

Yes. You will be paid dividends on fractional shares that are either reinvested in Eaton common shares or paid to you in cash.

10. How can I change my dividend reinvestment election under the Plan?

As a Plan participant, you may change your dividend reinvestment election at any time on the Internet at www.bnymellon.com/shareowner/equityaccess, or by calling or writing the Plan Administrator (see Question 4). The Plan Administrator must receive your change request on or before the record date for a dividend payment date in order for the change to be effective for that dividend. If your request is received after the record date, the Plan Administrator, in its sole discretion, may defer changing your dividend reinvestment election until the next dividend payment date.

Table of Contents

Optional Cash Investments and Automatic Monthly Deductions

11. How do I make optional cash investments?

You may purchase additional shares through optional cash payments, regardless of whether dividends are being reinvested. Optional cash payments may not be less than \$10, no single cash investment may exceed \$10,000 and the total of all optional cash payments submitted by an individual shareholder may not exceed \$60,000 in any year. The \$10 minimum applies only to optional cash payments by existing Plan participants. New investors must make an initial investment of not less than \$100. There is no obligation either to make an optional cash payment or to invest the same amount of cash for each investment.

Check. You may make optional cash investments by sending a check to the Plan Administrator payable to Eaton/BNY Mellon. To facilitate processing of your investment, please use the transaction stub attached to your Plan statement. Mail your investment and transaction stub to the address specified on the stub. A \$35 fee will be assessed for a check that is returned for insufficient funds. Please see [What are the fees associated with participation?](#) above for all other applicable Plan fees.

Automatic Monthly Withdrawals. If you already own common stock and are enrolled in the Plan and want to make additional purchases, you can authorize automatic monthly deductions from your bank account by completing the appropriate section in the enclosed enrollment form, or by enrolling online after you access your account through Investor ServiceDirect®. This feature enables you to make ongoing investments in an amount that is comfortable for you, provided it is at least \$10 and does not exceed \$10,000 in any one transaction or \$60,000 together with all other purchases in any calendar year, without having to write a check. You can also authorize individual automatic deductions from your bank account through Investor ServiceDirect®. The amounts you have authorized will be withdrawn from your bank account on the 20th day of each month, or the next succeeding business day if the 20th falls on a weekend or holiday. Please see [What are the fees associated with my participation in the Plan?](#) above for all other applicable Plan fees.

12. How often can I send optional cash investments and what dollar limits apply?

You can send in optional cash investments as often as you want. Each optional cash investment that you make needs to be \$10.00 or more and can not exceed \$10,000. The sum of all optional cash investments that you make in a calendar year cannot exceed \$60,000.00. Optional cash investments below the minimum or in excess of the annual maximum will be refunded to you.

13. What happens if there are insufficient funds to cover my optional cash investments?

In the event any check, draft, or electronic funds transfer you submit or order as payment to the Plan Administrator to purchase Eaton common shares is dishonored, refused, or returned, the Plan Administrator, at its discretion and without your further consent, may sell Eaton common shares purchased and credited to your Plan account to satisfy the amount owed on the purchase. The Plan Administrator may sell shares to cover the amount owed, and any returned check or failed electronic payment fee, as a result of your order in any manner consistent with applicable commercial and securities laws. The amount owed will include the purchase price paid, the purchase and sale service fees and the per share processing fees (see Question 27).

14. How do I change or terminate automatic monthly deductions?

You may change or terminate automatic monthly deductions by contacting the Plan Administrator (see Question 4). The Plan Administrator must receive your change or termination request at least six business days preceding the Investment Date (see Question 16) for which you want the change or termination to be effective.

Table of Contents

Purchases

15. When will the Plan Administrator purchase Eaton common shares for my Plan account?

As described below, the Plan Administrator will invest optional cash investments either on, or within 35 days after, the relevant Investment Date (see Question 16). Dividends will be invested in the months in which they are paid as described below.

16. What is the Investment Date?

Upon receipt of your funds, the Plan Administrator will invest initial and additional cash purchases as promptly as practicable, normally within five (5) business days. For automatic monthly purchases, the amounts you have authorized will be withdrawn from your bank account on the 20th day of each month or on the next succeeding business day if the 20th falls on a weekend or holiday. The funds will be credited to your Plan account and normally invested within five (5) business days after receipt by the Plan Administrator.

For dividend reinvestment, the Investment Date is the dividend payment date for Eaton common shares, which has been traditionally the fourth Friday of February, May, August and November if a business day, or the next preceding business day if the dividend payment date is not a business day.

If the Plan Administrator acquires Eaton common shares from Eaton, the investment will be made as of the close of business on the relevant Investment Date. If the Plan Administrator acquires Eaton common shares in the open market, the funds will be invested as promptly as practicable, normally within five (5) business days. If the Plan Administrator is unable to process your investment(s) within 35 days after the Investment Date, the Plan Administrator will return the funds to you by check.

17. How many Eaton common shares will the Plan Administrator purchase for my Plan account?

The number of Eaton common shares the Plan Administrator will purchase for you depends on the purchase price of Eaton common shares (see Question 19), the total amount of your dividends (if applicable), and optional cash investments (in any form) that you submit, less any applicable service fees and processing fees. Your Plan account will be credited with the actual number of shares purchased, including fractions.

18. How does the Plan Administrator acquire Eaton common shares under the Plan?

The Plan Administrator uses your investment funds (that is, dividends and/or optional cash investments, less any applicable service fees and processing fees), to purchase Eaton common shares either from Eaton or in the open market, as Eaton determines. For the purpose of making purchases, the Plan Administrator may combine your dividend and optional cash investment funds with those of some or all other Plan participants.

19. At what price will the Plan Administrator purchase Eaton common shares?

The price of Eaton common shares purchased with reinvested dividends or with optional cash investments will be the Market Price as described below.

If Eaton common shares are purchased from Eaton, the Market Price for those shares will be the average of the high and low sale prices of Eaton common shares as reported on the New York Stock Exchange consolidated tape on the relevant Investment Date (see Question 16). If on any Investment Date there is no reported trading in Eaton common shares on the New York Stock Exchange, the Market Price will be based on the weighted average of the high and low sale prices on the nearest trading dates before and after the Investment Date. No common shares will be purchased under the Plan at less than the par value for Eaton common shares (\$.50).

Table of Contents

If Eaton common shares are purchased in the open market, the Market Price per share for your investment will be the weighted average price per share of all shares purchased in the open market by the Plan Administrator to fill the combined purchase order for the Plan investments. In some instances, filling a purchase order may require execution of multiple trades in the market and may take more than one trading day to complete.

YOU SHOULD BE AWARE THAT THE MARKET PRICE PER EATON COMMON SHARE MAY BE MORE OR LESS THAN THE PRICE PER EATON COMMON SHARE AT THE TIME YOU REQUEST A PURCHASE. YOU SHOULD ALSO BE AWARE THAT YOU MAY NOT BE ABLE TO RESCIND INSTRUCTIONS YOU SUBMIT TO THE PLAN ADMINISTRATOR TO PURCHASE YOUR SHARES. ANY DECISION CONCERNING A REQUEST FOR RESCISSION WILL BE MADE AT THE SOLE DISCRETION OF THE PLAN ADMINISTRATOR.

20. Will share certificates be issued to me for Eaton common shares purchased?

Eaton common shares purchased under the Plan for your account will be recorded in book-entry form and registered in the name of one of the Plan Administrator's nominees as agent for your account in the Plan. Your share ownership interest will be recorded in a book-entry Plan account on our shareholder records. In the event that the Plan Administrator should resign, be removed or otherwise cease to administer the Plan, we will make such other arrangements as we deem appropriate for administration of the Plan.

Unless you request them, the Plan Administrator will not issue certificates for Eaton common shares purchased under the Plan. The number of shares purchased for your Plan account, as well as the number of shares you deposit, will be shown on your Plan account statement. Keeping shares in book-entry form rather than in certificated form protects against loss, theft and destruction of stock certificates. Many shareholders retain their shares in book-entry form.

You may request that the Plan Administrator issue physical certificates to you at any time on the Internet at www.bnymellon.com/shareowner/equityaccess, or by calling or writing the Plan Administrator (see Question 4). In response to your request, a certificate for the number of whole shares credited to your Plan account that you request will be issued to you. A certificate for a fraction of a share cannot be issued.

Shares held in book-entry form in your Plan account may not be pledged. If you wish to pledge any of your shares, you must first request that physical share certificates be issued in your name.

Withdrawal, Sale, Re-registration or Transfer of Shares

21. How can I withdraw the shares credited to my Plan account?

You can withdraw all or a portion of the shares credited to your Plan account at any time on the Internet at www.bnymellon.com/shareowner/equityaccess or by calling or writing the Plan Administrator (see Question 4). The Plan Administrator will process your request to withdraw shares promptly following receipt, and in no event later than five trading days after the date the request is received (except where deferral is necessary under applicable Federal or state laws or regulations).

If you wish to withdraw a portion of the shares in your Plan account, the request must be for a whole number of shares as the Plan Administrator cannot issue certificates for fractional shares. If you wish to withdraw all shares credited to your Plan account, the Plan Administrator will issue a certificate for all the whole shares and a cash payment, less any applicable service fees and per share processing fees, for any remaining fractional share credited to your Plan account. In that instance, the amount of the check, if any, will be based upon the sale price obtained for any shares sold by the Plan Administrator on the day your certificate was issued or, if there is no market sale that day for Eaton common shares, the closing price on the day before. The Plan Administrator will send your certificate and a check (if applicable) to the address of record on your Plan account.

22. What happens to my dividend reinvestment election if I withdraw shares from my Plan account?

Your dividend reinvestment election will remain the same unless you withdraw all of the Eaton common shares in your Plan account.

If you withdraw all of your whole and fractional Plan shares, your participation in the Plan will be terminated and any future dividends will be paid by check or direct deposit to your bank account, as you elect. At its discretion, the Plan Administrator also may close any Plan account that contains less than one Eaton common share. Any fractional share in your Plan account will be sold subject to the fees as described in Question 27. A check for the sale proceeds less applicable fees will be mailed to your address of record. All future dividends on shares registered in your name will be paid in cash.

23. How can I sell the shares credited to my Plan account?

You can sell all or a portion of the shares credited to your Plan account by contacting the Plan Administrator (see Question 4). Through participating brokers, the Plan Administrator will sell the shares for you. The Plan Administrator will send the sale proceeds to you by check, less any applicable fees (see Question 27), to your address of record after your sale transaction has settled. The Plan Administrator may combine your shares to be sold with those of other Plan participants selling shares at the same time. The Plan Administrator may refuse to execute a transaction request by telephone or Internet and in its place require written submission of the request.

Alternatively, you may request the Plan Administrator to issue share certificate(s) for any whole shares credited to your Plan account. Upon your receipt of the certificate(s), you can sell the shares through a broker of your choice or otherwise transfer the shares.

24. When will the Plan Administrator execute a sale request and how is the price determined?

The Plan Administrator will process your sale order promptly following receipt, and in no event later than five trading days after the date the order is received (except where deferral is necessary under applicable Federal or state laws or regulations). The sale price for shares sold will be based on the price per share obtained in the open market as part of an aggregate order.

25. How do I change the name on my Plan account, transfer shares, or give as a gift shares in my Plan account?

You may change the name on your Plan account, transfer shares, or give as a gift shares in your Plan account at any time by completing and submitting to the Plan Administrator a Transfer of Ownership Form. Transfers may be made in book-entry or certificated form. Contact the Plan Administrator (see Question 4) to request transfer instructions and the Transfer of Ownership Form, or download the instructions and the Transfer of Ownership Form from the Internet at www.bnymellon.com/shareowner/equityaccess. You must provide the full new name, address and taxpayer identification (or social security) number (if known) of the new owner on the Transfer of Ownership Form.

If you are submitting your certificates for transfer, we recommend that you send them, properly insured, by certified or registered mail, return receipt requested, or some other form of traceable delivery. All participants in the existing Plan account need to sign the instructions, and their signatures need to be authenticated with a Medallion Signature Guarantee as described in the instructions on the Transfer of Ownership Form.

26. What happens to my dividends if I sell or transfer shares from my Plan account?

If you sell or transfer a portion, but not all, of the shares in your Plan account, your dividend reinvestment election will remain the same for the remainder of the shares in your Plan account. See also Question 22.

Costs and Fees

27. What costs and/or fees are associated with my participation in the Plan?

All costs of administration of the Plan and the costs incurred in connection with the purchase of Eaton common shares under the Plan will be paid by Eaton, with the few exceptions described below. As a Plan participant, you will incur no brokerage commissions or pay service fees for purchases, except that: if the shares you own are not registered in your name but in the name of your broker or other nominee and you arrange to participate in the Plan indirectly through such broker or other nominee, you may be required to pay a commission or service fee to such broker or nominee in connection with your participation.

If you instruct the Plan Administrator to sell all or a part of the Eaton common shares credited to your Plan account, you will be charged a service fee of \$15.00 per transaction, a processing fee of \$0.12 per share sold and any transfer taxes in connection with the sale. The net proceeds from any such sale will be sent to you as soon as practicable.

Reports to Participants

28. What kind of reports will I receive regarding my participation in the Plan?

You will receive a statement whenever there is activity affecting your Plan account. The statement will confirm each transaction, such as any purchase, sale, transfer, certificate of deposit, certificate of issuance, or dividend reinvestment. Statements will be sent promptly following each transaction. These statements are a record of your Plan account activity showing your cumulative share position and the prices for your purchases and sales of shares under the Plan. The statements will also show the amount of dividends reinvested (if applicable) and any applicable fees charged for your respective transactions during the period. You should retain these statements for tax purposes. The Plan Administrator may charge a fee for duplicate statements.

As a registered shareholder, you will also receive copies of Eaton Annual Reports, proxy statements, notices of annual and special meetings, proxy cards, and if applicable, dividend income and other notices for tax reporting purposes.

If you prefer, and if the Eaton materials are available online, you may consent to receive such materials electronically over the Internet. Instead of receiving materials through the mail, you will receive an electronic notice to your e-mail address of record notifying you of the availability of Eaton materials online and instructing you how to view and act on them.

29. Where will the Plan Administrator send reports, notices and other communications regarding my participation?

Reports, notices and other communications sent to you under the Plan will be addressed to your last known address as reflected by the Plan Administrator's records. Therefore, you should notify the Plan Administrator (see Question 4) promptly of any change in your address.

Termination

30. When and how may I terminate participation in the Plan?

You may terminate participation in the Plan at any time by giving instructions to the Plan Administrator. As soon as practicable following termination, the Plan Administrator will send you a certificate for the whole shares and a check for any fractional share in your P
